Reminder Regarding Emergency Closings (Weather or Other)

Should President Edmondson, in consultation with his staff, announce a full or partial closing of the University, only those persons designated as "Essential Personnel" will be compensated for continued work on the campus. If the University closes for a partial day all "non-essential" persons are to leave at the announced closing time (and no sooner than the announced closing time in cases where your department staggers its departures.)

If you report to work to find the University has closed you are asked to return home as soon as it is reasonably safe to do so, given whatever conditions exist.

If the University suspends classes, an announcement will be made on radio and television stations listed in the Alfred University Inclement Weather Closing Policy as well as via e-mail and voice mail. If classes are continued but non-essential personnel do not have to report, the announcement will be made by e-mail and voice mail but there will be no media announcement.

Please recognize that President Edmondson, as our official designee, is the only person authorized to declare a closing or partial closing of the University.

The Alfred University Inclement Weather Closing Policy may be found on the HR Policy Web site at Our.alfred.edu, see attachment below.

Questions can be directed to Human Resource Services at ext. 2909 or 2276.
