**Potential Employment Scam**

It has been brought to the attention of Alfred University's Career Development Center that e-mails are being sent to students regarding an employment opportunity with ANGOSS SOFTWARE. The e-mails are from Maurice Canon.

Initially these e-mails may seem legit, but our office noticed a number of potential red flags in these e-mails that lead us to believe they may be a scam.

It is important for students to note our office will not send out your resume without your specified permission.

Maurine Canon and ANGOSS SOFTWARE are not currently registered employers with our office. Upon researching these e-mails, we were able to find the following on blogs:

<http://800notes.com/Phone...> - it looks like this company is directly contacting students and offering jobs/internships for a couple different areas. It's probably not too hard to capture college e-mail addresses. It also seems obvious that this is taking place a number of different schools.

If you ever have concern about this or any other employers, our office is always available to confirm the employer is working through our office. Feel free to contact us at [cdc@alfred.edu](mailto:cdc@alfred.edu) or 607.871.2164.

### Familiarize Yourself with Safety Tips

The Alfred Police Department has reported an increased number of assaults within the village. While no one has been seriously injured, the Office of Public Safety would like you to take a moment to review the following safety tips.

If you see any suspicious activities please report it to 607.871.2108 or 911. Public Safety also provides a campus escort service. To request an escort call 607.871.2108

While in the Village of Alfred:

\* Alfred University students are statistically safer than the average residents, who in Alfred, with its relatively low crime rate, are safer than residents in most other villages. However, this community is not without some incidents.

\* Students need to be aware of their surroundings.

\* Travel in groups of two or more (the buddy system).

\* Let a roommate or friend know where you are going and when you plan on returning.

\* Carry wallets in front pants pocket.

\* Use bags, pocketbooks etc. that zipper well. Avoid placing your bag on backs of chairs or under the table; carry your bag close to your body, tucked in the bend of your elbow. Avoid bags that clasp or snap shut.

\* The best time to use ATMs is during the daylight hours. Avoid carrying large amounts of cash. Minimize the number of credit cards carried.

Safety if you're going out to a bar or party:

\* Do not go out alone. Always go out in groups of 2 or more and travel in well-lit and populated streets.

\* Tell your friends/roommates if you're leaving, with whom, where you're planning to go and when you plan to return to your room.

\* Do not accept open drinks (alcoholic or non-alcoholic) from others who you do not know or do not trust; this includes drinks that come in a glass.

\* At parties, only accept drinks in closed containers: bottles, cans or tetra packs.

\* Never leave your drink unattended or turn your back on your table.

\* Do not drink from open beverage sources like punch bowls, pitchers or tubs.

\* Keep your eyes and ears open; if friends appear to be "too intoxicated" for what they have consumed, leave the party or bar immediately, and return to your room or seek medical attention. Do

not return to the bar or party!

- \* Be alert and aware of your surroundings at all times.
- \* Know where you need to go and the safest way to get there.
- \* Trust your instincts! If you sense something is wrong, get away from the situation.

### **Student Flu Vaccinations**

Get your flu shot! The AU student rate is only \$20 and this year the vaccine covers you for H1N1 and seasonal flu.

If you were vaccinated for H1N1 last year, you need another for the 2010-11 flu season. Remember, flu viruses change each year.

Call Health Services and make an appointment, 607.871.2400.

## Extended Dates for the Herrick Food for Fines Program!

Due to the encouraging results of our Food for Fines program, Herrick has decided to extend the program through Thanksgiving.

Alfred Food Pantry is in need of donations and this is a good way to be involved in the community, especially during this time of year.

It's super easy to donate! If you have fines, one can of non-perishable food will forgive \$5 of fines! Simply bring your cans of food to Herrick and the desk worker will get it sorted out for you.

If you don't have any fines, feel free to bring items in anyway!

If you have any questions, don't hesitate to call us at 871.2792. Thanks!

## National Collegiate CPR Day, Monday, Nov. 8

On Monday, Nov. 8, campus-based emergency medical service providers on college and university campuses across North America will join together to educate their fellow college students in the basic principles of CPR and provide them with the skills to save a life.

There are many activities that will take place on various campuses across North America to spread the knowledge of CPR.

This is a chance not only to educate, but also to highlight the pivotal role that campus based EMS organizations play in contributing to the overall safety and health of the colleges and universities they serve.

The goal is not necessarily to certify individuals in CPR but rather to educate them in the key steps ... Call 911 ... Position your hands in the center of the chest ... Push hard and fast!

### Film Encore! - 'All Fracked Up'

Documentary Tuesdays with SAFE (Students Acting for Equality)

Tuesday, Nov. 2, 7 p.m. Holmes Auditorium  
"All Fracked Up" Directed by Jeff and Jodi Andrysick

"ALL FRACKED UP" is a hard-hitting documentary which shows that hydro-fracking is an extreme technology used to obtain extreme energy with potentially extreme dire consequences. Only 6 out of 100 people have gas leases; however, all of us may suffer terrible consequences such as ruined water wells, devastated property values, rural zoning turned into industrial sites, big city pollution, 24/7 loud noise pollution from large trucks, drilling equipment, and compressor stations.
