

HOME COMING DAY TO BE RECORD CELEBRATION

Alfred does not forget. The greatest preparations in years have been made this fall for the return to their Alma Mater of Alfred's hundreds of alumni on the week-end of October 18. During the summer the physical appearance of the campus was greatly improved by the regrading of the lawns, the smoothing of the walks, the setting up of ornamental fences along the drives, and by the completion of a new Industrial Mechanical building.

Alfred's greatest preparations have been made athletically and socially. On the afternoon of October 18, the varsity plays Juniata in a game that promises to be hard fought and very close. There is also the possibility that a game may be scheduled for the Frosh team, making a double header—a whole afternoon of football.

There will be, of course, the meeting of old friends, the visiting of the old fraternity houses, and reminiscences of the "good old days." There always are when old friends get together. To further this spirit an alumni banquet will be held at Hill's Coffee Shoppe at 6:15 on Saturday, the 19th. Meet your brother alumni there.

The same evening fraternity dances will be held in the various houses. Committees have worked to make the week-end a gala affair. The games will be good, the return of friends the same, and the spirit of revelry the best of all. LET'S GO!

Alfred Students Figure In Automobile Crash

More casualties occurred enroute to the Rochester game than the match itself produced; five students; William Murray '31; Irving Kaufman '31; a transfer from Long Island College; James P. Morris '31 driver of the car; Lawrence W. Callahan '32; and George T. Gilleran '31 were in an accident which occurred Saturday on the Dansville road five miles from Arkport. The driver of the car immediately ahead of Morris turned left into a driveway with out giving any signal; in order to avoid a head on collision, with this auto which was directly across the road, Morris swerved with it and ran up the driveway. He could not apply his breaks however for fear of skidding into the other car and consequently crashed into the barn sideways, tearing down a scaffold and driving its boards through the car roof.

An X-ray by Dr. Mitchell of Hornell showed that Kaufman's collarbone had been pulled away from the shoulder; Callahan had a cut over the eye which necessitated doctor's care; Murray received an injury to the knee; and Morris was cut over the eye; Gilleran was unhurt. The injured are already convalescing and no serious after-effects are expected.

Traditional Proc Contest Ends In Thrilling Match

Five o'clock Tuesday morning, enthusiasm pitched high when the Class of '33 discovered that the first Proc had been posted. The Frosh assembled in front of Kanakadea Hall like a swarm of bees and, shouting, made a rush for the Gothic where the Sophs were awaiting for the first advance. The "Frosh" arrived!—there was a slight pause—and then an onrush from both teams.

Six o'clock came and there was an

SEND-OFF PEPPY

About forty "peppy" Alfredians assembled at the post office Saturday morning at 8 o'clock to give the team a final send-off. Judging by the cheering which echoed across the campus the team received an encouraging last "slap on the back," while those who did the rooting found the exercise the best "daily dozen" yet.

INTERFRATERNITY COUNCIL CHOOSES NEW OFFICERS

Tuesday night the first meeting of the Inter-Fraternity Council was held at the Theta Kappa Nu house for the purpose of electing officers. William Young was elected president of the council; Emil Zschiegner, vice president; Leland Armstrong, secretary and treasurer.

The next meeting of the Inter-Fraternity Council will be held at the Klan Alpine house, Wednesday evening, October 9, at seven-thirty.

S. L. C. UNDERTAKES DUTIES OF YEAR

The Student Life Committee, holding its first meeting of the semester on Tuesday, Oct. 1, elected John F. Hambel, chairman and Annette P. Clifford, secretary. This committee, organized for the purpose of securing a greater student participation in the control of social policies, has operated successfully for one year. The personnel of the committee for the coming year is as follows: Dean J. Nelson Norwood, Dean Dora K. Degen and Annette P. Clifford elected by the Faculty. Those elected by the students are Prof. I. A. Conroe, Prof. Ildra A. Harris, John F. Hambel and Leland R. Armstrong.

Dean Dora K. Degen and John F. Hambel were selected to arrange the social calendar of the coming year. This will be completed in the near future and posted in the Fiat.

Student Senate Awards Proc Victory To Sophs

At the meeting of the Student Senate called by President Jack McGraw last Wednesday, it was decided that the Footlight Club would be empowered to call on freshmen for duty whenever there is need.

