

Prof. Clawson

## ATTORNEY RENWICK DELIVERS STIRRING ADDRESS, THURSDAY

Characterizing the civilization in which man lives as "the greatest in the history of the world," District Attorney Walter Renwick of Allegany County, in an address to the student body last Thursday said: "Our ancestors have produced the principles and wonderful civilization in which we live. You are not living up to your advantages if you do not make the world a better place in which to live. The world belongs to the living and you have the right to enjoy the fruit but not to impair the substance. The torch has been handed to you. It is your duty to carry on."

Attorney Renwick gave his views on law enforcement and the younger generation. He laid particular stress on the difficulty of law enforcement, claiming it due to the American idea that defendants in all cases are presumed to be innocent. He described a particular incident in which the testimony of objectionable persons could not even be criticized by the attorney and pointed out that this incident would have released a man who had committed murder. Decrying this fact, Mr. Renwick went on to speak of the "sob sister" and chance beggars. He summarized the situation by saying that it is almost impossible, at the present time, to convict a criminal. The blame for this lay with the jury, he stated.

"Character counts for everything in the court room," said Attorney Renwick, "and he who prides himself upon being a law breaker is not what he ought to be." Leading to the question of the youth of today, Mr. Renwick asked the student body, "Do you believe that the young people are going to the devil pretty fast?" His question was answered with 500 Alfred "No'es" "Neither do I," smiled he. The speaker went on to say that the youth of today is better and clearer-minded than the generations of yesterday. Much sound logic and humor made Attorney Renwick's address to the student body one of interest and enjoyment.

Previous to the assembly proper, Lee Armstrong and Jack McGraw were received into Phi Psi Omega, in recognition of their high scholastic standard and activities on the campus. Daniel Klinger, fraternity president, and five members installed the new members with due ceremony.

## Cheers Resound From Hall At Pep Meeting

Students gathered at Alumni Hall for the first pep meeting of the year, Thursday night. Fine spirit was shown by the students as they followed the cheer leaders in songs and yells. Arnold Bookheim, head cheer leader, outlined the text of each yell. The Freshman pair, Harry Mahnenk and Shorty McCourt; Mary Rogers, Frances Green and Edwin Alford led the group in many cheers.

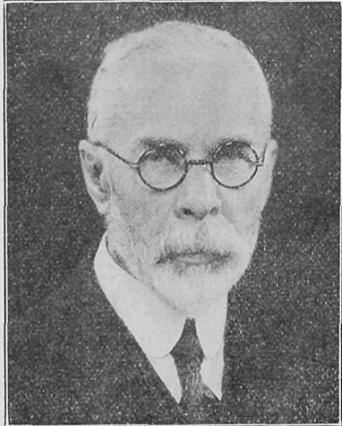

## Arthur Baggs Has Advanced To High Positions Since Leaving Local Institution

The success of the alumni of Alfred University is always interesting to students. One of the foremost of these is Arthur Baggs. While attending the New York State School of Ceramics at Alfred, he was offered a position in a sanitarium at Marblehead, Mass. In a short time he purchased the sanitarium and changed it into "The Handcraft Shop," where some of the most artistic pottery in the United States is displayed.

About two years ago Mr. Baggs was offered a position in Cleveland as associate ceramist with R. Guy Cowan of the Cowan Pottery Studio, Rocky River, Ohio.

During the second year he accepted

## EXHIBITS VASE

Dr. Charles F. Binns

## DOZEN CASES COME BEFORE COURT, ALL BUT ONE CONVICTED

The Campus Court had an active session at its weekly meeting last Tuesday evening. The offenders were for the most part those who did not register for Campus Duties at the required times. They were: Frank Valenti, Stephen Patterson, Ernest Burdick, Francis Gagliano, Thomas Havens, H. Reiter, Carlton Sixby, Melvin Spaulding, and Harold Spencer.

They were sentenced to extra campus duty when not in extra curricular activity.

Samuel Kaplan failed to tip his cap to upper classmen and to precede them in entering buildings. This is not the first offense. The penalty inflicted was a paddling. His fine was suspended.

