### Free Lunch and Setting Goals for Writing

Wednesday, March 18: Setting goals for writing. What do we want our students to be able to do with writing in individual courses and in particular majors? How is writing an artist statement different from writing a literary analysis? Are there writing goals that we all share?

Melissa Ryan and Vicky Westacott will get us started on thinking about defining goals for writing. Bring your ideas and/or goals that you have come up with. This session should be particularly useful for those teaching in disciplines other than English, especially for those who have been charged with working on program goals for their divisions.

Alumni Lounge/Kenyon Allen, Powell Campus Center, 12:20-1:10 p.m. Please RSVP to Vicky at [fcobb@alfred.edu](mailto:fcobb@alfred.edu) if you plan to attend so I know how much pizza to order.
