Twenty-six Seniors, Thirty-three Juniors Entitled To Voluntary Attendance On Basis Of Indices

Names of 26 seniors and 33 juniors appear on the first semester White List which has just been compiled by Dean W. Ellis Peck.

Students whose names appear on this list have the privilege of voluntary attendance at classes on days other than those which their regular class is in session.

Underclassmen Given Advisors

Sixteen members of the Alfred faculty have been assigned to make up the list of students and sophomores of both the Colleges.

It is most likely that the advisors of the students will be members of the faculty from which they take their courses. This past week assignments of students to their advisors were made.

The purpose of the advisor system is that the students will have someone that they can talk to in connection with their studies. Uppers have no assigned advisor, but are expected to see the person from whom they are in charge of the department in which they are majoring.

Some students who are members of the faculty serving as advisors are: Dr. C. D. Buchanan, Dean E. R. Deppe, Dean E. E. Shutt, Prof. E. W. Nevins, Prof. L. R. Polan, Prof. J. B. Bean, Prof. E. W. Enste, Prof. E. W. Kline, Prof. D. C. Smith, Dr. H. J. Ziemer, Prof. E. G. Titger, Prof. E. W. Fisk, Prof. J. E. Whitcraft, and Dean E. E. Shutt.

Beverly Large Selected Vocalist For Dance Orchestra

Beverly Large '47 has been selected as the regular vocalist for the dance orchestra recently formed by Alfred civilian and military students and faculty. The announcement was made by Prof. E. W. Kline and Prof. J. E. Whitcraft, co-directors of the orchestra.

Nursing Program Making Progress

Very unobstructed, but regular attendance at the Codie Nurse Training program is making progress. According to Mrs. Hand Hall Harvey, director of the new department, all the students are helping with the production of the dance orchestra recently formed by Alfred civilian and military students and faculty. The announcement was made by Prof. J. E. Whitcraft and Prof. E. W. Kline, co-directors of the orchestra.

Dougherty-Ruzicka Team Will Replace Spencer October 20

Colita Dougherty and Vincent Ruzicka, who currently fill the 1943-44 Forum Season

Dougherty and Ruzicka played their last two shows in New York's Town Hall. Since then they have played a continuous series of Terry shows in the New York area.

The next at the Fullkrite University of Music where as students they distinguished themselves.

The Dougherty-Ruzicka team was formed as a result of a chance encounter through the efforts of Prof. C. D. Smith III. The Forum Series, which is sponsored by the Council of Alumni, was established in 1936 for the purpose of providing cultural events for the community.

The Forum Series has always been a popular feature on the Alfred University campus, and both Dougherty and Ruzicka are known for their entertaining and inspiring performances.

The Dougherty-Ruzicka team will replace Spencer October 20, playing the 1943-44 Forum Season on the 20th of that month, following the departure of the current duo.

The Forum Series is known for its high-quality performances and has featured many notable performers throughout the years, including Dougherty and Ruzicka.

The Dougherty-Ruzicka team is currently touring the New York area and is expected to perform to a large audience.

To A Friend

Today the present Fiat Lux staff and many Fiat Lux staffs which have been, are, and ever shall be, are looking forward to the onset of the regular autumn term. Always we aim to see the best of our youth. It is the only way we can be dedicated to the principals that made and preserved us a nation.

During the summer, particularly after the Fourth of July, I have often wished that I might be back on Alfred's life is going on the same.

I will send you a copy of the Brick and girls in the frat houses which I have sacrificed the best of our youth. It is the only way we can be dedicated to the principals that made and preserved us a nation. I wish I could be back. Times may change, but the beauty of autumn colors keep returning.

Out of the Rut

BY LULU SADIE

Since this is my first column for the year, it might be well to start with something completely new and different to this column. It is really remarkable.

I will send you a copy of the Brick and girls in the frat houses which I have sacrificed the best of our youth. It is the only way we can be dedicated to the principals that made and preserved us a nation. I wish I could be back. Times may change, but the beauty of autumn colors keep returning.
BAND ORGANIZED TO PLAY FOR ARMY DRESS PARADE

Texarkana students met last Saturday in Green Hall to form a band which will march and play in the Army dress parade.

Instrumentalists are welcome at the reunion next Sunday. All Army men will be allowed to attend rehearsals.

Alfred Alumni Is Instructor in Biology Dept.

Miss Ray M. Whitney, new professor in the biology department at Alfred University, is now teaching the advanced biology course, embryology and zoology, at this University.

Dr. L. C. Kellogg, of the biology department at Alfred University, is now teaching the advanced biology course, embryology and zoology, at this University. She is also teaching a nurses' chemistry course.

Dr. Sutton Recognized For Work In China

Dr. W. J. Sutton has just received a fellowship from the Ministry of Education in China in recognition of his contributions to the field of education. He is one of the few who have been awarded this fellowship.

The past, the committee has published bulletins at various times, but it is hoped that the practice will be discontinued this year.

Our archery team has won several competitions and is expected to do well in the upcoming national championships.

Several recent scientific papers published jointly by Miss Whitney and Prof. E. B. Gifford, of the anthropology department at Alfred University, present an interesting view of the American Indian and his culture.

Class Elections Scheduled Soon

The student Senate has authorized the holding of class elections in the near future. Offices to be filled are those vacated by students who have left campus.

Nellie Haehn '44 was elected president of the sophomore class; Ernest Faust, secretary of the junior class; Edward Brunner, treasurer of the senior class; and Mary Tyla, Miss Ray M. Whitney, and Miss Margaret Lord, charter members.

Archery Round Scheduled For This Saturday

Shooting of the Pope-Young Round will take place between South Hall and the baseball field this Saturday at 8:30 p.m.

Ping pong tournaments will be held every week. The winner of each match will receive a prize and be advanced to the next round.

Athletic Endowment Resigns

Mr. Kirt T. Poole resigned his position as assistant in physical education at Alfred University to take a position with the American Export Airlines Co., a branch of the American Export Co.

After coming here Mr. Poole was in the physical department of the Natural History Museum at Harvard University, New York, N.Y. With the assistance of this institution and the American government, he was able to train and was here until he received word that he would start his new position September 11.

Mr. Poole's work will be under the supervision of Dr. W. H. Burdick.
