Live Music TONIGHT - Mikki Hommel

Tonight in the Knight Club at 9pm.

Inspired by the talents of Eric Hutchinson, Mikki writes catchy songs that merge her vivacious personality with her soulful voice. She has since opened for Ari Hest, AJ Smith, and Mosaic and this past summer even joined Dweezil Zappa's band for their international tour, singing lead and backing vocals. On her own, she's become a musical fixture on New York City's Lower East Side. Between playing month-long residencies at Pianos and simply stealing the stage for an impromptu karaoke session, she promises to take your ears to a party and leave you ready to discover your own wild heart.

ICU looking for presenters on cultural awareness workshops

Alfred University's Institute for Cultural Unity is looking for professionals interested in presenting twenty-minute talks on relevant topics as part of our "Wednesday Talk & Response" series. The institute is a source of diversity education and multicultural programming. The institute is a resource center that develops self-awareness and respect for others through the sharing of experiences and cultures. Through this, we hope to create a stronger community here at Alfred and expand our educational philosophy even further.

We would like to invite anyone who would be interested, to hold a short talk of no more than twenty minutes followed by small group discussion based on three questions of your choosing. Our focus areas include diversity, inclusion, tolerance, social justice or any topic that helps unites a community rather than divide. Topics will range from the timely "What is a Sanctuary Campus?" to the lighter "Why Beyonce's Lemonade Matters?" (right before the GRAMMY Awards).

If you are interested in presenting a topic, or have any questions, you can contact me by e-mail at ic3@alfred.edu.

Thank you for your consideration.
