Electronic Forms Service Now Available from ITS

In an effort to streamline AU's data collection process, ITS is now offering an Electronic Forms service to the campus. AU offices may now convert existing paper forms to online forms using Adobe Acrobat 9 Pro.

Specially formatted PDF forms can be submitted to an E-Forms administration page on the staff portal. The forms are reviewed by ITS and published to the E-forms pages on the staff and student portals.

Once the forms have been filled out, they can be retrieved from a restricted folder on AU's U drive. For

the safety of the AU community, ITS cannot publish any forms asking for Social Security numbers or any other sensitive personal information.

Any staff member interested in submitting E-forms for publication must obtain permission from a supervisor and complete required E-Forms training. Training will be provided on an as-needed basis.

To request training, please contact Meghanne Freivald at 871.2363 or via e-mail.

History of the Bicycle Man

The next meeting of Baker's Bridge Historical Association will be held Monday, Oct. 19 at 7:30 p.m. Our speaker will be Peter Stull, owner of the Bicycle Man in Alfred Station.

The Bicycle Man is a full service bicycle and recumbent bike shop, open since 1966. Peter will give a history of his business (currently located in what was at one time a one-room schoolhouse for Alfred Station children). A 1975 graduate of Alfred University, Peter has built his business into one of the largest recumbent bicycle retailers in the northeast. He not only sells them but builds them as well. Come learn about his business and his plans for expanding.

The meeting will be held in our building, "The Meeting House", 5971 Hamilton Hill Road. President Laurie McFadden will preside over a short business meeting before the program and refreshments and fellowship time will follow.

The program is free and open to all; parking is at the rear of the building.