Louis Lipschitz was charged with having been seen in front of Babcock Hall without Frosh cap. Due to an error in the report which did not state which Lipschitz it was, he was excused.

Miles pleaded guilty to the charge of smoking in the Box of Books, and was given the usual penalty for the offense, a paddling and a fine of 50 cents. The paddling sentence was suspended.

## Dr. Charles F. Binns Attends Church Meeting in Washington

For the first time in many years Dr. Charles F. Binns was not here to lead the regular Sunday afternoon services at the Gothic. He left primarily to attend, as a visitor, the General Convention of Episcopal Churches which is held once every three years at Washington, D. C. It is expected that there will be about 10,000 visitors present.

On this trip Dr. Binns visited his daughter, Mrs. Bonnet, at Ridley Park, Pa. He left Washington this morning for the International Exhibit of Ceramic Art at the Metropolitan Museum of Art in New York, where the American Federation of Art is exhibiting one of his vases. Probably he will return to Alfred, Wednesday.

## DR. BINNS GIVEN PRAISE FOR VASE WITH EXHIBITION

Indirect association with great skill and beautiful conception of form does not make local students oblivious to its presence, but it often lessens the keenness of appreciation until they realize its popular acclaim.

Every Alfredian knows that the Ceramic School, under the direction of Dr. Charles F. Binns, has been producing exquisite pieces of workmanship. It remained for the opening of the Metropolitan Museum to call the attention of the world to this fact.

A stoneware vase submitted by Dr. Binns, has been received with praise.

The Times said, "a stoneware vase by Charles F. Binns, at once, scholar and practical potter, . . . is both designed and executed by the artist and bears the imprint, in varying degrees, of definitely personal taste."

This piece was made on the wheel and designed after the Ming shape, a favorite of Dr. Binns. The glaze is called by him "hare's fur" and has a light spray of chestnut and blue on its surface.

When the exhibition at the Metropolitan Museum closes Oct. 28, the pottery will proceed on a lengthy itinerary. The Pennsylvania Museum and School of Industrial Arts, Philadelphia, will exhibit it from Nov. 12, to Dec. 9; the Minneapolis Institute of Arts, Minneapolis, from Dec. 27 to Jan. 30, 1929; the Cleveland Museum of Art, Cleveland, from Feb. 21 to March 21; the Baltimore Museum of Art, Baltimore, from April 8 to May 4; the Detroit Institute of Arts, Detroit, from May 20 to June 21; the Newark Museum Association, Newark, from June 24 to July 21; the Carnegie Institute, Pittsburgh, from Aug. 12 to Sept. 9.

## CERAMIC SENIORS VISIT MANY PLANTS DURING WEEK END

Senior ceramic students made a trip to the Lapp Insulator Company's plant at Leroy, and to the Tailor Instrument Works and the Rochester Cooperative Foundry, Saturday. This was the first inspection trip of the season.

The next one is scheduled for Friday and Saturday. They will visit the following plants: Buffalo Shale Products, Buffalo; Jewettville Products Co., Orchard Grove; American Radiator Enameling Plant, Buffalo; Hall Fire-Brick Co., Buffalo; Buffalo Pottery Co., Buffalo; The Carborundum Co., Niagara Falls; and Lackawanna Cement Works, Lackawanna.

## Biological Society Holds First Meeting, Wednesday

In order to organize and to make plans for the ensuing year, the Alfred Biological Society will hold its first meeting of the semester Wednesday evening, at 8:00. All members are requested to be present.

## FIAT LUX CALENDAR

**Today:**  
Junior Class meeting, Babcock Hall, 7:15 p. m.  
Campus Court, 9 p. m.

**Wednesday:**  
Union Church choir, Community House, 7 p. m.  
Seventh Day choir, Music Studio, at 7 p. m.  
Fiat Lux staff meeting, Fiat office, 7:15 p. m.  
Biological Society meeting, 8 p. m.

