

BASKETBALL NOW CENTER OF INTEREST

Inter-class League Brings Out Much Material

SPIRIT GROWING

With the interclass league now well under way, good basketball is coming more into evidence, while spirit is growing daily.

As the score stands now the Ag School Juniors stand undefeated in that section while the Freshmen head the list in the college section. For second place the Juniors and Sophomores are tied. With the remainder of the games to be played this week Coach Wesbecher expects to be able to pick a squad immediately after Christmas vacation.

Following is the standing of the teams and a schedule for this week's games:

College	Won.	Lost
Freshmen	2	0
Sophomores	1	1
Juniors	1	1
Seniors	0	2
Ag School	Won.	Lost
Juniors	2	0
Seniors	1	2
Freshmen	1	1

Ag. Fr.-Ag. Sr., Dec. 11, 7:00
 Col. Sr.-Col. Fr., Dec. 11, 7:00

 Col. Soph.-Col. Fr., Dec. 15, 4:00
 Ag. Jr.-Ag. Fr., Dec. 15, 4:00

CAPTAIN ELECT

CAPTAIN

GARDNER TO CAPTAIN 1923 FOOTBALL TEAM

Also Elected Captain of This Year's Basket Ball

Don Gardner, who has for two seasons been a dependable member of the Varsity football team and a prominent figure on the basketball court, has been elected football captain and also basketball captain for the coming seasons. As left tackle of the Varsity, Don plays a hard, steady game. Throughout the last two seasons his playing has been characterized by good sportsmanship and a thorough knowledge of the game. On the basketball court as well, Gardner displayed remarkable ability and skill in handling the ball. Although he is somewhat averse to occupying a position in the limelight, Don, as shown by the election, is a favorite among his fellows and there is no doubt that he will exercise every effort toward the production of winning teams.

Bob Campbell and "Sarg" Holley, captains of last season's football and

basketball teams, respectively, while playing the game well, displayed rare qualities in handling the men and in incorporating into the team the co-operation and spirit that wins. Both men are members of the senior class and have played their last games for Alfred. To them is due much appreciation and many thanks for the spirit they have shown and for that which they have imparted to their teams.

ENGLISH CLUB TO BRING INTERESTING SPEAKER

Edgar L. Raine Coming January 11

It is expected that on January 11, Edgar L. Raine, will deliver, under the auspices of the English Club, his lecture on Alaska. Mr. Raine is an explorer with a national reputation and he has felt keenly all his life the lure of the northland.

By the press his talk has been characterized as "A Remarkable Lecture by a Man Who Knows." Mr. Raine's talk is accompanied by slides in natural colors of the beautiful regions of Alaska and Siberia. It is hoped that everyone will avail himself of the opportunity of hearing this interesting talk on Alaska.

INFORMAL RECITAL THURSDAY EVENING

Unusual Program

On Thursday night, Dec. 11, an informal recital will be given by Mrs. Mix's class in Interpretative Reading, at Kenyon Memorial. The program has been carefully chosen and promises to be one of the most delightful entertainments of the term.

This recital is free to both students and townspeople.

- The program is:
- The Finger of God Percival Wilde
 - Virginia Randolph
 - When Max Rogers Broke Loose
 - Huks Bates Broclesson
 - Helena Crandall
 - Jimmie Valentine O. Henry
 - Mabel Holmes
 - Da Stove Pipe Hole
 - Win. Henry Drummond
 - Edith Teal

CERAMIC SOCIETY

There is to be a meeting of the Ceramic Society tonight at 7:30 o'clock in Babcock Hall.

Prof. Binns will speak on the production of artistic pottery in this country as compared with Europe.

PRES. LENT OF ELMIRA COLLEGE DELIVERS FOUNDER'S DAY ADDRESS

"The Relation of Education to Success" His Theme

"It is your daily task that counts, and if you would be a success, cultivate will power, concentrate, hold to your task until you have mastered it," said President Lent of Elmira College in his Founders' Day address, "The Relation of Education to Success" at Alfred University, Wednesday morning.

