### Edwards named dean of Inamori School of Engineering

Dr. Doreen Edwards, who has been associate dean of the Kazuo School of Engineering at Alfred University will become dean of that School effective July 1, 2009.

In announcing Edwards' appointment, Dr. Suzanne Buckley, Provost and Vice President for Academic Affairs, said: " Dr. Edwards will bring her success in academe and industry to leadership of the School. As Associate Dean, she has proven herself to be a talented administrator who is committed to leading the school to its next level of excellence and to building internal and external partnerships."

Dr. Buckley commended the work of the search committee, whose members in addition to Chairman Dr. Scott Mixture, professor of materials science, were Dr. Mathew Hall, associate professor of biomedical materials engineering science; Patricia LaCourse, associate librarian, Scholes Library of Ceramics; Dr. Roger Loucks, associate professor of physics, College of Liberal Arts & Sciences; Dr. Nathan Mellott, assistant professor of glass science; Dr. Joseph Rosiczkowski, professor of mechanical engineering, and Linda Sikora, professor of ceramic art, School of Art & Design.

### Returning-Student Newsletter - Submit Content

I am preparing this summer's online newsletter for returning students. The focus is on updates, changes, new construction, new faculty and staff, and general items of interest for the coming school year.

Please submit content to me by Friday, July 3. I would be happy to provide you with a sample from last year, if that would be helpful. Thanks,

Kathy Woughter

## Free Medicare Basics Trainings

The Allegany County Office for the Aging will offer free trainings to help people understand the Medicare program and their choices for additional health and drug plan coverage. These trainings will give you basic information on what is and isn't covered by Medicare, what premiums, deductibles, and co-pays you can expect in 2009, and how you can supplement your coverage with additional health and drug plans.

See attachment for all the times and places for the upcoming trainings.
