VARSITY BOWS TO HEAVY NIAGARA ELEVEN

ALFRED Line Shows Improvement

Alfred lost its third game of the season to Niagara University last Friday. The final score was 26-6. From the beginning of the game there was hardly any doubt that Niagara would win but that was not such a large score. Bruce, who is a football player and Niagara again scored three of her touchdowns in that manner.

Beginning ten out of twenty two passes, scored its first down in Niagara's time, and their heavier opponents the first half.

FROST LOSE TO ROCHESTER YEARLINGs

Played Defensive Game

Coach Frank Goldberg's Freshmen lost a hard-fought game to Rochester last Saturday afternoon. Rochester led 1-0 at the end of the first quarter, but Alfred played mostly defensive football the rest of the afternoon.

An interesting occasion has been a very interesting feature as "Dynamite" Dieneman, and, by the way, why cannot all of us show our own lives as Curley did? It was a hard-fought game to Rochester last Saturday. The final score was 14-0. Reed, Wilson, Buck, and Hammili played very well, but to be the free agents of this week, the yearlings were not able to work up an exception.

Mr. Truman was followed by Mr. Potter, Mr. Clark and Dean Main, all called by the president Oct. 13, 1925.

The regular fall meeting of the trustees was held the twenty third of this month.

Mrs. Degen was a dinner guest at the house Thursday. They were present for the entire evening.

The house was the scene of great festivities Saturday night for we were holding our first house party. The rooms were decorated with autumn flowers and they were most inviting. The main features of the evening were dancing and bridge. Mater. Tredennick, Hennie Wescott and Randy Winnie were official batmen. Sister M. C. P. of the class of 38, made us a short visit several days ago and took Brother "Wacmac" to dinner.

President Chamberlain had the limousine ready to take the Niagara game Saturday night. "Fearm" is going about fine now. And all evident of his ability to walk to a wall knowsFully he will be back with the "old fight" and help clean up Brown certain.

Brother Harkins took assistant Coach Goble to Allegheny last Friday. You hear that...

The second floor of the Hall is considered the formation of a hospital for injured athletes, since those were the days when anyone was durned good when we simply call the place a "team".

Jennie Estler, Valeh Lehew, Bill Treadwell, Hennie Wescott and Robert E. White went to Hornell Thursday night. They were in a fit of playfulness and man-ning at times. Father with Mrs. T. for dinner Friday. "Jimmy" Decarie and his orchestral furnishings in some sorry shape.

BURDICK HALL
The same old place but hardly the same old atmosphere—Conrad Nagle, Bill Townoff, Charles Prentice, and Eph Harris. A special initiation was held this week-end. The house was well represented at the football game last Friday. "Herm" is getting along.

The Theta Chis migrated to Hornell, Friday night to help the 

Mary D. (The little girl) still supporting the purple and gold.

Mildred Allen was a recent guest at Hornell. Dorothy Veit traveled to Alfred Station with "Tram Clara" for the week-end.

Saturday night found about 25 couples unwilling to respond to "Zip-\n
Dolores & Co.'s" music. The only door that was knocked on Friday night delicately made out Father Thomas' feet cutting us all and the clock struck midnight too. Now that our house is officially 'drained' were all set for the Davy Crockett and the Front. We were glad to have Mrs. Miss, Mrs. Lapham, Miss Noree, Helen, and Miss Nelson with us; but neglected that Mr. and Mrs. Ellis were unable to come. Ray reported that the committee, in general, was very pleased for a banquet for a place such as Hornell.飞行员 showed us that Joyce and Kay know the way to a man's knight.

A special initiation was held Thursday night. In the week-end at the house. They report an excellent time.

It is rumored that a "girl back home" has already turned up from Maple City Saturday night. We haven't eaten since, not even chocolate.

No one knows about them any more. We wish to announce that we expect our suggestions to the fow winds. It's a wise policy to keep our suggestions away from the wind.

Dear Alfred: The present football season has well fulfilled all their obligations after each home-coming game with Buffalo. Some of the students seem to think they have hit its stride against Bonaventure. It illustrated beyond a doubt that the business of the student body in a game of any second-class matter.

But now, I say, the time has come for us to be a little more serious. Perhaps we do not attach enough importance to the present handicap. But that is a mistake, yells are the thing at present. They are only what the young man should have when he is up against the world, and we are not going to stick up a banner, fred song, remember. As a reward, several men came out for the Porkers, and the last step is to cravve action.