"It used to be the opinion years ago that a college education hindered a man in the race for success. Such men as Rockefeller and Carnegie, neither college men, could see no relation between education and commercial success. But later Andrew Carnegie said, 'Education does have commercial value.'"

Statistics taken from "Who's Who" prove that it is the educated man who wins. Out of the 200,000 listed 1 out of 1600 high school graduates attain success, 1 out of 180 college graduates, 13 out of every honor student who graduated.

There are many definitions of success and one of the best was written by a woman,

"He has achieved success, who has lived well, laughed often, loved much, gained the respect of good women and the love of little children, filled his niche and accomplished his task, left the world better than he found it, whether by a poem, an improved

poppy, and whose memory is abenediction."

One who is successful must have achieved a fine character. Education means mental and moral development, training in the ability to work hard and concentrate, having obtained a feeling of life, ability to think, not measured by things known, flexibility of mind.

Education helps us to reach an intelligent purpose, thrill the whole of life with enthusiasm into our task. To the man who has not discovered himself it shows his niche in the scheme of things.

"There are opportunities in our present environment. The man succeeds who knows he has resources within himself. If you can produce something the world needs, you are sure of success. We walk over golden opportunities, not perceiving them. Education brings perception. Education makes for happiness. True science leads to God. True philosophy means happiness.

The hope of the world lies in our colleges and in our universities and when you leave I want you to take this with you.

"It is your daily task that counts, and if you would be a success, cultivate will power, concentrate, hold to your task until you have mastered it."

ALFRED ENDS GRID SEASON WITH VICTORIES BALANCING DEFEATS

Draws With Westminster and Hamilton

SEASON MARKED BY HARD FIGHTING

While in actual count of games Alfred broke even, winning four, losing four and tying two, the season as a whole may be termed successful. She lost to Thiel and St. Bonaventure, old gridiron rivals, but Buffalo and Niagara were defeated, which balanced the standing and raised Alfred's rating in her own state at least.

The season opened with Mechanics Institute at Alfred, Sept. 22. The Rochester team, though fast, were light and at no time was the Alfred goal in danger. The game ended with a score of 27 to 0, and was marked by excellent defensive work rather than attack.

At Lewisburg where Alfred encountered the heavy Bucknell team, the team suffered their worst defeat. Outweighed and outclassed the Purple and Gold struggled valiantly to stop the driving attack of the Pennsylvanians. The fact that Bucknell was forced to resort to passes is an indication of the fight displayed by the Alfred team.

Westminster, the next opponent, proved a more difficult proposition than had been expected and the best Alfred could do was to draw a scoreless tie. Marked improvement was shown defensively while the offensive again failed to come through.

The St. Bonaventure game, though it was the most closely contested of the season, proved a disappointment to the huge crowd of spectators who had assembled to see Alfred combat its ancient foe. The Purple and Gold team clearly outplayed its opponent and it was only costly fumbles and

a disastrous blocked punt in the final quarter that gave St. Bonaventure the game.

The Buffalo game was disappointing for, although Alfred won, it was only fumbles by Buffalo and an opponent double pass which gave Alfred its only score.

With all the dope forecasting victory Alfred again disappointed its followers by returning from Hamilton with a scoreless tie.

The best home game was played with Niagara. Exhibiting the best offensive work of the season Alfred easily outplayed the Catholic school and won 17 to 0.

The St. Francis game was slow and uninteresting and Alfred was fortunate in obtaining a 14 to 0 score.

At Allegheny Alfred, though outplayed the first quarter by a 20 to 0 score, staged a remarkable comeback and held the heavier Alleghenians scoreless in the second quarter and to a 12 to 7 score in the last half.

The final game with Thiel again resulted in defeat but the 14 to 0 score was not an indication of the comparative strength of the two teams.

Unfortunate breaks gave Thiel both its touchdowns and victory.

The team, although it made no spectacular achievements, lived up to Alfred traditions and fought clean and hard for its Alma Mater.

