

MANSFIELD WILL PLAY HERE FRIDAY

Purple and Gold Defeats Niagara in a One-sided Game, 14-0

Alfred defeated Niagara in a hard-fought game on the Alfred field last Friday afternoon by a score of 14-0. The purple slightly outweighed the Falls Collegians and was able to dash for many yards through the light Niagara line, but there was no scoring in the opening half. The Varsity rapidly pushed the ball down the field time after time, only to fumble or to be held for downs in the shadow of the Niagara goal posts. The powerful Alfred line opened gaping holes in the Niagara defense, but the gray-clad backfield rallied to meet the emergency, and downed the purple backs three times when the ball was nearly over the line.

But the second half was a different story, and after crashing down the field steadily, the purple shoved over the first touchdown, repeating the act in the final quarter. Niagara fought gamely to overcome the Alfred offensive, but their light weight availed them little.

Alfred gained more than three hundred yards by straight plunges, making nineteen first downs, while Niagara was able to make their distance but three times, twice by virtue of the forward pass, and once on an Alfred fumble.

Credit for the victory must go to the Alfred line which opened large holes in the Niagara defense, and was impregnable when the Cataract City team was in possession of the ball. However, all members of the Alfred team put up a good article of football, and had the breaks been at all with the purple, the score would have been much larger. Geneva College did not gain so many yards in the game against

Alfred as Alfred gained in the Niagara contest, yet Geneva scored 34 points while Alfred totalled but 14.

The line up and summary:

Alfred		Niagara

BRICK VAUDEVILLE

On Saturday night the Brick girls gave the first of a series of vaudeville acts which the Athletic Association is planning to feature in connection with the movies.

The two acts were well rendered and interesting, and much credit is due to the able management of "Peg" Newisinger and Mildred Faulstich, who directed the production. We are glad to herald the advent of a new football song, which the girls introduced.

On Saturday night, also, we welcomed into our midst a new movie star, Mitchell Lewis, whom we saw in a gripping picture of the Western lumber region.

DELEGATES VISIT THE UNIVERSITY

About 200 delegates, attending the convention of Philatheas and Baracas at Hornell, visited the University, Monday. The trip was part of a sight-seeing tour in connection with the convention. Squads of students escorted the visitors about the campus and special attention was given to the Ceramic School and the Steinheim. The streets were pretty well crowded with automobiles which began coming early in the afternoon and did not leave until late.

ASSEMBLY

Seats Assigned

The assembly period last week was taken over by the registrar to assign the seats. For the first year in history the assembly hall is filled to overflowing. In order to accommodate all the students several chairs have been placed in the Hall. Every seat is taken by the student body leaving no room for visitors. Some sort of arrangement will have to be made to meet the increasing numbers of the student body as next year will find the conditions worse than they are at present.

President Davis announced that Dr. Norwood, who was to speak, would not deliver his address until the following week. Dr. Norwood has just returned from Europe, where he has been studying post war conditions.

The student body held a short meeting to discuss the arrangements for the coming assembly dance which will be held on the fourth of December.

MASS MEETING

Last Thursday night at Ag School, we staged a mass meeting which had some real life in it. Many of us found out for the first time that we were musicians, and we all used every ounce of breath blowing the gazoos or shouting out the songs and yells. After the first five minutes McMahon had only a whisper to use, but we kept together on the yells by watching his arms, which proved to be as eloquent as a Frenchman's. After the big noise was somewhat quieted, we had fine talks from Pres. Davis, the Coach and Mr. "Jake" Merrill. "They're all right," we shouted, and we meant all of that, too. The students showed how much they appreciated the President's loyalty to Alfred's athletics, and how willing they were to co-operate with him, by holding the victory bonfire the next evening before supper, as he requested. The coach in his short talk, told us we ought to trim Niagara, and our alumnus "Jake" declared we surely would; so there was nothing left to do, after such a rally, but to win a clean-cut victory.