A decision on the winning of the Proc contest was also reached, the victory being awarded to the Sophomore Class.

The members of the Hygiene Committee elected from the sorority and fraternity houses are:

Theta Theta Chi	Ruth Potter
Pi Alpha Pi	Margaret Young
Sigma Chi Nu	Myrtle Harding
Brick	Natalie Sheppard
Theta Kappa Nu	Clark Whitman
Klan Alpine	George Hill
Delta Sigma Phi	Wilfred Rauber
Kappa Psi Upsilon	Alfred Perry
Burdick Hall	Not elected yet.

The first meeting of the committee will be held at the Infirmary, Tuesday night, at eight o'clock.

Lawyer of Note To Deliver Assembly Speech Thursday

Mr. Ward M. Hopkins of Cuba, N. Y., will give the Assembly address next Thursday. Mr. Hopkins graduated from the Michigan Law School in 1921 and now has the distinction of being the Republican nominee for district attorney from Allegany County. Throughout Western New York he has earned for himself an enviable reputation as a speaker, so his presentation will be awaited with interest.

CLASSES HOLD ACTIVE BUSINESS MEETINGS

At a meeting held Tuesday, October 1, the Junior Class elected Austin Schullstrom as chairman of the Junior Follies. Paul Maroney, as chairman of the entertainment committee, will have charge of all class social functions except the Junior Prom and Kanakadea Banquet.

The Sophomore Class elected in a past assembly meeting Tom Servatius treasurer to fill the vacancy of Burton Chubb. The following nominations were made for class editor of the Kanakadea, Betty Rogers, Bob Hoehn, Shirley Travis and Lewis Beyea. Plans for the Soph-Frosh Dance were discussed, the date of which has not yet been set.

Assembly Pep Meeting Arouses Enthusiasm

The regular college assembly, Thursday, October 3, was given over to a "Pep" meeting in anticipation of the Alfred-Rochester game. The program was in charge of Jack E. McGraw, President of the Student Senate.

Coach E. A. Heers, who was the first speaker on the program, gave a short talk on the prospects of Saturday's game. According to the Coach, Rochester was looking forward to a tough game and he was sure that the Alfred team would not disappoint them. He asked for the co-operation of the students in helping him to build up a team, and especially, to give a little encouragement to the "man on the bench", who because of a lack of appreciation, tends to drop out of the squad. Another point stressed by the Coach, was the fine support shown by the students to the team. He declared that the student body was giving a one hundred percent backing and the school spirit shown this year was the best since his connection with the college.

Leland R. Armstrong, President of the A. A. and Captain of the football team, voiced like sentiments.

President Davis also spoke a few words on the athletic situation, and in conclusion, said that in his estimation the support tended by the students this year was perhaps the best in the history of the University and if this spirit were of importance in winning a game, then Alfred should come through the session with flying colors.

SCHOLASTIC FRATERNITY SENDS OUT INVITATIONS

At a meeting of Eta Mu Alpha held Tuesday evening, October 1, plans were made for the coming year, and new members were voted into the organization. Bids were mailed to Marion Hardy, Perry Elkin, Lois Rice, Frederick Mueller, Garnett Blackmore, John Gallup.

Initiation will be held at the Delta Sigma Phi house Wednesday night, October 9.

BIOLOGICAL SOCIETY TO ELECT HEAD

The initial meeting of the Biological Society was held last Wednesday. Since Lawrence Cranston, president-elect, did not return this year, Margaret Young and Irwin Cohon were nominated to fill this vacancy, the election to take place at the next meeting.

A new type of shingles, or diploma of membership was introduced by Harold Gullbergh and adopted by the Society.

The next meeting is to be held on Wednesday, October 9, at 7:30 in the Steinheim. At this time, plans for the coming year will be discussed.

Athletic Governing Board Fills Important Offices

The first business meeting of the Alfred Athletic Association was held on Tuesday, Oct. 1. At this time several important elections were held. The results are as follows:

- Marjorie Travis—Manager of the Jumph Fund.
- Frances Greene—Head cheerleader, having the power to call and preside over all Pep meetings.
- Patrick Orvis and Duane Anderson—Alumni members of Athletic Governing Board.

