Thank You to the AU Community!

On behalf of the Office of Admissions I would like to extend my sincere appreciation to the entire Alfred University community. The three fall Autumn Visitation Days were a huge success due to the hard work and dedication of so many on campus.

Special thanks to Michelle Pomeroy for coordinating the events, the faculty and staff who represented their various programs and departments, AVI for an outstanding job providing great food and service, members of our physical plant who worked extremely hard to ensure beautiful grounds and space on campus, and members of our administration for taking the time to meet and mingle with our prospective students.

I'm delighted to report that we had a net attendance greater than that of last year with over a 10 percent increase.

Many thanks to all for spending part of your weekends to assist the University in meeting our enrollment targets.

Sincerely,

Corry D. Unis
Director of Admissions
