### Returning-Student Newsletter - Submit Content

I am preparing this summer's online newsletter for returning students. The focus is on updates, changes, new construction, new faculty and staff, and general items of interest for the coming school year.

Please submit content to me by Friday, July 3. I would be happy to provide you with a sample from last year, if that would be helpful. Thanks,

Kathy Woughter

### Free Stuff ..... One Day Only!

The Center for Student Involvement has cleaned out the area in the Powell Campus Center that was AUTV. In that process, we have the following items available FOR FREE to the first person/people who call our office at 871.2175 and ask for Dan or Tricia.

The items may be used for University or personal use. It is your responsibility to pick up your item(s) before noon on Friday (6/26). Items not claimed will be disposed of. Good Luck!

1 rough-cut table about 3' tall, 18" wide, and 4' long. Great for a potting shed or tool shop.

1 metal desk about 5' long that is missing 2 of the 6 drawers. Again, think work shop.

1 wood dresser/shelf unit. Made of nice wood but has plenty of wear and tear.

3 white boards - you have to see to decide if they are worth it for you!

1 recliner that is in tough shape. Fabric is pretty good but back is loose and recliner part is challenging. Think man cave!

1 large cabinet unit on wheels. About 4' tall and 3' square in width. Great for something...I'm just not sure what!

1 huge TV that was in the wall. The TV does NOT work but if you feel so inclined to try to repair it.....what a bargain!

### Distance Education Committee Issues Final Report

Provost Buckley is pleased to share this report on Distance Education with you. She hopes that it will provide a basis for many thoughtful and productive discussions about a future strategic initiative.

Please join her in thanking the members of the Committee for this excellent report.

### Free Medicare Basics Trainings

The Allegany County Office for the Aging will offer free trainings to help people understand the Medicare program and their choices for additional health and drug plan coverage. These trainings will give you basic information on what is and isn't covered by Medicare, what premiums, deductibles, and co-pays you can expect in 2009, and how you can supplement your coverage with additional health and drug plans.

See attachment for all the times and places for the upcoming trainings.