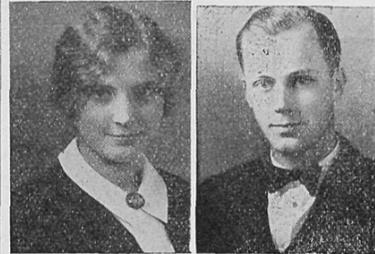

**Thursday:**  
Assembly, 11:30 a. m.  
Eta Mu Alpha meeting, Pi Alpha house, 8 p. m.  
Klan Alpine house party.

**Saturday:**  
Varsity football vs. Niagara University at Niagara Falls.  
Varsity cross country vs. Cornell University at Ithaca.

## ALFRED SCORES AGAINST JUNIATA; JINX FOR NON SCORING GAMES BROKEN

Captain Fredericks and Staiman Cross Goal Line In Second Half—Home Team Wins After Blocking Punt—Fails to Kick Goals.

## MARRIED IN BATH

Mr. and Mrs. Ross W. Robbins

## POPULAR COUPLE OF CLASS OF '28 ARE MARRIED SATURDAY

At a quiet service in the home of the Rev. George H. Allen Jr., pastor of the First Presbyterian Church of Bath, Miss Tillie Breeman and Ross W. Robbins, both of Alfred, were united in marriage Saturday evening, at 7:30 o'clock.

The couple was attended by the bridegroom's brother, Burr Robbins, and his fiancée, Miss Gertrude Raynsford.

While the two had been engaged for some time, they carried out their plans Saturday night without the knowledge of most of their friends. They applied for their marriage license at the office of Frank Crumb, town clerk, Friday.

Mr. and Mrs. Robbins were graduates of the class of '28, and were prominent in student activities. Mrs. Robbins was a member of Theta Theta Chi sorority; Mr. Robbins was president of the Student Senate, and of his fraternity, the local chapter of Theta Kappa Nu.

The bride will continue her teaching in the Dalton High School. Mr. Robbins is affiliated with the New York Telephone Company in Buffalo.

## Honorary Frat Elects Twelve To Membership

Eta Mu Alpha held its first meeting of the year last Tuesday evening at the Brick. The fraternity elected the following to membership: Seniors—Charles H. Field, Clarice M. Thomas, Betty J. Whitford; Juniors—William L. Fabianic, Bernice R. Graves, Helen M. Hammond, Ruth V. Hunting, John F. Leach, Harriette J. Mills, Margaret M. Perkins, Florence Ploetz, and John R. Spicer.

The initiation will be held at Pi Alpha Pi sorority house Thursday evening at 8 o'clock. Eligibility for membership is based on scholastic standing. A Junior must attain an average of 2.4 index for two years and a Senior 2.2 for three years.

## Campus Personals

President Boothe C. Davis left Saturday afternoon for a Board of Trustees meeting in New York City Monday. Dr. Davis stopped over Sunday in Elmira, where he delivered a sermon at the Park Congregational Church of that city.

Dr. J. M. Norwood addressed the Allen Civic Club of Alfred, Oct. 8, on the current political questions. Dr. Norwood selected as his topic "Duties and Issues of the Coming Presidential Campaign."

Demonstrating real offensive power against Juniata College at Huntingdon, Pa., Saturday, the Varsity football team crossed the opponent's goal line twice to break a string of 13 consecutive scoreless games. Captain Dean Fredericks and Marty Staiman bucked the Indian's line for touchdowns in the second half but the team suffered defeat 13 to 12.

Alfred completely outplayed Juniata throughout the contest but was unable to cross the goal line when they threatened. Penalties at such times, proved disastrous and twice Alfred was forced back by questionable commission of errors when within the ten yard line.

Captain Fredericks was the outstanding star of the game by his stellar playing and his brainy leadership. Once in the last of the first half and again early in the second half, the youthful captain slipped away for long runs, only to be stopped by the safety man.

Juniata started off with a lead of seven points in the first quarter. After taking the ball on downs from Alfred, a forward pass from Barry to Andrews carried the pigskin over the goal line for a touchdown. Barry added the extra point.

In the second stanza, Alfred started a drive down the field but was stopped within the shadows of the home

Continued on Page Three

## SOPHS GIVE FINE PARTY FOR FROSH AT CLASS PARTY

The verdant Freshmen were entertained by the "high and mighty" Sophomores at a dance party which was held in the High School gymnasium Thursday evening. Music was furnished by the Bradford Collegians.

