Fighting Frosh vs Hobart Yeowlings Friday!

Completing Equipped Infrmary Ready for Use After Its Formal Opening

Generosity of Dr. Marcus L. Glazier Provides Thirty Thousand Dollar Investment in Modern College Infrmary

The Clawson Infirmary becomes one of the most modern in the country. With the recent addition of a new infirmary wing, the building now contains all modern equipment and facilities. This wing has been opened after the completion of the old wing, which was made one of the equipment found in infirmaries complete in every detail, as no effort has been spared to make possible the highest efficiency in medical attention but to render the Infirmary a pleasure and reward for those who may require its services.

The equipment of the new wing includes all the latest appliances, including incubators, traction apparatus, and surgical instruments. A new wing has been established by the generosity of the late Dr. Marcus L. Glazier. The generosity of Mr. Glazier and his wife, Mrs. Glazier, has been directed through the generosity and interest of Dr. Marcus L. Glazier of Paducah, N. J., who has, according to the editors of the New York Times, been elected President of the board of directors of the hospital.

A recent report and report from the New York Times states, "The hospital has made a great improvement in the past few years." Moreover, the staff of the hospital has spent a great deal of time in making the most of the new wing.

Student Policy Committee Organizes Last Fall, Is Now Ready for Business

With the completion and a fairly prosperous group of interest, the Student Policy Committee will meet this week to discuss the program for the coming semester. The committee has been formed and will meet twice a week to discuss matters affecting the student body.

Scholastic Fraternity
Election of Eleven Members

At a recent meeting of the Alma Alpha, well-known and scholarly group of students, eleven members were elected to the fraternity. The new members are chosen on the basis of their general scholarship and personal qualities.

Frosh Refreshed Intelligence Test

The Frosh Refreshed one of their numerous "intelligence tests," according to them, when they were called before the Alma Mater for an intelligence test. Capt. Bonas scored again when Rooney in a few minutes of play formed the first touchdown. Although Stainman, a Frosh, had no outstanding performance, he contributed to the team's success.

STITT WILSON DELIVERS FOUR REVEALING LECTURES ON THE VITAL FACTS OF LIFE

In a Constructive Attack Upon Modern Intellectual Conceptions

Stitt Wilson Declares That This Century Will See Great Revelations In The Realms of Science, Education, and Religion.

Unmasking false traditional standards and incoming customary attitudes, Stitt Wilson, world-famous lecturer started with a touching interpretation of the vital facts of life. He presented a frank expose of modern, superficial concepts of values. In a series of four lectures on Thursday and Friday, two at college, and two at college, Wilson inspired his listeners with his "demonstrative theory." With careful delivery that ralzed the entire audience, incoming from a low confidential monotone to an acrid, scathing oratory, Stitt Wilson evoced his hearers. A touch of acid and sentimentality was then injected into the mixture, and now and then a "ting-ting" of phrases and "yawnings" of ideas announced one of intense interest as well as of unspeakable emotional quality and stirring manner. Mr. Wilson showed that the modern "scientific" concept of life is an illusion. He stated that the old-fashioned method of living is an illusion, but that it is one which is more true than the modern concept. This concept is based upon the belief that life is a series of meaningless experiences, and that it is best to live an active, personal life.

ALFRED RUNNERS BEAT ROCHESTER THURSDAY 19-36

Scoring the third decisive win of the season, the Alford team has now captured another victory in their cup of games. The game was held on the infirmary and resulted from an offer from the late Alfred College fraternity. Purple and Gold students ran the ball into the green with a score of 26-7, and finished the game with a score of 19-36.

CAMP BRENNAWA, SITE OF Y M C A RETREAT

Y M C A CABINET HOLDS RETREAT

Y M C A cabinet retreat was held at Camp Brennaw in the Catskill Mountains over the past weekend. The camp, where ten men attempted to answer the question, "How can I serve God in this life," presented the students with a program that was designed to help them understand their role in the world.

In Camp Brennaw is ideal place to endure a three day and for recreation. Here it was possible to discuss the skills of service and to gain a better understanding of the camp's purpose.

Constitution of Donisko upon some of the most important relations, between God and man accepted considerable time of the camp while indoor and outdoor games furnished ample recreation.

With all the nature of power, police, and military, leadership and the like, the program was designed to help the students understand their role in the world.

With the aid of the new wing of the infirmary, the students were able to participate in a series of activities which were designed to help them understand their role in the world.

The question was debated by the Committee for a second year of the Student Senate, and Women's Student Government. It was stated that it was the committee's intention to present a series of programs which would be of interest to the student body.

**Looking 'Em Over**

"Dear Boss,

In the personal reference, but I was much interested in the strike of our men at Brooklyn. I will attend on Thursday as you have requested. If I should be busy, I will send you a substitute."

"We are anxious to have you in our city to attend the conference on the 3rd of November."
