Once there, you may submit your comments or suggestions, which will be sent directly to Provost William Hall and, in turn, the Strategic Planning Council. Soup Social to Ease the Winter Doldrums!

During break, a group of employees gathered to share a potluck lunch. While we were dining and visiting, we came up with the idea of having a Soup Social for University employees. This would give everyone an opportunity to chat with others within the University while enjoying some fine food! We decided to plan this event for next Thursday, Jan. 14 at noon in the Kenyon/Allen Room of the Powell Campus Center.

We have volunteers for this Soup Social for the food. We would like to invite anyone in the University to join us. If you are interested in coming, could you reply to bankern@alfred.edu so that we can plan on how much food to make? We will provide ice water. You may bring your own beverage if you prefer something else.

While this is a completely free event, we ask those who attend to help the new tradition continue by volunteering to bring food (or chip in some money) to future Soup Socials (Wednesday, Feb. 10 and Wednesday, March 17). We hope to see you there!