ELECTION RETURNS

Football games, movies, vaudeville, dances and most of our other good times are for the financial benefit of the Athletic Council; so we were not surprised to have that hustling group bring the election returns to us by direct wire from the Associated Press. During the evening several sky messages were also pulled down by Chief Witter, our wireless operator. Lack of interest among the students concerning national affairs was shown by their absence. However, about fifty people of both sexes and all ages spent several hours watching Tom Place and Clair Peck chalk up the latest Harding pluralities. The election of the Republican national ticket was assured by the reports of the late evening; and conceded at 11 o'clock

Last Game of the Season. Varsity Confident of Victorious But Hard Battle

Interest centers on the coming game with Mansfield State Normal College which will be staged on Alfred Field, Friday afternoon, and every effort is being made to whip the Varsity into shape for this grueling contest. For years there has been intense rivalry and many hard fought battles have been the result.

While Alfred usually meets gridiron teams each year that are on an athletic plane slightly higher than Mansfield, the annual contest with the red and black is one of the most heralded events on the Varsity schedule, and more real spirit is shown when the two teams meet than in any other game. It goes without saying that the game on Friday will be a real battle. Local football sages who for years have noted the combats between the purple and the red and black are predicting one of the greatest Alfred-Mansfield games in history. Both teams are fairly strong this season, and both have faced hard schedules. The teams are about evenly matched in age, weight and experience of players, and it will be a keen struggle between Coach Wesbecher's purple eleven, and the well-schooled red and black team under the leadership of Coach Kichline.

While the game with Mansfield at Hornell last season would in all probability have been a draw had it not been for the great work of Kichline in the Mansfield backfield, the red and black won the game on the merits of a team that played good football, followed the ball well, and tackled hard and sure. Then, too, there was something else, for Alfred had already played one hard game during the week, meeting Canisius College at Buffalo on Tuesday, and with two days' intermission, facing the powerful Mansfield outfit on Friday.

Mansfield usually contents herself with a schedule consisting of major college freshman games, and with the leading preparatory schools and normal colleges of Pennsylvania, plus the annual contest with Alfred. The red and black always puts out a team that is worthy of any minor college of this state or Pennsylvania, and there have been years when the Mansfield team has been rated as one of the strongest elevens in the country. With a wealth of material, and a strong football spirit, the northern Pennsylvanians seldom present a weak team. It is

when the wireless gave Harding 376 electoral votes.

When the interested spectators dispersed, Prof. Shaw was still hopeful of Gov. Smith's re-election. The next morning all of the dozen Democrats in this village stopped hoping.

usually a heavy, well-drilled machine that represents the big Normal College.

Alfred will go into the contest on Friday with a strong determination to avenge past defeats, and with a hard week of practice following the Niagara game, much can be expected of the purple clad warriors. The men are all in fairly good condition with the exception of Ferry and Fox. The former has been suffering from a badly sprained ankle, while the latter's knee has been giving him some trouble. Both of these men were injured in the hard fought battle with University of Buffalo. Stryker, also, has been treating an injured knee, but prospects as to his being in the Alfred-Mansfield game are good. Since Fox's injury Stryker has been placed regularly at left end, and his work has been most commendable.

The line-up which starts against Mansfield will probably be nearly the same as that which defeated Niagara here last Friday. Some of the men may be shifted in position, but the personnel of the purple Varsity will remain approximately the same. Worden, who was at right tackle for Alfred against Niagara, showed evidences of real football ability, and his promotion to a Varsity berth has strengthened the line to no small extent.

Coach Kichline will use his strongest line up against Alfred on Friday. The men have been working hard all season in anticipation of this game, and will be prepared to give Alfred a real battle. The one big game of the Mansfield schedule is the annual Alfred contest, and throughout the season the red and black players are schooled with that end in view.

One of the largest crowds of the season is expected to witness the game, and as much interest is being evinced by surrounding towns as in the old days when Alfred and St. Bonaventure fought for supremacy on the chalk lined field. The proximity of the two institutions has much to do with the spirit of rivalry which exists between them, and Mansfield will bring a good portion of its student body to occupy the cheering section on the west side of the field. Special accommodations will be made to transport the Mansfield rooters from Hornell to Alfred and this village promises to present a scene of much activity on Friday afternoon. The officials of the game have been appointed, by the Central Board, and have been selected with care for this important contest.

Glance over a few Mansfield-Alfred scores of years past, and let's have everyone on the side lines Friday afternoon promptly at 3:30:

N. Y. S. A. NOTES

Alma Mater

She's in Allegany County,
The place we all love dear,
Among the hills of Alfred,
For her we'll give a cheer,
Hurrah for dear Old Alfred,
Her praises loudly call,
You'll find her truest boys and girls
At Agricultural Hall.

