

SAXONS VICTORIOUS IN DOUBLE PROGRAM AT HOBART

ALFRED ELEVEN SWAMPS HOBART 19-7 TO REVERSE THIRTEEN YEAR RECORD

Staiman Runs 63 Yards in Sensational Touchdown Concerted Offensive Attacks, Stone Wall Defense Bring Victory

Saturday at Geneva, for the first time in thirteen years, a Purple avalanche swept down on a Hobart football team and returned with a 19-7 victory. Alfred has played Hobart annually for seven years and before that the two teams met each other every few years. Saturday's victory is the more spectacular in that Hobart was playing before a Homecoming crowd.

The locals scored after ten minutes of play in the first quarter when Staiman started around right end, reversed his field and raced 63 yards for a touchdown. Alfred scored again in the second period after MacFadden had returned a punt 32 yards to Hobart's 21 yard line. A pass, MacFadden to Staiman put the ball on the 3 yard line and Mooney took it over the line. Alfred made her last touchdown after Perrone had recovered a fumble on Hobart's 37 yard line. A series of plays and end runs carried the pigskin to the two yard line where Staiman dove over the goal line.

Alfred weakened in the last frame and Gulick's passes and runs took the ball into scoring position where Galbraith knifed through tackle for a touchdown. Gulick passed to Wyman for the extra point.

Gulick, the big gun of the Hobart attack was silenced until the last quarter when he started a bombardment of passes and runs which netted a touchdown. Staiman, playing one of the best games of his college career, was the outstanding man in the Alfred backfield while Captain Armstrong, Regan, and Perrone played a consistent game on the line.

First Quarter— Alfred won the toss and elected to receive. Wyman kicked off to Sanchez who returned the ball to his 30 yard line. Staiman made six yards around his left end. Sanchez made a yard through right tackle and MacFadden punted to Hobart's 48 yd. line. Galbraith hit center for several yards. A reverse play gave Hobart a first down on Alfred's 40 yard line. Gulick made five yards in two plays and on the next play took a pass from Wyman for a first down on the 23 yard line. Four plays netted but three yards and Alfred took the ball on her own 20 yard line. Hobart recovered an Alfred fumble on the 20 yard line. Gulick made two yards around his left end. Galbraith hit the center of the line twice for three yards. Gulick broke through tackle and ran to the three yard line before he was downed. Here the Hobart backs ran into a stone wall and gained but a yard on three plays. A pass was grounded behind the goal line on the last down and Alfred took the ball on her own 20 yard line. Staiman crashed the center of the line for nine yards. Sanchez broke through right tackle for a first down on the 37 yard line. Servatius replaced Brettschneider at fullback for Alfred. Staiman started around his right end, reversed his field, eluded the Hobart secondary defense, and ran down the sidelines 63 yards for a touchdown. Alfred was awarded the extra point when Hobart was offside.

Lockwood kicked off to Hobart's 40 yard line. Hobart tried two passes and was penalized five yards when the

Germany Of Today Shown In Films At Assembly

To indicate the recuperation of Germany and to picture her art and natural beauty was the theme of the illustrated lecture given by Mr. John Gooker before the college assembly Thursday. All the pictures shown were taken by Mr. Gooker himself and were chosen to illustrate more clearly the Germany of today.

The scenes were arranged as an itinerary, beginning in the city of Bremen with its famous old city hall and market place and continuing through Cologne with its awe inspiring cathedral; on to Frankfurt, the home of the modern "hot dog," and one time center of the Holy Roman Empire; Dresden, with its great art galleries and opera houses; Berlin, the home of the Kaisers, with its historical old Brandenburg Gate and many palaces; and finally to the Bavarian city of Munich where are located the "Church of Our Lady" and numerous art galleries and museums.

A most interesting phase was a trip to the little mountain village of Oberammergan with its picturesque inhabitants who every ten years present a world famous passion play, depicting the life of Christ.