WEE PLAYHOUSE MEETS; READS PLAYS

The Wee Playhouse Players, fourteen brave souls who ventured forth into the downpour, met at Miss Hazel Humphrey's on October 2. Miss Hewitt, the president, held a business meeting, after which a very amusing play by Kelly, "A Single Farce", was read in parts. Refreshments were served.

The next meeting will be held at the Brick under the leadership of Mrs. Middaugh and Miss Conover.

Clark Badly Injured; Probably Barred from Future Games; Delaney Shows Up Well in Initial Appearance on Team.

Rochester completely outclassed the Purple in every phase of the game except passing and kicking at Rochester Saturday, and rolled up a 27-0 score. The locals displayed a fighting team that kept on playing heads up football until the final whistle.

Rochester scored once in each quarter after a drive down the field, interspersed with end runs and line bucks. The Yellow made 17 first downs to Alfred's 11, but the locals outclassed their opponents in the aerial game, completing seven passes to Rochester's none. Mac Fadden and Kickham did most of the throwing for the Purple.

Smith and Straub were the biggest threats in the Rochester backfield. Smith put the ball in position twice for a Rochester touchdown by circling his ends for long gains. He was severely injured in the second quarter and Hart who took his place continued to gain ground on the same plays.

Delaney, playing his first game of varsity football, showed up exceptionally well, carrying the ball for substantial gains and running the team with a cool head. Staiman, MacFadden and Servatius played good games, both offensively and defensively. Their defense against passes was so strong that Rochester was unable to complete one pass. Robinson, Grantier, Armstrong, Regan, Lockwood, and Kickham played the most consistent games on the line although they were up against a faster and more experienced line.

Chapel Talks Continue To Attract Students

Chapel exercises were again well attended last week, as Chaplain McLeod continued his interesting talks. "Old Man River" was the example of uncontrolled and undirected human energies. Chaplain McLeod asserted on this occasion, "The conservation of human power depends upon control and utilization. An uncontrolled life does nothing constructive. It devastates by flood of passion, while it might contribute to the productivity and beauty of the world." Apropos of the day, Tuesday's message was "What's the News". What would be important enough for the front page of a newspaper in heaven? "The Real News of anytime is the working of forces that are making tomorrow." "How far can you see?" Carried on the Chaplain's thoughts, "Can you see only the immediate or can you see over the hill of the years?" The concluding talk of the week dealt with thoughts and the power for good or evil that thought has over man; "Think ye on these things".

A Drive For Funds

Authentic reports on the campus verify the depressing rumor that next year the Alfred eleven is slated to buck Yale. It seems a deplorable state when the lack of financial support for athletic contests makes it necessary to literally sell the team for a song—a song which will be seized by satirists the country over as a meaty morsel for the public eye—a song which will give Alfred athletics and student support an unhealthy reputation for another such discouraging year as 1927-28.

Since the survival of college spirit thru that epochal no-score season the Saxon teams and the student morale have been steadily, carefully built up until we have the present sturdy structure of a team that fights to win, and of twenty-four-hour-day rooters in the stands. Is it our lot that we of the student body should sit back, inactive, in this matter of the future and watch a penny-harassed group of Athletic Directors accept the contract as apparently the last and only resort for "going over the top" financially?

It should not be our lot—but it will be unless we set ourselves, cool-headed, to the task of reconstructing the situation in our favor. Here is our chance to show the teams and the powers-that-be that the enthusiasm of this year is rooted in deeper soil than that of mere public demonstration—that our pep meetings and cheering section signify, as well, our desire to offer tangible support for the present and the future in athletics. Alfred exists for us and it is up to us to make for it a name that we can be proud of in any circle. Let's get hep to ourselves and begin an active benefit program for the Athletic Association, and then back that program individually and collectively for all we're worth!

How about scheduling some all-college dances and entertainments, the proceeds to go to the A. A. A.? With materials on hand for one of the best college orchestras in captivity, and with a peppy group of "eds" and "coeds" anxious for an Alfred Hop, there is no reason why such affairs can not be carried on at a minimum of expense and a maximum of profit.

Inasmuch as it is within the power of the association to grant concessions, why not have that body claim the right to sell "hots" or "what have you" at the stands during home games? If everyone came prepared to add a few calories to his school spirit, we would soon find that a source of real income without any strings tied to it.

