Federal Loan Program Changes: Direct Loans Replace Stafford Loans

Historically, Alfred University has participated in the Federal Family Education Loan (FFELP) programs: Stafford Loan (subsidized and unsubsidized), Parent PLUS Loan, and Graduate PLUS Loan. FFELP loans were certified by Alfred University with a private lender and the funds were obtained and disbursed through the private lender.

With the passage of the Health Care and Education Reconciliation Act of 2010, the Federal Family Education Loan program will cease to exist as of July 1, 2010. All colleges and universities participating in the FFELP program must transition to the Federal Direct Loan Program. All students who previously borrowed a Federal Stafford Loan will now have a Direct Loan as part of their 2010-11 financial aid package. The terms and provisions of the Direct Loan are identical to the Stafford Loan. The only difference is the source of funding. Direct Loan funding originates with the U.S. Treasury.

As part of this transition, students who wish to borrow a Direct Loan for the 2010-11 academic year, must complete a Federal Direct Loan Master Promissory Note. The Web site for students to complete a Federal Direct Loan Master Promissory Note is: www.studentloans.gov. Please note: This Web site does not currently support Internet Explorer v. 8. We recommend that you use either Internet Explorer v. 7 or Mozilla Firefox.

Students must have their FAFSA PIN number in order to enter the Website. Once you have entered the Web site, you will complete and electronically sign the promissory note and Alfred University will be notified that you have done so.

It is important for all students who wish to borrow the Direct Loan to take care of this process as soon as possible to help make the transition as smooth as possible. The Financial Aid Office is available to answer any questions students may have regarding this new process. Please feel free to contact us at 607.871.2159 and we will be happy to assist you.

A direct mailing will be sent to each student who will require a Direct Loan promissory note over the next few weeks. (Information for the Direct PLUS Loan will be sent to parents and graduate students under separate cover).

Year-end Cut-off Dates for Business Areas

Procurement Offices:

All purchasing requisitions are due to the Procurement Offices in Greene Hall no later than Friday, May 21 for processing. Remember, even if you have an outstanding PO, if the merchandise is not received by the end of June, it will not be charged to the current fiscal year budget (2009-10). It is important that you are aware of delivery times so the merchandise is received by June 30.

Please be aware that if you submit a requisition that requires processing through the bid process, this takes additional time and resources. There is no guarantee that your purchase will be charged to the 2009-10 budget.

Office Services and Accounts Payable:

All merchandise and printing/mailing services must be received and invoiced to the University by Wednesday, June 23, in order to be processed in the current fiscal year. All invoices with the proper signature and account coding need to be submitted to the accounts payable clerks in Carnegie Hall by Wednesday, June 23 to allow time for processing.

University One Card:

One Card cutoff date to charge purchases on your credit card will be Friday, June 18. The transactions that you charge in June and are POSTED to your account in PaymentNet by June 30 will show on your July statement.

Be aware that the merchants do not always update their transactions daily. This could mean your charge may not be posted until July and miss the 2009-10 budget. Please plan accordingly.

The reconciliation schedule for July will be accelerated to get these expenses posted in the current

2009-10 fiscal year. Your reconciled statement with receipts needs to be given to your card manager by Tuesday, July 6.

Remember, you will need to print your statement from the PaymentNet Web site. Instructions to do this are on the One Card website. The card managers need to approve and forward the statements to Sue Peck by Friday, July 9. The transactions posting to Banner will be done on Wednesday, July 14. It is essential that the proper coding be in PaymentNet before this is posted.

Alfred BFA/MFA exhibition in New York City June 9-16

Alfred University's School of Art & Design will be having an exhibition of selected BFA and MFA work in New York City June 9-16, thanks to the generosity of Trustee Michele Cohen and Marty Cohen. Hours each day will be 11 am - 6 pm, except Sunday, June 13, when it is closed.

The ground-floor location, with high visibility, is located in the Gem Hotel, 300 W. 22nd St. "Profile 2010: School of Art and Design at Alfred University" will feature several dozen works by our 2010 BFA

and MFA graduates,. The artists were recommended by faculty and then chosen by co-curators Mary Drach McInnes and Kevin Jacobs. The final selection will be announced after BFA Senior Shows. The curators hope that the exhibition will highlight the full range of practices within the School of Art's program, including: ceramics; expanded media; drawing; painting and photography; and sculpture.

"Profile 2010: School of Art and Design at Alfred University" will be open to the public June 9-16. Kevin is working with the Division of Enrollment Management to plan an event for prospective students on Tuesday, June. 8.

There will be an opening reception from 6-9 p.m. Wednesday, June 9. All NYC alumni, as well as selected guests, are being invited to the reception. Paul Neuman '77, will be catering the event.

The University and the School of Art & Design are very appreciative of all that Michele and Marty Cohen are doing to make this exhibition happen. Michele and Marty have very graciously offered to cover costs involved, which range from preparing the space for the exhibition to transportation, staffing (by Kevin and AU art students), and the reception. It is truly a generous offer, and important for increasing the visibility of Alfred University, particularly the art school, in a market that is increasingly important to us.

The occasion will also allow us to introduce the Cohen Gallery website, where faculty, alumni and visiting artists may sell their work, to a wide audience. The gallery site is a collaborative effort, bringing together students from art and business. It, as well as the space on campus that is the physical Cohen Gallery, and the new foundation studio for the School of Art & Design, are also a result of the Cohens' generosity.

Organizing the show is a joint effort by the School of Art & Design, and the Career Development Center, where Kevin is the career advisor working with art students. Kevin is also coordinator for the Cohen Gallery.