Two class banners diffused lighting effects and many floor lamps served to add color to the party. Several tables of bridge were provided and those not dancing spent the evening out-bidding each other at bridge.

Entertainment was provided by a quartet consisting of Robert McMahon, Paul Maroney, Paul Kelley and J. Wilbert Carr, who sang, "Who," "Mummy" and "That's My Weakness Now."

Student chaperones were Paul V. Gardner, Gordon E. Lewis, Clarice M. Thomas, Ruth P. Greene, and Betty Whitford. Dean Dora Degen, Professor and Mrs. Rodney W. Frary, Elizabeth Selkirk and Professor Elva Starr represented the faculty as guests at the party.

## Footlight Club to Give Farce Before Christmas

The Footlight Club is well on its way to another successful year. This organization plans to have regular meetings at which they will outline their program for the year. At present the club is looking for a suitable farce for presentation before the Christmas recess. These roles will be open to the entire school.

## MISS HELEN POUND MARRIES AT NANUET

Another of Alfred's alumnae entered the ranks of matrimony. On Oct. 5 when Miss Helen Elizabeth Pound of Nanuet, was married in that city to Norman Insley. Miss Pound was an active member of the class of '27.

### Welcome to the Victors

Our football team returned to Alfred not a loser but a victor. For the team had fought and broken the spell—that list of 13 consecutive scoreless games in which the spirit of the squad and the student body backing it had been lessened to a point where it was doubtful that Alfred would ever rate in the scoring column.

It was not entirely inside forces that were eating out the vitality of the eleven. Of course, there were a few students who could not see themselves being associated with a team that held such a unique record.

The greatest forces that worked against the Purple and Gold were some of the so-called sporting critics who did not see a hope or chance for Alfred. They took every opportunity to blacken the name of the University. If the fact be known, many of these writers never were graduated or even attended a school of higher learning. Of those that did, few ever went out for a football team. And yet they consider themselves experts enough to paint a very, very black picture of athletic conditions at Alfred.

But then take these same sport writers and ask them about any of the other sports at Alfred. They are ignorant. They feel that such a small college should not get any recognition for the honor and glory that they deserve when they lower the colors of larger schools.

Ask them the achievements of the cross country team. They do not know that Alfred has one of the best barrier squads in the country. They do not know that on the same day that Alfred lost to Juniata, the hill and dalers were taking Springfield College into camp which is one of the first teams in New England. They do not know that Alfred is the only team that has ever beaten the University of Maine, always among the leaders in the I. C. A. A. A. A., on its home course in nearly 30 years.

Ask these same sport critics about the success of the wrestling teams and of the track team. They profess ignorance and yet they rate Alfred as a minus quantity athletically.

Of course, there are a few that will take all sports into consideration and give credit where credit is due. But these real critics are few and far between.

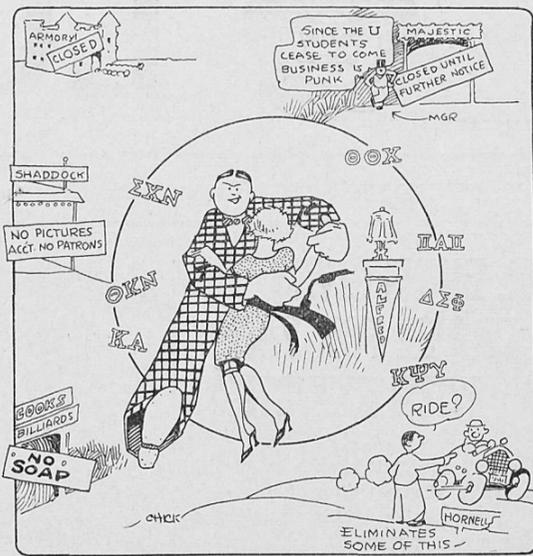

Alfred as a rule does not offer excuses for defeats. Sometimes the students believe that they have gotten a raw deal but on the whole they try to do their best and work for better times ahead.

A new day is dawning for Alfred in football activities. The crisis is passed and a start on an upward trend is made. The way will be rough and hard but with renewed spirits and a fighting determination, the Royal Purple and Old Gold will float among the highest.

