FRESH-SOPH PLAYS REVEAL PROMISING STAGE PROSPECTS

Four Play Program Well Mustaded Before Small But Appreciative Audience

Under the auspices of the Footlight Club, the Fresh-Soph show of last Thursday night revealed several promising talents among the underclassmen. The play of the day or two weeks ago allowed for rehearsals, the program was set in a single well-bonded little scene, though the weak attendance, scattered to every corner that an audience's laughter, could not serve as music to the action.

The first play, "Blood, But One's Uncle!" by Joseph C. How, tilted its interpretation of the parts of the first and second yearmen to the footlights, as the former, haughty and contumacious, the latter, the wiser through his less tragic experience with the plights of the theme. His Irish brogue would not pass unnoticed.

The rest of the cast did little to add to the proceedings. The scenes were obviously set, and several of the characters were amateurish in their acting ability.

BIOLOGICAL SOCIETY OUTLINE PROGRAM FOR FUTURE MEETINGS

The president of the Biological Society recently declared the intervals of the coming season as a period of pause. He made this stand to exalt the excellencies of the past season and to exhibit the utilitarian importance of natural science. Mr. D. W. van Deusen, a noted authority on student affairs, pointed out the many benefits to be gained by the regular appearances of the Biological Society, and he expressed the hope that the next season would see an increased attendance.

LOOKING 'Em Over
By Ben

Well, well, here we are at the height of spring. We are aware at this moment of the day that the sun is fully up, and we are prepared with the boards in hand to usher in the season. In fact, we are so well prepared that we feel that our row has turned out to be a success. The sun is shining, the birds are singing, and we are all happy.

FROSH SOPH PLAYS REVEAL PROMISING DRAMATIC MATERIAL

"SOUND EAST FOR CARDFISH"
A Drama by Eugene O'Neill

John Skiper (Ding), S. J., played the leads in this production, which was presented in the Thorpe Hall last evening. The plot is a story of the life of the fisherman. At first, the fisherman is content with his life, but then he meets a new girl who changes his life forever. The play ends with the fisherman's death, and the girl is left alone.

GRADUATE MANAGER A. E. CHAMPLIN RELEASES FIGURES ON FINANCIALS FOR 1927 ATHLETICS

Graduate Manager A. E. Champlin shows that although the Varsity football team came out of the season with a cellar of $3,803.71, the financial picture is not as bad as might be supposed. This deficit is more than offset by surplus in cross country and track, the cross country team having won the Eastern championship and the track team having placed third in the Eastern Intercollegiate meet.

Total Deficit of $75.00 is reported on the financial statements of the football team, but there is a surplus of $75.00 on the cross country team and $100.00 on the track team.

First Round Of Indoor Tennis To Be Playe Of Before Easter Vacation

The schedule for the play-off in the indoor tennis tournament has been completed and all entries will be in on February 14th. There are four expected entries from each of the Varsity and Frosh teams, and there are a number of possible entries from the Freshmen.

The conference has been called to order, and the names of the competitors in the draw will be announced on the bulletin board.

FROSH TRACK TEAM SHOWS GOOD FORM

In reviewing the track situation for the season of 1926, Alford seems to be assurance. For the first time in history, the Frosh team was able to finish the season without losses.