While six seniors—Witter, Ahem, Campbell, Thiel, McMahon and Bliss, will be lost this year, there is plenty of material from which to fill their places and there is no doubt but that next year Alfred will have the best team it has ever had.

FRESHMEN ENTERTAIN LARGE AUDIENCE AT ANNUAL PARADE

Many New Stunts Uncover Much Talent

The 90th annual night shirt parade was solemnized, before the largest crowd in its history, by the Freshmen class last Thursday night, when its members appeared in night garb and were marched lock step, behind a large but inharmonious Sophomore band from the post office to Academy Hall where the Supreme court, of The Forum sat in judgment.

Forty-seven Freshmen answered to roll call in front of the post office at 10:15 P. M. These forty-seven received Justice Ahern's opening address of welcome with mingled emotions. And throughout the entire entertainment the ten commandments as issued in this decree, "be patient, be quiet, be careful, be mum, be solemn, be courteous, be good, be obedient, and pay homage to our most august mecca when the sublime gong shall so command," with few exceptions were faithfully executed.

Especially, did the youngsters make all haste to obey the final injunction, to pay due homage to divine mecca. Those unfortunates who so far lost their sense of direction, as to turn their backs to the sublime god, speedily received chastisement. And thus, through the evening, slam, slam, slam, never failed to bring a laugh from the onlookers.

President Lobaugh, speaking in behalf of the Freshman class, thanked the College for the entertainment to which they had been invited and to show the appreciation of the class volunteered to shine all shoes of the ladies, present. The offer was accepted and the party was in full swing.

From then until 2 o'clock there was not a dull moment. Songs, recitations, athletics and parlor stunts by members of the younger class, enlivened the evening. The carnival was especially well attended by the Fiat, who had the sporting editor, dramatic critic and musical critic on hand. While the difficulty of picking individual stars out of such a conglomerate mass of exceptional talent as was exhibited, can readily be seen, there were several outstanding features of the evening.

A somewhat detailed summary by our reporter follows:

Borden smashed all records in the cross country run by covering the eighteen laps in 2 minutes, 11.2 seconds, as announced by official announcer Rogers.

Phipps, the valiant Atlantic Highland's Coast Guard, and Grady, the "Pride of Lockport" battled for individual honors in aquatic events, but though the latter showed the best form, Phipps captured first by his constant work.

Babcock, of whom the Freshman class expected much, failed to qualify in the broad jump.

Peterson, after a hard battle floored his husky opponent but was disqualified by the judge for the illegal use of the toe hold.

The decisions as to who won the paper fight, the peanut race and the pie feeding contest has not yet been

N. Y. S. A.

Miss Ethel Bennett spoke at the school fair and exhibition at Stephens Mills last Friday evening.

C. B. Raymond, County Farm Bureau Manager, was a dinner guest at the Theta Gamma House last Tuesday evening.

The visiting delegates of the Pomona Grange set aside an afternoon last week to visit Ag School and were much interested with the work that is being carried on there.

AG ASSEMBLY

Prof. Randolph, on Tuesday morning explained with the aid of charts, the methods of building your own Radio receiving sets and gave the differences in prices of ready made sets, and those made at home. His talk was both interesting and educational, because of the great part now being played in farm life by the Radio.

INTER-CLASS EXHIBIT

Below is listed the final scores of the judges: Mr. C. B. Raymond, Farm Bureau Manager of Allegany county, and Mrs. George S. Robinson:

	Frosh	Juniors	Seniors
Quantity	6	4	7
Arrangement	17	14	18
Condition	9	8	8
Quality	40	40	37
Variety	8	6	5
Totals	80	72	75

The Freshmen taking the Country Life Club cup, with the Seniors, second and the Juniors, third. While the exhibit was not as large as was expected, it was well arranged and the judging was close as shown by the final

scores. It is hoped that next year, Ag School will have a bigger and even better exhibit than ever before.