Then again, how many remember to save up their pennies for the Jump Fund? The next time you walk down town to buy a package of gum, forget about it, and instead, keep your nickel for the little round box, and chew your tongue at the game when the team repays you with 100% interest in the form of a touchdown.

Does anything prevent the scheduling of a tag day for the cause, whereby all the territory from Hornell to Wellsville would be canvassed, and an augmented A. A. A. bank account would walk hand in hand with greater publicity? Not a thing!

Now let's consider these suggestions, and harness our school spirit to financial enterprises that will work for our teams; let's drop our petty conversations and use the English language to put worthy organization on its feet; let's concentrate this year on this one thing that is worth all the time and attention we can give to it. Would you like to be out there in the mud, facing a lot of Yale cannibals, getting the merry ha-ha from a bowl-full of football patriots?
—Then push against it, and begin pushing now!

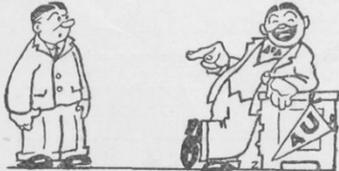

Night Football

One of the big reasons why the Alfred team is forced into this unfair competition with Yale is because gate receipts at the home games are incredibly meagre—and the main reason for this is the fact that few people can afford to be docked a half-day's pay and lose a reputation as a steady worker just to attend a football game on Friday. This issue has been a bone of contention between the Athletic Association and the College Administration for years—and remains as un-alterable as ever, but at last a sane solution in the form of the possibility of having night games at Alfred has presented itself.

Games on Saturday night will conflict with no religious standards of the college, will be drawing cards for "Saturday Night Rounders" for miles around, and will greatly facilitate the arrangement and selection of the football schedule. It is moreover, quite certain that the advent of such an innovation would permanently overcome this continuous financial embarrassment of the A. A. A., and would dispense with the need for such dispiriting contests as the one considered. With such a future in view, the outlook seems optimistic save for the

fact that the great expense of the lighting equipment places the idea on the athletic programs of many years hence.

In the working out of actual plans for a "Drive for Funds," would it not be a worthy ambition to include the providing of such fixtures as one of the main objectives in the plan? Let's think of this—and, looking at the situation as a whole, let's start the wheels going to direct a stream of currency into our athletic channels!

HUMOR

An old lady got on the elevator in a big department store in Washington the other day. As soon as the operator had closed the door she became talkative. "Don't you ever become ill going up and down in this elevator all day?" she asked.

"Yes'm," the operator replied.

"Is it the motion of going down?"

"No'm."

"Is it the motion of going up?"

"No'm."

"Closing that heavy door?"

"No'm."

"Opening it?"

"No'm."

"What is it then?"

"Answering questions."

The novelists of today certainly have struck pay "dirt".

Scientists insist on speaking of the earth as "she." No wonder they have such a hard time finding out her age.

Considering present day styles, it's lucky men have stopped putting women on pedestals.

Phew!

"We ran over a halitosis kitty the other night."

"What do you mean?"

"We killed a skunk."

Bill Brown Says: "Because a photographer says he can take good pictures—is that any proof?"

First Impressions of

The Freshman Class

By this time, after a careful search, we find ourselves back in dear old Alfred, accustoming ourselves to the campus life and perhaps, in some "thirty-three" cases, to paddles, upper-classmen and other blessings.

As we look about us we see strange things, some walking, some running, all with Irish colors flying from their masts. We pass Burdick Hall and hear strange sounds resembling voices, speaking, uttering sounds that are occasionally classed under some forms of singing. We hear other noises that might be caused by plumbers boisterously fixing radiators or piping nearby, or someone scraping excess dirt from the wheelbase of their car or nine cats harmonizing when nine cats tails are going through a process of being stepped on, tied in knots, or merely being separated from said nine cats bodies. On close examination we find this noise to be Burdick Hall's piano belching forth strains of music or straining forth belches of music. Not being accustomed to hearing such noises being flung forth from "this here now" hall, we pause, look around, become filled with pity for said nine cats and tails and discover odd shapes hanging from the hall windows, making noises generally spoken of as whistling and yelling, and realize that neither our feelings nor our felines are in distress.

The other day I was surprised to pass a freshman cap on the street and

AUTUMN NIGHT

Deserted streets and swaying lights,
A maddened sky o'erhead,
Great, rolling clouds that dash to fight,
Then crash and inter-wed.

