### AU students 'in the LOOP'

Alfred University is participating (for the third year in a row) in the LOOP Video Art Festival in Barcelona, Spain. LOOP is the annual meeting point for video art professionals based on the triple format of Festival, Fair and discussion Panels. LOOP Festival presents the work of over 800 artists at many different venues in Barcelona's city center and was first held in 2003 in response to the need to define

the current status of videoart, but also in order to explore possible future steps that would help establish this new discipline.

The screening will take place May 28th at noon.

Participating students include: Chris McDaniel, Colleen Keough, Elena Grajek, Gia Michael, Jason Bernagozzi, Joe Bigley, Lauren Graves, Moyi Zhang, Stephen Rooney, Terese Longva, and Woody Packard.

This year's selection was curated by: Nicole Rademacher, new media artist (MFA 2008); Stephanie McMahon, assistant professor (BFA 1998); and Victoria Bradbury, new media artist (MFA 2009).

## Help with Jones Memorial Hospital's Strategic Planning

As part of Jones Memorial Hospital's strategic planning efforts, it is participating in a joint initiative with other area agencies and hospitals to conduct a community survey.

Please take a few minutes to click on the link and submit your responses. The results will be reported collectively and then by community/hospital.

Please feel free to share this with other agencies you are connected with or friends and family. The survey needs to be completed by Friday, May 29!