Chorus

Alma Mater we must name her,
She guides us in the right,
She stands beneath our banner,
Of the yellow and the white,
She never will mislead us,
She surely ne'er can fall—
For she's leading us to victory
From Agricultural Hall.

Then we will ne'er forsake her,
By her we'll always stand,
When care and trouble threaten,
We'll lend a helping hand,
She ne'er shall be down trodden,
We're at her beck and call,
Hurrah for Dear Old Alfred
And her Agricultural Hall.

In heartfelt appreciation of the best
little college in America.

Alfred, We Hail Thee!

Come, friends and comrades,
Join with us in song—
Hearts with devotion,
Voices clear and strong—
Praises to Alfred
We will ever sing—
Dear Alma Mater
Tribute to Thee we bring.

CHORUS

Alfred, we hail Thee!
Truest and best—
By sons and daughters
Honored and blest,
Dear Alma Mater,
We'll stand by you,
We will be faithful
Loyal and true.

Hail! Dear old Alfred
Like a beacon bright
Lighting our pathway
Guiding us aright,
Shine on! Inspiring
Youth in wisdom's ways,
Dear Alma Mater,
Anthems to Thee we raise.

Miss Frances Witter, editor, Mort Fox, Shorty Hanrahan and Joe Anderson assistants. Just so you can get better acquainted we want you to know who your reporters are; tell them if you know of any items of interest and they will do the rest.

Don't merely think it over; put it over. God has given every man equally twenty-four hours of time each day. The difference is in the use of that time.

Officials of the Country Life Club: president, Allan Bowen; secretary, Stewart Adams; treasurer, Abe Lincoln. One glance at the names is sufficient to know that we are going to have some real entertainment this winter. If you are not a club member now is the time to join. Do it today.

Courtesy is like the air on the inside of a tire. There may be nothing to it, but still it eases many a jolt and saves many a rupture.

Our songsters, Fox, Hodorff, Orvis, and Coach Wesbecher have their practice in the basement each afternoon. We would suggest that a big improvement could be brought about by the addition of a couple of cows.

Shorty—"I thought you were going to kiss me when you puckered up your lips just now."

Vera—"No. It was only a piece of grit in my mouth."

Shorty—Then for godness sakes swallow it. You need some."

Heard at the Sigma Alpha Phi supper table:

Swanson—"We see by the paper that lumber is coming down, that ought to make Board cheaper.

Where do you fit "Curly?" "Sirs, I'm in a class by myself; In other words "A man without a country."

"Sweet (?) Cider Times. When you were mine." Two miles from Hornell. Ask Childs and Cassada for particulars.

Our first exams are over. One relief!

Prof. Randolph gave a very interesting lecture at the Tuesday morning chapel period. He chose for his topic "Voting and Elections." This was very appropriate for the time.

Lillian thought it was time to pick cherries the other day so she ascended to the top of the ladder (in the library). Help! Hodorff!

There were quite a few Aggies out for chorus Monday night. There is still room for more. One cannot help but sing under the direction of our popular music instructor, Prof. Wingate.

Miss Doris Scott of Wellsville was a guest of Phyllis Scott over the weekend.

Talk about reasoning in a circle Did you ever notice that a mouse is afraid of a man, a man is afraid of a woman, and a woman is afraid of a mouse?

At the Thursday morning Assembly period we were highly honored by having Prof. Stewart of Cornell University with us. He gave us a very interesting talk on the advantages of an education. We have faith that his message hit home and we hope that all the students will try to better themselves along the lines he suggested.

Our Director and Miss Bennett have come back to us after spending a few days in Albany. Perhaps our tests are too easy.

We are all concerned as to the mysteries of the party that was held at Ag School Wednesday night. Searles has promised us full details in serial form to begin with the next issue.

Ponzi has nothing on our skylarks when it comes to making money. Kessler and Greenfield combined forces and incorporated for \$1.49 to bet on the Alfred-Niagara game. That in itself is not important, but when they attempted to place they certainly had Rockefeller ideas and ambition but little knowledge of football. As it was, however, they found no "fish," so dissolved partnership with credit and debts equally balanced. Moral—The grass always looks greener and twice as high on the other side of the fence.