A long, brave wind, a milky moon,
And angry, swishing trees
That moan and sway in plaintive tune
Like witches' jamborees.

The crunch of leaves, deep under foot,
Weird shadows in the eye;
Fantastic shades that rise and put
A blanket on the sky.

A sense of truth that life is life,
And not just what it seems—
A shadow stage for human strife
With happiness in dreams.

have it say, "Hello." Not being accustomed to having freshman caps say "Hello" to me, I stopped, and upon looking, found a freshman under it. Catching on quickly, as I occasionally do, I decided that the cap was too large for him—a fitting (?) deduction.

After careful observation, it has been decided that tipping hats, carrying matches, refraining from sod affairs and a lack of knickers are some of the freshman styles on our campus for this year. Any freshmen who have not been reared according to these styles and so neglect them, will be reared correctly in Campus Court.

VARSITY PREPARES TO GIVE BUFFALO A SPIRITED BATTLE NEXT SATURDAY

The Purple squad will be put through a strenuous week of practice in preparation for the invasion of Buffalo Saturday, when the locals will attempt to finish the scoreless tie played between the two teams at Merrill Field two years ago.

Although Buffalo lost to Upsala 14-6 last Saturday, their strength should not be underestimated. Upsala has a strong outfit this year and the fact that Buffalo scored against them shows that they have more offensive power than they have had in several years.

The Rochester game brought some new abilities and talent to light, the most outstanding being that of DeLaney, soph back, who played his first game of Varsity football. If Fenner is able to return to the lineup by Saturday it is not improbable that DeLaney will replace Servatius at quarterback. Clarke at tackle and Young at guard showed up well at Rochester and may receive the call in the starting lineup in place of Lockwood and Regan. Bill Clarke will be out of the game indefinitely as a result of a dislocated elbow sustained in the Rochester fray.

With the possibility of so many green men in the starting lineup on Saturday a close game is looked forward to by many of the Purple supporters.

FROSH SQUAD READY FOR A REAL GAME

Frosh gridmen are rounding out into a powerful machine under the constant tutelage of Coach McLane.

Five men are battling hard for backfield parts and the ball-toters will probably be selected from this quintet; Rifkin, Rogers, Haebach, Duke and Barton.

A clever, versatile and powerful line will function in front of this formidable backfield. Goldberg and Chaus are probable selections for tackle births. Each of the twain have been hitting varsity men hard and sure in scrimmage. Newton and Alton are fighting for the center position with the choice as yet a toss up. Murray and Marks are shaping up as fast wingmen and are practically certain of their posts. The guards are still in the bog.

This year's Frosh aggregation has been working hard under Coach McLane and are pretty sure to have the best year in history, Carl Hansen's "fighting frosh" to the contrary notwithstanding.

Smethport has cancelled its scheduled game of October 11, and efforts are being made to secure the Ithaca School of Physical Education for that date.

HARRIERS TRAINING FOR INITIAL MEET

The Varsity "hill and dalers," after three weeks of steady plugging are now rounding into shape. As yet no tentative team has been picked, but after the time trial next Saturday, a fairly good idea of the ability of the individuals will be known. Besides Captain Zschiegner, Coach McLeod, will have such material to work with as Vance and Warde of last year's freshman team, Burdick and Flint, members of the Varsity squad last year, and Hughes, who is a transfer from Syracuse. Galizio, a letter-man of last year's Varsity has also just reported for practice and will strengthen the team considerably. Although it will not be the spectacular team of last year, it nevertheless will be a better-balanced combination.

At the present time there is a

SPORT LIGHTS

Alfred students migrated to Rochester, in large numbers last Saturday, to see the Saxons play the Yellow men. Spirit was the byword of the day and despite the fact that the Alfredians were largely separated Saxon cheers resounded, equal in sound if not superior to those of the Rochester vocal cohorts. A friend in Rochester remarked, as he noticed the Alfred following, "Well I suppose this drubbing will drown out that spirit for the remainder of the season, and your team will be ignored at a time when it needs the spirited backing most. That friend was judging results from former years, this college generation can distinguish itself by observing a suggestion set down in the Sportsmen's Code by that grand old man of football, Walter Camp. "Keep a stout heart in defeat."

