

ALFRED TAKES FIFTH AT M. A. S. C. A. A.

STUDENT SENATE WILL ELECT NEW PRES. TONIGHT

Dean H. Fredericks And
Adelaide Vores
Are Eligible

Election of the president of the Student Senate for next year will be held at the meeting of the Senate tonight. The members of the incoming and retiring governing bodies will select the officers. Dean H. Fredericks and Adelaide P. Vores are eligible for the presidency under the rules of the Senate but Daniel G. Klinger, J. Enfield Leach and Mary K. Rogers may be declared eligible by a three-fourths vote.

At the election of Senators at the assembly, May 10, the vote was as follows:

From the Class of 1929: Daniel G. Klinger, 211; Dean H. Fredericks, 175; Lloyd W. Larson, 168; Adelaide P. Vores, 151; Harold S. Hamilton, 119; William G. Lewis, 67.

From the Class of 1930: Leland R. Armstrong, 192; Jack E. McGraw, 164; John R. Spicer, 136; John F. Hambel, 116.

From the Class of 1931: Paul J. Webster, 179; Mary B. Allen, 124.

Klinger, Fredericks, Larson, Armstrong, McGraw and Webster received majorities and were declared elected but as three were from Delta Sigma Phi fraternity, Larson resigned. The results of the election held to fill the vacancy were:

Adelaide P. Vores, 196; Charles H. Field, 105.

Mary K. Rogers, as president of the Women's Student Government, and J. Enfield Leach, as judge of the Campus Court, are eligible to membership of the Senate.

SPANISH CLUB WILL HAVE PICNIC

Members of the Spanish Club will leave Kenyon Hall at 4:30 P. M., Wednesday, for a hike and picnic supper. Their destination will be "Lovers' Lane."

Alfredian Golf Fans Completing New Golf Course On Land Owned By Sherman Burdick; President Boothe C. Davis Approves Project

Sharp cracks, resembling those of pistol shots, may be heard now and then in Alfred. These are not caused by farmers shooting vagabond crows, nor by schoolboys starting a pre-fourth of July celebration. They are the sounds caused by the impact of a well-directed swing of a club connecting with a small white ball. It is the royal and ancient game of the Scotch being played. For Alfred now has a golf course.

The course has only three holes, and the construction is not of the best, but it is a start, and it will be only a matter of a year or so before Alfred may, along with many other towns, boast of playable golf links. It was through the courtesy of Sherman Burdick, the owner of the land on the west side of Pine Creek, that the project was begun. And to Stephen Ruden, Earl Milsop, and Willard Buckley, goes the credit for hav-

CLASS OF 1929 ELECTS GORDON E. LEWIS PRES.

Gordon E. Lewis heads the Senior Class for next year as was decided at the elections of the Junior Class Thursday. Lewis succeeds Clarice M. Thomas as president of the Class of 1929. The other officers are Donald O. Fenner, vice president; Dorothy A. Hawley, secretary; and Kenneth E. Smith, treasurer.

PHI PSI OMEGA TO GIVE DANCE MOVING-UP DAY

To Phi Psi Omega goes the credit for issuing an Interscholastic Day program of marked excellence. Lee B. Cottrell was chairman of the program committee, while J. Enfield Leach and Frank L. Goble acted as business managers. Heretofore the programs each year have been distributed by the Varsity "A" Club, but this year, due to other plans, they waived their customary privilege in favor of Phi Psi Omega.

The fraternity is preparing to act as hosts of the visiting alumni on Commencement Day. They will endeavor to make the day pleasant for these former students by reuniting old friends and acquaintances.

