Summer Employment Process

Please notify HR if you have any summer positions available in your department that you want posted. An e-mail listing is fine. HR will post all open summer positions electronically and in Greene Hall. If you want to review applications please contact HR. Once you have interviewed and/or made your selection, complete the Student/Summer Payroll Authorization form (link below) and return to HR.

Whenever possible, supervisors are encouraged to give priority to Alfred University students, as well as children of AU staff. AU employees may not supervise their own immediate family members.

Any summer employee, who has not worked for the University previously, MUST report to Human Resources to complete all necessary paperwork BEFORE beginning employment.

Summer wage will be \$7.15/hour. Each department must stay within budget allocations, which your signature on the hiring form certifies that you have funding available.

Please remember that the FOAP cannot be a student number; summer hires are temporary employees.

Laws covering employees under 18 years of age restrict work assignments and hours, and require that such employees have a valid work permit for employment eligibility. Human Resources must be contacted before workers in this age group are hired.

If you have questions or need assistance with this process, please call Karen Dyring at ext. 2118 or email dyring@alfred.edu

Student Jobs with ITS!

Do you like helping people? Do you like working with computers? Do you like solving problems?

If so, then Alfred University's Information Technology Services may have a job for you. You don't need vast technical experience to be an Student for Technical Assistance, just dependability and a willingness and aptitude to learn about computers.

We are looking for students who enjoy helping others and are able to give directions clearly and confidently. Customer service experience is a plus. If you think you would enjoy solving computer problems and working with great people, please log on to <http://my.alfred.edu/sta> and click on Apply Today!

Student positions with ITS offer some very unique opportunities:

- no work study necessary
- student management opportunities
- no "busywork"
- learn while you work
- looks great on a resume

We are currently hiring for the following positions:

- Public Computer Lab Consultants: maintain and service the computer labs across campus
- ITS Helpdesk: telephone and walk-in support for the troubleshooting questions of faculty, staff, and students
- Tier 2 Technicians: using creative methods to solve advanced computer issues such as viruses, spyware, and network problems

APPLY BY NOON on MONDAY, APRIL 14!

We are currently seeking applications for new student employees for next academic year (2008-2009). Current freshmen, sophomores, and juniors are invited to apply. If you have any questions about STA and what we do, please do not hesitate to email us at sta@alfred.edu