A word to the wise should be sufficient—Frosh do not jump across the grass between Main Street and the sidewalk.

A new football song has been proposed. Although it is used by several schools, it is appropriate for Alfred.

### Hornell Habit's Waterloo

A new plan is to be introduced on the campus but the parties backing the proposition have thought it advisable not to reveal the nature of the plan until all details have been completed. And yet, nearly every student on the campus knows about it. For the past week or so, it has been the talk of the fraternity and sorority houses, the boarding clubs and meeting places.

The representative of the Student Life Committee is planning to extend to the student body in assembly, Thursday morning, the proposition of open houses at fraternity and sorority buildings on Saturday nights. The plans of the committee have been completed and now it will be handed to the student body.

How will the students accept the plan? Many of the men and women have heard just a few facts about it and have filled in the rest. When such a plan is kept under cover for some time with a few facts having leaked out, people will begin to doubt the sincerity of the matter and soon will condemn it although they do not know the whole proposition.

Let no student take this attitude on this plan. Before passing judgment on it, be sure that all the facts are known and clearly expressed. To those students who know all the details so far arranged, it has met with general approval.

The plan will be of one of the greatest progressive plans introduced on the campus in several years concerning student activity. It is a fact that the town is dead over the weekend and those that can, turn toward Hornell for pleasure. The nearby city offers many clean entertainment. The new plan may not cause such an extreme as pictured above to such places of clean entertainment, but it will prove an attraction from undesirable places that are located near Alfred.

### Have You An Opinion?

During the past few years, it has been the policy for the Fiat Lux to devote a column to the use of the students for the expression of their opinion. Yet none have availed themselves of this opportunity so far this year.

As in any newspaper, the only regular column for opinions is in the editorial column and this is for the use of the editor and anybody selected by him. It is the endeavor of the newspaper to keep personal opinions from the news columns. While mulling over the news copy, the editor comes upon some idea that is not news but is of value to the reader.

In the best manner possible he expresses this idea and prints it as an editorial. It is purely his opinion and belief, set by a careful survey of the campus.

Everybody else on the campus has his or her opinions also. Most of the time these opinions are cast aside. But they, in many cases are of value to the student life. They may give the lead to the solution of some problem that has been baffling authorities. At any rate they are helpful.

The Fiat Lux would be glad to publish any printable opinion dropped in the Fiat box in the restaurant. The paper should be signed by the writer but the name will not be printed and will be known to the editor only.

### WHEN THE BILLS WERE ISSUED

By Peter

Before attempting the grind of writing a column of chatter my formula was this: get a few sayings from different people, a few jokes and a few other words, put them together and there you are. But even the greatest of men are sometimes surprised.

It was Friday night when many a heart was disappointed, broken, sunken, fractured, shattered, weakened or whatever other word you may want to use. Lines of students made a mad rush for the Post Office for their evening mail.

"Oh did we get some mail?" asked one little girl.

"Goody, goody!" exclaimed her friend.

They turned the combination and opened their mail box—but only to find a bill from the University.

"Put it back," suggested one. And back it went—but it'll come out again!

A pre-med student opened his letter. He looked and said, "Gee, can you beat that, I got billed for \$..... Well, that's a mistake, I'm sure."

When a Frosh looked at his semester bill he said forcefully, "Gosh, I wish I had taken ceramics."

"And to think that this comes only once a semester," cheerfully popped in a Soph.

"What so soon?" asked a Junior as he glanced over the items with which he was charged. "Gee, I must be wrong in my dates and could that be right?"

A dignified Senior stepped up to his mail box. Nonchalantly he worked the combination and with his steady hand pulled out his letter saying, "The thrill is all gone by the time one becomes a Senior."

# VARSITY RUNNERS TAKE HARD MATCH FROM SPRINGFIELD ON FOREIGN TRAIL

Zschiegner Leads Purple to 25 to 30 Victory Over One of Best Teams in East—First Nine Men Place Within 59 Seconds.

Over a comparatively flat six mile wooded course the Purple and Gold fought to wrest a 21 to 30 victory from the Springfield College harriers, at Springfield, Mass., Saturday. The finish was close with a man from each team alternating as he came to the tape and victory was in doubt until May, of Alfred, crossed the line in ninth place, 59 seconds behind the winner.