The Moving-up Day dance, plans of which Phi Psi Omega has taken over from the Freshmen class, promises to be as much of a success as has previous affairs conducted by this group.

ing conceived the idea, and for having begun the organization and construction of the Pine Creek Golf Club. At present there are only six members but, due to well-qualified officers, and to unified cooperation of the members, much has been done to insure the success of the embryo golf club. The architectural phase of the links has been left in the hands of William Lewis of Watertown, N. Y., who has had much experience in that field. Stephen Ruden of Jamiaca, N. Y., has been elected chairman of the Greens Committee and two of the greens are, at the present time, in excellent condition. Both having been seeded, rolled, sprinkled, and malignant growths removed. Earl Milsop of Patterson, N. J., is the chairman of the Executive Committee which consists of William Lewis, Stephen Ruden, Willard Buckley, secretary and treasurer.

Students Elect New Members Of S. L. C. Thursday

As representatives of the student body on the newly organized Student Life Committee, Professors Donald L. Burdick and Instructor Ildra A. Harris, of the faculty, and John R. Spicer and Clarice M. Thomas, of the student body, were elected at the assembly Thursday. Two faculty members and one student will be named by the faculty to act with the student representatives on the new organization which will replace the present Student Life Committee.

Following are the results of the vote of the students for their representatives:

From the faculty: Donald L. Burdick, 124; Ildra A. Harris, 98; Eva L. Ford, 77; Elva E. Starr, 68; Clifford M. Potter, 63; Paul C. Saunders, 61; Paul Rusby, 55; Charles F. Binns, 34; Joseph Seidlin, 28; Charles M. Harder, 19.

From the student body: John R. Spicer, 91; Clarice M. Thomas, 63; J. Enfield Leach, 61; Dean H. Fredericks, 59; Donald O. Fenner, 55; Betty J. Whitford, 53; Lloyd W. Larson, 48; Adelaide P. Vores, 44; Lee B. Cottrell, 42; Mary E. Stevely, 40; Gordon E. Lewis, 37; Charles H. Field, 34.

UNUSUAL PROGRAM IS PROMISED FOR MOVING-UP DAY

Moving-up Day, Thursday will begin officially with the student assembly at 11:30 A. M. At this assembly the new Student Senate president will be introduced. Athletic awards made in addition to the presentation of Fiat Lux keys and the Brown English prizes.

In the afternoon, a track meet between the Freshmen and Hornell High School will be held at Merrill Field. A tug-of-war between the Frosh and Sophs promises to be the spectacular event of the day. This will be held uptown.

The usual Moving-up Day dance, traditionally given by the Freshmen, has lapsed. The date has been taken by Phi Psi Omega, which will give a dance party. This will be in place of the dance usually sponsored by this fraternity during Commencement Week.

ALFREDIANS UPSET DOPESTERS AND WALK AWAY WITH FIFTH PLACE AT THE MIDDLE ATLANTIC TRACK MEET

Overalls, White Pants
And Knickers All Show
That "Spring Is Here"

"Spring is here." The nights may be chilly, the days cloudy, and the trees still lacking in leafage, but—"Spring is here." Unmistakably, conclusively, the observing Alfredian knows that Spring has arrived. The post office railing is growing shiny.

Remained from an annual period of useless unornamentality, the post office railing has again assumed its role as main support for a numerous group of Alfred males. Robbed of their monopoly on smoking, forced to sit among co-eds in classes, living in dormitories or fraternities which periodically become infested with femininity on social occasions, the Alfred man has one refuge left secreted to man, and man only.

A true seat of democracy it is, for anyone is welcome—provided there is room. Overalls, white flannels, knickers, and Oxford bags, all contribute their bit toward producing and preserving the homely lustre of the rail during the warmer months.

The post office railing is growing shiny.

New Record In
Mile Run

BREAK FIVE RECORDS

Zschiegner Also Breaks a Record, but
Is Beaten by 3-5 Second; New
Alfred Record

Records were broken freely in the Middle Atlantic States Collegiate Athletic Association track and field meet, held at Haverford College, Haverford, Pa., Friday and Saturday.

New York University easily won the meet with a total of 60 1-2 points. Next in order were Haverford, Swarthmore, and John Hopkins. Five men from a small college in western New York State gathered 17 1-4 points to put their college, Alfred, in fifth place, just 3-4 of a point behind Johns Hopkins.