We are forbidden to mention someone's name in this kolyum, so we will just think some things. We can't be arrested for that.

One of the boys reported seeing Wheeler and Pickford forty miles in the country up in an apple tree picking pumpkins.

Prof. Remsen has found something to grow hair on an onion.

We are soon to have a saxophone solo. Prof. Robinson is practicing every night.

Cassada says he hasn't seen anything interesting about himself in these columns. We didn't know he could read before so we will mention him more often.

Earle, give us the name of the book. You must have one giving instructions on how to captivate the girls at the Brick.

Orvis is back from spending a few days in the wilds of Buffalo. He was not made wild by his environment, being just as genial as ever.

A volume in 12 words: Eats—third floor — Miss Wood — chased — Fox — Jumph—Confusion—Exit—Nuff Sed!

The program of Farmers' Week will be found on page four.

Ted Drummond gave a dinner party Friday evening after the Alfred-Niagara game having as guests Messrs. Searles, Hodorff, DuBois, Ames and Fox. That it was anything but a huge success is impossible to imagine, and if any of you happen to know of Mrs. Drummond's culinary ability you will agree with us that Ted's birthday should come oftener.

We're from the Ag School—Yes! Yes!
Yes!

Our little slams are ended,
And we lay aside our pen,
Hoping none will be offended,
Since worse it might have been.

Sigma Alpha Phi

Not what he meant—Frosh, on way to kitchen—"Charley, any more soup out there?"

Charley—"Sure—soup enough to take a bath in. Go right ahead!"

Last night the Misses Gould, Witter and Gardiner dined with us, only they were at a different table from ye correspondent. It was wonderful how the boys at that table pitched in and helped clear away those dishes. The next time anything like that happens during my turn as waiter I'm gonna shov'em over to my table and get out of a lot of work myself.

Malcolm Mason of Friendship is spending a few days with us. He is the guest of Harold Davis. Also Max Compton took dinner with us Saturday. Those are the things we like to see happening.

"Swanie" bought a new hair-cut recently. It's one of the kind that is split down through the middle and hangs on each side. We must say he wears it well but how is he going to use that street sweeper on such an arrangement, as that? Looks as though he might have to sell it to the village D. P. W. or rent it to someone who still clings to the green-sward style of hair cut.

The following men were visitors in Hornell, Saturday: Davis, Tuttle, Smith, R. Davis, Newton, Mowers, Seeley, Vorhees.

ARMISTICE DAY CELEBRATION IN ALFRED

On Monday evening, several ex-service men met in Ag Hall and a parade for Armistice Day was discussed. Committees were appointed and plans were made for a parade.

It is desired by the men present at this meeting, that all service men come out, as there will also be something for an attraction to all service men in the evening. It is also desired that all Fraternities and Clubs join in a body, and the townspeople are most cordially invited and urged to attend and help make this one of the largest parades ever held in Alfred.

We want this day to be a day of celebration of the signing of the Armistice on Nov. 11, 1918.

THE PRESIDENT'S OPINION

Dear Editor:

May I commend your editorial of two weeks ago on the "Banquet Season?" By such a thoughtful and serious handling of the problem, the Fiat is rendering a real service in building up a student sentiment that will correct the abuses which have crept into "Banquet Season" in recent years.

The Faculty will gladly give every possible co-operation to the students in working out the right solution of a problem which now has produced a crisis.

We wish student government to succeed. The public, however, holds the Faculty responsible for its defects or failures. We can not escape the censure for any breaking down of rules or ideals, through laxness or abuses that develop with new and changed conditions.

It is evident to the Faculty, and I think to the students also, that some important changes must promptly be made, or the banquets will have to be abolished by the verdict of the public as well as of ourselves. The abuses which you mention are brought to the President's attention by anxious parents and a disgusted public, as well as by dissatisfied members of the Faculty.

It is unfortunate that the method and time for changing rules puts it so

late in the year, when Seniors are occupied with approaching graduation, and many others have grown indifferent to the evils which are felt so keenly at Banquet time.

I would suggest that the Fiat continue to promote a public sentiment in the interest of Banquet reform, and invite suggestions as to the best methods of accomplishing the changes needed, so that when the time comes all will be ready to encourage the modification of rules so as to eliminate the abuses which have become pronounced evils of the contest.

