A true need of democracy is in no way evidenced in this group as a whole. In one word, democracy is shown. More than one assembly has lapsed. The date has been taken from the Freshmen, as it was. From the meeting: Kingman, from the Freshmen, as it was. From the Freshmen, as it was.

Sincerely,

Dear Mrs. D. C. Davis:

I am glad to see that you fixed up your
weather last week. Pretty good service
I should say.

Now all I want to do is to fix a nice new
snow ball, erect a tent in place of your
present sphere. When the weather is
tank, one may take part in a
camp, and even the rebuilt saloon
that now serves to cover thirty little
courses—

LOCK HAVEN ROMPS AWAY WITH FIRST PLACE AT MEET

Racing heavily into the field events, besides presenting a well-balanced game, the Lock Haven team was outstanding in the meet held at Merrill Field. West Legislators, who scored 173 points, finished second. Monroe, who scored 162 points, took third place with a total of 180. The other teams placed as follows: Buffalo Tech, 112 points; Rochester East, 86 points; Buffalo Free Academy, 65 points; Lock Haven, 50 points; Goodnow, 45 points.

These were 352 athletes, representing 56 high and prep schools, participating in one of the most successful interscholastic meets in the history of Alfred's track achievements. The premises were exceptionally fine, and it was a delight to see how 500 bright-eyed athletes poured over the track in the morning and when the finals began at 2:30, the atmosphere was one of excitement. All 100 track stars were primed to attempt to prove their superiority in track and field.

Two Records Fall

Two track records fell as well as nine Lock Haven boys continued to pile up points. Anderson of Lock Haven shattered the javelin throw record, with a throw of 172 ft. 3-4 in. This was the old record when he threw it 156 ft. 11 in. last year. Phillips of Lock Haven tossed the sphere 103 ft. 6-5 in., and E. Martin tied for high scoring points. Bushell finished seventh, but failed to place in the final 150 yards. The Fresh track team is 10th and will finish in the middle. The first appearance of the Purple and Gold in the Middle Atlantic contests.

The assembly vote of only .15 in.

for points. Captain Ladd placed fifth in the two mile run. Foster and Hesse placed 4th and 5th in breaking the new record. Zschiegner placed fourth in the mile and seventh in the high jump. His time in the latter set a new record.

Killeraw gave a wonderful exhibition of pole vaulting to tie for first in the 440-yard dash. With Willard of N. Y. U. Bich men failed in an attempt to break the record at 12.5 sec. Fredericka tied for fourth place in the high jump, but failed to show the results for the half mile run. The meet did in the finals on Friday.