In five events the old records were replaced by new marks. Phil Edwards, New York University's Negro track star, set a new record of 50 sec. flat for the 440 yard dash, and one of 1:57 1-5 in the 880 yard run. In the latter race Emil Zschiegner, Alfred's dependable "Chick," was 3-5 sec. behind the winner, and also broke the old record, made by Burke of Lehigh in 1915.

In the mile run, Wilbur Getz, Alfred's star miler, set a new record of 4 min. 23 1-5 sec., thereby upsetting some of the dopsters, who had favored MacMillan, of Union to win.

David Myers, another New York University man, threw the javelin 183 ft. 9 3-4 in. for a new record. Irving Totten of Union, a brilliant track and cross country man, set a new time of 9 min. 40 1-5 sec. for the two mile run.

Coach Heers took the following Varsity men to the meet: Captain Ladd, Boulton, Getz, Zschiegner, Fredericks, Klinger, Hulse, and Olander. He also took a Frosh relay team composed of Galizio, Staiman, Steele, and Obourn.

PAUL SHIPMAN ANDREWS SPEAKS ON ADVANTAGES OF LAW LAST THURSDAY

"People who get the most happiness out of life are inevitably the people who create the most happiness around them," said Dean Paul S. Andrews of the Syracuse Law School in assembly last week.

Dean Andrews gave some of the advantages of law practice and the qualifications for a good law student. He said, "Law practice is a cross-section of life itself. In it there are opportunities which do not exist in any other practice but medicine. There is an opportunity to help some one who cannot help himself, and who cannot pay for this help. This is the highest type of service."

In closing Dean Andrews said, "We want in law school, students who are capable, hard working, and willing to make a sacrifice to keep their college ideals and carry them throughout their law practice."

CHAPEL

Cooperation between two of the faculty members bids fair to make this week's chapel program of the best type. The professors in charge are M. Ellis Drake, on Monday, Wednesday, and Friday; and Walter L. Greene on Tuesday and Thursday. They do not wish to announce their topics before hand, but worthwhile talks are in store for those interested.

Beginning of the New Year

Another year unofficially, will be history when each class advances Thursday. The activities of the past year will be brought to a close and the projects for the coming year will be launched. New hands will take up the tasks where the old have left off. Another year in the progress of Alfred will be started.

Thursday will make us realize the few days remaining that those seventy-some Seniors will be with us. They nearly have completed their work and will go out to make their places in the world. But "some day we will go out and meet them."

Joyously, the Frosh on the same day, will discard their green caps and become the rusty Sophomores. It will be a great day for them but they are deserving. The present Sophomores will rise to stately upperclassmen. The Juniors, with three years of experience and cares behind them, will shoulder the major burdens of the school, as the "grave old Seniors."

Two Important Improvements Needed

Possibly, one of the finest Interscholastic meets in the history of Alfred's track, was held Wednesday at Merrill Field. The meet was carried out in an excellent fashion, much to the credit of Manager Desmond E. Devitt and his score of assistants. Only one mistake was made, that being the picking of the wrong man for second place in the mile run. Other than that there was not a hitch in the program.

Two needs are evident and must be corrected soon. In the first place, the present Merrill Field is inadequate for the three hundred athletes here for the day. The track is not wide enough to run five men in a heat without crowding. The dressing on the track is nothing to brag about. The track should be made a quarter of a mile and the curves rounded out. The fifth of a mile track is too short and the curves are too sharp. Also a 220 yard straightaway should be made.

Another thing is that care of the visiting athletes should be looked after better. This year to some of the homes where four were to be housed seven or eight were sent, while to others none were sent whereas beds were provided. A more adequate system should be worked out before next year.

