GROTESQUE HORDE OF HALLOWE'EN REVELERS MAKE MERRY

Academy Hall Again Open to Masqueraders

A dazzling array of colors and grotesque costumes were in evidence last Saturday evening when the Alfred University students held their annual Hallowe'en masquerade at Academy Hall.

It is safe to say that no character from any walk of life lacked full representation at this ghostly festival. The party was a veritable melting pot of humanity where gorgeous lords and ladies mingled unceremoniously with the most disreputable hoboes and dederlics; ghosts and goblins hobnobbed with fairies and angels while rural lads and lassies romped in utter abandon and even the aged and infirm hobbled out to assist in the evening's merrymaking.

Klan Alpine, clad in the garb of old Castile tramped into the hall in a body and, after some preliminary tactics, gathered around the piano and introduced the evening's program with a medley of songs embracing "Yes, We Have No Bananas," "Barney Google," "Last Night On The Brick Porch, I Love Me Most Of All," strains from Il Trovatore and other bits of artistry.

Aby assisted by Harry Greene as caller and the "College Five," the Theta Chi Sorority gathered by couples from all corners of the floor and, clad in their characteristic farm costumes, were soon entangled in the intricacies of "ye old tyme square dance."

Following the hearty applause which rent the air at the conclusion of this

TO HOLD FIRST INTERSCHOOLASTIC CROSS COUNTRY MEET

Sixty Contestants Already Entered

Next Friday, Nov. 2, Alfred will attempt the first inter-scholastic cross country meet ever held here.

There will be six or seven teams of high school fellows here on Thursday night. They will attend the mass meeting out of curiosity to learn how such a meeting is conducted. Therein lies an opportunity to show them the true college spirit and to make the right sort of impression. Many of these fellows are potential Alfred students both because of their scholastic ability and their prowess in track work.

From all entries so far received there will be between sixty and seventy fellows here in an aggregate from the following schools: Tech, Masten Park, Lafayette, Hutchinson, all from Buffalo, Bolivar, Hornell, Almond, Ithaca, Salamanca, Olean, Bradford, Haverling of Bath, and East high of Rochester.

The interscholastic headquarters will be established at the Delta Sigma Phi house with Orray Fraser as manager assisted by Harold Rice and Herbert Woodward. The teams will have a training table lunch at 11:30 Friday preparatory to running at 2 P. M., one half hour before the Thiel game.

The day's program will consist of the following: interscholastic meet, 2 P. M.; Alfred vs. Thiel, football, 2:30 P. M.; Varsity cross country Alfred vs. Allegheny, 3 P. M.

CERAMIC GUILD COMPLETES ORGANIZATION

Extensive Work Planned For Year's Program

The Ceramic Guild of Alfred has recently elected its new officers and council for the coming year. With the increased enrollment in the Art department, new enthusiasm has grown up, marked by the excellent attendance at the tea held every Wednesday at 4:15 P. M. At these gatherings some particular topic of interest to the members is discussed. Prof. Binns outlined at the first meeting the origin and growth of the Guild, explaining for the benefit of new members, the ideals and purposes of the organization. Plans for a Ceramic entertainment expected to be given the second week in December, are in the making and being added to at each tea. Last week current items in the ceramic Art World were given by Evelyn Tennyson. In addition Ruth Whitford gave an interesting description of her experience in teaching pottery during the past summer to youngsters at the "Camp Aloha Hive" in Southern Fairlee, Vermont, and Margaret Prentice of teaching handicrafts at "Twa-we-ko-ta Camp" on Lake Chautauqua, N. Y. This week Bruce Thorngate is expected to give an account of his teaching basketry and weaving to the younger boys of the Culver Military Academy Summer Camp at Culver, Indiana.

In place of having a paid graduate manager for the Guild, the individual members of the senior class in ceramic art have taken over the responsibility of producing pottery for sale. In this way, practical experience with commercial problems and economy of production is gained before graduation.