The Springfield hill and dalers took a fast start with Getz in their midst. After the first two miles, the runners spread out with an Alfred man picking an opponent and sticking with him. Getz forged his way slowly to the front.

As the runners entered the next bit of forest, the visitors encountered nearly more opposition than they could overcome. The ground was soft and the strangeness of the course kept them ever on the alert against the dangers of falling or losing their course. Getz became lost and dropped back into fifth place. Zschiegner and Green, the colored Springfield captain, then started a fierce and bitter fight for first place which was undecided until the thrilling finish which the former won by a few scant yards.

Newlands finished third with Mitchell of Springfield close behind. Captain Getz trimmed Bennett at the tape with Boulton bringing up in seventh place. Babcock of Springfield, placed eighth and May of Alfred, decided the issue by capturing ninth, closely followed by Galizio.

Summary: Zschiegner, A, first; Captain Green, S, second; Newlands, A, third; Mitchell, S, fourth; Captain Getz, A, fifth; Bennett, S, sixth; Boulton, A, seventh; Babcock, S, eighth; May, A, ninth; Galizio, A, tenth; Fielding S, eleventh; Bowen, S, twelfth; and Swift, S, thirteenth.

# FROSH HARRIERS OPEN SEASON IN 12 TO 24 VICTORY

The Alfred Frosh cross country team easily defeated the Whitesville High School hill and dalers, Friday, to the tune of 12-24. Not once during the long grind was the outcome in doubt. Vance took the lead early and held it to the finish. Soon after that Ward and Thomas, also Frosh, scored in a tie for second, then came the first two of Whitesville's runners, Grantier, and Pritchard.

Whitesville, while running a losing race, showed real talent and game fighting spirit. Seven Alfred runners were entered and four Whitesville runners, the latter finishing among the first eight.

Summary: Vance, A, first, 19 min. 25 sec.; Ward and Thomas, A, tied for second; Grantier, W, fourth; Pritchard, W, fifth; Nobbs, A, sixth; Ainsworth, W, seventh; Baker, W, eighth; Saltzman, A; Lipschitz, A; and Weinberg, A.

### Standing Near The Library

Freshmen tipping their green caps. Girls saying, "Hello." Students carrying piles of books. Tom Havens yelling, "Horsey-tail." Miss Betty Rogers wearing her usual big smile. Captain Dean Fredericks talking about the football game. Varsity harriers glad over their fine showing at Springfield. Miss Florence Schubert and Miss Henrietta Burdick together.

Dog hurrying to get across the street. Seniors carrying canes. Sophs still talking about proc fight. "Leapin' Leana" making its way down Main Street. Fellows commenting about that good Frosh team.

And time rolling its ceaseless course!

### Honor System

It can plainly be seen that Alfred is not the only college having difficulty in impressing the Freshmen of the importance of being honest. St. Lawrence has adopted lectures as one means to bring about honesty.

### SCORES FIRST POINTS

Captain Dean Fredericks

## Alfred Scores Against Juniata; Jinx for Non Scoring Games Broken

Continued from page one

team's goal. Horley punted the ball to midfield and neither goal line was threatened for the rest of the half.

Both teams returned in the second half with great fighting combinations. Soon after the start of the period, Alfred began a march that resulted in Fredericks going over the line for the touchdown—the first for Alfred since late in the 1926 campaign. Alfred failed to kick the goal.

Juniata with their opponents fighting with greater spirit, unleashed a terrible offense. Holsinger and Laperte got off with a twenty-yard end run a piece but the Purple stopped the drive with their backs to the wall. Alfred held for downs and took the ball. When the visitors tried to punt out of danger, Juniata blocked the kick and Miller carried the ball over for a touchdown.

With the score 13 to 6 against them, the pets of Coach Heers made a desperate attempt to win. After a series of line drives and forward passes, Staiman plunged through the Indian's wall for a touchdown. Alfred's attempt for another score was successfully battled by the Juniata defense.