POULTRY GROUP ENTERTAINS

At Assembly Thursday morning, the poultry classes took charge of the exercises. Prof. George Robinson had charge of the program and the chapel exercises. Clinton McAhon gave a vocal solo which was well received. The next number was a trio by Prof. Robinson, Crandall and McAhon, which was exceptionally well rendered, the voices blending perfectly and the harmony excellent. The next number was in the form of a debate on that time honored question, "Resolved, that in the origin of the fowl, the egg preceeded the hen." The affirmative side was upheld by McAhon and Weaver, and the negative side by Crandall and Bliton. Many humorous points were brought out, such as the question of the egg plant and the taking of the fowls into the ark. One side contended that Adam was a farmer and had to take care of the Garden while the other side said that Adam did not set on the eggs for three weeks to hatch them and therefore the hen must have been created first. The student body acted as judges and voted the honors to the negative side. Charles J. Clarke finished the program with a violin solo and was compelled to give an encore. Ethel Burdette accompanied the singers and the violinist on the piano.

CERAMIC GUILD EXHIBIT AND SALE TO COMMENCE FRIDAY

The Alfred Ceramic Guild will hold its annual Christmas sale of pottery and cards on the second floor of the Ceramic School from December 15th to the 20th inclusive. No pottery entered for this sale may be bought or reserved before 2:30 P. M. on Friday when the sale officially opens. Hours will be from 9 to 12 A. M. and from 1:30 to 5 P. M. As is the Guild custom, tea will be served on Friday between three and five. This sale gives an opportunity to obtain interesting pottery made locally at unusually reasonable prices. Miss Laura Stillman, Guild manager, has made attractive bookends, candlesticks, flower bowls from small to large, and lamp bases. Miss Elsie Binns is offering some of her unique work and this year a larger number of students than usual are contributing to the success of the sale. The Guild is maintained through the perseverance and loyalty of Ceramic Art students to whom its success is a vital matter.

IMPORTANT NOTICE

With the establishment of the new system of registration inaugurated last September the need of reregistering each term has disappeared. For this reason all students will be expected to continue automatically, the schedules which they are pursuing this term. Should any change in class enrolment be necessary, this change should be arranged for with the Registrar before the close of the first term Thursday, December 21st. Classes then continue as usual on Tuesday, January 9th, when the second term opens, as all class enrollments will have been made by the office during the vacation. Any student who is reported absent from all his classes on

Tuesday, January 8th, will be charged a "late registration" fee of \$2 as here- tofore. WALDO TITSWORTH, Registrar.

V PORTRAIT OF J. DALTON A

BY JOHN LONSDALE /

The Quaker who made Chemistry a Science

CAVENDISH had shown that two volumes of hydrogen and one of oxygen always combine completely to form water and nothing else. Proust, a Frenchman, had proved that natural and artificial carbonates of copper are always constant in composition.

"There must be some law in this," reasoned Dalton (1766-1844), the Quaker mathematician and school teacher. That law he proceeded to discover by weighing and measuring. He found that each element has a combining weight of its own. To explain this, he evolved his atomic theory—the atoms of each element are all alike in size and weight; hence a combination can occur only in definite proportions.

Dalton's theory was published in 1808. In that same year, Na-

oleon made his brother, Joseph, king of Spain. This was considered a political event of tremendous importance. But Joseph left no lasting impression, while Dalton, by his discovery, elevated chemistry from a mass of unclassified observations and recipes into a science.

Modern scientists have gone beyond Dalton. They have found the atom to be composed of electrons, minute electrical particles. In the Research Laboratories of the General Electric Company much has been done to make this theory practically applicable so that chemists can actually predict the physical, chemical and electrical properties of compounds yet undiscovered.

In a world of fleeting events the spirit of science and research endures.