Next week the Saxon gridmen meet Buffalo in the Bison City. Upsala invaded the Buffalo stronghold Saturday and left a bruised and defeated Bison eleven in their wake. Alfred can do the same provided the team and the student body can forget former setbacks, to the extent that they point toward a repetition, but remember them to the point where they stir up a fighting spirit.

What the well dressed man should wear, in the line of neckties, can be gleaned by a single glance at either Pat Staiman or Izzy Servatius who are up to date declarers in men's cravats.

The good natured frosh who emerged from the Rochester demonstration, between halves Saturday, minus the important item of gentleman's apparel, commonly called trousers, got a big hand from the crowd. Several Alfred cheerleaders were at the game and perhaps it might be well to warn the Alfred frosh that the Alfred gridiron is an excellent spot upon which to re-enact the scene. The U. of R. band also deserves a big hand, perhaps by Homecoming Day the Alfred band will be developed to a larger extent.

OPINIONS

Editor, Fiat Lux—

One of the finest opportunities for promoting inter-fraternity friendship has arisen recently, in the form of complications in making the social calendar for this year. Three fraternities on the campus have found it desirable to have parties on October 18. This being the Saturday night of Home-Coming, it seems possible that a solution of the problem might be found by giving all the fraternities the same date, under the condition that they have open house for the other fraternal societies. This plan would not alter the arrangements of the fraternities themselves, but would allow each couple to attend whatever fraternity they wished, or all, if they so desired.

For creating the friendly spirit that Home Coming Day symbolizes this would be ideal. Old Alfredians, then would not be restricted to attending only their own fraternity functions but could meet again their friends who happen to be in other houses. By applying this plan to the present difficulty, Alfredian hospitality would reach its maximum co-operative spirit. How about trying the plan to see how it works?

—A. U. '30

squad of twenty-five men, varsity and freshmen, working out daily, which bodes well for future Alfred cross-country teams. On October 19, Coach McLeod's harriers will match strides with Cornell. There is no doubt but that he will send a fighting squad to uphold Alfred's cross-country reputation.

WALK-OVER SHOES

The above five reasons why Alfred University is proving a stubborn foe on the gridiron this season are: At left above—John Kickham, Granville, who has been shifted from tackle to end; Right—Tom Servatius, Bradford, Pa., soph triple threat man, kicking placements, with James McFadden, Warsaw, veteran back, holding the ball; Below—John Grantier, Whitesville, stocky soph running guard; and Lee Armstrong, Alfred, captain and center.

CAMPUS PERSONAL

Infirmary

Last week the infirmary had as patients, Don Fenner, Carl Sixbey, Abraham Bacher, Smith Wright, Mrs. F. Hildebrand, and Prof. Ildra Harris. All but Miss Harris and Smith Wright were dismissed before the end of the week.

Sigma Chi Nu

Genevieve Hatchman, Laura Orford, Alice Neidbal, Lucile Alsworth, Wilma McLean and Gladys Heard were house guests during the week.

Most of the sophomores attended the Rochester game.

Florence Friant, ex-'32 of Punxsutawney, spent the week-end at the house.

Delta Sigma Phi

Delta Sigma Phi Fraternity takes pleasure in announcing the pledging of Professor H. O. Boraas.

The house was deserted over the week-end as twenty-one of the boys journeyed to Rochester to see the game.

Bill Nichols, a charter member of the house visited from Bolivar over the week-end. Of course "Gus" Larson and Ken Nichols dropped in.

Faculty

Dean J. Nelson Norwood addressed the Robbins Brotherhood if the First Presbyterian Church of Hornell at their dinner last Thursday evening. His subject was "The Problem of Disarmament".

Dr. B. C. Davis, President of the Council of the Church Boards of Education attended the Executive Committee Meeting of the Council in New York, Monday, September 30.

Miss Leila Tupper has been ill the past week and unable to attend classes.

Theta Theta Chi

Maxine Armstrong, Ruth Baker and Doris Marley were dinner guests at Morgan Hall on Wednesday.

We enjoyed having Rhoda back for the week and Florence over Saturday night.

Chaplain and Mrs. James McLeod and Ruth Whitford were dinner guests on Sunday.