This lecture shows how rapidly has been the rise of Germany since the World War and helps others to appreciate the sense of beauty with which the Germans are endowed in their use of it to make Germany a land of scenic and cultural beauty.

FOOTLIGHT CLUB TO CHOOSE PLAY, CAST

The Footlight Club met Thursday, October 31, to consider several plays in reference to the production to be given December 16.

No decision was reached, so at Professor Burdett's suggestion, the choosing of the play was postponed and a number of other plays were ordered. These are now in the library and are at the disposal of the club members.

CROSS COUNTRY PREPARES FOR M. A. S. C. A. A. MEET

This week promises to be a busy one for the Saxon Harriers with the West Point meet looming up on the morrow and the Middle Atlantics on Saturday. Last year the Hill and Dalers followed the same routine. The Army won the first meet but the team came through in the M. A. classic only to be robbed of the victory due to a technicality dug up at the last moment.

This years varsity cross-country team has proven, contrary to early season predictions, that they are capable of up-holding the prestige of A. U. In the Little Ten Conference Meet held at Geneva last Saturday they easily captured the trophy. With this confidence they should shove off strong in the remaining contests of the season. Coach McLeod has developed a well-balanced team, a fact which is easily proven by the score sheet of Saturday's meet when five Alfred men were among the first ten to finish.

The team that will leave for the week's trip will be composed of Vance, Warde, Galizio, Graham, Flint, Burdick and Thompson, the lineup that brought back the Little Ten trophy, and Hughes who will be eligible for the West Point meet but not the Middle Atlantics due to the one year ruling. "Chick" Zschiegner, captain of the team, is still unable to appear in action due to a torn tendon.

The absence of N. Y. U. from the Middle Atlantics race this season adds to Alfred's hopes, as races in the past show a keen rivalry between these two schools.

Kanakadea Dance To Open Year Book Drive

Plans are progressing rapidly for the Kanakadea All College Dance, November 21st.

Larry Harrington is coming down from Cortland with his Blue Rhythmic Harmonizers and says he is all set to play some hot numbers.

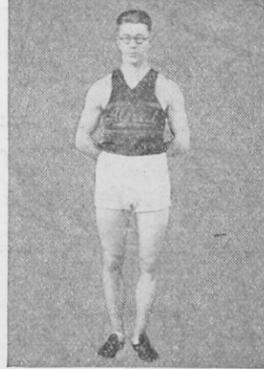

The dance will be informal, and it is hoped that its success will be such as to warrant more in the future.

MID SEMESTER GRADES

Many on the campus will learn their real status as college students November 24, with the giving out of the mid-semester grades. To some it will mean a fraternity initiation, to others a trip to Hornell, while the usual limited (?) number may count it a signal to join the "Grinders" Union.

Murray, Frosh Football Star, Made Team Captain

James Murray, fleet-footed end and pass receiver extraordinary from Long Island way, was elected Captain of the Frosh gridmen just before the Hobart game.

The vote tendered Murray was unanimous and well deserved. Shining both in offensive and defensive play, Murray has led a fighting frosh team to achievement and his nomination is but a verbal confirmation of his play throughout the season.

Coach McLaen named him temporary captain for the Rochester Frosh game and his generalship of the team in that victory marked him for the captaincy of the team.

INTERESTING CHAPEL SERVICES CONTINUE

Chaplain McLeod presented the chapel periods of this past week with several new topics which have given the students cause to ponder and to consider. He stresses thoughts such as "Abhorring that which is evil—cleave to that which is good," "Cross Crossings Carefully," "Obey the rule—disobey and serve" and "Going into things blindly" and "Seek God's realm and his goodness."

President Davis held the interest of the students in Friday's chapel with his well chosen topic, "Miracles."

Address By Joe Hanley Promised For Assembly

Having disappointed an expected crowd once this year, "Fighting" Joe Hauley is again scheduled for the assembly program on November 14.

