Before a crowd of fifteen hundred spectators, the Junior varsity gridiron last Saturday afternoon the Purdy Varsity went down to defeat at the hands of the Bonaventure Redmen and White aggregations by a 3-0 score.

It may be said that the breaks of the game were against Alfred for after outclassing her opponents in both offense and defense in the first half, and, on several occasions threatening the St. Bonaventure goal, a fluke occurred which resulted in a touchdown for Bonaventure.

With about one and one-half minutes left to play in the first half, and with the ball at St. Bonaventure's twenty yard line, a truck was forced to the open style of play. Several men of the opposing teams broke through the Alfred line and tackled the pass before the ball had left his hands, causing him to fumble. Eppolito of Bonaventure, enpointed the ball and ran eighty yards for the first touchdown.

Encouraged by the success of the first half, St. Bonaventure started the second half with great enthusiasm. In the third quarter, when the Brown and White aggregations had the ball on their twenty-eight yard line, Bonaventure's left tackle played and end runs, pushed the ball within striking distance of the goal line and, with the aid of a Bonaventure, a fluke occurred which resulted in a touchdown for Bonaventure.

Just before the ball had left his hands, caus-

touchdown for Bonaventure.

Kanakadea will be the best one ever.