BOOTHE C. DAVIS.

For just a year Alfred has cheerfully held the sting of defeat which was suffered at the hands of Mansfield last Armistice Day. Friday the Purple and Gold warriors are scheduled to meet Mansfield on the Alfred field and wipe out all memory of defeat. The visitors elated with last year's victory are confident of repeating the feat again but in the eyes of Alfredians their chances are slim.

Coach Wesbecher will be able to put the best possible team on the field for the game. No doubt Fox and Ferry, both of whom were injured in the Buffalo game, will be seen in the lineup. They have been reporting for practice for the last week although the injuries to their legs are not as well as they should be. Heavy scrimmage is the order for the week.

The game is important in more ways than one. It will be the last home game for the Purple and Gold team this season and will also be the last home game in which "Chief" Witter and Captain Searls will be seen in the Purple and Gold uniform. Both men, who have played such wonderful games for Alfred, will graduate this year. They are determined to win their last game on the Alfred field and the rest of the team is just as determined that they will win.

The game is creating quite a stir in the ranks of Hornell sportdom and will draw a record breaking crowd from that city as well as from other nearby places. Plans are being made to accommodate a RECORD-BREAKING crowd.

NOTICE

The first meeting of the New York State Students' Branch of the American Ceramic Society, will be held tonight at 8 o'clock at the Ceramic School. All ceramic men should be there. Election of officers will be held.

The students of the Modern Language Department were pleasantly entertained at tea Thursday afternoon by Miss Landwehr and Dr. Mix at the latter's home.

KAYEM'S FEATURE MUSICIANS AND JACK LIDEN

The first number of the Fraternities Club Entertainment Course will be presented at Firemens Hall, next Saturday evening, November 13, at eight o'clock. Kayem's Feature Musicians and Jack Liden will furnish an evening of high grade entertainment. Every member of the company is an expert in his line, and their solo and ensemble work is pronounced splendid. Incidentally every member of the company is an ex-service man.

Louis Colangelo, manager of the company, was leader of the 56th Infantry Band, 7th Division. He is one of the best cornet soloists in this country.

Signor Grasso, flute soloist, with the Musicians, refused an offer with the Chicago Symphony Orchestra to finish the season with this company. He is a musical humorist, one of the funniest men on the platform.

Jack Liden, story teller, was in the navy for two and a half years. He was known as "Duffy" in the navy by the thousands of boys whom he entertained. Liden has roamed the United States from ocean to ocean, from the Yukon to Mexico. He has entertained in many states and under all circumstances. He presents stories in the Irish, Italian, Swedish and Jewish dialects.

The price for single admissions will be 75 cents and war tax, but everyone should buy a season ticket and hear all five numbers at an average cost of only 60 cents per number. A few good seats are left for the early comers. Reservations at Shaw's Jewelry Store.

Y. M. C. A.

The Gothic chapel was the gathering place of a god proportion of Alfred's 60 Y. M. C. A. members, when Pastor Ehret gave an inspiring talk on man's growth by Christian living. His text was from the second book of Peter: "To your faith supply virtue, to your virtue add knowledge, to knowledge add self control, to self-control patience, to patience godliness, to godliness brotherly kindness and to brotherly kindness love." These steps in a true Christian's spiritual development should come one by one as we grow to manhood physically and mentally.

Efforts are being made to bring again to Alfred Dr. Beaven, the famous Rochester clergyman who came here last winter. If he finds it possible to accept the invitation of the Associations, Dr. Beaven will be here for three days in the middle of December.

In a sincere attempt to gain help and guidance for the work of Alfred's Y. M. C. A. during the coming year, several of our members joined in a small prayer group which met every morning last week at the Gothic. We are sure that these prayer meetings will be repeated in coming years. They help to complete the all-round work of the Christian Association; Bible study and discussion, helpful acts and prayer.

VIOLIN RECITAL

On Tuesday evening, Nov. 23, one of the most important musical events of our present season will take place at Firemens Hall. Miss Rose Becker of New York, violinist, who is now touring the southern states, will give an interesting violin recital. She will be assisted at the piano by Mrs. Ada Becker Seidlin, her sister and the head of the University piano department.