The officers and council for the following year are:

Catherine Neuweisinger '24, president

Bruce Thorngate '25, Sec-Treas.
Lillian Barden '24
Metta Gibson '24
Ruth Whitford '25
Esther Seamons '26.

STUDENT SENATE

Tuesday, October 23, 8 O'clock

The regular weekly meeting of the Student Senate was called to order by the president.

December 15, was placed on the calendar for the Ceramic Guild.

Motion was carried that a member of the student body be sent a warning for breakage of the Honor System.

L. BARDEN, Sec.

THE GOLDEN RULE

1. All the friends of Alfred are glad because of its growth, prosperity, and its prospects for still further achievements. It should not be forgotten, however, that this growth and these possibilities are due to the ideals and loyalty and devotion of Seventh Day Baptists who laid solid foundations for Alfred and for the University, many years ago.

2. It should also be kept in mind that this growth and prosperity would never have been attained and that our future prospects would not be what they are, had not other people given our educational movements here cordial and liberal, moral and financial support.

3. The situation here is unique in some respects and this uniqueness calls for the exercise of wisdom, patience, and mutual confidence. Some students come here who seem to have

COLGATE PROVES EASY MARK FOR "DOC'S" MEN

Navin, Herrick, Smith and Borden Loiter in At First

NEW MEN SHOW THEIR STUFF

Nerved up by a trip full of mishaps, Alfred's harriers took the field against the Colgate team last Friday afternoon giving the Maroon runners the most severe beating ever witnessed by their followers in a race resulting in a 15-40 score.

Over a course which resembled nothing so much as a sea of mud, the five A. U. stars, Navin, Herrick, Smith, Borden and Lampman, led the Purple and Gold representatives to a most decisive victory. The course of four and three-fourths miles was rough and hilly but, in spite of this fact, Alfred nearly broke the course record of 27 minutes and 20 seconds held by Hillman of Hobart, the time Friday being 27 minutes and 25 seconds.

Colgate, having won over Hamilton and Hobart by wide margins, was expecting another easy victory, but the invaders gave the Maroons a fine object lesson in hill climbing. At no time did Colgate prove dangerous except when Judd, their star runner, started up the first hill. Then A. U. began to show form and man after man showed him their heels.

Coach Ferguson was well satisfied with the team's showing and especially that of the new men. The seven Varsity members were expected to run a hard, fast race but on the other hand the younger candidates were not easily cast aside. It was only by a tough and fast sprint that Judd beat Pitcher to the tape by a margin of four feet.

More than mere words will be required for the student body to show the proper appreciation to the cross country team and to their coach, Dr. Ferguson.

At no meet in which Alfred has participated abroad, has the team been treated more courteously. No detail in the matter of caring for the men was overlooked and no praise can be too great for the hospitality extended to Alfred by Colgate. When they come here next year, the students will have an opportunity to reciprocate.

The order of finish:

1. Navin, Borden, Smith, Herrick—Alfred.
5. Lampman—Alfred.
6. Wood—Alfred.
7. Travis—Alfred.
8. Bennett—Alfred.
9. Whipple—Alfred.
10. Adams—Colgate.
11. Kingsbury—Colgate.
12. Passell—Colgate.
13. Judd—Colgate.
14. Pitcher—Alfred.
15. Peterson—Colgate.
16. Ergood—Colgate.
17. Graham—Colgate.
18. Foster—Colgate.
19. Chester—Colgate.
20. Murphy—Alfred.
21. Meyer—Colgate.
22. Rice—Colgate.
23. King—Colgate.

CROSS COUNTRY MEN PREPARE FOR ALLEGHENIANS

Pennsylvania Invaders Strong and Fast

Starting five minutes after the second quarter of the Alfred-Thiel football game, the purple and gold cross country team will stack up against the strong blue and gold of Allegheny College in a meet which promises to be thus far the hardest battle of the season.

The Pennsylvania college will be represented by seven men experienced in all branches of track work. One of these who gave Bill Navin a hard race at the Allegheny-Alfred meet last spring, is Bliss, who will be one of the strongest factors in the visiting team. In addition to their star runners Allegheny has a new under coach who has taken over the cross country work and is devoting his entire time to that particular branch.