The outside world called many this week-end. The two Ruths journeyed homeward: Louise to Binghamton, Betty Smith to Belmont and Fran and Betty to see the game at Rochester.

Claire and Edith will both register joy at the end of football season.

Brick

Doris Scott, a student of Genesee College was the guest of her sister Margaret Scott for several days.

About thirty girls deserted the Brick to visit their various homes this week-end.

Marietta Sixbey has moved to Professor Seidlin's house.

Dancing privilege will be enjoyed more than ever since the girls have purchased an orthophonic victrola.

Elizabeth Dickover from Floral Park, Long Island, is living at the Brick. She enrolled last week as a freshman.

Beulah Johnson and Margaret Skinner visited Kay Bird at Rochester for the week-end.

Elizabeth Wright has moved from Sisson's to the Brick.

Pi Alpha Pi

Maretta Wilcox has been elected sorority president because of the illness of Ortense Potter, former president.

Annette Clifford, Wilma McLane, Ruth Mitchell, and Gladys Heard were dinner guests on Thursday night.

We surely enjoyed our dancing privilege on Saturday night.

Marguerite's aunts visited us on Sunday.

Eudora's mother spent the week-end with us.

In spite of the trouble, our redecorated rooms are a pleasure in themselves.

New records—And how?

Pi Alpha Pi held their first dancing permission Saturday evening, October 5. Mrs. Rogers and Mr. and Mrs. Charles R. Amberg were the chaperones.

ALUMNI SECTION

The past week-end brought back a number of Alfredians to visit their friends.

Leah Jones, teaching at Prattsburg High School.

Lillian Holmes, teaching drawing in the high school and grades at Prattsburg.

Bruce Thorngate, in Ceramic work at Syracuse.

Waldo Welch, teaching at Prattsburg.

Kenneth Nichols, teaching at Richburg.

Following up the survey of alumni for the Fiat we have an account of the following:

Charles Field, teaching in Altamont, N. Y. Also he is working for his master's degree in Polytechnic Institute.

Wilbur Getz, teaching and coaching in Chester, N. Y.

John Call, at the present time is acting as traffic officer in Alfred.

Patrick Perrone, teaching at Andover.

Homecoming Week is October 18, Alumni. Set the week-end aside for a real return to Alfred—a program is planned that should make it well worth your while!

Beth Brennan '31, became the bride of Frank A. Stone, September twenty-seventh. The couple will reside at 510 Church street, Susquehanna, Pa.

Theta Kappa Nu

Theta Kappa Nu announces with pleasure the pledging of John Phillips.

We are all glad to have Harry Sackett with us again this year.

Among the visitors at the house this week-end were Neal Welch, Waldo Welch and a friend, Mr. Jennings and Ross Robbins.

The house was unusually deserted this week-end after the boys on the football team, those attending the game and those who went home, had gone.

It seems good to have Olie Fenner with us again.

Smitty Wright is paying an extended visit to the infirmary due to a knee injury received in football.

Klan Alpine

The House is beginning to look settled again after the annual repainting and so-called redecorating of the rooms. Some of the boys sure got some queer ideas on interior decorating during the summer.

The week-end began with a general exodus to Rochester and from all reports the team deserves to be congratulated on the excellent fighting spirit they showed.

Professor and Mrs. Conroe and Professor and Mrs. Amberg were dinner guests at the House Sunday.

Hap Sproul spent the week-end at his home in Delevan. We think there is more attraction there than just his parents.

Bruce Thorngate was at the House for a short time Sunday.

Guintier and Coe are going in the airplane business according to latest reports. Maybe Coe can make his eight o'clocks on time now.

Mike Durant is home with rat fever, a strange malady he claims to have contracted from sleeping on the loft.

THE HONOR SYSTEM

Art. I. PREAMBLE—The student body of the College of Liberal Arts and the New York State School of Clay-Working and Pottery at Alfred University creates an Honor System under which each student by his attendance pledges himself to be just; to be fair; to be honorable in all matters relative to or pertaining to scholarship and conduct at this University.

Art. II. ORGANIZATION—The members of the Student Senate shall be a committee to represent the Student Body and deal with all cases involving violation of the Honor System.