Tea Given In Honor Of
Dr. And Mrs. B. C. Davis
Wedding Anniversary

Dean Dora Degen and Mrs. Eva Middaugh gave a tea in honor of President and Mrs. Boothe C. Davis Friday afternoon at the Brick. The tea really was a celebration of President and Mrs. Davis' 35th wedding anniversary. Most of the faculty and their wives attended, and were presented to the "blushing bride and bridegroom." Dean J. Nelson Norwood, in behalf of the faculty, presented President and Mrs. Davis a handsome silver steak platter. Mrs. Davis was also given two banquets, one of roses, the other of snap-dragons by friends.

Looking 'Em Over

By Buel

Dear Buel:
I am glad to see that you fixed up the weather last week. Pretty good service I should say.

Now all I want to see is a nice new men's dorm, erected in place of our present eyesore. When the weather is rank, one takes to any port in a storm, and even the rebuilt stable that now serves to cover thirty little frosh is a blessing when the good old Alfred weather starts on a bender.

On the other hand, when spring arrives, with the birds, the bees, the trees, the flowers and bowers and all that one sees in the old hall nothing of the current spirit—it is merely a pain and a curse; one of those things that makes one remember football that makes one remember football seasons and jail sentences.

But enough—surely with this hint you can arrange something to cover the dorm from the eyes of the visitors—say a few gallons of varicolored paint, and we might disguise it as a captured German warship. Oh, yes, it has its possibilities.

Sincerely,

'29er.

ANOTHER TRADITIONAL DAY PASSES AT INTERCLASS DANCES THURS.; VARIED PROGRAMS LEND SUCCESS TO EVENTS

JUNIORS, FROSH DANCE ON A CAMPUS IN MINATURE

Another memorable tradition of Alfred has been fulfilled and interclass ties have been renewed at the Junior-Frosh dance Thursday. The high school gym was transformed into a campus in the miniature. Adorning the walls were real-like representations of the college landmarks, even Prexy's Bathtube which found good use at the end of the Elimination Dance.

All the Juniors wore Frosh caps and conformed to the rules; furthermore, cutting could be done only by those "wearing the green." Among the varieties of the evening was a snake-dance, during which each received a favor.

The Junior class presented entertainment in the form of a song solo by Robert McMahon, a pantomime by J. Enfield Leach and an original song and chorus given by Dorothy Hawley, Evelyn Kock, Doris Henshaw, Lillian Holmes, Miedrena Saunders, Ruth Lyon, Betty Whitford and Rhoda Stearns. The college orchestra achieved new heights by its fine music. The chaperones included Mrs. Eva Middaugh, Mrs. A. K. Clark, Professor and Mrs. C. M. Potter, Professor and Mrs. I. A. Conroe.

GREEK PERSONALS

Delta Sigma Phi

Alvin Dunbar dropped in at the house a week ago.

Everett Baldwin alias "Baldy" surprised the fellows with a week-end visit.

The boys divided their time Saturday between the continental footrace and the planting of the new hedge.

Carpenter received a caller from Pennsylvania in the fore part of the last week. The fellows did not see her but "Carp" said she's nice.

Larry Viola and Willard Buckley spent Saturday afternoon at the "Ag" barns inspecting cattle.

Bidwell, Foti and Shults visited Belmont Friday night. They returned sadder but wiser boys as far as tires are concerned.

Recent visitors at the house were "Smithy" Wright, Ray McHale, Verne Wightman, Verne Sisson and Jack Lahr.

"Bill" Bottum and Paul Maroney were initiated last Sunday night.

The fellows hope that Wilbert Carr will soon be out of the infirmary.

The men of the house are not able to live with the Penna. boys since Lock Haven won the track meet.

Theta Theta Chi

Mrs. Byron Hallock and Mrs. Arthur W. Smith of Oneida, and Virginia McEachern of Wellsville were week-end guests at Morgan Hall.

Dorothy Davis of Bradford, Pa., spent Wednesday night at the house, while Hazel Niver '25, and Katherine Keller '27 made flying visits to Morgan Hall.

Theta Chi begs to announce the addition of a new garden and a comparatively new kitten.

