ALUMNI HALL SOON TO BE DEDICATED; NEARS COMPLETION

Evoking much favorable comment from all angles as its alterations rapidly progress, old Academy Hall is blossoming forth into a structure of beauty and utility that even the most optimistic Alfredians had scarcely hoped to see.

Once one of the oldest, and now practically the youngest building on the campus, Alumni Hall, as it is to be known hereafter, is regarded as the finest unit that has been added to the University equipment in some years. Reviving the beauty that first endeared the Hall to Alfredians of generations ago, and adding to it the most practical of modern equipment, the architects and builders are working to complete their task on schedule time.

The present state of completion of the remodeling is indicated to some extent by the recent arrival of radiators and auditorium seats, which are soon to be installed. Aside from this work, and the erection of wood-work trim in various places, a few "finishing touches" will make the Hall complete, and ready for its re-dedication on Founder's Day.

The exterior of the building has been left practically unaltered except for the division of the long windows on the side, made necessary by the erection of the large balcony in the auditorium. Class rooms are once more located on the ground floor of the building, but they are radically different from the original rooms as well as the wrestling headquarters and Wee Playhouse which have more recently occupied the portion of the structure.

Although the old double stairway is to remain essentially unchanged, some of the clearance space above it has been utilized to enlarge the balcony. The auditorium with its vaulted ceiling is the same size as before, but the seating capacity is vastly increased not only by the large U-shaped balcony, but by the fact that the stage does not encroach in the least upon the space in the main room.

What were once the coach's office and the caretaker's rooms are now occupied by the stage and dressing rooms. This equipment, together with the footlights and triple borders that are being installed are looked upon as adequately adopted for the improved production of dramatics.

The remodelled Alumni Hall will not only be a structure of which future Alfredians will be proud, but, it is hoped, will increase, through its improved facilities, student interest in dramatics and other cultural forms of entertainment.

FROSH END SEASON AT ROCHESTER SAT.

With the end of the season in view, the Freshmen team will invade Rochester Saturday to clash with the undefeated University of Rochester yearling team. The winner of this contest will be the lead for the Freshmen football championship of the New York State Conference. Following the game the huskies will break training.

At the same time, the Varsity eleven will be trying to win over Rutgers at New Brunswick. The chances are considered good for the Purple, as both teams have been receiving similar setbacks by opposition of the same caliber.

OBITUARY

News of the death of "Chet" Lyon '26, came as a distinct shock to his many Alfred friends. Why a young man standing on the very threshold of an abundant life should be taken, almost without warning, will ever be one of life's mysteries.

Chester Paden Lyon will always be remembered by Alfredians, as not only one of the outstanding men of his class, but of his generation of college students as well. He was respected and loved as a character of the highest type by all who knew him. A Christian gentleman, an honor student, and an athlete of no little ability is a rare combination, and yet Chester possessed all these qualities.

A member of Delta Sigma Phi, Eta Mu Alpha, Phi Psi Omega, Captain of Track, Manager of Basketball, President of the Student Senate, and Magna Cum Laude are but a few of his college honors which were justly earned.

Though he has departed from our midst, yet the memory of him will ever be dear to the hearts of those who had the good fortune to know him.

POLICY COMMITTEE BEGINS ACTIVITIES

Plunging into the midst of one of Alfred's most popularly discussed problems, the Student Policy Committee opened this year's activity at a meeting on Sunday morning with two hours of objective consideration of the present social situation.

After deliberating upon several phases of the matter, the committee decided that, for the present, it would neither deal further with the question of "dates," nor present any project of this nature before the Student Body.

The committee came to this conclusion for two reasons, the discussion of which is summarized as follows:

(a) A complete and well-equipped recreation center would greatly improve the present social situation. However, a make-shift center of this sort would be of little or no value, as has been proven by the failure of past attempts at the Community House adjacent to the church. Hence the Committee deems it best to delay further action until such as the University can afford to establish a first-class recreational center.

INJURIES FORCE TOM SERVATIUS TO QUIT SCHOOL

Tom Servatius '30, outstanding Varsity football player and wrestler, has been compelled to leave college due to injuries received in the football game with Amherst.

During his freshman year, Tom was a shining light on the yearling eleven and a valuable man on the varsity wrestling squad, and in his sophomore year was expected to develop further into a star in both of these sports. However, Servatius' plans for athletic prowess are now nipped in the bud by the unfortunate injury which bordered upon being fatal. A series of fractured bones in the head elicited the medical advice that he discontinue both studies and activities for a year, and entails possibly large expenditures for treatment.

