Athletics Department conducting bone marrow drive

The athletic department led by the football program will be hosting a bone marrow drive registration this Wednesday, April 26. The registration will take place from 11am to 2 pm in the Knight Club in Powell. We are asking all students, faculty & staff and community members to strongly consider registering. It requires nothing more than signing some forms and swiping a Q-Tip swab in your mouth. That simple task could literally save someone's life who is suffering from different forms of Blood Cancer, like Leukemia. We have set a goal of trying to get 300 registrations across campus. All registrants must be between 18-44 years old. We will provide fresh popcorn and bottled water for

anyone that stops by. Please let me know if you have any questions.

Alfred University to hold ring ceremony honoring 2016 Saxon football team

Alfred University will host a ceremony this week, during which members of the Saxon football team will be presented with rings commemorating their record-breaking 2016 season. The ring ceremony will be held Friday, April 28, at 4 p.m. in Holmes Auditorium, Harder Hall. It will honor the 2016 Saxons for capturing the Empire 8 Conference title and advancing to the quarterfinals of the NCAA Division III championship tournament, concluding the most successful season in school history with a 12-1 record.

Student Recital this Sunday in Howell

On Sunday, April 30, at 3 pm, students will perform in Howell Hall. The program will open with a flute ensemble comprised of Christiana Lehmann, Rosalyn Nardella, Molly Stansfield, and Valarie Gregory. Solos on flute by Chaminade, Bach and Hoover will be performed respectively by Nardella, Stansfield, and Lehmann. Andres Garcia and Rosalyn Nardella will each perform solos on tenor saxophone and perform a duet together. Piano accompanist is Laurel Buckwalter. All are invited to this free event.

Linear Algebra Poster Session

Event: Linear Algebra Poster Session
When: Friday, April 28, 3:30 p.m. to 5:00 p.m.
Where: Knight Club, Powell Campus Center

Please join Professors Joseph Petrillo and Kelly Kirtland as they host a poster session on Friday, April 28, from 3:30-5:00 p.m., in the Knight Club, PCC. Students from Linear Algebra (MATH 371) will proudly display posters focusing on important applications of linear algebra to a wide variety of disciplines. Examples include computer graphics, genetics, quantum mechanics, cryptography, economics, and forest management. This event is sponsored by the Division of Mathematics & Computer Science. Light refreshments will be provided.
