

INTERSORORITY COUNCIL INAUGURATES NEW REGIME IN BIDDING SYSTEM

Preferential System to Begin with Fall Season Should Eliminate Many Difficulties, and Further Cooperative Spirit Among Sororities

In accordance with the system of preferential bidding which has been adopted this year by the sororities, the following rules and regulations have been set forth by the Intersorority Council:

- I. Secretary.
 - A. disinterested person to act as secretary to the organization shall be appointed.
 - Chaplain James McLeod was chosen and has accepted the position.
- II. Bidding.
 1. At fall bidding the secretary shall send out notices to all girls who receive bids, asking them to state their choice of sororities.
 2. At spring bidding the secretary shall send notices to all Freshmen girls and to all others who may at that time receive bids, asking them to state their sorority choice.
 3. After the answers are received by the secretary, he notifies the sororities of the girls who have chosen them, and bids are sent to these girls by sororities.
 4. At fall bidding, the lists shall be sent from the sororities to the secretary on Wednesday, October 30. On Thursday, October 31, the secretary sends notices to the girls whose names are on the lists. Their replies must be received by the secretary by 6 P. M., Sunday, November 3. Bids are sent out Monday, November 4, at noon and replies shall be received by 6 P. M., Friday, November 8.
 5. At spring bidding the lists from the sororities shall be sent to the secretary on March 5. On March 6, the secretary will notify the girls, whose replies to him must be in on Sunday, March 9, at 6 P. M. Bids will be sent out Monday, March 10, at noon and replies must be in by 6 P. M., Friday, March 14.

These rules will be further explained at a meeting of the women of the college. In the meantime, any questions may be referred to the Intersorority Council. The Council hopes that the girls will co-operate to make this system of bidding a success. This method of preferential bidding makes it impossible for a girl to know whether she receives more than one bid or not, and impossible for the sorority from which she accepts a bid to know whether or not it was her first choice. Thus a great deal of the strain and ill feeling at bidding time will be eliminated.

Frosh-Soph Hop Opens All-College Season

Biological Society Elects President For Coming Year

Irwin Cohon was elected president at the meeting of the Biological Society held last Wednesday evening. A program committee was elected for the coming year, and new names for membership were brought up. The next meeting will be announced by the secretary.

BUSINESS MEETINGS HELD BY CLASSES

The Sophomore class held a class meeting on Thursday last for the purpose of electing the Sophomore Editor of the 1931 Kanakadea. The class elected Lewis Beyea for this position.

Freshman class officers were elected at a class meeting held last Monday night. The meeting was called to order by the president of the Junior class, Garnett Blackmore, who conducted the election for president and then turned the meeting over to the newly-elected president. The officers of the class are as follows: Ray Frahn, president; Raymond Chamberlain, vice-president; Helen Garrison, secretary; Robert Comman, treasurer; and Maxine Armstrong, freshman editor of the Kanakadea.

JOSEPH HANLEY OF ASSEMBLY FAME TO SPEAK THURSDAY

"Fighting Joe" Hanley, commonly known as the "Orator of the Assembly," is scheduled to deliver another of his sure-fire speeches to interested Alfredians at the regular assembly, October 17.

Mr. Hanley is a graduate of the University of Iowa, is well known upon the Chautauqua platform, and is state assemblyman from Wyoming county. If the enthusiasm which he aroused from the platform at Alumni Hall last year is to be taken as any indication of the future, the assembly program for Home Coming week should feature a record-breaking attendance in Mr Hanley's hands.

Calendar Committee Plans Social Functions of Year

For the first time in the history of Alfred, a committee under the direction of the Student Life Committee has scheduled all campus affairs from October to May. There are only three Saturday nights that have not yet been filled and these will be provided for soon.

