ICU looking for presenters on cultural awareness workshops

Alfred University's Institute for Cultural Unity is looking for professionals interested in presenting twenty-minute talks on relevant topics as part of our "Wednesday Talk & Response" series. The institute is a source of diversity education and multicultural programming. The institute is a resource center that develops self-awareness and respect for others through the sharing of experiences and cultures. Through this, we hope to create a stronger community here at Alfred and expand our educational philosophy even further.

We would like to invite anyone who would be interested, to hold a short talk of no more than twenty minutes followed by small group discussion based on three questions of your choosing. Our focus areas include diversity, inclusion, tolerance, social justice or any topic that helps unites a community rather than divide. Topics will range from the timely "What is a Sanctuary Campus?" to the lighter "Why Beyonce's Lemonade Matters?" (right before the GRAMMY Awards).

If you are interested in presenting a topic, or have any questions, you can contact me by e-mail at ic3@alfred.edu.

Thank you for your consideration.
