

Cap^t C. Frichette

Missoula Montana May 15/78

Sub Inspector W. W. M. P.
Fort Walsh

Sir:-

After a long delay we have succeeded in procuring from Frank Hammer, the owner of the train transporting your trunks, an affidavit that we think will answer your purpose and herewith enclose the same -

Hammer being absent from St. Benton occasioned the delay in obtaining this affidavit -

Trusting the enclosed may be of service to you & awaiting your acknowledgment -

Yours remain
C. Frichette