The invaders have been training strenuously for the entire season so far and there is no doubt that they will test the ability of the purple and gold men to the extreme Friday.

Doc will run his best Varsity men in order to prove to all "doubting Thomases" if there be any, just how good his harriers are.

UNIVERSITY CHORUS

Chorus rehearsal in Kenyon Memorial Hall, Tuesday evenings at 7:15 sharp. New members welcome from the student body and townspeople.

PROF. WINGATE INTRODUCES CHANGE IN ASSEMBLY PROGRAM

Several times last Wednesday there was a radical "change of air in assembly due to the various tones of Professor Wingate and his accompanist, Mrs. Irving Jones.

The first change came at the appearance of a professional looking professor in a full cut suit and a winged collar. Quite a departure from the usual make-up of assembly performers.

A fresh "air" brought forth a dramatic song "Invictus" written by Huhn and expressed by the warbles of Professor Wingate. The dramatic "air" became softer in the next number "Smile Through Your Tears." This consoling philosophy was sung with truly natural expression.

Now the soft "air" became "ghostly" hard in a war song next rendered "The Phantom Legion." The garden "air" was felt in "Love Sends A Little Gift Of Roses" but soon Jack Frost's sharp air told "If Winter Comes," followed by the highway "air" "The Open Road." It became youthful in "Tommy Lad" and very motherly in "Sweet Little Women Of Mine." Finally the "air" darkened and died with "Little Road To Rest."

ALFRED DEFEATED BY NIAGARA IN FIFTH GAME OF SEASON

Costly Fumbles Run Up Opponent's Score

AERIAL ATTACK AND END RUNS FEATURE

On the University field last Friday afternoon the Alfred Varsity went down to defeat at the hands of the Niagara University aggregation by a 26 to 13 score in a game featured by long runs by the visitors.

The result of the game hardly gives a fair estimate of the relative strength of the two teams, since only two of the touchdowns credited to the visitors were really earned. The others were the results of fumbles by the Alfred backs and at times when Alfred was well under way in Niagara's territory. On the other hand both touchdowns by the Varsity were netted by straight football tactics.

After the first few minutes of the second half Alfred was able to hold the visitors on the defense, the greater part of the time, completing several forward passes for long gains despite the slippery condition of the field.

Credit, however, must be given the visitors for playing the game and following the ball, for on every occasion when a fumble occurred Niagara men were in positions to recover. This fact alone, was largely accountable for Alfred's defeat.

It is encouraging to note that after getting under way with a very poor start in the first half the Alfred team came back in the second with an attack that bid fair to overcome the lead that Niagara had piled up in the earlier part of the game. The team

as a whole, worked smoothly and gained consistently worrying their opponents by a variety of runs, passes and line bucks and twice crossing the coveted goal line.

For Alfred the work of captain Gardner in opening holes and in breaking up Niagara's plays, was outstanding. Griffith working at quarter back in the latter part of the game, displayed good generalship and Lobough ran well at half.

First quarter:

Niagara kicked to Alfred's 10 yard line. Held for downs and punted to center of field. Niagara worked ball to twenty yard line where Alfred held for downs and punted out of danger. After further exchange of punts Alfred had the ball on 25 yard line. Gained at left end. Niagara intercepted forward pass and on next play ran 20 yards for touchdown. Point made. Quarter ends with A. U. in possession of ball on 20 yard line.

Second quarter:

Alfred forced to punt. Niagara worked ball to A. U.'s 35 yard mark where they completed forward pass and made second touchdown. Niagara received on 20 yard line and half ended with ball in mid-field in possession of Niagara.

Third quarter:

Niagara kicks to A. U.'s 20 yard line. Moore ran ball back to 30 yard.

SCHOOL OF AGRICULTURE

At Monday Assembly Prof. Wingate entertained by rendering a program of selected songs, accompanied by Mrs. Jones at the piano. The program included songs on light and heavy themes, and was greatly enjoyed by all.