That Servatius will be sorely missed from the Alfred campus is the opinion of a great number of students, and that some sort of aid be extended to him by the Athletic Department in recognition of his unflinching spirit is the conviction upheld by a large percentage of A. U. sport enthusiasts.

Varsity Harriers Preparing to Meet Little Ten Teams

Alfred's crack Varsity Cross Country team will next face the teams of the "Little Ten" in the third annual New York State Conference Cross Country meet scheduled for this coming Saturday at Hamilton College, Clinton, N. Y. Alfred has already walked away with the first two championship cups, and the Purple and Gold harriers feel confident of their ability to wrest the third successive cup from opposition furnished by Rochester, Niagara, St. Lawrence, Hamilton, and Hobart.

Seven men will make up the Alfred team which will journey to Hamilton. They will probably be chosen from among the following: Captain Boulton, Goofy Getz, Edg Ladd, Kid Voorhies, Chick Zschiegner, Sammy Coe, Rocky Rockefeller, Cliff Newlands, and Baldy Baldwin. Charlie May is ineligible due to the one year ruling, while an injured leg may prevent Newlands from running.

An effort is also being made to promote a "Little Ten" Conference Freshman meet to be held in conjunction with the Varsity race.

TWO HOBART TEAMS GO DOWN IN DEFEAT AS FIGHTING FROSH AND VARSITY HARRIERS SCORE HIGH

Varsity Harriers Trim Hobart 15-40

Alfred Places Seven Men Before Hobart's Leading Man In Spectacular Race

Finishing seven men in front of the leading Orange man, the Alfred Varsity Cross Country team overwhelmed the Hobart hill and dalers to the tune of a perfect 15-40 score last Friday afternoon on Alfred's home course. At no time from start to finish could Hobart furnish stiff opposition, and, wholly unable to cope with the difficult and hilly five and one-half mile Alfred course, handed the Alfred harriers their fourth successive victory of the season. The Purple and Gold left their opponents soon after the start, and from that time on were never headed.

In the opening lap on the Merrill Field track, the Alfred team worked its way to the front, Getz leading. Only two of the Orange opponents managed to hold the pace, and even these two dropped back at the end of the first mile, so that eight Alfred men led the field.

Always good hill runners, the Alfred harriers increased their lead on the rises so that the Orange jersey of Griffith was left farther and farther behind. Getz and Ladd, the leaders, experienced difficulty at the two and one-half mile mark. Getz being forced out of the race entirely due to illness.

NOTED HEALTH AND HYGIENE LECTURER TO TALK THURSDAY

Dr. Daisy M. O. Robinson, a prominent speaker on Health and Hygiene, lecturing under the auspices of the Department of Health of the State of New York in cooperation with the U. S. Public Health Service, is scheduled to address the college assembly this Thursday. Dr. Robinson, in addition to her talk at the assembly session, will also address the college women Thursday evening.

Dr. Robinson, who gained her medical training in this country and the Universities of Zurich, Berne, and Paris, practiced medicine as a specialist in New York City before the war. The first year of the war she spent in England, and in 1916 she was appointed by the Minister of France as a surgeon in the Service de Sante as chief assistant to Professor Le-

CERAMIC SOCIETY WILL HOLD NEXT MEETING NOV. 8

A four-reel film, Fire Clay Refractories will be shown at the next regular meeting of the Ceramic Society to be held at Fireman's Hall, November 8.

The film shows the mining and loading of the clay, the methods of testing, and finally the manufacture, the dry and wet processes being also clearly illustrated.

The latter part of the film shows the use of Fire Clay Refractories in many industries, including the building and resetting of furnaces and kilns.

The meeting is called for eight o'clock P. M., and all Ceramic engineers are welcomed.

Frosh Eleven Win Second Victory

Scoring Two Touchdowns In The Last Three Minutes Of Play, Frosh Win By 19-6 Score

Making two touchdowns in the last three minutes of play, Coach Hansen's Fighting Freshmen handed the Hobart yearlings a decisive trimming at Merrill Field by a score of 19 to 6 last Saturday. With a re-vamped lineup, the Frosh ran and passed their way to the second victory of the season, and incidentally the first victory won by an Alfred football team at a home game since 1924. Spectators pronounced the contest one of the most exciting and well-fought gridiron battles of recent years. Berkowitz and Kickham, both of Granville, crossed the goal line for Alfred points.

Alfred made the first score near the end of the first period, following a series of exchanged punts by which the yearlings gained considerable ground. Alfred took the ball on Hobart's 35 yard line after McDonald had punted out of bounds. Crisafelli and Staiman advanced the ball to the 10 yard line from which Berkowitz broke through center for a touch down. Crisafelli failed to kick the extra point from placement.