LEWIS CONCERT COMPANY PLEASE AUDIENCE

Last Thursday evening occurred one of the best entertainment numbers Alfred has heard in some time, The Lewis Concert party, composed of Sam Lewis, an eminent Welsh tenor, Marie Colliton, pianist, Nell Adams, reader, and Linn Schuler, violinist. Mr. Lewis is a popular ballad and operatic singer. The power and richness of his voice makes him a favorite with every audience. His best selections: "Woman is Fields," from "Rigoletto," "Pale Moon" by Logan, and "The Americans Come." He also sang that old favorite, "Carry Me Back to Old Virginy." Miss Colliton played among others, selections from Brahms and MacDowell which exhibited her quick and perfect technique. Her renditions were animated and energetic. Nell Adams is a reader who stresses happiness. Her manner is unstudied and natural; her characters those artless persons we all know. Linn Schuler, artist-pupil of Richard Czerwonky, is a master-violinist. He showed unusual skill in those classics "Ave Marie" by Shubert and the "Gypsy Aria," in the more modern favorite "Souvenir" by Kreisler, and in his interpretation of modern harmony. It was a delightful treat to listen to these musical artists.

Last Saturday night at the Kanakadea dance both football and cross country men received their athletic certificates and letters. First team letters were awarded the following: Bliss, Fraser, Stannard, L. McConnell, R. Campbell, D. McConnell, Witter, Daly, Gardner, Robinson, Johnson, E. Campbell, Ahern, McMahan and Teal. The second team "A's" went to, Grady, Ingoldsby, Lobaugh, Scudder, Dailey., Richards, Chamberlain, Qualey, Anderson, Griffith, Phipps and Spicer.

Those receiving track letters for cross-country were. Cole, Lyons, Navin, Wood, Button, Borden, Smith and Arnold, first team letters, and Lampman, Herrick, Swain, Coleman and Kelly, second team "A's."

Dere editor,

Some people spel it dear, but deve was allus good my per am family.

I seen an article in your paper a few weeks ago about poitry. I am 'o egsactly a student but I've allus bin aroun' the place somewhat more or less now and then and I thought as maybe you might apresiate som of my poiticle comprisishuns. Hear they be.

Yours truilly,

HALEY MYTH.

Fire of November

Bang went the clang bell,
Up sprung us all,
Race mity pell—mell,
Race to the fire.
Up shutes the smoke—whew!
Tar blazes runs like runii
Ain't but a water drap
An' out she is, by gum!
Clang, galiups the fire cart,
Prancin' on its wild career,
Look, it makes a head-long dart
An', wal, 'tis wounded on the by
ways.

THE ETHEL MIDDAGH BABCOCK MEMORIAL SCHOLARSHIP

Several of the very numerous friends of the late Mrs. Ethel Middaugh Babcock in Hornell and vicinity have expressed a desire that some memorial of this gifted and much loved woman should be created. It has been decided to found a scholarship at Alfred University, for the benefit of musical students, to be named "The Ethel Middaugh Babcock Memorial Scholarship."

The committee in Hornell report great progress having received about \$500. The local committee have reported \$50. The amount required for a full scholarship would be \$2000, the annual interest on which will aid needy and worthy students in obtaining an education. Friends of Mrs. Babcock who desire to contribute to this memorial may send any amount they desire to the local committee which is Mrs. B. S. Bassett, Mrs. Ramon Reynolds and Professor Ray W. Wingate.

NAVIN IS CROSS COUNTRY CAPTAIN FOR NEXT SEASON

The successor to Sanford Cole, as Captain of the Cross Country team, is William Navin. Cole has successfully led the team to victory in the past season. Navin has always been one of the most spectacular runners on the Alfred squad since he has been here. Besides this he has been a faithful and hard worker. Undoubtedly he will make an excellent captain for next year.

STUDENTS' RECITAL

A number of vocal students of the University Department of Music appeared in a recital at Agricultural Hall last Wednesday evening, Dec. 6, 1922. The program was as follows:

You, Only You	Del Hiego
Anna J. Mays	
Just Awearyin' For You	Bowl
Fred Palmer	
The Auld Nest	Long. iiaffe
Elizabeth M. Stow	
Absent	Metcalj
Ethel Burdette

Anna L. Mays	
You Came At Dawning	JSvUU
William F. Sheldon	
Winter At The Door	Blaine
Dora H. Young	
De Bogie Man	Bassett
Margaret Prentice	
A Little Wheel A Rollin' In My Heart	Grant-Schaefer
David Smith	
Go, Little Song	Ashford
Elizabeth Paul	
My Own Flas Come To Me	Risher
Fred Palmer	
The Phantom Legions	Ward-Stephens
Leona Place Jones	

FRESHMEN ENTERTAIN LARGE AUDIENCE

Continued from page one
handed down, but that Hubbard lost the boxing exhibition, there seems to be no doubt.