Hereafter Assemblies will be held at Ag School on Mondays and Fridays. As this is quite a cut from the four assembly periods a week which have heretofore been in vogue, it is hoped that we will have a one hundred per cent attendance. Assembly is the only time at which the entire school gets together, and we should make the most of it.

It is planned to have the faculty and student body alternate in taking charge of the Monday Assemblies, and Prof. Wingate will have charge on Fridays. Assembly period on Thursday will be taken up by group study of Astronomy and Psychology, and participation in Debates, Dramatics, and Public Speaking, each student joining a group according to the subject in which he or she is most interested. The Tuesday Assembly period is held open for class meetings, etc.

Don't forget to turn in your stunt pictures for the Kanakadea to photographer J. B. Laura.

Harry Trescott '23, Charles F. Clark '23, Carl Carpenter '23 and Vera Lake '23 were in town for the Niagara game.

The dairy building scale is being frequently called into use by the young ladies of Ag. School. So far we have not heard of any of them losing weight since coming to Alfred.

Johnny Lang and Carl Schoeffer ably represented the Aggies at the Hallowe'en Masquerade Saturday evening.

The class in advanced Stock Judging spent all day Saturday in visiting herds in Steuben County. Some very fine stock was seen at the various farms visited, and the amateur judges had some difficulty in picking the best animals in some of the rings, as there was little to choose between many of the fine animals shown. After navigating the streets of Bath for some time we finally located a place to eat, but locating that restaurant was the hardest job of the day. Ask Prof. Smith.

Mrs. Clarke and Miss Truman attended the Farm Bureau Fair at Almond Thursday, where Miss Truman acted as one of the judges.

Joe Laura entertained at the Sorority Sunday evening. It is getting pretty hard to get Joe to tell how he makes out at these impromptu concerts, but we imagine he is doing as well as usual.

C. L. C. A.

The C. L. C. A. met Sunday evening in Ag Hall at 7.30 P. M. Carl Schoeffer was in charge and introduced Dr. Norwood who gave a very interesting and instructive talk, taking as his topic "How to find God." Miss Bennett entertained with several selections on the piano. The C. L. C. A. meets every Sunday evening and everyone is invited to attend.

no regard for any religious day. Some think that one day in seven will answer every purpose. Some think that Sunday is the day that should be observed. Others hold that the seventh day of the week is the Scriptural and reasonable day to be religiously regarded. Intelligent courtesy and the widely recognized principles of brotherhood require that we help protect one another's conscience, and that in our treatment of one another, we keep close to the teachings of the Golden Rule in all of our relations in connection with social activities, athletics, church life, legitimate amusements, and our school opportunities and responsibilities.

In a few words, whatever difficulties or problems may arise out of the unique conditions here should be so met as to promote and not hinder, good fellowship and develop an open and broad-minded manhood and womanhood.

INTER-FRATERNITY COUNCIL AT ALFRED

There has been much discussion in the past of the need for an Inter-fraternity council at Alfred. During the latter part of last year a committee composed of three representatives from each fraternity on the campus, met and drew up a suggestive constitution. This constitution was discussed to some extent and finally after a few alterations it has been approved by the several fraternities, namely Eta Phi Gamma, Delta Sigma Phi, Klan Alpine, Theta Gamma and Kappa Psi Upsilon.

Officers of this organization for the following year have been elected as follows: Frank Gibson president, Alvin Dunbar vice president, and David Miller secretary-treasurer.

For those who are not acquainted with the purpose of the Inter-fraternity Council, the constitution with its by-laws is given below:

Constitution of the Men's Inter-Fraternity Council

We, the men's fraternal organizations of Alfred University, in order to promote harmony and mutual understanding among the fraternities on the campus; to act as an interpreting medium between the faculty and the allied organizations on the campus of the University; to lay and enforce rules for governing all situations of common interest to the fraternities, do hereby adopt and agree to be governed by the following constitution and by-laws of the Men's Inter-fraternity Council.

Sec. 3. Any new fraternity organized on the campus, upon being recognized by the faculty, may apply for admission to the Council.