Hobart's only counter came in the third quarter as a result of a concentrated line attack, Galbraith slipping off right tackle for 15 yards and a touchdown. This was the only time Hobart threatened the Alfred goal.

A fluke punt by one of the Hobart backs gave the Frosh the ball on Hobart's 40 yard line. McFadden passed to Benneweg who got loose and ran to the 5 yard line before he was downed. On the fourth play Staiman carried the ball across the goal line for Alfred's second touchdown. McFadden's drop-kick for the extra point missed its mark by a matter of inches.

McHale kicked off to Hobart, and when they fumbled on the 30 yard line, Kockham scooped up the ball and raced over the goal line. McFadden's try for goal was good and the Frosh were leading 19-6. Caterin's nearly scored when he blocked a Hobart punch and ran 35 yards to Hobart's 26 yard line before he was brought down. The game ended a minute later with the ball in Hobart's possession as Sackett threw Galbraith for a six yard loss on their 45 yard line.

HOBART GRIDIRON WARRIORS TRIUMPH IN DECISIVE FRAY

Alfred University's varsity football team was swept off its feet when Hobart triumphed at Geneva Saturday, 50 to 0, as the Orange team gained revenge for the two defeats of the day before and pushed closer to the championship of the New York State Conference. Alfred, throughout the game, did not have a chance and let the machine-like precision of the Orange and Purple defense and attack roll on to the overwhelming victory.

Gulick, clever Hobart quarterback, made two long runs for touchdowns. In the first quarter he received a punt and ran 90 yards for the initial

CLAWSON INFIRMARY BOASTS ONE PATIENT

Having conducted a well-attended formal opening, and boasting one patient to its credit, the Clawson Infirmary is now efficiently established as an Alfred institution.

The guest book in the office reveals the fact that one hundred and forty-five people visited the Infirmary

during the open-house periods last Monday. Since then about a dozen others have come in to inspect the building.

The first patient was John M. McClan, whose ankle was injured recently in football practice. After having the ankle x-rayed, "Mac" spent about twenty-four hours at the Infirmary thus establishing himself as the first real patient.

Y M C A PRESENTS DEFINITE PROGRAM

At the regular assembly held last Thursday, the Y M C A introduced definite plans to solve several of the campus problems in a brief but purposeful drive. President Leonard Hunting asked for suggestions on the campus difficulties, and among the problems suggested were girls' athletics, the amusement problem, girls' rules, and better athletics generally. Committees were formed, and tentative plans designated to be carried out shortly.

Eta Mu Alpha

The newly-elected members of Eta Mu Alpha, scholastic society founded in 1924 for the purpose of fostering intellectual and cultural life at Alfred, were formally initiated at Pi Alpha Pi sorority last Tuesday evening, October 25th. The new members are Howard Adams, Leah Jones, Wayland B. Livermore, Clarice M. Thomas, Ada Mary Piantanida, Arlene Rust, Bernice M. Sheetz, Herbert S. Wilson, Charles N. Claire, Elizabeth W. Selkirk, and Raymond E. Francis.

Admittance to Eta Mu Alpha is based primarily upon scholastic ability. Those upper classmen who have attained a sufficiently high index, 2.2 for Seniors, and 2.4 for Juniors, are eligible for membership.

Y W C A Representatives Return From Conference

"Comparatively speaking, our Y W C A is all wrong," said Arline Rust in a short talk at the weekly meeting last Sunday night, in giving reactions to the "Y" convention recently held at Elmira.

Miss Starr continued on a similar trend, by further stating: "It is the alert, keenly-alive person, who is interested in the Y W C A. Everyone at the convention was the type of girl who was popular in every way. I went there thinking that it would be a routine-like meeting. It wasn't anything of the sort. We had a most interesting time, and I came home with some mighty good friendships.

"We should like to build up the Y M C A here," continued Miss Starr. "so that we will have something worthwhile. If the girls will cooperate, we will try to show Alfred that there is something doing every minute, and we'll have a good time doing it."

FROSH STILL VIOLATE RULES SAYS COURT IN CONVICTING FOUR MEN

Violations of campus rules still appear to be prevalent as evidenced by the number of cases brought before Judge Lampman at last week's session.

Four Freshmen, James F. Murphy, James W. Sadler, Harry P. Pirone, Kenneth Seeley, and Garland Crandall neglected to learn the Alma Mater and were sentenced to render an impromptu musical program in front of the Library. Albert Brown, who failed to report for campus duty, was released with a fine. Julius Levine did not observe the old custom which dictates that upperclassmen must precede freshmen in entering buildings. He was released with a warning. Paul Hill and Leonard Monsheimer were sentenced to wear gaudy yellow caps for a week because unfortunately, they had ventured forth publicly without their frosh caps.