- November 21, Kanakadea Dance . . .
- November 23, Klan Alpine
- December 5, Theta Theta Chi
- December 7, Theta Kappa Nu: Kappa Psi Upsilon
- December 12 Delta Sigma Phi
- December 14, Sigma Chi Nu: Pi Alpha Pi
- December 16, Footlight Club
- December 18, Klan Alpine

TRAIN SCHEDULES MADE CONVENIENT

President Davis has received from the Hornell-Allegany Transportation Company, assurance that there will be made at an early date a change in the bus schedule so that it will be possible for Alfred passengers to connect with both the Buffalo and Chicago evening trains (Train 1) at Hornell, and with the Chicago evening train at Wells-ville. This is arranged to accommodate students, particularly on Friday evening, who wish to leave the University after classes and make connection with these trains.

SAXON ELEVEN LOSE FOURTH GAME OF SEASON TO BUFFALO BULLS 20-12

New Requirements For Major And Minor Credits Announced

Changes in the regulations for graduation may prove a stumbling block for uninformed Freshmen and Sophomores in making out their schedules for the future. Former regulations stipulating that 16 units were required for a major and 10 units for a minor are now replaced by those stating that 18 units constitute a major and 12 units a minor in any subject.

This rule must be observed by the classes of '32 and '33, while Juniors may conform to it if they so desire, and Seniors remain entirely outside of its jurisdiction.

CERAMIC GUILD HAS ANNUAL ELECTION

The Ceramic Guild has again become active by re-electing officers and passing rules and regulations to take effect this year. At their meeting, Wednesday, October 9, the following officers were elected:

President, Alfred Tittsworth; Vice-President, Dorothy Hallock; Secretary, Mary Allen; and Treasurer, Theora Weishan; Senior representatives, Emil Zschlegner, and Ferne Greene; and Junior representatives, Roberta Leber, and Theresa Manieri.

A new list of requirements, the aim of which is to raise the standards for admittance into the guild as "Journey-men", was adopted.

The Sophomore Design Class under the direction of Professor C. K. Nelson are working out plans for the Ceramic Guild Christmas Festival.

Chaplain McLeod Gives Talks Applicable Here

"Measuring Up" was the gist of Chaplain McLeod's chapel talks last week. Are we "Dwarfs or Giants"? Do we as the youth of America add our constructive criticism and actions to the old order of things? Are we "Peanut Pushers" or have we a more important load on our shoulders? Do we enhance the evil of gossip or lessen its power by evading it? Such were some of the questions discussed during the week. College men and women have to face these things and according to their decisions will their lives be directed.

Thursday, the chapel service was conducted by W. L. Young, the General Director of Department of University Work of the Presbyterian Board of Education.

Examination on Rules Of W. S. G. To Be Held

Frosh examination on Campus and W. S. G. rules will be given Tuesday evening at 7:15 in Kenyon Hall. Attendance at this meeting is compulsory.

Staimen and Servatius Star in Purple Touchdowns; Team Showed Spirited Offense; Large Alfred Attendance at Rotary Field.

After gaining a 6-0 lead in the first few minutes against Buffalo's Pony team, the Purple wilted before the attack of the Bulls and went down to a 20-12 defeat at the hands of U. B. on Saturday at Rotary field.

The locals started out with a whirlwind attack and Staimen crossed the goal line after ten minutes of play when an exchange of punts placed the ball dead into Buffalo territory. Servatius' attempted place kick for the extra point went wide.

Coach Lee inserted his first string Bulls into the play at this point and after several exchanges of punts, Ables took a pass and raced fifteen yards for a touchdown. Siemer booted the ball between the uprights for the extra point. The half ended a few minutes later with the ball in mid field.

Alfred opened the third period by kicking off to Buffalo who carried the ball down Alfred's 30 yard line by end runs and lateral passes. The locals held for downs in the shadow of their own goal and Staimen took the ball around end 65 yards for a touchdown. The play was called back, however, and Alfred penalized 15 yards for holding. Servatius punted out of danger and when Buffalo attempted to do the same the locals blocked the kick, giving Alfred the ball on Buffalo's 20 yard line. On the third play Servatius broke through the line and ran 12 yards for a touchdown. His place kick for the extra point fell short.

Alfred kicked off and Buffalo began a march down the field which resulted in a touchdown when Malanowicz snared a lateral pass and loped over the goal line. Beyers plunged across the line from the two yard mark for the extra point.