Sec. 4. An applying fraternity may be admitted to membership by a three-fourths vote of the council, such membership to take effect upon the signing of the Constitution of the Council by the organization making application.

Article III—OFFICERS AND DUTIES

Sec. 1. The officers of the Council shall be a president, a vice president, and a secretary-treasurer.

Sec. 2. The duties of the officers shall be in general those pertaining to their offices by parliamentary custom.

CLUB NOTES

English Club

The English Club will meet in the Green Block, Wednesday evening at 7:30. A program committee will be appointed. The club is to discuss the merits of the various moving pictures proposed for exhibition this year.

Footlight Club

The Footlight Club will start this year's work in the near future. The club promises an interesting dramatic selection for this year's program.

K. A. Notes

Mr. and Mrs. Lebonor and son Edward were dinner guests at the Klan house last Sunday.

Brother Ray Wilcox was called to his home in Jamestown last Saturday by the death of his aunt.

Brother Bernard Mullaney '19, of Avon called to renew old acquaintances last week.

Rabbit stew was the (piece de resistance) Monday night, due to the hunting prowess of Brother Kenyon.

Brothers Calman and Young have cleaned their room.

Eta Phi Gamma

Lloyd N. Lanphere '23, spent Friday afternoon at the chapter house.

"Mose" Larrabee and "Chief" Witter were in town Friday to witness the football game.

"Red" Gibson made the trip to Colgate, Thursday taking with him six members of the cross country team in "Expense."

Clarence Olmstead alias Umpy, the Daniel Boone of the twentieth century, seeks information regarding any means of distinguishing mud hens and partridges. All communications will be treated as strictly confidential.

Math Club

Last Wednesday evening the Math Club held their first meeting of the year for the purpose of election of new officers. Dave Miller was chosen president, Harry Okean vice president, and Beulah Newton secretary-treasurer. The Club has been promised a series of good lectures on various mathematical problems by able speakers.

Tomorrow night at 8:30 all those interested in math are invited to attend the meeting in Babcock Hall. As has been the previous custom, after the meetings chess will be in vogue. It is hoped that a chess team may be made up so that perhaps in the future Alfred may be represented in this indoor sport.

Delta Sigma Phi

All the boys in the house excepting those who went home over the weekend, put on a mock wedding at the Hallowe'en social Saturday evening. Those featuring in the entertainment were Harold Laawe as groom, Alvin Dunbar as bride, "Jack" Grady as minister, "Soupy" Campbell as cupid, and "Cherub" Fraser as ring-bearer. "Scotty" Ahern '23 attended the Hallowe'en social Saturday evening and remained over Sunday with the boys.

"Kitter" Witter was at his home over the weekend.

"Chet" Lyons "hiked" to his home at Bradford, starting after the game Friday and returning Sunday afternoon.

ALFRED MEETS THIEL

Alfred meets the strong Thiel eleven on the Athletic field next Friday. Thiel is as strong this year as before. They lost no men from the last year's team. Saturday they defeated Waynesburg on the latter's ground, and Waynesburg has a team which should not be easily beaten.

Alfred, with the Niagara defeat spurring them on, should give the Pennsylvanians a tough battle.

Entered at the Alfred Post Office as
second-class matter.

There are in high schools, and those
not in any way remote, many stu-
dents who have either a very errone-
ous idea of what college is, or none
at all. It is surprising how many high
school students within a short radius
of Alfred have never heard of the uni-
versity or have only a hazy notion
that such exists.

In larger colleges this difficulty is
to a great extent removed by the in-
stallation of a "Sub-Freshmen Day."
Why could not that means be as well
employed here? Students are gener-
ally interested and take pride in the
growth of the college. New devices
are constantly being sought for to
enlarge and broaden it. Here is one
way in which that may be accom-
plished.