WRESTLING COACH ANNOUNCES HEAVY SCHEDULE AHEAD

According to an announcement made by Coach Joseph Seidlin, wrestling practice for the coming season will begin at Davis Gymnasium Wednesday afternoon at 3:30 o'clock.

All candidates for places on the team, whether they have had experience or not, are requested to attend the initial workout for the season's preliminaries. Freshmen will be eligible for all schedule matches this year, and berths in the heavyweight and unlimited classes offer particular opportunities to newcomers in the sport, although all classes are open for competition.

Four of last year's varsity grapplers remain to defend their respective positions on the team. They are Captain Cady, Pruden, D'Elia, and Hambel, who represent in the aggregate a total of eight years experience as lettermen. Caruso, Kelley, and Stearns, 115, 145 and 175 pounder, respectively, are lost to the team through graduation, and Servatius, unlimited is incapacitated as a result of football injuries sustained this fall.

"No varsity man is sure of his place on the team until the first meet," states Coach Seidlin. "Eliminations will be held prior to each match, and the best man takes the weight."

The recently-completed wrestling schedule includes the following matches:

- Jan. 14 Rochester Mechanics Inst. at Alfred.
- Jan. 21 Penn State at State College, Pa.
- Feb. 4 Syracuse University at Syracuse, N. Y.
- Feb. 6 St. Lawrence University at Canton, N. Y.
- Feb. 11 Yale University at New Haven, Conn.
- Feb. 13 Norwich University at No. Field, Vt.
- Feb. 15 Brooklyn Polytechnic Institute at Brooklyn.
- Feb. 25 Cortland Normal at Alfred.
- Mar. 3 Springfield College at Alfred.

COACH HANSEN PROMISES MORE GIRLS' ATHLETICS

"I shall do my best to promote girls' athletics," said Coach Hanson in a recent interview. "I am very interested in seeing them off to a good start. Of course, I shall be quite busy this winter with the boy's freshman basketball team; nevertheless, I shall devote a good deal of time to the girl's team. Then too, I should like to get the girls interested in their physical training, as I'm sure that it could be made attractive as well as beneficial for them."

In past years, girl athletes have felt that their efforts to build up good teams have met with scant recognition and sympathy, and that the activities of a small nucleus of enthusiastic sports-women have withstood the burnt of discouragement. Coach Hansen's coming to Alfred has signalized a revival of interest in feminine sports, and much optimistic comment has been heard about the campus regarding the coming basketball season. In addition to the usual program, it is understood that Coach Hansen plans to introduce spring hockey along with other athletic innovations.

HALLOWE'EN DANCE ENJOYABLE AFFAIR

By A Fiat Reporter

A sigh, partly of regret at the passing of a good time, partly in remembrance of it, pervades the campus with the passing of the Hallowe'en Dance. The Davis Gym on the Thursday evening of its occurrence was a colorful mass of pep and animation, characterized by much contortioning to the strains of melodious rhythms.

The stunts put on by the various organizations were rather entertaining, though, as a whole, they lacked the originality which should have characterized such a program. However, the spirits of the crowds were too high to be dampened by any such arising contingency, so on the whole the evening was pronounced a rarin' jolly occasion.

The clever and individual costumes added much to the gaiety of the evening. Betty Smith, in a banner costume, and Wilbur Carr in a ludicrous white oilcloth suit, took the prizes for having the best outfits. The decorations were unusually bright and attractive, and the music by Pres. White's orchestra exceptionally good, so that all aspects of the evening's program presented the festive brilliance personified in the spirit of Hallowe'en. The dance was a success, considered from every angle—it is hoped that more such parties will be scheduled in the near future.

FRENCH CLUB DIVIDES INTO TWO SECTIONS

The French Club has divided into two units this year, the Auxiliary, composed of French II and III students, while French I students may come as visitors; also the Advanced Club, made up of students taking elective work.

New members in the Advanced Club may be elected from the Auxiliary Club. The Advanced Club will meet on the first and third Mondays of each month, while the Auxiliary Club meets the second and fourth Mondays.

GENERAL NEWSANCE

The University of Arkansas is staging a moustache contest. The biggest moustache grown within the month takes the prize of a year's subscription to the college paper. Let's offer a free trip to the Buffalo game for such a contest here.

George Washington University claims Erik K. Red, aged 13, as its youngest freshman. Some here could best that mark, if the girls would give their right ages!

