2011-12 Tuition Exchange Application Deadline is Oct. 15, 2010.

Faculty and Staff - the Tuition Exchange Export Application deadline is Friday, Oct. 15, 2010.

If your child is planning to begin college (or transfer to another college) next year, 2011-12, you may wish to explore the schools participating in the Tuition Exchange (TE) Program.

RENEWAL TE Export applications are also subject to the deadline of 10/15/10.

Please read the attached TE Information Memo for application procedures and details on the program. Two application forms are required; specifically, the TE Export Application and the Human Resource (HR) TR/TE form (links and attachments, herewith).

Action Required: New Antivirus Software for Alfred University

Alfred University ITS will no longer be supporting Sophos as our Antivirus software. We will be implementing Microsoft Forefront Antivirus for all Alfred University-owned machines.

Forefront is a very reliable antivirus solution that allows ITS to remotely maintain virus updates on University-owned computers.

For those who have already received an Alfred University Dell Windows computer this summer, you are currently running Microsoft Forefront and no further action is needed. For those who have an existing computer, in order to implement the new antivirus software, Sophos will need to be uninstalled from your machine and Forefront installed.

In the first few weeks of October, ITS will push out the Forefront application across the University network. This automatic installation will happen when you start your machine and you will get a prompt asking you to complete the installation process.

For those who would like to manually install Microsoft Forefront before the automatic network installation in early October, here are some important notes:

University Windows Computers:

If you are currently using Sophos you will see an icon that looks like a shield in the bottom righthand corner of your computer screen. Before you begin the installation of Microsoft Forefront, you will need to uninstall Sophos.

To uninstall Sophos and install Microsoft Forefront on your University Windows machine go to: U:\public\ITS\Antivirus\SophosToForefront.exe, double-click and follow the directions.

University Mac Computers:

If you are using SOPHOS on a Mac machine, you will need to uninstall Sophos by dragging and dropping the program out of Applications and into the Trash. If you are interested in installing an alternate antivirus software for your OS X machine here is a suggestion: <http://www.clamxav.com>

Non-University Windows Computers:

If you are using Sophos on a non-University-owned machine (your personal home machine) you will need to uninstallo Sophos from the Control Panel>Add/Remove Programs then install an alternate anti-virus solution, such as Microsoft Security Essentials (Microsofts free antivirus software which is comparable to Forefront) <http://www.microsoft.com/...>

If you have difficulty, please call the Helpdesk at 607.871.2222 and we will help walk you through it.

Engineering and Materials Science Day

The Annual Engineering and Materials Science Day is slated for Thursday, Oct. 28, 2010. High Schools in our region are invited to bring a maximum of 10 junior and/or senior students to Alfred University to participate in a scholarship opportunity.

Space is limited and applications to participate must be received no later than Thursday, Oct. 21.

The focus of the day is the Inamori School of Engineering Scholarship exam. Scholarships will be awarded based on the exam results. First, Second, and Third place students will each receive a 4-year scholarship that can be applied toward tuition in any of our engineering programs at AU (provided certain academic standards are maintained).

The day also includes tours of the laboratory facilities in the Inamori School of Engineering and lunch on campus.

For more information or an electronic registration form your school should contact: Marlene Wightman, Director of Continuing Education/Outreach, Phone: 607.871.2425, wightman@alfred.edu.

Lori Hepner @ STUDIO Visits!

This week we welcome artist Lori Hepner to STUDIO Visits! Lori's work focuses on abstracting languages and identity through translation in digital processes and has been exhibited both nationally and internationally.

She is a graduate of Rochester Institute of Technology, earning a BFA in Fine Art Photography and holds an MFA in Digital Media from the Rhode Island School of Design.

Her work has been published in SPE's Exposure Magazine and the Center for Photography at Woodstock's Photography Quarterly #99. Most recently, she was selected to participate in PhotoEspana 2010 in Madrid and is included in a traveling exhibition from PHE10.

Lori teaches at the Greater Allegheny campus of Penn State University.