A sub-freshman day is one whole
day set aside for the entertainment
of high school juniors and seniors.
The number is limited to members of
these two classes because of the dif-
ficulty of accommodating any who
may not be strictly considered po-
tential college students. Beginning
in the morning, lectures, exhibitions
and demonstrations are arranged to
cover every course and every subject
in each course. Some form of social
entertainment could also be included.
For instance, at regular scheduled
times and places one person may be
giving a talk on the mathematic
courses and explaining the work
covered in each. A member of the
Ceramic engineering department might
at the same time be delivering a lec-
ture on the advantages to be obtained
from a study of his course and various
phases of the course delegated to men
or, in the case of the Ceramic Art
courses, women who will equip them-
selves with the information that will
attract students.

The question of organization and the
arrangement of the necessary means
to accomplish the purpose may be left
to the students thereby entailing little
additional work on the part of the in-
structors. Suppose, for the purpose
of discussion, the faculty appoint com-
mittees in their various departments
to take charge of the work peculiar to
that department, the chairmen of
these committees forming an advisory
or supervisory board for centralized
control. These men, thus appointed,
can distribute the material so as to
cover the subject efficiently.

Advertisement of the proposed pro-
ject may be done by sending printed
bulletins to as many high schools and
other prep schools as there are means
to accommodate. The publicity cam-
paign which is now in operation by
the Varsity "A" Club will have oppor-
tunity to spread the propaganda in
many places.

In consideration of the time for such
an event, it will be well to place it
near the close of the school year, per-
haps in conjunction with an inter-
scholastic since that is the season
when fellows and girls will be think-
ing of college.

Then, too, the question of sufficient
finances to cover the expenses enters
into the matter. There are a variety
of ways in which money might be

raised to defray cost of publications
and accommodations. That should
offer no substantial difficulty and can
be arranged later should the propo-
sition go through. Arrangement for
meals and sleeping quarters can also
be made with the co-operation of all
the various organizations on the camp-
us and will, of course, limit the num-
ber that may be admitted.

There are many reasons why this
plan should result in mutual benefit.
Primarily, it would advertise the col-
lege and further any latent interest
in Alfred. Many new students every
year enroll blindly in some course for
which they are not fitted and after be-
coming better acquainted with the
subjects of the course, cause confusion
by dropping one or more classes to
be registered in others. A sub-fresh-
man day would eliminate this in-
decision to a large degree because stu-
dents who have attended the day's
convention will have a much more de-
finite idea of the subject matter they
want. Thus it will facilitate regis-
tration in the following fall.

The experience and responsibility of
conducting such an affair will not only
arouse a greater interest in their
work but will cause A. U. men and
women to take increased pride in
their institution.

If held in connection with an in-
terscholastic meet or some other ath-
letic event it will attract desirable ma-
terial for athletics in future years
and will give the coaches a chance
to "get a line on" new men.

These plans are necessarily crude
and will require sifting out while,
providing the general idea strikes a
responsive chord, new ones will be
proposed. The entire success or
failure depends upon the student body.
We can "put it across" if we will. Of
course, there is ample time for at-
tention to details but ample time will
be required and the sooner the proper
agitation is commenced, the more
complete will be the success of the
venture. Why not give it a try?

Editor-in-chief Fiat Lux,

Dear Sir:

I didn't want to be selfish with such
an interesting epistle as this below, so
I'm sharing its contents.

Freshmen might take from it the
lesson I seem to have lost.

Too bad,

BILL NAVIN.

Bill Navin,

Dear Bill:

We have made up our minds to fall
so low as to write an unsigned letter,
because we (editorial) consider it nec-
essary for your general welfare.

What has gotten into you this year
An awful lot of people are disappoint-
ed in you. Especially those (like our-
selves) who heard such a lot about
you. All this lady-killer stuff is all
right, we guess, but it doesn't give
people a very good impression of your
general make-up. No wonder you have
no use for "females" (at least so some-
one told us—although, personally, we
don't believe it!!)—your attitude—
this lady's man idea, we mean—doesn't
appeal to the intelligent (there are
such you know!) and worthwhile ones
(females). It would do you an awful

lot of good to get to know a really
worth-while girl—if any such would
fall for you! Not that we mean to
say that you don't know any such—
but, cultivate them!! We really be-
lieve that you have some good stuff
in you—but, show it, man!

