Do You Have A Dial-Tone?

Over Thanksgiving Break, Alfred University ITS is performing maintenance on the University phone switch. If you have a room phone, please let telecommunications know if you cannot hear a dial-tone. We have taken precautions to ensure that anyone who uses a telephone is not disconnected during the maintenance. However, if you encounter any problems, please email auphone@alfred.edu.

Chemical Waste Removal

A chemical waste removal will occur during the week of 12/07/09. Both hazardous and non-regulated waste will be accepted.

All chemical waste must be received in your respective Central Accumulation Area (CAA) no later than Thursday, 12/03/09. Advanced Waste Solutions will be packaging for transport on 12/8 and 12/9. NYSCC contact Dean x3020 (Harder Hall CAA) or Shanti x2497(McMahon CAA); non-statutory AU contact Dean x3020 to arrange for receipt of your waste in Myers Hall CAA.

All Satellite Accumulation Area labels MUST be filled-out completely with EPA# for respective college, building name, Room # or area name, start date, full/fill date, initials, chemical name(s) of constituents in the accumulation container with volume or weight, and waste characteristics prior to receipt in Central Accumulation. Note: You have only 72 hours from the full date to receive in the CAA. SAA containers must be capped, have clean exterior, and SAA label easily legible. If you have any questions contact Dean Perry.

All Satellite Accumulation Areas must be empty prior to December 17th, with a notation to that effect made on your submitted December '09 Satellite Accumulation Area Weekly Inspection sheet.

Completed Hazardous Waste Log Forms must be sent to Dean Perry no later than Wednesday 11/25/09 and may be mailed, faxed to x2086, or e-mailed to: perrydr@alfred.edu. Advanced Waste must have this information beforehand in order to obtain required approvals from the TSDF. Hazardous Waste Log Forms are available at <http://our.alfred.edu/ind...> under the heading "AU EH&S Forms".

You may still accumulate waste and add to your list notifying Dean of the additional waste by faxing or e-mailing a NEW waste log sheet adding the word "Amended" to the title no later than 12/3/09.

Alfred Fire Relief Fund is Now Closed

Dear students, faculty and staff,

Thank you to everyone who donated, or facilitated donations, to the Alfred fire relief fund for our students. The proceeds will be distributed later this week, so we are closing the fund.

Please note this is NOT the same fund as the "Alfred Rebuilds" fund that is currently active to support the Village of Alfred; that is still open and gratefully accepting donations at alfredrebuilds.com.