Buffalo kicked off and on an exchange of punts took the ball to the 15 yard line where Wolleberg took another lateral pass for a touchdown. Siemer's place kick for the extra point was blocked.

The game ended four minutes later with the ball in Alfred's possession in midfield.

Servatius and Staimen were the most consistent ground gainers for the Purple. MacFadden threw most of the passes, several of which were completed for substantial gains. Regan was the outstanding man on the line, both on offensive and defensive. Malanowicz, Riddall, Cotton, North, Wolleberg, Ables, and Kennedy were the stars for Buffalo.

Alfred Collegians Show Signs Of Up-and-Coming Musical Talent

True talent in the field of music has been witnessed this year more than ever before. "Shadow Girl," a popular request number whenever "Sox" and his gang serenades, was written and composed by Stockton Bassett himself. The success of this song is manifested by all the sorority and Brick girls who have heard it. Since the incoming of the Freshman

class, the College Band seems to have taken on new life. The atmosphere at the pep meetings and mass meetings may be attributed partially to the music furnished by this group. The various serenaders and quartettes prove that there are some exceptionally good vocalists on the campus, and it is whispered that the fair sex hope this talent is utilized to the full in the future.

Welcome, Alumni

Ninety-four years of care have groomed the campus that awaits your return this week-end; five hundred students have discounted the value of study to prepare a fitting welcome for you who have gone before;—now the program is complete, and Old Mother Alfred has but to arrange the chairs and cut the Juniata pie and all will be in readiness. We have done our part—will you make it worth our while?

Are you anxious to return to the Alma Mater that gave you growth, to see again your old friends, to look over the Frosh class, to estimate the school's progress during the year? Of course you are! Then pack your bag, and see the sturdy Alfred Eleven knuckle down against Juniata; hear the "VARSITY" boom out over the field; sit in on a rousing "bull session"; eat with your old friends and dance with the new! Come back to the biggest and best Homecoming Alfred has seen—help to create another year of memories!

Deferred Rushing

During the present semester, about half of the incoming freshmen will receive a vivid impression of those historic campus institutions known as fraternities through Alfred's deferred rushing system. This process was termed "deferred" after the several fraternities mutually agreed to ban "cut-throat" pledging from their campus for all time.

Under the former system freshmen wore pledge pins before they ever saw their chapter house, expectant pins met the incoming trains at least a week before Registration Day, and as a result many of the newcomers were discontented after a few weeks of fraternity life. The "deferred" remedy, however eliminates such hasty decisions and gives both the freshmen and fraternity members ample opportunities to give each other a thorough "once over."

But there is still some talk of this or that person being all "sewed up." If the obvious advantages of this method are to be realized, independent thought, choice and action are necessary. Each frosh should seize the opportunity of profiting by this system and of realizing the influence of his choice upon his college career as well as his future. The Fiat Lux joins each freshman in emphasizing the importance of the reactions during the present school term.

Due to the difficulties of organizing the staff departments, it is probable that many who should be receiving regular issues of the Fiat Lux, are not. "Gems From An Oyster"

The night was dark; oh so dark, pitch dark, Stygian dark, black dark. Yes, indeed, the night was dark. Two closely clinging figures appeared, their light bodies showing out dimly through the blackness of the night, for, dear reader, the night was dark. The two figures remained quiet, motionless, breathless. The atmosphere all about was too quiet, too peaceful for comfort. The night was too dark to be safe, for the night was really dark, pitch dark, Stygian dark, black dark.

Suddenly a third figure appeared, a silhouette against the blackness of the night. A hush seemed to quiet the already deathly still night. The figure moved slowly, feeling its way cautiously and carefully. With a shock, as stunning as a sudden piercing clap of thunder, the atmosphere was suddenly lighted. The two figures remained immovable as though paralyzed by fear or fright. The third figure walked carelessly toward the other two, picked up an eraser, and with a single sweep of the arm, cleaned them from the blackboard. He returned to the doorway, turned out the light, and left.