Mr. Hauley's address will be an exposition of, "The problems of a law-maker."

The disappointment which was aroused by his failure to keep his former engagement may be considered as an indication of the quality of the coming assembly.

Vance Leads Alfred Runners To Five Places Among First Ten For 28 Points; Hobart Culls 38; Hamilton 66; Rochester 78

While the football team was enjoying a 13-0 lead over Hobart at half-time, the Purple and Gold harriers crashed thru to win the New York State Conference Meet held at Hobart, Saturday, November 9th. When the scores were tallied up, the spirited Alfred runners had made a safe margin over the nearest competitor, Hobart.

Pritchard of Hamilton covered the four mile course in 22:27 to take first place. Right on his heels came Vance. Alfred's first scoring man. Third place honors went to Trembly of Hobart, who was followed by Graham and Warde in fourth and fifth place respectively. Flint and Burdick finished in seventh and tenth places to clinch the cup for Alfred.

A peculiar coincidence of the meet was that Thompson and Galizio who wore the numbers thirteen and fourteen, finished in thirteenth and fourteenth places respectively.

At the beginning of the year the prospects for this season looked poor with the loss of Getz and Boulton. However, Coach McLeod has developed a winning team and done much to uphold Alfred's cross-country reputation in this section. He is now concentrating his efforts for the final meet of the year, which is the Middle Atlantic Championship at Van Cortland Park, New York City.

The team score of the New York State Conference Meet is:

Alfred, 28; Hobart, 38; Hamilton, 66; Rochester, 78. (Low score wins)

ATHLETIC GOVERNING BOARD PASSES PLAN

A meeting of the Athletic Governing Board was held at the Coach's office on Tuesday, Nov. 5, at which time, Coach Heers announced that negotiations for holding the Niagara A. A. U. cross-country meet here had been successful. The date for this meet has been set for Nov. 22.

The board also approved the plan to send the Frosh Harriers to Elmira on Nov. 11, to compete in the annual marathon race. The wrestling schedule was discussed and several dates upon the same were approved. The proposition of installing floodlights on Merrill Field was discussed and laid over for further inquiry.

Infirmary Busy As Result of October Activities

The following report, issued by the Clawson Infirmary for the month of October, 1929 shows the great extend to which the college students avail themselves of its medical service.

Bed patients, 14.
Total number of days beds were occupied 50.
Office calls, 242.
Physical examinations, 55.
This is the largest number of cases for one month in the history of the Infirmary.

"The Campus" of Rochester says: The attendance at the game with Alfred was larger than it has been at any opening game for some time.— "Glad someone appreciates us!"

Keep It Up!

With a double victory Saturday which includes the winning of a conference cup and the smashing of a thirteen year record of Alfred defeats at the hands of Hobart, this Alfred Spirit is given a rebound that should direct it onto a cheering path for the rest of the year. The quintet and the equestrians should be supported by a barricade of enthusiasm as strong and as unified as any we have seen yet.

If there is possible such a thing as unshaken Pep being reconciled to a controlled drawstring on affairs at hand, let's apply it to the coming situations—let's adopt the by-words, "Full Speed Ahead and Full Control!"

Respect

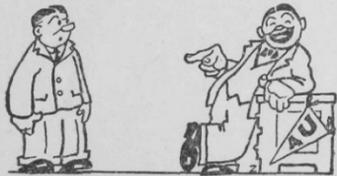

Comments with regard to the low murmurs and shrill whispers that often-times defy the advances of speakers, professors, and student leaders on the campus, may be taken as personal insults as well as a reflection upon the character of the University as a whole, unless the courtesy which should be tendered by college students at any function is more in evidence in the future.

Armistice Day

On the anniversary of so memorable an event as the signing of the Armistice at the close of the World War, it seems only fitting that colleges should observe at least the two-minute period of silence in honor of our living dead. The overlooking of so small a tribute might be taken as an indication of a growing laxity on the part of Alfred in the matter of attitudes in general, by some who do not realize that Alfred supported a training camp during the war, and paid her debt to the nation at a sacrifice of men.