CAMPUS RULES REVISION WILL BE VOTED UPON AT NEXT ASSEMBLY

Ross Robbins, president of the Student Senate, and a committee of student campus officials, have made a few proposals for revising the campus rules. These rules will be submitted to the students for their vote, at assembly Thursday. The rules are as follows:

1. Property rented by Professor Conroe between Main street and the Kanakadea and bounded by the walk leading to the Brick be considered "Campus" only during proc week and that the rules of smoking and transpassing be lifted from same.

SOPHS AND SENIORS DANCE IN OLD SPAIN

Firemens Hall was the site for one more good time in the form of a dance tended the Senior by the Sophomores Thursday evening. Pres White's orchestra furnished the excellent music. Spanish ideas were carried out throughout the entire program. The men were dressed in Spanish costume which was particularly applicable for the warmth of the evening. The colorful shawls and flowers. Even the entertainment was Spanish, consisting of three tiems; the first of which was a Spanish Bull-fight scene, uniquely arranged and aptly presented; the second was a tumbling stunt by Nick Amento; and the third a solo given by Sally Austin. Professor and Mrs. Seidlin led the grand march for the refreshments which consisted of pop and pretzels. Among the chaperones of the evening were: Dean J. N. Nodwood, Professor and Mrs. J. Seidlin; and Professor and Mrs. C. M. Potter.

NEW LIGHT THROWN ON FAMOUS ROMANCE BY ALFRED CRITIC

With the coming of Spring a young gentleman's attention lightly turns to reflections upon the subject of the ladies. With this in mind we read with interest the versified story of the great affection that existed between John Alden and Priscilla and we went further and learned that it is quite a story. If you have never read it we would like to tell you all about it.

It seems that there were two boys who rated well at dear old Plymouth. These two boys were roommates, one of them was Jack Smith (no relation to the whispering baritone) and the other was Johnnie Alden. They were members of the well known P. G. Phi house (the letters being Greek initials for the words PiGrim Pfathers) and in addition they were roommates.

On the other side of the campus there lived the nifty campus queen, Pris Cilla, and she was some baby. She was the leading number in the W. C. T. U. house and had more dates than any other bim on the campus.

Well, to make a long story short, Jack had been dating her and she had his pin, but he was leaving to go on a trip with the six day bicycle team, and he asked Johnnie to take her to the Spring party which was to come off that weekend. Johnnie's girl had been hung the week before as a witch, for the Deans could not see how any girl could wear six fraternity pins in one day and still be popular unless she had supernatural powers.

So the upshot of the matter was that Johnnie took Pris to the digg, and it turned out to be quite a wet party. Well, Pris got tight and hung on Johnnie's neck, and he was pretty tight also, so they drove over to Andover and got married.

Naturally, Jack was pretty peeved, but you can't stay sore at a roommate, and inasmuch as they felt that the other had the best of the bargain anyway, they shook hands on it and went over to Boston on a bender.

What Pris thought of it is not known, but then, this story wasn't about her anyway, so we threw the book away.

KLAN ALPINE'S ANNUAL SPRING BANQUET HELD IN HORNELL SATURDAY

Hotel Sherwood in Hornell was the scene of the ninth annual Spring formal party of Klan Alpine, Saturday. The Klan boys and their friends left for the Sherwood at 5 o'clock, where a dinner awaited them. After dinner-Kenneth E. Smith welcomed the guests.

At 7 o'clock strains of music, such as only Jimmy Day and his Night Hawks can play, sounded from the ballroom, whence everyone made his way. It was with much regret that the dancers heard the orchestra say, "The next dance will be the last dance," bringing to a close one of the most delightful dances of the year.

Mother Margaret King, Professor and Mrs. P. C. Saunders, Professor and Mrs. Joseph Seidlin, Professor Donald Burdick, Miss Eleanor Prentice, and Mr. and Mrs. Warren Coleman were the guests of the evening.