We rather wonder what your re-
action to this note is going to be.
It probably won't have any affect on
you. You most probably will show it
to your cronies, and have a good laugh
about it! (You see, we don't think
much of you, in spite of what we were
told before we saw you for ourselves!)

This sort of tickles our funny-bone
when we read it over, but there is a
streak of seriousness running through
it all that you might "get!"

One who sees your possibilities
of being something more than
"cute!"

We really despise anonymous notes
—but you couldn't expect us to sign
our names to this epistle!

After a most auspicious start, that
of holding Colgate to a 14-0 score, a
game that attracted country-wide com-
ment, the football team is not coming
through on its smaller games. St.
Bonaventure and Niagara both de-
feated us in games in which Alfred
outplayed them in straight football
but lost through breaks.

What is the solution? It certainly
is not lack of coaching. The team
has a better system and a more com-
petent coach than ever before. It is
not lack of material. No coach at
Alfred had more promising candidates
than has Coach Kasper. Yet we are
losing games. There is something
wrong and again we are asking for
a little thoughtfulness on the part
of the student body.

It has long been the custom of the
student body to hold a mass meeting
for the purpose of rousing pep before
a game, both in the team and in the
students. At present and particularly
the last, there was a noticeable num-
ber of football men absent. Those
questioned gave but one reason.
They did not care to go to an as-
sembly where they were asked to
speak and to describe their feeling for
the coming game. After all there is
really nothing they can say and it
merely causes embarrassment to try.
It is the place of the student to tell
the team what is expected of it, to re-
mind them of the traditions of Alfred.
If we can help by doing this, it is cer-
tainly not too great a thing for them
to ask.

There is also a number of Freshmen
on the squad, just through with high-
school football and having their first
experience with inter-collegiate play.
A new player is of course impress-
ionable, we can discourage him by telling
him how poor he is or we can en-
courage him by a little patting on the
back once in awhile. One thing should
be remembered. Those who constitute
the team do not like to lose any bet-
ter than the rest of the students like
to see them and they are going to do
their best. What their best is, is up
to you. Help them to raise the stand-
ard, rather than make them feel we
are amusing ourselves at their ex-
pense.

TO HOLD FIRST INTERSCHOOLISTIC CROSS COUNTRY MEET

Continued from page one
The prizes for the interscholastic runners will be on exhibition at Ellis' drug store all day Thursday. Immediately following the football game they will be awarded and it is desired by the management that everyone stay until these prizes are all given out.

The earnest co-operation of the student body is sought to maintain the little white marker flags over course "A" where the interscholastic meet will be run and which also mark some of the varsity courses.

Inspired by the goodly showing of students at the field to witness the start of the race many of these visitors may be attracted to Alfred in the courses of one or two years.

GROTESQUE HORDE OF HALLOWE'EN REVELERS MAKE MERRY

performance, there were several numbers of the more serious type consisting of piano, cello and violin solos as well as vocal selections.

Pi Alpha Pi entertained the crowd with various original novelty songs and some clever impersonations by Catherine Neuweisinger.

An altogether spooky and mysterious act by members of the Kappa Psi Upsilon fraternity held the suspense of the onlookers.

With Rev. John L. Grady and Cupid Campbell at the helm, the Delta Sigma Phi concluded the program with a mock wedding, wherein Andy Gump was sentenced to lifelong misery and which brought forth gales of laughter and caused the old walls of the academy to vibrate with the applause.

After the grand march, Miss Swallow and "Doc" Lovell were awarded first prizes as best costumed lady and gentleman.

One of the outstanding features which afforded much amusement was the pride with which Don Stearns exhibited his new girl, "Red" Gibson alias Miss Dorothy Smith of Buffalo.

Despite the fact that the college orchestra furnished intoxicating music and doughnuts and cider were freely dispensed, the revelers, promptly at the stroke of twelve, departed in full possession of their faculties.