On another year, let us not forget to keep this tradition the most trivial means we have of expressing our debt to those who gave all.

Unsigned opinions can not be printed in the Fiat Lux. Take notice of this in the future.

TIMOTHY THE GREAT

The whole country was in a state of greatest excitement for the time of the great celebration had at last arrived. Timothy McGoolley was by far not the least excited inhabitant of that old nation for he was the greatest fighter ever to appear in that large arena—ever to face any lion, and he had been requested to appear before the king.

As Tim walked with his characteristic swagger down the silent, heavily carpeted throne room of the palace, he kept his eye constantly on the king; unmindful of the hosts of courtiers lining the walls.

Tim found himself greatly embarrassed as the king told the courtiers that they were now gazing at the worlds greatest gladiator and asked him to fight a lion as a major part of the celebration. He let his eyes drop to the floor, and quickly realizing his mistake reached down, picked them up, and replaced them but woe be unto Tim for in his haste he had mixed them up and found them to be affectionately gazing at one another. Tim, the great gladiator, was crosseyed. He could not fall his admiring public now. No, he must carry on.

Tim with his trusty sword grasped tightly in his hand found himself face to face with a hungry, ferocious lion. He hesitated a moment as since he was so handicapped, he must figure out the best plan of attack. He tried to engage the lion in conversation so as to catch him unawares. He talked about the liquor problem, coming elections, proc fights and so on but the lion was uninterested. At last he decided on an excellent plan. He stared the lion squarely in the eye with the look of a Hindu hypnotist. The desired effect gradually took place as the lions eyes slowly turned toward each other.

About this time, the lion, tiring of these preliminaries, decided to devour his human meal and prepared to leap. As he looked up, he saw not one Tim nor two, but several; eight in all. His eyes were playing a mean trick on him. He leaped and devoured the first Tim, the second, and continued until he had eaten five Thims. His appetite was now appeased, and as is often the case after a heavy meal, he was seized with an overpowering desire to sleep. Lying down, he curled up and soon fell into a deep sleep.

Tim, taking advantage of the opportunity, plunged his sword deeply into the sleeping beast, killing it. Once again, he was proclaimed a hero—a greater hero than ever before.

Moral:

Never try to feed sea lions corn flakes for breakfast.

CAMPUS COURT

Campus Court's last session proved to be without casualties. Seven freshmen were reported to have been absent at the pep-meeting and so they were sent invitations to attend the meeting of the Court. They were all present, but by the time those who had legitimate excuses for their absence were excused, there were only two left, Hulbert and Travis.

They were both found guilty and fined fifty cents.

Two freshmen, Wood and Bacher were brought up on the charge of failing to wear their Frosh caps in public. Wood was found not guilty and Bacher was convicted and fined fifty cents. Two more Freshmen were called from the ranks of those who failed to report for Campus Duty, Carpenter and Roberts both of whom were found to be not guilty. Pettit, the only other Freshman present at the patry, was up on the charge of having smoked in the pool room, his case was continued until tonight so that the evidence could be investigated.

Y. M. C. A.

Last week a meeting of the Y. M. C. A. was held at Professor Conroe's home at which Mr. Sweetman, the national field secretary of the Y. M. C. A., was present. Plans were discussed for the changing of the name to the Alfred University Christian Association and for the use of the University seal as insignia instead of the Y. M. C. A. tringle. It was also decided that a membership campaign would be inaugurated in the near future.

VARSITY ELEVEN PREPARES FOR FINAL GAME AGAINST ALBRIGHT SATURDAY

Men Face Opposition Out of Their Class in Bucking Reading Aggregation

The Saxon Gridders will embark Friday for Reading, Pa., where they will prepare themselves to take over Albright in the final contest on the football schedule. Albright has had a successful season and will fight hard to keep the slate in good shape while Alfred on the other hand realizes that a victory over the Reading aggregation will go a long way toward brightening the season's record.

