Winter has found Alfred and with that the parking problems that go along with it. I would like to ask everyone parking a vehicle on campus to park in an orderly fashion. A number of vehicles have been

taking more than one space causing a bad situation.

Please, when you're parking your vehicle think of the others who need to park with you. Thank you for your cooperation.

Skatepark at Alfred

A group of students is putting together an effort to build a skatepark (preferably indoors) here at Alfred University. This is your chance to be a part of the next big project at Alfred. If you are interested in being part of or have questions about this idea, please contact Doug Sassaman (Dms6@alfred.edu).

The plan would be to have a meeting with students (bikers, skaters, inline skaters, etc.) in hopes of gathering some information about what the students and athletes would like to see. After a general consensus about what this project should consist of is met, a meeting/proposal in front of some key staff and administration would ideally be held in the beginning weeks of February.

Saturday, Jan. 22 at 10:30 a.m.
Nancy Howe Auditorium
David A. Howe Public Library
155 N. Main St., Wellsville

Great fun for the whole family! Enjoy juggling, jokes, magic, puppetry, and more. Watch Mr. Beau transform himself from an ordinary person into a clown. This is great program for the children (and adults) who are uncomfortable with clowns.

The library-sponsored program is free and open to everyone.

International Conference: Knowledge, Culture, Change in Organizations

ELEVENTH INTERNATIONAL CONFERENCE ON KNOWLEDGE, CULTURE, AND CHANGE IN ORGANIZATIONS

Universidad San Pablo CEU
Madrid, Spain
15-17 June 2011
<http://www.ManagementConf...>

The Management Conference and its companion journal are devoted to those intangible drivers which determine not only the livability of organizations for insiders, and their credibility and attraction to outsiders; but also their tangible results in the form of efficiency, effectiveness and productivity. The intangibles of knowledge, culture and change management do not appear on balance sheets, but ultimately do have an enormous impact on 'bottom lines'.