Art. III. VIOLATIONS—Sec. 1. Each student is honor-bound to prevent violations. In case of violation of the Honor System in an examination, evidenced by papers on or about a person or by conspicuous open books, or by actions which would indicate cheating, such violation shall be subject to discipline under the Honor System. For work done in the laboratory or at home, the instructor shall define what constitutes breach of the Honor System. Failure to live up to his decision shall be considered a violation. A person detecting a breach of the Honor System shall at once make his displeasure known by tapping to warn the suspected Honor System violator once, and at his discretion, report the violation to the Senate. Continued violations after the warning, or violation for the second time must be reported to the Senate. The report to the Senate must be made in person or in writing. A report in writing must be signed.

Sec. 2. Persons taking examinations shall neither converse nor communicate with each other, nor shall they have texts, note-book, papers, etc., in their possession.

Sec. 3. The senate shall have the power to summon the accused and witnesses and conduct a formal investigation. Punishment for the first offense shall be determined by the Senate. In case of a second conviction during the remainder of the student's college career, recommendation shall be made to the student by the Senate of his separation from college, and, if such separation is not made, the Senate shall then make the same recommendation to the Faculty with a brief resume of the case.

Art. IV. TRIALS—Sec. 1. The trial of the accused shall be conducted as follows: Witnesses against the accused shall be examined first and their testimony taken in full. The accused shall then be called separately and allowed to make his statement, presenting his defense. All witnesses and the accused may be questioned by members of the committee. A decision shall be made, rendered according to the evidence.

Sec. 2. Six (6) out of eight (8) votes shall be necessary for conviction.

Sec. 3. All evidence possible shall be procured in every case, and in no event shall a man be tried the second time for the same offence except in the light of new and important evidence.

Art. V. OBSERVANCE—Sec. 1. Each student must, in order to make his or her examination or test valid, sign the following pledge: "I pledge my honor that I have neither given nor received aid in this examination," or the declaration: "I do so declare."

Sec. 2. Members of the Faculty shall insist that the above declaration or pledge be attached to every examination paper. Any examination paper lacking this pledge shall be considered void by the instructor in charge. The instructor must notify any student whose paper lacks the pledge, and give the student the opportunity of signing the said pledge.

Sec. 3. Instructors shall distribute all examination blanks.

Sec. 4. All persons taking examinations shall be seated in alternate seats or be provided with alternate examinations.

Art. VI. DECISIONS—The Student Senate shall keep and preserve a record of all cases acted upon. In no case shall a member of the Student Senate make mention publicly or privately of any case brought before the committee through action of the committee as a body.

Art. VII. ENFORCEMENT—Every student is honor-bound to aid in enforcing this Constitution.

Art. VIII. AMENDMENT—This Constitution may be amended by a three-fourths (¾) vote of those present at a student body meeting, or a revision may be authorized by a unanimous vote of said student body, and the passage of the revised Constitution shall be secured by a three-fourths (¾) vote of those present. Notice of this meeting shall be given at least one week previous to time of action, by its reading before the student body or by its publication in "Fiat Lux."

Art. IX. PUBLICATION—Sec. 1. The committee shall make provision for interpreting the Honor System to the members of the Freshmen Class during the first semester of each school year.

Sec. 2. Copies of this Constitution shall be posted in recitation rooms, on College bulletin boards, and in the Library.

Sec. 3. The Constitution shall be published three (3) times during each college year in the "Fiat Lux"—the first issue of the first semester and the last issue before the final examinations of the first and second semesters.

FOOTLIGHT CLUB TO DISCUSS WORK

The opening meeting of the Footlight Club was held October 3, at Kenyon Hall. The tentative dates for four plays were selected to be passed upon by Mrs. Degen.

The Footlight Club intends to include in its program this year, a Christmas play, a Commencement play and two others. Work has started on the choosing of the Christmas play.

A new idea, that of having talks at the meetings by persons well versed in the different phases of the drama, was introduced. In these talks the aim will be to cover all the various techniques and types of work in the field.

PLAZA RESTAURANT

Good food means a great deal to you, more pleasure during the meal and better digestion afterwards.

When in Hornell you may expect to receive from Andy the same service and hospitality that you received in Alfred.

ATTENTION STUDENTS

For self-supporting students desiring fascinating remunerative work either temporary or permanent, may I suggest that many students of both sexes have earned scholarships and cash sufficient to defray all college expenses representing national magazine publishers. If interested write or wire for details.