Albright has lost only two games so far this season, one to Bucknell and the other to West Maryland. Albright on the other hand has won only two games. The triumph over Gib Welch's team last Saturday, for the first time in several years, may be an incentive to the Saxons and send them into the curtain game with the stuff that grinds out victories.

Next Saturday, "Lee" Armstrong, captain, "Bill" Young, "Bud" Cohon, and "Jimmy" Sanchez will don the purple and gold jerseys for the last time. For four years these men have been valuable assets to the Saxon team and when they line up with Kickham, Bryant, Grantier, Regan, Lockwood, Perrone Staiman, MacFadden and Servatius, on Saturday is rumored that the entire team will do itself justice.

Evenly-Matched Soccer Teams Tie in First Game

The Freshmen girls held the Sophomore girls to a scoreless tie in a closely matched game of soccer on Merrill Field, Friday afternoon.

Enthusiasm and team work were shown by both teams and the ensuing games, if this is an example, should prove interesting and worthy of support. This game was the first of a series of three games to be played between the two classes. The second will be played next Friday at 3 o'clock.

Second Quarter—

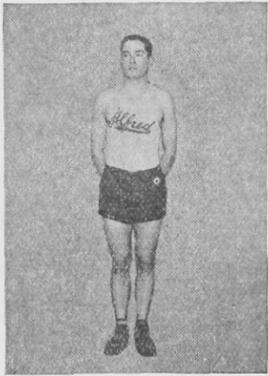

Hobart lost 16 yards on an exchange of punts. Hobart failed to gain and Wyman kicked to MacFadden in mid-field who returned the ball to Hobart's 38 yard line. Staiman, Servatius, and Mooney made four yards and MacFadden went back to pass but was thrown before he could get rid of the ball and Hobart took the pigskin on its own 33 yard line. Gulick swept his right end for 11 yards and a first down on the 44 yard line. Galbraith hit center for five yards but when Gulick failed to gain Wyman punted to Alfred's 40 yard line. MacFadden and Staiman made eight yards and Servatius punted to the Hobart safety man who fumbled, the ball rolling to the six yard line where it was recovered by Hobart. Wyman punted to MacFadden who returned the ball 32 yards to Hobart's 21 yard line. Servatius and Staiman made five yards. A pass, MacFadden to Staiman was incomplete, but the officials ruled that Gulick interfered with Staiman and the interference rule gave Alfred a first down on the three yard line. Staiman made two yards through center and Mooney lunged through left tackle for a touchdown. Servatius' attempted place kick for the extra point was blocked.

Lockwood kicked off to Wyman who returned the ball to his own 38 yard line. Hobart failed to gain and Wyman punted to Alfred's 31 yard line. Servatius made four yards through center as the half ended.

BASKETEERS BEGIN PRE-SEASON CONDITIONING

The basketball squad is working out in the Davis Track and Field House on Tuesday and Thursday nights under the direction of Coach Heers. The squad at present counts up to about twenty men, a number of which will be augmented later when the football men turn out.

At present the drills are composed of calisthenics for conditioning and exercises in defense and offense Coach Heers has called these pre-season practices in anticipation of a hard schedule and in view of the fact that last year the Saxon Quintet got off to a bad start because the men were not in condition to maintain a top-speed attack throughout the game.

From last year's squad there remain, Captain McGraw, Steele, Fabianic, MacFadden, Latronica, Wenger and Webster. In addition to these men there are several newcomers on the squad who are showing remarkable ability. Don Fenner who played guard on the varsity two years ago will be looked to, to strengthen the team again this year.

