Increased Internet Bandwidth

Through an agreement with our Internet Service Provider, ITS has increased the Internet bandwidth from 60 to 100 Mbps. We hope this increase will help alleviate some of the congestion problems that we have encountered in recent semesters.

We are also exploring long-term solutions to further increase our Internet bandwidth.

Introducing PrintSmart Program

Recently a meeting was held in Nevin's Theater to introduce a new program called PrintSmart to purchase toners and printer cartridges at a discounted price from Toshiba Business Solutions using an easy-to-use Web portal.

For those of you who could not attend, I am attaching the brochure that was available at the meeting.

The meeting informed the attendees about the program, how it worked, what savings they would see, environmental practices, standardization, and how to order online.

Should you have any questions regarding this program please contact Procurement Services at x2698.

The 2010 Census is Coming, and Your Community Needs Your Participation!

The U.S. Census counts everyone residing in the United States and Puerto Rico, and is required by the Constitution to take place every 10 years. A census questionnaire will be delivered to every residential address in March 2010 and to on-campus housing in April and May 2010. When you receive yours, answer the 10 short questions (7 questions for students living on campus) and return your completed form.

People should be counted where they live and sleep most of the year, so if you live at school on April 1, 2010, that is where you should be counted.

AU Summer Sessions

Consider taking classes here in warm, sunny Alfred this summer! The Summer 2010 class schedule is available now on BannerWeb: <https://banweb.alfred.edu>.

Summer registration began March 15 and will continue until classes begin, but students are strongly encouraged to register as early as possible to reserve a place in the class(es) of their choice.

AU Summer Sessions offer students a great opportunity to concentrate on one course without the burden of a heavy course load. You can complete a full semester course in as little as two or three weeks, take a full-year of the language requirement, get a head start on the fall semester, or make up failed class.

Please visit the Summer Sessions Web site for information about registration, tuition, housing, and other details, and to view a PDF version of the Summer Schedule Booklet.

Printed copies of the Booklet are available at the Student Service Center in Seidlin, the Mail Room in Powell Campus Center, and the Office of Summer Programs in Carnegie.

Keep in mind, however, that changes/additions/deletions made to the schedule after it was printed will not be reflected in the Booklet. For the most accurate, up-to-date schedule, please check BannerWeb.

Please direct questions about registration and payment to the Student Service Center and questions about financial aid to the Financial Aid Office.

If you have general questions about Summer Sessions and/or non-art summer courses please contact the Office of Summer Programs at 607.871.2612 or via e-mail to summerpro@alfred.edu. Questions about summer art courses may be directed to the School of Art & Design at 607.871.2412 or via e-mail to johnsonc@alfred.edu.

Thank you.