"Dating up," every night, is to be a lost art at Syracuse University. For the decree has gone out that each freshman woman must be in her house every night at 8 o'clock. Would that there were only dating rules for the Frosh here!

Dr. W. R. Atkinson, psychology instructor at Southwestern College, reports that the average intelligence of the freshman class is equivalent to that of a United States army major. There is some doubt about the compliment for the Frosh, even though the professor spoke of "acuity" and not "vacuity."

and the Medaille of Reconnaissance by the minister of war. The French Academy of Science awarded her its gold palm in recognition of her work and her publications.

"SPO(R)T LIGHTS"

By Dekie

Even Frank Lampman, the gloomy coach of the Varsity cross country team, admits that Alfred has chances of winning the New York State Conference hill and dale championship again this year. Statistics on paper show that Alfred should win easily. Alfred defeated Hobart 15 to 40, and Rochester 19 to 36, while the latter has won over Hamilton 26 to 29 thus giving Alfred a large advantage. Ladd is the defending champion, and probably will place this year among the leaders.

--But don't count the chickens before they are hatched. Alfred may be off form and loose. The meet will be at Hamilton College, Clinton, and over a course of four miles.

Coach Hansen has been reported to have said to his "Fighting Frosh" that they are not to get the "Alfred Spirit"—which is a lot of truth. "The Old Spirit" as it is sometimes called, is a losing spirit, and the sooner the athletic teams realize the fact and the quicker they get a new kind of spirit and fight, the earlier Alfred will begin to win its share of the contests.

The game Friday was an exhibition of real football, and fight to the finish. The breaks came as they do in all games and the Purple took them and won. Incidentally it was the first football contest that Alfred has won on its home ground in three years. It would be great to see the Frosh give more similar exhibitions on the local field this year, but the season closes Saturday. Give the fellows plenty of support and help to say that Alfred can win a football game from Rochester.

KLAN ALPINE BEGINS SOCIAL ACTIVITIES WITH THEATRE PARTY

Klan Alpine opened its social activities last Saturday night with a theater party and dinner dance, at the Shattuck theater and the Sherwood Hotel. Its success was heartily acclaimed by all those present.

Among the alumni back for the occasion were Harold McGraw '27, and Hascal DuBois '24.

The guests were Mother King, Mrs. Drummond, and Professor and Mrs. Rice.

Pres White's popular orchestra furnished the music.

VARSITY HARRIERS TRIM HOBART 15-40

Ladd with an injured leg, dropped back from the front to seventh position. This left Captain Boulton well ahead of the field, Coe, Zschiegner, May, Voorhies and Rockefeller following their leader well-bunched.

At the three-mile mark, and at the beginning of the down-grade, Voorhies increased his pace and set out to catch Capt. Boulton. May, Zschiegner Coe, Rockefeller, and Ladd followed in that order until near Merrill field where the team began to bunch together.

Capt. Boulton and Voorhies breasted the tape to tie for first place. They ran the five and one-half mile course in the comparatively slow time of 32:20 seconds. Soon after May, Zschiegner, Ladd, Coe, and Rockefeller crossed the finish line to tie for second positions, thus to place seven men before Captain Griffith of Hobart, who followed at some distance. Baldwin, M. Burdick, D. Burdick, Smith, and Wilson, all of Alfred, finished before the fifth Hobart man.

Order of Finish:
1. Boulton, Voorhies A
3 May, Zschiegner, Coe, Rockefeller,

- Ladd A
- 8 Griffith H
- 9 Baldwin A
- 10 Smith A
- 11 Westhover H
- 12 D. Burdick A
- 13 Aithen H
- 14 M. Burdick A
- 15 Hoyt H
- 16 Wilson A
- 17 Norfolk H

FROSH WIN SECOND FOOTBALL VICTORY

Continued from page one.

In the opinion of many the Frosh cannot be given too much credit for their victory, as Hobart presented a lineup with a supposed edge over the Alfred yearlings. This is the first time the Frosh have been able to present their full strength due to injuries sustained by team members in earlier games, although Henning, the regular end, was out of the game because of hurts received at Mansfield two weeks ago.

The Frosh will put in an intensive week of training in preparation for their encounter with the strong yearling aggregation at the University of Rochester next Saturday.

The line-up:

Alfred Frosh 19	Hobart Frosh 6
Benneweg, Sackett	Bootay
Caterina, Regan, Meyer	Schrack
Neiger	Nevill
McHale (Capt.)	VanGeezen
Gent, Post	Warren
Kickham, Bryant	Lewis
