Students in Distress - Who to Contact

Dear faculty and staff,

This is the time of year when stress and emotions run high among our students, and our mental health emergency response calls really start to pick up.

If you are concerned for the safety of a student, your 24/7 phone number is 607.871.2108. When Public Safety is not on duty, the call will go to 911.

911 has the phone numbers for our RD on call, our Student Affairs incident coordinator, the counselor on call, the Dean of Students, etc., so please work with 911 just as you would our Public Safety staff.

Thank you.

Back Up Important Files in More Than One Place

At this time of year when you are trying to finish up all your assignments for class, it is really important to remember to back up your files in more than one place.

You can use your U:drive and/or a pen drive to back up your files so that you have an extra copy in case your original copy becomes corrupted or deleted.

Below is the link for U:drive instructions. Please call the Helpdesk at x2222 if you have any questions.