Commencement Issue

All students leaving college before Commencement Day, may have the Commencement issue of the Fiat Lux forwarded them by giving their names to Kenneth E. Smith, business manager, before June 8. There will be no additional charge for this service. Otherwise the business staff will not be responsible for forwarding the issue. A card with the correct address, dropped in the Fiat box, will reach the business manager.

LOCK HAVEN ROMPS AWAY WITH FIRST PLACE AT MEET

Scoring heavily in the field events, besides presenting a well-balanced team, the tracksters from Lock Haven, Pa., romped away with the Twentieth Annual Interscholastic Field and Track meet held at Merrill Field, Wednesday. They scored 38 points against Hornell's 12, their nearest opponents, who finished second. Monroe High of Rochester took third place with a total of 10. The other teams placed in order as follows: Buffalo Tech, 6 3-5 points; Rochester East, 6 points; Buffalo Bennett, 5 4-5 points; Bradford, Buffalo Hutchinson, Buffalo Masten Park, Corning Free Academy, and Canisteo, 5 points each; Attica, Niagara Falls, and Salamanca, 3 points each; Cook Academy, two points; Geneseo, 1 point; Wellsville, 4-5 point.

There were 312 athletes, representing 36 high and prep schools, participating in one of the most successful interscholastic meets in the history of Alfred's track achievements. The preliminaries started at 10 o'clock in the morning and when the finals began at 2 o'clock in the afternoon, over 100 track stars were primed to attempt to prove their superiority in track and field.

Two Records Fall

Two records fell as the Lock Haven boys continued to pile up points. Andrew of Lock Haven shattered the javelin throw record with a heave of 167 ft. 11 3/4 in., bettering the old mark of 143 ft. 9 1/2 in. made by Seely of Ithaca in 1926. The record for the discus throw also fell when Martin of Lock Haven tossed the sphere 103 ft. to better the old mark of 102 ft. 10 in. made by Jardine of Buffalo Tech last year.

Ader of Rochester East High came within a fourth of an inch of tying the record in the high jump when he leaped 5 ft. 9 in. Waltman of Corning Free Academy almost broke the record in the 220 yard low hurdles when he stepped the barriers in 27 min. and 4-5 sec.

Lock Haven Captures 10 places

Lock Haven captured six first places, two seconds and two thirds to run away with the meet. It was the first appearance of the Purple and White athletes in Alfred and their game fight and clean sportsmanship won for them the admiration and praise of the fans.

Hornell made a good showing, taking second place in the annual classic. Phillips of Hornell, although he did not win the javelin throw, also broke the old mark when he threw it 156 ft. 7 inches.

Besides taking home the big loving cup for the team trophy, the Lock Haven athletes also captured two cups for individual scoring honors. H. Ryan and E. Martin tied for high scoring honors with ten points apiece. Ryan won both the 100 and 220 yard dashes and Martin captured first places in both the discus and shot put.

College Relay Features

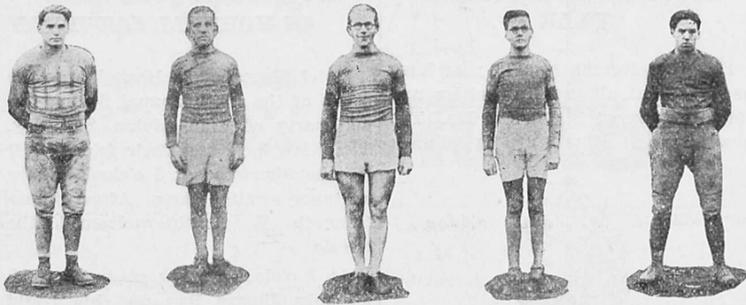

One of the features of the afternoon was the special college mile relay between the crack Freshman team and the Varsity. The Frosh almost suffering defeat for the first time but Steele just nosed Zschiegner out at the finish.

The meet was run off perfectly and true to schedule by Manager Desmond Devitt and his assistants who have been working for weeks in preparation for the big event.

Summary:

100-yard dash—Won by H. Ryan, Lock Haven; E. Russell, Rochester Monroe, second; M. Sander, Salamanca, third. Time 10 3-5 sec.

for points. Captain Ladd placed fifth in the two mile run.

