Cool NEW Portal!

ITS is excited to announce the completion of a new combined student-employee portal that will serve the educational and informational needs of both students and employees. The new portal will feature a mobile-responsive design, and provide easy access to frequently sought-after slices of information in single dashboard display. This portal dashboard is fully-customizable allowing campus users to reorganize the display of information based on their personal need. The portal dashboard has useful components including...

- A daily menu for Ade Dining Hall
- Access to the U:Drive
- A daily listing of campus events
- Campus directory of students and employees
- Today's Weather
- Residence Hall laundry machine availability (students)
- Network account password change module
- Personalized Web link organizer
- Local movie listings
- Printing balance (students)

Coming soon...look for additional details soon!

U:Drive Fixed

On Monday night, ITS upgraded the U:Drive. With this upgrade, we appear to have solved all of the problems we were encountering during the previous four days. In fact, the upgrade has not only solved the latency issues, but measurably increased access speeds. As you continue to use the U:Drive, please let the ITS Helpdesk (helpdesk@alfred.edu or 607.871.2222) know if you encounter any additional concerns. We have greatly appreciated your patience as we have worked through the problems.

Get Connected to AU through AU Connect

The Center for Student Involvement is encouraging all offices, clubs, and organizations to register on AU Connect.

Simply log in with your Alfred email ID (minus the @alfred.edu) and your current password. Select organizations and click register to sign up!

There is an app, called Corq, associated with AU Connect that gives you the most up to date information on programming happening every day.

AU Connect is we will be pulling all the information for future event calendars. All information must be submitted by March 1st to be on the next quarter event calendar.

Please contact the CSI office for help with AU Connect or the Corq app.

Dan Brown, long-time AU employee

Alfred University recently lost a longtime colleague and friend. On January 28, 2017, Daniel P. Brown (AKA Hoot Owl), passed away. Hoot was employed at Alfred University for nearly 35 years as a master Plumber and expert underground utility locator. Hoot had many friends at AU and helped out anyone who needed him. He was an important part of the Physical Plant team for many years. Dan's request was that there be no calling hours. Friends are holding a Gathering of Remembrance on Sunday, February 12, 2017, 12 Noon at the Old Mill Inn.

Dan's family requests that in lieu of flower, memorial contributions in his name be made to Trout Unlimited - Chapter 706 (Upper Genesee River Chapter), 7282 Route 305, Belfast, New York 14711.

To leave an online condolence or share a memory, visit www.dagonfuneralhome.com

Film Screening: "Eva Hesse"

Wed, Feb 8, 2017

7-9pm

Holmes Auditorium, Harder Hall

Cost: free

Sponsored by:

Screening of this film is made possible thanks to the generous support of the following: Art History Division, Foundations Division, Sculpture & Dimensional Studies, the Interdisciplinary Art Program, the Center for Student Involvement, Alfred University Women & Gender Studies, the Bernstein Funds, the Art History Club, and the Digital Media and Animation Department of Alfred State College.

One of the few female artists to be taken seriously in 1960's New York City, Eva Hesse (1936-1970) produced sculptures that incorporate latex, fiberglass and plastics. Her work went on to help create the post-minimalist movement. This just released, independent, biographical documentary (directed by Marcie Begleiter, 2016) includes new interviews, high quality footage of Hesse's artwork, and a wealth of newly discovered archival imagery. The film not only traces Eva's artistic trajectory, but engages in a lively investigation into the creative community of 1960's New York and Germany. View the trailer: <https://www.evahessedoc.c...>

IEA Visiting Artist: Laura Splan

February 20-24, 2017

The Institute for Electronic Arts at the School of Art and Design of the New York State College of Ceramics

Sponsored by: The Institute for Electronic Arts and the Division of Expanded Media

Laura Splan of Brooklyn, NY, will be joining the Institute for Electronic Arts for an artist residency the week of February 20th. Laura, who received her MFA at Mills College in Oakland, California, explores intersections of art, science, technology, and craft in her work. In recent work, she has been using her own body to generate bio-data to be used in the production of sculptures and images, a project that has manifested itself in a variety of materials and formats including computerized jacquard woven tapestries and 3D printed sculptures.

Throughout her residency, Laura intends to create computer generated animated weavings from bio-data collected via Arduino microcontrollers. The waveforms generated from this data will be used in AfterEffects and other software with animation, sound, parenting, and expressions to create animated weavings that visualize and embody the experiences from which they were derived.

The Institute for Electronic Art's Visiting Artist Program is sponsored in part by the New York State Council on the Arts with the support of Governor Andrew Cuomo and the New York State Legislature.

Calling All Home Chefs!

Asians in America and the Institute for Culture Unity (ICU) will present the "Cultural Bowl," a community-based charity event that aims to raise funds for local shelters, New Hope Animal Shelter and Alfred Housing Committee, on Friday, February 24th from 12-4p.m. located in Powell Campus Center's Knight Club.

The Cultural Bowl will combine handmade ceramic bowls along with donated family-style meals from local community members, students, and faculty alike. Bowls will have a suggested price of \$10, which will include food donated by community members.

Asians in America and the ICU are asking those in the community to help them make this event as successful as possible by attending the event to help raise funds for these charities. The most helpful way to participate is by donating a signature dish that represents who they are as a familial or cultural identity, or a dish that usually doesn't last long on the table!

For further information about participating or donating, please email aia@alfred.edu. Please look forward to February 24th! We hope to see you all there!
