Used Electronics and Scrap Metal Removal

Please search out all unwanted electronic equipment that would qualify for recycling based on the AU Electronic Disposal Policy. (See Link) Office equipment, non-alkaline batteries and scrap metal will also be collected for recycling.

Submit attached survey to Dean Perry by Friday, Oct., 23, 2009 - perrydr@alfred.edu or Myers Hall, Rm. 117. Chairperson, Supervisor or designee should coordinate department survey efforts to eliminate duplicate submissions.

Collection of material will take place Oct. 27 and 28. Place a sign or label material for recycling and store in an easily accessible area. On the survey, provide the specific material storage location, name and phone number of contact person.

NYSCC personnel should submit survey as outlined above but place material for recycling in the hallway outside of your door.

Contact Dean Perry for questions, X3020.

Another SUNY Lifesaver CPR-AED Class Scheduled

Friday, Oct. 23, 2009
1:20-4:10 p.m.
Howell Hall - Upstairs

Limit: 6 participants per session

Fee: Students - \$7 to cover the cost of the face mask; the course is free to all faculty and staff.

If you already have a face mask, bring it to the session. You may also wish to bring a pillow or blanket to kneel on.

We are inviting volunteers to attend and become certified in adult and child CPR and AED use. If you have already taken the course, now is a good time to recertify and refresh your skills.

This program is designed to comply with enactment of the State's AED Legislation and to train University faculty, staff, and students in the skills of CPR and use of an AED.

This CPR/AED certification program has been approved by the NYS Department of Health. It is the equivalent to the American Red Cross and American Heart Association CPR/ AED programs.

For a schedule of training sessions please visit the EH&S Web site or download the attached training schedule.

To pre-register or obtain more information please phone x3020 or e-mail perrydr@alfred.edu at the EH&S office in 117 Myers Hall.

You may download a copy of the CPR-AED training manual from our training Web page <http://people.alfred.edu/...>; just follow the instructions available online for unzipping the file.