Again, dear reader, the night was dark—pitch dark, Stygian dark, black dark. Yes, indeed, the night was dark.

VARSIITY HOPES TO CONQUER JUNIATA AT HOMECOMING DAY CLASSIC FRIDAY

Team Handicapped By Losses But Ready For a Fray That Should Mean a Victory For Purple and Gold

The sole athletic feature on the Homecoming Day program, which will be carried out here Friday, will be the gridiron classic between the Saxons and Juniata on Merrill Field in the afternoon.

Juniata this year presents a formidable lineup, a week ago they easily defeated Johns-Hopkins and last Saturday they downed the Drexel Eleven. Coach Heers is anticipating a spirited contest and is whipping his men into shape to meet the visitors on even terms. The Saxons have suffered four setbacks in the same number of contests played. With the easy end of the schedule behind them the Purple Eleven faces tough opposition for the remainder of the season.

Injuries have made a severe breach into the Alfred lineup which increases the size of the barrier which the Saxons must overcome to close the season in good shape.

A win over Juniata will erase a great share of the ill-fame chalked up against the Heers men. Marty Staiman and Tom Servatius, who played good football against Buffalo last week, will be on deck for the Juniata game. Fenner and Delaney, who have been handicapped by injuries will be in condition to wear the Purple. Kickham, Armstrong, and Grantier are sure fires in the forward barrier and will be lined up along with Robinson, Lockwood, Regan, and Bryant as a probable starting lineup.

FRESHMAN RUNNERS AWAIT FIRST MEET

A very fast and powerful Freshman Cross Country team is rounding itself into shape under the tutelage of Coach McLeod. The men who will make up the team have not yet been picked, but the results of three weeks practice promise a good fast team. The team will probably be built around Razy, Roe, Abella and Breaman, all of whom have finished with the varsity men in each days practice. According to some these men are showing real varsity caliber and will be great material for next year's varsity.

Plans are being made for meets with Arkport and Whitesville. If these meets are held the power of the Frosh team will undoubtedly be something to be proud of.

FROSH LOSE FIRST GAME TO HORNELL

Coach McLane's gridiron gladiators migrated to Hornell, Friday afternoon to be taken into camp by the Hornell High School aggregation to the tune of 13-0 score.

The Hornell eleven, goaded on by an excellent band and cheering section, outplayed the Frosh in practically every line but punting, in which Haebeck, fleet yearling full-back, demonstrated marked efficiency.

Hornell played throughout, an offensive game that netted them a touchdown and goal before three minutes had elapsed in the first quarter.

Although playing on the defensive and in their own territory during most of the game, the Frosh gridmen tightened sufficiently to hold Hornell until the final quarter, when, by a series of line plunges and off-tackle plays, they managed to squeeze thru another score but were unsuccessful in the try for the goal.

Outstanding among the Frosh were Haebeck for his kicking and plunging, and Phillips, for his hard tackling.

Babcock and Pryor "shone" for Hornell.

INTERSCHOLASTIC DAY PLANS BEGUN

Friday, November 1, will mark the seventh annual Interscholastic Cross-country Run and 6th Annual Sectional Championship at Alfred. There is every promise that this year will see a record number of entries from Eastern schools. Manager Lynn reports that a number of schools have already requested entry blanks, among those being: Whitesville, Ripley, Romulus, Arkport, Buffalo East High, Perry, Corning Free Academy, Naples, Erie Academy, Bradford, Gloversville, East Aurora, Chester, Salamanca, Trumansburg.

Many former Alfred track and cross-country stars are coaching some of the above teams. Getz is at Chester, Boulton at Gloversville, Klinger at Ripley, May at Arkport, McGraw at Alfred, and Adams at Romulus.

Last year Baker of Almond took individual honors, while Naples with a well balanced combination garnered the team championship. The Alfred Athletic Association awards a loving cup to the winning team. The first five men of the winning team also receive gold medals, the second team in gets silver medals, and the third, bronze. The first three men to finish are awarded gold, silver, and bronze medals, respectively.

