### **Byrdcliffe Artist in Residence Program**

The Woodstock Byrdcliffe Guild offers month long Artist in Residence (AIR) opportunities for visual artists, composers, playwrights/screenwriters, and writers of fiction, nonfiction and poetry. Longer residencies are available for ceramic artists. The AIR sessions generally occur during the months of June, July, August, and September. The Woodstock Byrdcliffe Guild's goal is to provide solitude in a community and uninterrupted time in which to concentrate on creative work alongside fellow artists. Opened in 1903, the Byrdcliffe Art Colony was placed on the National Register of Historic Sites in 1979 for its architectural and historical significance. It is located in the Catskill Mountains, 1.5 miles from the center of Woodstock, New York.