Judging from outward appearances, the judges were unanimous in declaring that Anderson had the edge on Ormsby in the weight lifting contest.

Keepe and Coats gave a fine exhibition in gymnastic stunts but the former lost the verdict when he was unable to furnish a song in conjunction with his stunt.

Lyons, being the only entry, won the milk drinking contest for children, by forfeit.

Intervening darkness (necessitated the postponement of the big rowing race which was advertised as one of the big events on the card.

In the parlor athletic events, Blair and Cruikshank put up a game fight but Osborn easily won by his original interpretation of a lounge lizard in action. The judges didn't realize that there really was such an innocent Frosh, at large,

Considerable latent musical talent was uncovered during the process of the evening which will without doubt be speedily developed by Professor Wingate.

The big musical hit of the evening was a vaudeville number rendered by Blair, Sheppard, Hussin and Martin.

Most promising perhaps of the immature talent was Peterson who charmingly sung several Swede songs to the audience. Other musical numbers deserving especial mention were "Glow, Glow, Glow" and "If You Don't Think So, You're Crazy," sung by Anderson and Welch, respectively.

Perhaps the musical number best enjoyed by the Frosh class, however, was "The End of a Perfect Day," a duet emotionally rendered by Copeland and Young.

In the field of forensics; however, the new class failed to exhibit the same genius which marked their other work of the evening. This may, in part, have been due to the defective acoustics of the hall. But it was noticeable that not only did the voices of the speakers of the evening lack in pitch and intensity but their gestures and their power to convince an audience were lamentably weak.

An argumentation by Springer as to "The Respect Seniors should show Freshmen" was pathetically ineffective.

The Irish question, on the whole, however, was ably handled pro and con by Kelly and Keefe.

Grady, held the audience spellbound while he told the crowds about the thrills running up his back on the night before the big Yale game.

In conclusion the Freshman class is to be congratulated on the fine sportsmanlike spirit with which, with few exceptions, they received their fate. The Council, also is to be commended for the excellent handling of the entertainment while the paddling committee deserve mention for tempering mercy with justice, at times. And so the 90th annual night shirt parade went down into history.

On Saturday President Davis was in Olean attending the funeral of trustee Frank L. Bartlett.

It is of interest to learn that Pres. Davis has been recently elected First Vice President of the Association of Colleges and Universities of the Middle States and Maryland. During his recent trip to West Virginia he delivered an address before this body.

Why Young Men Should Consider Insurance Selling

Seven Reasons for Life Insurance Career

LIFE INSURANCE is founded on the
highest ideals.

It is capable of yielding a good income and the
satisfaction of accomplishment.

It offers opportunities for real leadership.

It brings insurance salesmen in close associa-
tion with big business and big business men

It requires education in business methods,
law and finance.

It is a field for workers, not shirkers.

It is an alluring and practical calling for men
of dynamic energy.

Alfred Whitford '22, of Watsontown, Pa., was in town for Thanksgiving.

Miss Mary Hunting '19, spent the Thanksgiving recess with relatives in town.

Ruth Stillman '21, and Winifred Greene '21, were home for the Thanksgiving vacation.

Errington Clarke, ex-'21, was a guest of friends and relatives in town during the vacation.

Miss Edna Straight '20, is helping, during the Christmas rush at C. F. Babcock's & Co's in Hornell.

Mrs. Spicer Kenyon '20, was home from Niagara Falls for Thanksgiving and the wedding of her sister Dorothy.

Robert Armstrong '22, of Watson-town, Pa., was home over the week-end, called here by the death of his grandfather, G. O. Hood.