Besides the cross-country run, which will take place at 11:00 A. M., there is a home football game with St. Lawrence in the afternoon. During the "half", the Varsity Cross-country team will run Franklin-Marshall. From all appearances it will be a banner day in Alfred's fall athletic schedule.

SPORT LIGHTS

By Wutz

The Frosh Eleven lacked co-ordination in their game with Hornell Friday. Year after year Frosh teams present that same type of football in the opening, it is a difficult proposition to bind eleven men into an efficient football machine in the short time that Coach McLane has had to do so. Individually the Frosh Grid-team presents a galaxy of stars, with the Hornell game as a seasoner the aggregation should round out into fine shape.

Seely, diminutive Andover High School football player, ran 105 yards for a touchdown in a game played against the Wellsville Junior Varsity a week ago. Seely received a punt five yards behind his goal line and scampered thru the entire Wellsville team to plant the pigskin for a six pointer.

Pat and Izzy, otherwise known as Staiman and Servatius, are contemplating the purchase of a push-cart and fish horn to display their line of neckwear to a better advantage. Pat and Izzy have adopted the following motto, "Let our neck-wear brighten up the campus".

The Varsity Gridmen suffered their fourth setback at Buffalo Saturday. However they touched the scorebooks for two touchdowns which evidences an effective offense. As in the Rochester game the Saxon's aerial attack was very formidable and upon development may prove to be a most valuable asset.

Hamilton rode rough shod over Rochester eleven Saturday and a week previous they knocked over the Clarkson Gridmen for a victory. Alfred tied Hamilton which proves in a round about fashion that the Saxon's have plenty of stuff if that "indefinable something", which has been putting the damper on Alfred's score slate, can be routed.

Next Saturday the Juniata Eleven will appear on the local field. The Pennsylvanians come here with a couple of victories under their belt and may be victims of an underestimation of the Alfred team. Coach Heers has a schedule of practices this week to shape up the Saxon Pigskin-pushers to carry away the laurels Friday.

The varsity Hill and Dalers are slated to run Cornell at Ithaca next Friday. This will be the initial appearance of the Purple and Gold runners for this season and the entire student body will be anxious to get the results. Coach McLeod has a well balanced aggregation and should give Cornell a real run.

"HALL OF FAME"

Martin Staiman

"Marty" Staiman enters the weekly Hall of Fame, with a long and enviable athletic record behind him. Hailing from Lock Haven, the home of the famous Wilbur Getz and Dean Fredericks, the Saxon's greeted him as a football and track star of great possibilities.

Under the tutelage of Coach Wolf, Staiman developed a speedy and shifty style of broken field running. On the Frosh team of 1927, he proved himself to be a constant threat on the offense and a hard, steady tackler on the defense. These assets have increased his value as a hard hitting back during his last two seasons as a varsity regular.

His speed in track gained a widespread reputation in his freshman year, but a panther-like strength and agility gave him greater value last winter to the wrestling team. After his first year of experience, "Marty" has excellent prospects as a 155 pound matman.

Staiman likes football with an innate love of the game, and after his college career he should be well suited for a coaching position in nearly any high school. Predictions are vague, but an athletic future for the hard-hitting back is bright.

Why Not—

1. Why not have the upperclassmen step aside when the Freshmen wish to enter a door?
2. Why not open the house by the cemetery for a college, "One way Inn?"
3. Why not have the Freshmen lend their lusty voices to the football send-offs?"
4. Why not have a bus especially designed to carry a cargo of Alfred students, including excess baggage, to Hornell on Friday?
5. Why not have Girl's Scrub Team to warm up the Varsity?
6. Why not have a course in Gull-bergh instead of in Rusby?

AND IF NOT—WHY NOT?

Soccer Takes Lead In Girls' Athletics

Girls' athletics appear to be coming into their own in Alfred now, for under the supervision of Miss Shepard, a Freshmen and Sophomore soccer team is being organized. Practice has already begun and the material on both sides looks very promising. Dates for the contests will be announced shortly.

All girls not interested in this form of exercise are privileged to get their credit by playing tennis instead.

