Alfred in Florence

Drawing Florence: City as subject

This course will invite you to investigate the historic background and contemporary significance of Florence in relation to its art, architecture and culture. This five-week, mixed-media drawing course will teach students how to explore this extraordinary location as a subject, placing themselves simultaneously in a historical, geographic, and experiential context, through sensory observation and the development of a visual and written travelogue. Each student will engage in the production of a series of drawings that will reflect their individual experiences and research of Florence.

Instructor: Angie To

This study abroad opportunity can be used as studio credit to fulfill your Upper-level drawing requirement.

Application Deadline: March 1

Study Art in Florence

May 15-June 26

Alfred University and American University In cooperation with SACI

For applications or more information e-mail: pvisscher@alfred.edu

Coursework includes a three-credit studio elective