Mr. and Mrs. Glen B. Fenner spent Thanksgiving with her parents at Bolivar. Mrs. Fenner '18, remained for a few days' visit.

Mr. and Mrs. Merle Coats were callers in town on their return to Friendship after spending Thanksgiving with her parents in Avoca.

Pres. and Mrs. B. C. Davis and Col-well Davis motored to West Virginia to spend Thanksgiving with President I. Davis' brother, Orlando Davis.

William H. Leach has an article on "Protestantism, in American Cities" in the November issue of THE JOURNAL of Religion, a publication of Chicago. Mr. Leach is a modern thinker and reformer. His article is a constructive criticism of the Protestant church and pertains to the progress of the church with civilization. He criticizes parochialism and denominationalism and points the way for the church to be the redemption of the cities.

Thursday evening, Nov. 30, Miss Dorothy Langworthy ex-'24, was quietly married to Charles Milton Carter '20, of Almond. The ceremony occurred at six o'clock at the home of the bride's parents, Mr. and Mrs. Win. H. Langworthy of East Valley. After the wedding luncheon the newly married couple took the train for Reynoldsville, Pa., where Mr. Carter is teaching. They are at home at 502 Grant St. Congratulations and very best wishes to "Nick" and "Dot".

Miss Mathilde Vossler recently returned to Wellsville for a visit with her parents, after conducting finance campaigns in Chicago, Cedar Rapids, Iowa, Lexington, Ky., and Nashville, Tenn., in the interests of relief for the Near East under the auspices of the Y. W. C. A. Miss Vossler reports a splendid response to this cause in all the cities visited during her tour. Miss Vossler left for New York from which post she will sail on the S. S. Manchuria for Cherbourg enroute to Constantinople. Announcement of her engagement to James Hugh Keeley, Jr., of Washington, D. C., Vice-Consul of the United States to Turkey, has just been officially made in diplomatic circles in Constantinople, the wedding to take place before Christmas at the American Consulate.

After the last issue of the Fiat was out the following letters and articles were received. We're glad to hear from these people. Hope we will again:

10 Stanley Place,
Yonkers, N. Y.
Nov. 26, '22.

Alumni Editor Fiat Lux,
Alfred, N. Y.
Dear Ed.:
I notice that at times the Alumni Department of the Fiat is rather sparsely settled so I thought that a little news of the New York Alumni

might come in handy. Here are a few notes:

Dean Worden '21, is now working for the Western Electric Company in New York.

"B" Streeter '20, is teaching art at the Edgewood School in Greenwich, Conn.

"Sally" Randolph '21, is still teaching at Westerly, R-I.

Ford Barnard '16, has a very good position with the N. Y. Telephone Co.

Ruth Randolph '20, and Jean Baxter '20, are teaching at West New York, N. J.

J. Norbert McTigh '20, has recently come to New York to do, we don't know what, because we haven't seen him yet.

My recent travels have taken me up into Connecticut where I was fortunate to see several alumni. At Stratford, Conn. I found Hazel Perkins '17, teaching in the high school and at

Stamford, Conn. three old grads popped up on a horizon. They were George Cannon, Qscar Burdick '27 and Mr. Cannon and Mr. Burdick were perfecting plans to take an automobile trip to Alfred sometime. you can't keep the old Alfred spirit down even if you did graduate fifty years ago.

Hollice Law '20, visited her sister in New York over the Thanksgiving holidays. Hollice teaches at Kane, Pa.

That's all for now. In a couple of months I expect to take a trip through New York State where there are many Alfred people scattered about here and there. When this trip is finished I shall send my findings to you if you wish.

I thought you might be interested to put in the Alumni Department of the Fiat that Hazel Humphries was studying in Columbia working for her M. A. It is rare that I have any news for that Department so delight in sending it on when I do. Also Gladys Pidcock is teaching history in some college in Virginia, but I fear that is not very definite. How is everything in Alfred? It seems years since my good old days there.

Sincerely yours,
ANN SAVAGE.

