DUMP n' RUN - Instructions for Students

WHAT STUDENTS NEED TO KNOW: When moving out, place your unwanted items in the common area of your hall. (Anytime between now and graduation day, May 17.)

WHAT IS DUMP n' RUN?: Every spring when students move out, usable items students don't want or can't fit into their cars end up in the dumpster! This year will be a bit different. Under the auspices of the AU Support Staff Council, students are being encouraged to 'dump' their usable items in the common areas of their residence halls before they 'run' off to family and summer jobs.

Non-perishable food items will be given to the local food pantries. All other items will be sold on May 23 and 24 at the Davis Gym on the AU campus. Items not sold will be given to charitable organizations for distribution to families in need. All money from the sale will be shared first with organizations which help with the collection and sale, and then to other charitable organizations.

Pet Pals are Asking You for Urgent Help

Pet Pals has received a letter from the Abbe-Freeland Wildlife Sanctuary which is located in Angelica, NY. The sanctuary is in urgent need of financial donations to support medical expenses and housing costs of local wildlife, particularly beaver rehabilitation.

The little yearling beavers are coming in and they now have 25 beavers, injured and orphaned, to care for in addition to about 100 other animals that people have abandoned at the sanctuary. This is the ONLY center in New York State able to take beavers so they do not feel they can turn them away. They desperately need financial help to be able to keep their doors open.

In the past, Pet Pals has raised over \$300 for this very worthy organization and we would like to help again. We are asking if anyone has any change or bills that they are willing to give, we will see that it all gets donated to the sanctuary. There will be a collection box in the Center for Student Involvement Office in the Powell Campus Center until Friday, May 9.

Thank you for your generosity.
