Alfred Loses First Game To Hamilton, 7-0

Alfred lost the first game of the season to Hamilton when a forward pass was intercepted and a 49-yard run was stopped two and a half yards short of the goal line. Alfred kicked the goal and won by the score of 7 to 0.

It was the first game for both teams and many fumbles were made by both sides, these alone the two teams were about evenly matched. Alfred did not show the real team work necessary as it was the first game for many of the men. Hamilton had more men on the field and therefore had the advantage.

The day was too warm for football and would have been much better for a baseball game. For this reason both sides were too foot loose and pop absolutely necessary to a real snappy football game, but both stood up well under the heat, nevertheless.

Alfred kicked off to start, with Hamilton taking the ball on their 10-yard line. Two center rushes pushed the ball over for a first down. A lateral pass went 20 yards more. A rush and an end run, brought another first down. A forward pass carried the ball to Alfred's free fifteen yard line. Two center rushes, pushed the ball over for a first down. Then with only a few more to go Hamilton was penalized for an october on the field and the ball went back to center where it stayed until the final whistle.

SOPHS VICTORS IN FROST FIGHT

The glorious season of "pros" closed last Tuesday morning with one of the liveliest scraps between the Freshmen and Sophomores that Alfred has ever seen. There had been a crisis the night before in an attempt to settle for several months. Sophomores were ready early Monday morning, morning early followed by a clash of iron men in their wildest dreams. An "on-the-spot" season has concentrated on "pros" and forgotten almost entirely about the cold gray mists of October mornings, the autumn days which will change its habits, even for a scrap.

Tell after you went up in the semi- final, Swift in sudden rushes across the campus accompanied by exclamation and shouts of decision betrayed the whereabouts of the Soph. The growing morning fights were not without effect. There were only a few more to go, and it was Alfred's 42-yard line. A forward pass, gained in yards, and an end run by Clark gain- ed another 15. Then with only a few more to go Hamilton was penalized for an october on the field and the ball went back to center where it stayed until the final whistle.

STUDENT SENATE

A special meeting of the Student Senate was called to order by Pres. Davis, Oct. 5th. A motion was car- ried to the proposition to change the Freshmen-Sophomore football game from Friday, Oct. 8th to Monday, Oct. 19th, be voted. It was voted that the Pres. victory be given to the Sophomores. The grade of at least two pros were undeciphered at 5:35 A. M. Tuesday. A motion was carried that a legal protest must be posted at an exposed surface of one square foot. Also voted upon was the usual amount of Senate station- ary.

No regular meeting was held on October 6th, as there was no heat ness to be transacted.

THE ALUMNI HELP

In a recent mass meeting of the student body of the Graduate Management Department, the wonderful support of the loyal alumni of Alfred is giving to the football program which Alfred is attempting to build. Through the fine scheduling of games has received the hearty support of the student body and everyone is doing their best to make it successful. Best of all, the alumni are supporting the program both morally and financially. Up to the present time four alumni have sent voluntary contributions to the Graduate Manager to help purchase needed equipment for the team, which will bring Alfred into the limelight. If it is backed up both morally and financially by the alumni and student body, the alumni who have sent contributions are: Raymond Howe, Milton Groves, Merriitt Groves and Waldo Roseland.

Mr. Roseland's letter is typical of the spirit shown in the letters received from the other alumni we are taking the liberty to publish it in full. It reads:

Spokane, Washington
3 October, 1920
Graduate Manager,
Alfred University,
Alfred, New York

Dear Sir:

Your football schedule and appeal reached me a few days ago. I am certainly with you for a successful season such as L. C. Whitfield put on a few years ago and accordingly enclose my little bit to help put it over. There is no reason why Alfred should not be as well advertised as Canisius College, N. Y., was recently accounted of their success at football. We can get there if we go after it that's all.

WALDO ROSELAND

Mr. Roseland has the right spirit and if we receive the encouragement and support of all the alumni as he has shown it, we will be as well represented as Canisius College. We have the team and the schedule and all we need is the push to bring the desired results. Of course everyone can not afford to back the team financially but they can lend their moral support. It is hoped that the alumni will all rally to the aid of the team, and if we receive the encouragement as many as possible give the financial support that is so much needed. The student body is behind the movement and the team will do their best. Let's go.

The 7-0 victory of Hamilton College over the Varsity at Clinton last week in the first game of the season has not disheartened Alfred's supporters in the least, and the spirit behind the team is stronger than ever before. With not much more than a week of practice for most of the team members, and six new players in the line-up, plus the fatigue of a rather trying Jemcy, a hard fought game with an even- matched team was just out on one of the flukes of football, an Interception far past. Attention now turns to the game to Friday with St. Stephens College. The Mohawk Valley aggregation will come here with a heavy and experienced team, one of the strongest that has represented the institution in years. St. Stephens in the days before the war put out one of the best teams in Eastern New York, and now that they are resuming football on the pro-war scale, every effort has been extended to build up a winning team. With a wealth of material and one of the most experienced coaches in football, the game with St. Stephens on Friday is expected to be one of the hardest on the Alfred schedule. While defeated by St. Lawrence in their opening game, they must be taken of the strength of the latter team from which is one of the most powerful elevens in the state, and judging from comparative scores, could probably defeat Cornell or Colgate at this time.

There may be a shake-up in the Varsity this week for the purpose of strengthening the rush line and to get the halfback machinery working more smoothly. Our team fought well at Hamilton, but there were glaring errors of omission and commission which more scrimmage practice will eliminate. With the exception of Thursday afternoon, there will be heavy scrimmage each day, and when Alfred lines up on Friday for their second game of the season, it will be a tougher eleven to face than that which battled Hamilton last week. St. Stephens' gains worked diligently with paper and pencil on the sideline at Hamilton, and new formations will take the place of the old in this week's practice session.

DILIGENCE WINS

Diligence is the mother of good luck, and God gives all things to in- dustry; then low daw, while clug- eads sleep, and you shall have corn for war; and if we receive the encouragement of our most experienced coaches in foot- ball, the game with St. Stephens on Friday is expected to be one of the hardest on the Alfred schedule. While defeated by St. Lawrence in their opening game, they must be taken of the strength of the latter team from which is one of the most powerful elevens in the state, and judging from comparative scores, could probably defeat Cornell or Colgate at this time.

The reception was followed by a program. Miss Davis was called upon for an address. Mr. Bowen expressed the regret of the school in losing Director Ladd and gave him our best wishes for success in his new work. Dr. Ladd responded with a short talk. Jolons were rendered by Miss Dibble and Prof. Osgood, which were greatly enjoyed by all. A pleasant evening was ended by sing a few songs together.