CYLI EVENT: Murder, She Wrote Tonight

Do you want a rewarding volunteer experience? Do you want to make a difference in children's lives? Why not volunteer with the Children and Youth Learning Initiative tonight? CYLI is bringing local students on campus for fun programming tonight and they need your help!

All programs begin at 3:30 p.m. and go to about 6:30 p.m.; e-mail CYLI@alfred.edu with any questions or to sign up for an event.

Description of tonight's event:
Starting at 3:30 p.m. in the Powell Knight Club

Students will arrive on campus and participate in a training on how to analyze a crime scene for clues and then participate in a test of what they learned. The team with the best score will be invited back to participate in a Murder Mystery with formal dinner.

Student Jobs with ITS Web Services!

Do you want real life job experience? Do you like working with computers and writing programs? Do you like learning new things?

If so, then Alfred University's Information Technology Web Services may have a job for you. You only need basic knowledge and experience to be a Student for Technical Assistance on the Web Team, along with dependability and a willingness and aptitude to learn about the web.

We are looking for a few good students eager to learn, that aren't afraid of a challenge that would enjoy working with a team of great people. If interested please log on to <http://my.alfred.edu/sta> and click on Apply Today! Add that you are interested in working for the web team.

Student positions with ITS Web Services offer some very unique opportunities:

- no work study necessary
- student management opportunities
- no "busywork"
- learn while you work
- looks great on a resume

We are currently hiring for the following positions (see attached for job descriptions):

- Student Web Team Programmer
- Student Web Edit/Proofer

APPLY BY FRIDAY, OCTOBER 15!

Are You Involved in Community Service?

The Office of Communications is working on an upcoming edition of Alfred Online which will feature articles on alumni, student, and faculty/staff involvement in community service and volunteer work. If you are one of those people, please contact Debbie Clark at clarkd@alfred.edu, or Ext. 2040 and relate your story, including the type of work you do and where you volunteer. Some of the responses will be followed up with a request for a photo shoot. Thanks for your cooperation.

'Nature Rules': Outdoor Sculpture Exhibition

The work of Alfred Sculpture Professor Coral Lambert is featured in "Nature Rules," an exhibition of outdoor sculpture curated by the Brooklyn Waterfront Artists Coalition on Governors Island, located between Manhattan and Brooklyn.

Governors Island is a great place if you are visiting the city to escape for a stroll and have some ice cream. So if you are down in New York City stop on over and check out the art.

The show will be ongoing through October.

Allegany Artisans 23rd Annual Open Studio Tour

Oct. 16 & 17, 2010 - Saturday and Sunday - 10 a.m. to 5 p.m.

Visit us during our Studio Tour to experience the creativity of 47 artisans at 39 unique working studios within the picturesque Allegany plateau. Savor the beauty of the Genesee River's fall landscape as you travel between studios.

- * Talk with the artisans and shop in their homes and studios amid their private inspirations.
- * Enjoy shopping the old fashioned way - knowing the hands that formed your art treasure.
- * Contact us before Saturday, Oct. 9 with your name and address and we'll mail a full color brochure showing everyone's work and map location. Of course, you may find your way to any studio on Oct. 16 or 17 and pick up a brochure there.
- * For more info and map visit www.alleganyartisans.com

Lecture: The Wild, Wild East'NY's Drama of Westward Expansion

Speaker: Dr. Robert Spiegelman, President, Real-View Media, LLC

Tuesday, Oct. 5 at 7 p.m.

Nancy Howe Auditorium

David A. Howe Public Library

155 N. Main St., Wellsville

585.593.3410

New York's wild frontier was a dramatic crossroads where settler dreams confronted native ways of life that changed through trade, war, and diplomacy. Powerful new attitudes arose and remade the landscape and their cultures in bold and enduring ways. Distinct regions, especially Appalachia, would face similar challenges and opportunities - developmentally, energy-wise and environmentally - which link us today.

This program is sponsored by the New York Council for the Humanities, Speakers in the Humanities. The program is free and open to the general public.