Score by quarters:  
Alfred 0 0 6 6—12  
Juniata 7 0 6 0—13

### Another Correction

Mistake follows on the wings of error, and the Fiat Lux seems to be no exception.

In a short article in last week's issue of the Fiat Lux, a correction was made relating to an error committed the previous week in the report concerning the indices of Alfred car owners. The original mistake was rectified, but another was made. The correction is a total of 24 persons who owned and operated cars in Alfred last year recorded indices below 1.0.

# FROSH WIN 18-13 OVER SMETHPORT IN FIRST HOME MEET

Alfred's yearling team won its first home football game of the season by defeating Smethport High School 18-13 in a fast contest at Merrill Field Friday afternoon.

The game was characterized by clean, swift playing on the part of both teams. The accuracy and success of the Frosh forward passes, despite Smethport's alertness in trying to block them, was excellent. Smethport, on the other hand, made most of their yardage by end runs.

The first few minutes of playing looked dark for the Frosh, Van Dusen of Smethport going over for a touchdown soon after they obtained the ball. Then the Frosh settled down to a consistent, though not always successful, series of forward passes, interspersed with end runs, which netted them three touchdowns in the first three periods. In the last period Smethport pushed their way across the Frosh goal line and made their last six points with only a few minutes to play.

While Smethport punted out of danger on several occasions, the yearlings were not forced to punt during most of the game, and their only punt was made in the last five seconds of play.

Mooney, Chubb, and Delaney starred for the Frosh, while Van Dusen and Petruzzi did good work for Smethport. Bretschneider played with a bad leg injury. Monks was severely hurt.

Summary:  
Pos. Frosh Smethport  
L. E.—Haven Hockenberry  
L. T.—Lockwood Vreeland  
L. G.—Keats German

# SPORT LIGHTS

By Gym

The Alfred harriers can add another feather to their caps after the Springfield victory. Springfield, the team that beat Yale last year, is pronounced by many newspapers as having the best team that ever graced the Springfield colors over a cross country course.

What is there in a name? With all the Rich's in the poorhouse, Swift, of Springfield, had to add to the puzzle by finishing thirteenth—and last, in the cross country meet with Alfred last Saturday.

When football fans say that the Frosh won an uphill battle Friday against Smethport, they are right in more ways than one! Believe it or not, the west end of Merrill Field is three feet, ten and a half inches higher than the end next to the field house.

The Colgate meet, scheduled for this Friday at Alfred, was cancelled and now the cross country team can rest up for the Cornell meet at Cornell on Saturday. The meet with the Army has been definitely settled for the Wednesday before the Middle Atlantic meet.

Alfred is in danger of losing its "honor" that it won last year. The Navy looks like it is headed for that record of no score during the season. So far in three games the Middies have not scored.

Fate was against the Purple Varsity at Juniata, but the boys did break through into the scoring columns. Now all they have to do is to win a game.

### Faculty Personals

Professor Clara K. Nelson returned about a week ago from Bethesda Hospital, Hornell, after an operation for appendicitis. It will probably be several weeks before Miss Nelson will be able to resume her work with the Ceramic School.

Professor Elva E. Starr entertained a few students at a delightful bridge at her apartment on Saturday afternoon. The guests were, Mary Brown Allen, Margaret Behm, Ilde Pels, Margaret Skinner, Frieda Smigrod, Betty Smith and Garnett Blackmore.

## DON'T BE SIL!

At least don't allow yourself to be made silly looking by an amateur hair cut. Would you let a steam-fitter cut your clothes? Then why let an engineer cut your hair?

Our workmanship is professionally correct. We know the modes, and how to execute them.

Just call 98 on the 'phone and make your appointment any day except Sunday.

## CAMPUS PERSONALS

## THETA THETA CHI

Professor Harriet Peake, Mrs. Rodney W. Frary, Marie Hunt, Ruth P. Greene, Betty Cartwright, Henrietta Burdick, Florence Shubert, Helen Lawson, and Leona Hicks were dinner guests during the week.

Helen Potter of Bolivar was the guest of her sister at the house this week.

Ruth Whitford, Kay Keller, Grace Hutchinson and Mary Turner rejoined the ranks of the "red house on the hill" once more.