Sigma Chi Nu

Helen Hammond, Nellie Dickinson, Alice Thornton, and Peggy Colson were dinner guests during the week.

Virginia Richter and Vivian Parmelee were guests overnight Friday.

Sigma Chi Nu

Clare Leyenberger and Myrtle Harding spent the week-end in Buffalo. Florence Ploetz and Bernice Guilford were guests Friday night of Grace Dassance in Wellsville.

Helen McCarthy, Avis Stortz, and Eva Halminen spent Saturday and Sunday at their respective residences.

Theta Theta Chi

Dinner guests this week were Helen Garrison, Olive Jenks, Virginia Richter.

Over night guests were Margaret Skinner, Freida Smigrod, Henrietta Burdick, Betty Bailey, Gladys Herd, Wilma McLean, Margaret Scott and Florence Schubert.

There was a general exodus to Buffalo this week-end.

Delta Sigma Phi

Delta Sigma Phi takes pleasure in announcing the pledging of George Peirce.

In accordance with the saying "You can't keep a good man down," "Stumpy" Jaquiss spent the week-end in Buffalo.

We wish to compliment Wilma McLean and "Shorty" McCourt on the way in which they dissected the Soph-Frosh dance.

Pi Alpha Pi

Mildred Holden, Sylvia Gordon and Maxine Armstrong were dinner guests on Thursday.

Leona Hicks, Miriam Van Duyn, and Louise Hurff were overnight guests Friday.

Three of our members, "Bobs", "Marge", and "Betty" journeyed to Buffalo to spend the week-end.

Is "Bill" going to start in an "alienation of affections" suit against "Sooner"?

Klan Alpine

Brother Charley May visited the house last Friday, after umpiring the Hornell-Frosh game.

Professor and Mrs. Joseph Seidlin and son, John, were dinner guests with Chaplain and Mrs. James McLeod at the house last Sunday noon.

Sid Delaney is still convalescing and wondering what the name of his other leg might possibly be.

George Hill failed to go home last week-end so he's taking two trips next Friday as make-up work.

Bruce Daniels took his "bareskia" to Jamestown. What a date!

Eta Mu Alpha

Eta Mu Alpha held their initiation of the new members at the Delta Sigma Phi house on the night of October 9. The meeting started at 7:30 with the initiation of John Gallup, Perry Elkin, Fred Muller, Marion Hardy, Lois Rice and Garnett Blackmore. After the initiation a discussion was led by Professor Ellis Drake on the idea of getting a chapter of the Phi Beta Kappa installed. It is thought to be quite probable as the Eta Mu Alpha standards and requirements are even higher than those of the Phi Beta Kappa. Plans for a banquet to be held soon were discussed and the meeting was adjourned after which refreshments were served.

Kappa Psi Upsilon

It is the pleasure of Kappa Psi to announce the pledging of Frank Krause and "Mark" Massaro.

Mr. and Mrs. J. Merck and son, Walter, Mr. and Mrs. R. Berls and sons Robert, Howard and Warren, all of Queens Village, L. I., were Sunday guests.

Mrs. Coates, formerly of Alfred, Mr. and Mrs. Keller and Mrs. Ireland, of Cuba were also visitors on Sunday afternoon.

Howard Adams dropped in on us over the week-end.

Freshmen dinner guests for the past two weeks were Berls, Greve, Merck, Wilcox, Hubiner, Ostrander, Hallock, Bentley, Spreen, Goetchius, Hewey, Murray, Towner, Common and Green.

CAMPUS COURT HAS BUSY BEGINNINGS

The efforts of the first Campus Court held this semester were felt, seen and heard on the Campus last Wednesday. Several of the Freshman should have, by now, experience in the rigors of a sandwich sign man's life. One of them knows also the effect of having the rearward portion of his trousers dusted by the application of that instrument of torture devised by upper-classmen and known as a paddle. Norman Le Tourneau was charged with taking the arial route over that portion of the Campus in front of the Green block, he confessed his guilt and was convicted and sentenced to wear a sandwich sign with the inscription, "Now I'll use the sidewalk". Robert Josephs was a member of the party because he failed to tip his cap and hold open a door for an upper-classman. He pled guilty and was convicted and sentenced to be paddled and to also join the ranks of the advertising men with his heartfelt (?) quotation, "Here after I'll hold open the doors."

