DUMP n' RUN - Instructions for Students

WHAT STUDENTS NEED TO KNOW: When moving out, place your unwanted items in the common area of your hall. (Anytime between now and graduation day, May 17.)

WHAT IS DUMP n' RUN?: Every spring when students move out, usable items students don't want or can't fit into their cars end up in the dumpster! This year will be a bit different. Under the auspices of the AU Support Staff Council, students are being encouraged to 'dump' their usable items in the common areas of their residence halls before they 'run' off to family and summer jobs.

Non-perishable food items will be given to the local food pantries. All other items will be sold on May 23 and 24 at the Davis Gym on the AU campus. Items not sold will be given to charitable organizations for distribution to families in need. All money from the sale will be shared first with organizations which help with the collection and sale, and then to other charitable organizations.