The first game of the season is slated for Dec. 7, when the Varsity will face the Alumni. The latter have a team composed of Foti, Nichols, Larson all former Alfred B. B. captains, and several other former Alfred stars.

returned the ball four yards to his 24 yard line. A bad pass from center rolled to the four yard line where it was recovered by Hobart. Wyman punted to his own 29 yard line. MacFadden, Staiman, and Servatius made eight yards but Hobart held for downs on the next play and took possession of the ball on the 21 yard line. Hobart was penalized five yards for off-side. Wyman punted to Staiman who returned the ball to the Hobart 49 yard line. Alfred failed to gain and Servatius' kick carromed off to the left where it was recovered by Perrone on Hobart's 34 yard line after it had been juggled by players of both teams. Seven plays netted two first downs on the two yard line where Staiman plunged through center for a touchdown. Servatius' attempted place kick for the extra point was low.

Lockwood kicked off to Puls who ran out of bounds on his 39 yard line. Staiman intercepted a pass and ran to the 23 yard line before he was brought down by Gulick. Servatius hit left tackle for seven yards but Hobart stiffened and took the ball on downs on the 14 yard mark. Wyman passed to Gulick for 26 yards and a first down on the 40 yard line. MacFadden intercepted a pass on the 40 yard line. Three plays netted eight yards and when a pass on the fourth down was incomplete Hobart took the ball on the 32 yard line. A pass from Wyman to Gulick was completed for a gain of eight yards. Perrone stopped Wyman in his tracks when he attempted to circle left end. Gulick made a first down on his 46 yard line. Two end runs plus a five yard penalty for an Alfred offside netted another first down on Alfred's 41 yard line. Galbraith gained seven yards in two tries as the quarter ended.

SPORT LIGHTS

By Wutz

Athletically the past week-end was a success—reports on the scholastic success are not available. The Saxon teams came smiling through. Like Grant took Richmond so did the Saxon Gridmen take Hobart, and Gib Welch sat on in the bench with bowed head

placed Warren at right guard for Hobart. Hobart gained but two yards in four plays and it was Alfred's ball on the 29 yard line. On an attempted end run Staiman was thrown for a 10 yard loss. MacFadden picked up three yards on a reverse play through right tackle and Mooney kicked to mid-field. Gulick was thrown for a three yard loss. Gulick passed to Bliss for a first down on the Alfred 40 yard line. Galbraith made four yards through left tackle. Brettschneider went in for Servatius at full back for Alfred. Neville replaced Tiffany at left guard for Hobart. Gulick and Galbraith made it first down on the 27 yard line. Alfred was penalized five yards for off-side. Gulick and Wyman made another first down on the 17 yard line. Bryant replaced Kickham and Kickham took Lockwood's place at left tackle for Alfred. Gulick carried the ball on three plays to the three yard line for a first down. Galbraith was stopped twice at the line of scrimmage but on the next play went through right tackle for a touchdown. Gulick passed to Wyman for the extra point.

Brampton replaced Preller at left tackle for Hobart. Wyman kicked off to Bryant who returned the ball to his 39 yard line. Alfred failed to gain and Mooney kicked to Hobart's 48 yard line. Robinson intercepted a pass on his 32 yard line. Alfred lost four yards in two plays and Mooney punted to Gulick who returned to Alfred's 39 yard mark. Gulick passed to Wyman for a first down on the 28 yard line. MacFadden knocked down a pass but on the next play Wyman passed to Gulick for nine yards. Gulick broke through right tackle for a first down on the 16 yard line. Two more passes were incomplete as the game ended.

hardly daring to notice an avenging Alfred team atone for the years in which Hobart has been supreme. Gulick, the star of the Genevans was powerless, his own interference tripped him up and the fact that Barna, who became a Hobart alumnus last June, was not on hand seems to have put a crimp in Gulick's style. Alfred's line worked pretty and the backfield equally so. Staiman, Servatius, Sanchez, MacFadden, Mooney, Brettschneider, were able to rip off substantial gains thru Hobart at most any time. Staiman tore off a pretty run in the first quarter that netted a touchdown. This feat considerably dampened the spirits of the Hobart backers but withstanding the fact that they watched two more touchdowns go crashing over their goal line they were still barking in hoarse cracked voices in the last minute of play "Beat Alfred."