Several of the Freshmen were very much annoyed when they were present at the inspection at assembly with the lack of black socks. Alexander Sinclair and Dante Vezzoli pled guilty and were convicted and sentenced to wear one white ladies stocking over their trouser leg, said stocking to be supported at its northern extremity by a garter duly fashioned out of red crepe paper. Alexander Erasmus pled guilty to the charge of not wearing black tie and socks. He was made to wear a black bow tie, sixteen inches from stem to stern and black ladie's hose over his pant legs.

Robert Spreen, Leon Roe and Samuel Polatto pled not guilty to a charge of failing to tip their caps, they were found guilty and the sentence suspended with the understanding that if they were ever brought up on the same charge that they would be given a double sentence.

Louis Palmieri was wearing a very decorative doughnut on the index finger of his left hand as the result of his wearing a high school ring. He pled guilty to the charge and was convicted and given the sentence mentioned.

Prior to the meeting's formal opening Richard Regan was elected alternate Attorney to fill the place of Carl Owens who moved up to Attorney.

OPINIONS

Editor, Fiat Lux—

Lo, the poor athlete! Forced every two years to play football teams far above his own class! Gate receipts have been so low during home games that contracts with N. Y. U., Lafayette, and Rutgers were absolute necessities in the past four years.

These games, scheduled to keep the athletic budget out of the red ink, have humbled and injured Purple gridders by sheer weight and overwhelming scores. But what can any graduate manager do when he lacks money for athletic equipment and one

ALUMNI SECTION

Great preparations have been made athletically and socially for this year's homecoming day to be held the week-end of October 18.

All fraternities and sororities are asked to co-operate with the Alumni secretary, Mrs. Clark, in keeping an accurate record of their members who return either for the game or the week-end. All other members of the student body may assist in making the occasion a success by being on the look-out for returning graduates.

MR. HOPKIN'S ASSEMBLY SPEECH

Continued from page one

According to Mr. Hopkins, "the first thing to look for in a job is an objective, an objective toward which every ounce of energy should be directed. An objective is the guiding star of ones hopes and endeavors and without it, a job is like a barren waste. No man can hope to succeed who does not have something in life to work for."

"We should find an opportunity to grow in our job"! The young man or woman who starts out in life has but a narrow background of knowledge and the job should afford them a chance to broaden out through actual experiences. It is the law of nature that everything must either grow or perish for there can be no stagnancy in life.

"A job should provide an opportunity to serve", continued Mr. Hopkins, "To be of some use in the world for service, makes man live." If we but follow the example of Christ, who gave all to this brotherhood of man, the ultimate goal of our ambitions will be within our grasp.

"As the shipbuilder makes a blueprint of the ship he intends to build, likewise we should make a blueprint of the life we are to lead so that we can point out the objective of our endeavors.

GIRL'S ATHLETIC PROGRAM PLANNED

This year Alfred University is giving special attention to girls' athletics. The program under the supervision of Miss Natalie Shepard is as follows: Out-of-door tennis and volley-ball until Thanksgiving. Later an alternation of callisthenics and basketball will be held in the gym.

or two long trips every season? How does any college get along without alumni support and half-hearted gate receipts at home games?

An attempt was made last year to gain backing from Alfred-graduates, but it was found that an army of school teachers and ceramic engineers could do little better than offer moral support to Saxon athletes.

The only remaining opportunity for financial prosperity lies in the rising interest in Alfred's eleven at Hornell and Wellsville. An unusually large number of Hornellites attended the Hamilton game via the paid admission route, and their interest is steadily growing. Why not push our neighbors all they are worth and sell Alfred's athletics down in the "wicked" city? It certainly was gratifying to hear about 50 Hornellites cheering for Alfred for the first time in over five years.