New College Song Book

HONOR SYSTEM

ARTICLE I

The student body of the College of Liberal Arts Mini the New York State School of Ceramics at Alfred University create an Honor System under which each student by his attendance pledges himself to be just; to be fair; to be honorable in all matters relative to or pertaining to scholarship in this University.

ARTICLE II

Section 1. The members of the Student Body shall form a committee to represent the Student Body and deal with all cases involving violation of the Honor System.

ARTICLE III

Section 1. Any one detecting a violation of this Honor System shall rise to his feet and give an immediate, impersonal, public warning to that effect. In case of scheming violation of the Honor System, evidenced by papers on or about the person or by conspicuous opened books, such violation shall be subject to discipline under the Honor System. No more than two such warnings shall be given to any one student during an examination week. There will be but one public warning given in any one examination. The second violation will be followed by a report to the committee.

Section 2. The committee shall have the power to summon the accused persons and witnesses, and conduct a formal investigation. In case of conviction for the first time, the committee shall recommend to the faculty that the term's mark for the subject or subjects in which the student has been convicted of violating the Honor System shall be cancelled and his or her name shall be posted in Kanakadea Hall and in the Library. In case of a second conviction, during the rest of the student's college career recommendation shall be made to the student by the committee of his separation from college and if such separation is not made, the committee shall then make the same recommendation to the faculty with a brief resume of the case.

ARTICLE IV

Section 1. The trial of the accused shall be conducted as follows: Witnesses against the accused shall be examined first and their testimony taken in full. The accused shall be called separately and allowed to make his statement, presenting his defense. All witnesses and the accused may be questioned by members of the committee. A decision shall be made, rendered according to the evidence.

Section 2. Six (6) out of seven (7) votes shall be necessary for conviction.

Section 3. All evidence possible shall be procured in every case and in no event shall a man be tried the second time for the same offense, except in the light of new and important evidence.

ARTICLE V

Section 1. Each student must, in order to make his or her examination or test valid, sign the following pledge: "I pledge my honor that I have neither given nor received aid in this examination," or the declaration: "I do so declare."

Section 2. Members of the faculty shall insist that the above said declaration or pledge be attached to every examination paper. Any examination paper lacking this pledge shall be considered void by the instructor in charge. The instructor must notify any student whose paper lacks the pledge and give the student the opportunity of signing the said pledge.

ARTICLE VI

Section 1. The Student Senate shall keep and preserve a record of all cases acted upon. In no case shall a member of the Student Senate make mention publicly or privately of any case brought before the committee except through action of the committee as a body.

ARTICLE VII

Section 1. Every student is honor bound to aid in enforcing this Constitution.

ARTICLE VIII

Section 1. This Constitution may be amended by a three-fourths (3/4) vote of those present at a student body meeting, or a revision may be authorized by a unanimous vote of said student body, and the passage of the revised Constitution shall be secured by a three-fourths (3/4) vote of those present. Notice of this meeting shall be given at least one week previous to time of action, by its reading before the student body or by its publication in "Fiat Lux."

ARTICLE IX

Section 1. The committee shall provide for interpreting the Honor System to the members of the Freshman Class during the first term of each school year.

Section 2. The Constitution shall be published in recitation rooms, on College bulletin boards, and in the Library.

Section 3. Copies of this Constitution published three (3) times in the "Fiat Lux,"—the first number of the first term, the last number before the final examinations of the second and last terms.

GLEE CLUB NOTES

The Glee Club is being rapidly whipped into shape and it will not be long before the members will find themselves before the footlights. The Eastern trip to New York is being arranged much earlier than usual and it certainly speaks well for the Club and also for the Alumni and friends of Alfred. The Club meets twice a week on Tuesday and Thursday at five o'clock. Director Wingate hopes to pick the members, who will make the trip, immediately after the holidays so the picture for the Kanakadea can be taken.

FOR SALE—\$100 full dress suit and two silk vests, all new, for \$30. Men's, women's and children's clothing of all kinds, at a great bargain. Call at A. L. Whitford's, 22 Church street.

President Davis left for New York Thursday night on a business trip.
