Last Day to ADD or DROP in B-Block

Today, Friday Oct. 21, is the published last day to add or drop or select the Pass/Fail option in a B-Block class. (B-Block classes are those that meet only in the second half of the semester.)

But since the point is that registration must occur before the 4th day of B-Block, which is Monday, add or drop in B-Block will be available on BannerWeb until registration closes at midnight Sunday, Oct. 23.

The Pass/Fail option must be selected today, however, using a paper form available at the Student Service Center in Seidlin Hall. Approved P/F forms must be submitted at the SSC by 4:30 p.m. today.

If you have any questions, please e-mail registrar@alfred.edu or call the SSC at 871-2123.

Help to Restock Women's Shelter in Owego

AU graduate student Julie Ilowiecki is raising support for Domestic Violence Awareness Month by organizing a drive for the women's shelter in Owego, which was badly damaged in the recent flooding.

In the aftermath of the recent upstate New York flooding, the women's shelter in Owego is without many basic essentials. Ilowiecki is working with John Dougherty, AU chief of Public Safety, to collect items to support the shelter and help its staff and residents recover from the loss.

Items to be collected in the drive include household items such as dishes, pots and pans; bed and bath linens; personal care products, including baby diapers, shampoo, soap, toothbrushes, deodorant and personal hygiene products; and children's books and toys.

Collection boxes are located at the AU Lea Powell Institute for Children and Families, Sayles Street, Alfred; the AU Wellness Center, Park Street; the Science Center; and the Powell Campus Center at the Domestic Violence Awareness table.

Who is at risk for breast cancer?

Everyone is at risk for breast cancer. The two most important risk factors are being female and getting older. Most women diagnosed with breast cancer have no other known factors.

October is Breast Cancer Awareness Month. Thanks for wearing your pink (keep up the good work!) and consider making a donation online to support finding a cure.