The way that X-country team finished up was a revelation. The team put their scoring men among the first ten to finish and cinched the race then and there. With the victory came another Little Ten Conference cross-country cup to take its place in the trophy case at Alfred. Evidently the officials of the conference are tiring of watching the Saxons cop the cup year after year, at any rate the proportions of the trophy have been slightly abbreviated. However the significant factor about the cup is that it means that the Alfred Harriers are champs of the Little Ten Conference. It means that Warde, Vance, Graham, Galizio, Flint, Burdick and Thompson beat out the best runners that could be mustered from Hamilton, Rochester and Hobart.

a hard one to dope. In the first place the opponents are new-comers on the Saxon schedule. In the second place the Alfred team has the drive to knock 'em cold when they are going right. It might be noted that in the season of 1928 Albright won only one game. Their opponents run up a score of 206 points while the best the Reading team could do was to garner 25. The results so far in the past season are given below try them on your piano.

Bigger and better pep meetings are wanted, and it is up to the students to make this possible. The co-operation so far received has been greatly appreciated, but remember it is not a one man affair, it is a co-operative movement on the part of the students to put over to the teams their faith in them and their support, win or lose. Besides this, it is the purpose of the pep meetings to be short get together for informal entertainment and fun.

Do not think that because football season is almost over there will be no more mass meetings for the rest of the year, for the basketball and wrestling teams need your support fully as much. As a rule, reserve Thursday nights from 7:15 to 7:45 for such meetings. A prompt beginning assures an ending by 7:45.

The plan has been proposed that each house on the campus, in turn, should take complete charge of a pep meeting, including speeches and entertainment so they can in this way introduce any novel ideas, or can bring to light new talent. Will the presidents of the various houses please present this matter before their respective groups for their approval? Providing this approval is forthcoming, it will be interesting to note the variety of programmes presented.

What's wrong with Alfred's cheering section? At the last football game I was in a position to hear a great many comments both from the cheerleaders and from the other students. Some of the cheerleaders complain because they can't get results from the crowd. From the comments heard and from other sources, here are a few reasons why they don't get results.

In the first place, in other universities, one rarely sees girl cheerleaders. A girl may do her very best, but very few girls can inspire a crowd with the pep to yell, that a fellow can. This is clearly demonstrated in Alfred.

In the second place, there are too many cheerleaders. Some of these yelling from the bleachers would help more than they would trying to lead cheers. Four cheerleaders are plenty for a cheering section the size of Al-

fred's. These four should lead all together, not in twos.

In the third place, there are too many cheers given at once. One gets all worn out, running through the whole list of cheers at once. Cheering is also done at the wrong places.

Now that there is a lull between football and basketball season, there is a chance for re-organization of the cheerleaders squad, and if this is done, we should be able to show some good peppy cheering at the games this winter.

ALFRED FIRST TO CONFER HONORARY DEGREE ON WOMAN

Very few know that Alfred was one of the first co-educational institutions in the country, and that though the co-eds of today may disagree, the college's attitude towards the recognition and emancipation of women, along educational lines, has always been liberal. This position of the institution was brought to light recently through a feature in "The Syracuse Post Standard" in regard to the conferring of an honorary degree on Madame Marie Curie by St. Lawrence University. The writer commented on the fact that it invaded almost all fields of activity, the number of honorary degrees conferred by universities to women scholars and executives is relatively small; then, urged on by this discovery, he reveals that Alfred University gave to Mrs. Caroline H. Dall, author, the honorary degree of L. L. D. in 1878; that previous to this event no woman in the United States had been so honored, and it was not until four years later that an Indiana college awarded the same honor to Miss Mariel Mitchell, a noted astronomer. It is a mark of real distinction that so small an institution should have inaugurated a movement so radical for its time.