Dre Breeman and Frieda Smigrod were overnight guests.

Theta Chi wishes to announce that the house cat's name is Petunia.

Theta Chi and Theta Nu enjoyed dancing privileges jointly Saturday night. Note: the latter part of the evening was spent—also jointly—at Morgan Hall.

## KLAN ALPINE

Klan Alpine announces with pleasure the pledging of Edward Cauger '31.

Just at present the object of greatest interest at the house is the new Victor-Orthophonic Renaissance model which was purchased last week.

Thursday evening there will be an informal party and dance for the boys and their girl friends.

Now that the dining-room floor has been scraped and refinished it will be the turn of the library and living-room floors.

## KAPPA PSI UPSILON

The boys are getting used to the hill—no more stiff legs.

Rapid developments—Korsgan no longer falls upstairs.

The house orchestra will soon be running competition with Paul Whitman—hot stuff.

"Moon" Spaulding, "Bill" Northup, and "Dale" Lockwood were dinner guests last week.

## THETA GAMMA

Theta Gamma house opened Oct. 7, after the repairs of the Summer. The house shelters nine old and thirteen new members.

## THETA KAPPA NU

William Davison, Dale Lockwood, Burton Chubb, William Fuller, Don Tillotson, and Jimmie Murphy were dinner guests at the house this week.

Theta Nu wishes to announce that the house cat's name is Begonia.

Syd Leonard dropped in from Buffalo Thursday.

Jack Lahr '25, with his cross country team from Whitesville High School visited here Friday.

## PI ALPHA PI

Janet Reamer, Pauline Smalley, and Helen Parry were dinner guests Tuesday evening.

Hornell has a mysterious attraction for Margaret Young.

The Wednesday night privilege was a great success this week.

Alice Holbert was a weekend guest of Margaret Voorhies '28.

Helen Stuart '28, visited the house Friday.

Hazel Mott was a guest Friday night.

## PURGATORY

"Bob" Hoehn and some of his friends from Rochester honored the boys with

## SIX CHAPERONES NAMED BY S. L. C. FOR FIRST TERM

In general accord with the precedent established last year, the Student Life Committee has endorsed the system of student chaperones at college parties and has selected those who will act in this capacity during the first semester of the year 1928-29. The persons chosen are: H. Marguerite Barmore, Ruth P. Greene, Betty J. Whitford, Gordon E. Lewis, J. Wilbur Turner, and Paul V. Gardner.

The number of members of the chaperone committee has been increased from four to six because of difficulty encountered last year when certain of the members were unable to be present at college social functions. It is felt that the increase will allow sufficient leeway to assure the presence of at least four chaperones at any party.

## Ceramic Fraternity Plans Program for Coming Year

The initial meeting of the year for Beta Pi Kappa, honorary ceramic engineering fraternity was held at Klan Alpine house, Wednesday evening. An active program for the year was planned. The officers for the year are Dean H. Fredericks, president, and Walter T. Hulse, secretary.

a visit Sunday night. They were entertained by "Rudy" with his "I'll tell ya in a minute" telephone calls. He retains that natural charm, even while conversing with sceptical women.

"Mike," the dietician and cook, keeps the athletes of the house on their feet—except Carl Sixbey, who prefers to be on his back until it's too late for breakfast.

## SIGMA CHI NU

Sigma Chi Nu started the tea ball rolling by acting as hostesses to the girls who entered Alfred this Fall, Friday afternoon from 4 to 6 o'clock. Professor Beulah N. Ellis, Mrs. Cortez, R. Clawson, Professor Eva Ford, and Daisy Fairchild, '28, presided at the tea table.

## SORORITY GROUP INTRODUCES NEW PLAN FOR WOMEN

A distinct step toward building up a more intimate relationship between the various sororities, the Brick, and non-dorm residents was taken last week when guests were exchanged between the houses Thursday evening. The plan, sponsored by the Intersorority Council, provides that two non-sorority women and a representative of each sorority group shall be entertained at the individual houses at dinner Thursday evenings.

The plan, enjoyed by guests and hostesses alike, promises to fulfil its constructive purpose of unifying the co-ed group of Alfred's campus.