Getz won the mile run, setting a new record. Zschiegner placed fourth in the mile and second in the half mile. His time in the latter sets a new Alfred record.

Klinger gave a wonderful exhibition of pole vaulting to tie for first place at 11ft 9 in. with Willard of N. Y. U. Both men failed in an attempt to break the record at 12 ft 1 in.

Fredericks tied for fourth place in the high jump, but failed to show the style that he did in the trials on Friday.

Olander did good work with the discus, but was outclassed by men from the larger colleges. Boulton finished seventh in the two mile run. Hulse qualified in the trials but failed to place in the semi-finals in the 220 yard low hurdles.

The Frosh team took fifth place in the Freshmen medley relay, which was run this year to increase interests in the Middle Atlantic contests.

The final results were: New York University, 60 1-2 points; Haverford, 41 points; Swarthmore, 25 points; Johns Hopkins, 18 points; Alfred, 17 1-4 points; Rutgers, 14 points; Union, 11 points; Dickinson, 9 points; Washington and Jefferson, 4 3-4 points; Manhattan, 3 3-4 points; Lehigh, 2 3-4 points; and Delaware, 2 points.

Below are the official track and field records of Alfred University. Several lists have been published previously but have been incorrect. The following are the recognized records by the Athletic Council:

ALFRED MAY DROP STATE TITLE, SAT.

Alfred's chances in the New York State Conference track meet at St. Lawrence College, Canton, N. Y., Saturday are not so bright. Besides Rochester, there will be St. Lawrence and Hamilton in the fight for honors and one of these teams may wrench the title from Alfred. Coach Heers and the entire team will leave Friday for the meet.

yards, but woe be unto him who makes a poor drive from the tee, for a stream of water flows across the fairway, midway between the tee and the green. Added to this water hazard, is a four feet drop to the left of the green, which invites an over-driven ball or a hook shot.

Overlook, the second hole, is 412 yards. The green is situated high up on the side of the hill and from it one can look down upon the peaceful village of Alfred. The drive is an uphill one, and there is plenty of boggy fairway in-between to claim misdirected balls.

The third hole is literally threaded with marshes, caused by springs high up on the hill. The fairway is narrow, and is bounded on the north by a stream of clear water which courses along a fence. The green lies 356 yards away, deep down in a valley after which the hole is named. The drive is a blind one and it must carry or else the golfer will find his pellet on a down-hill lie, with march grass all around.

SPORT LIGHTS

By Gym

The assembly vote of only 15 in favor of making wrestling a major sport is fairly indicative of campus opinion. Whether or not this opinion is correct, is still a matter of conjecture. It may interest the students to know that the Army, on its own initiative, asked for a wrestling meet next Winter. This is a good example of the reputation and esteem that Alfred is gaining through the sport.

Now that baseball season is in full swing, it certainly seems peculiar how little the Frosh are interested in the welfare of the Black Sox.

Delta Sigma Phi, Klan Alpine, Kappa Psi Upsilon, and Burdick Hall have shown a wealth of good baseball material. This offers a good foundation for the hue and cry for an intramural baseball league. As the season is drawing to a close, the proposition should be postponed until next year. Other than that, such an organization would be a boon to more than one athlete.

This year's Interscholastics was undoubtedly the largest and best managed interscholastic meet ever held in Alfred. The meet started three minutes behind time in the morning and it was only four minutes late at noon. The finals began three minutes behind schedule, and the meet ended just one minute late.

Frosh To Have Plenty Of Opposition From Hornell At Track Meet Thursday

Freshmen tracksters will have plenty of opposition when the Hornell High School team invades Merrill Field Thursday afternoon. The Red and Black proved its strength in the Interscholastics when it placed second to the strong Lock Haven squad.

As the meet is a part of the Moving-up Day program, the Frosh must do their best to make the day a success by taking the high school lads into camp.
