ANNUAL APPEARANCE OF GEE CLUB Small Crowd Attends Splendid Concerts

“A prophet is not without honor save in his own country,” remarked an editor at the recent New York Alumni Banquet held Thursday evening in Firemen Hall by the Alfred College Glee Club. This remark was prompted by the small audience which followed the club’s meritorious program. The concert was apparently taken more seriously by the townspeople than by the stu-

In this issue of the Flax Lux, the first of a series of "human studies," there is given Alfred's "folly" for their richest proposition.

M. LOU VOSBEHR ATTENDS Y. W. C. A. CONFERENCE

M. LOU Vosbehr represented the local Y. W. C. A. at an inspiring conference held last week-end at Onondaga, the speakers were excellent and good. Mrs. Weaver, the president of the Lockport Y. W. C. A., a woman of wide and interesting experience, delivered an address on an area round in the square hole. The eminent women who were to cause a serious maladjustment for young people—especially in the industrial world. The big educational problems today is to bring out the best that is in boys and girls so that they will love their work and so that their work will be truly a service and their occupation. Character building and spiritual growth should be taught by precept. Our duty is to help young people to find themselves, to help them to know what they want and for what they are fitted. Service to others is what counts most and gives the greatest happiness.

Miss Mary Hunting, Girl’s Work Secretary of the Lockport Y. W. C. A. and an alumna of A. U., spoke on the history of the Girl Reserve Movement. Although girls’ work began even as early as 1909, not until 1918 did the Girls’ Reserve movement become initiated and the work take on any form of unity. Since then it has made a rapid advance in this country alone there are today 250,000 Girl Reserves and the movement is spreading. The deep underlying purpose of the girls’ work as exemplified in the Girl Reserve movement is the same purpose as that of the National Y. W. C. A.

The talk on "Girl Psychology" by Miss Hartough was an eye-opener for those who had forgotten their younger gland days.

Miss Anna Baird, Girls’ Work Secretary of Niagara Falls Y. W. C. A., gave an informative talk on program at Niagara Falls Y. W. C. A., giving an informative talk on program for the Girl Reserve and led lively discussion on the same subject.

GRIFFITH IS BASKETBALL MANAGER

At the last meeting of the Athletic Council, it was voted to award the basketball letters to the Glee Club concert. The managers of the Union Fund were authorized to sell soft drinks on an intercampial day.

A mistake was made in the last issue of the Flax Lux in regard to Howard Griffith. The Council elected him next year’s manager of basketball, which, as incorrectly reported, Griffith was chosen to manage.

The Council has recently reviewed the college records in track and field events. Those made before 1900 have been placed in a separate list. The complete records, including new marks, will be printed next week.

LARRY BEANNE, THE IDEAL PERSONABLE

I have the praises of Larry Beane. As an individual he is well-known. You'll see him carrying the campus papers, or so you go by.

Larry Beane is a great pupil, a credit to his alma mater, and a credit to his parents. He is a loyal student, and a good worker. He is a member of the basketball team, and a member of the Glee Club.
