

TWO VICTORIES, ONE DEFEAT MARK CONFERENCE TRIP

MATMEN CONQUER MANSFIELD IN FIRST MEET OF SEASON AT ALFRED, 20¹/₂-11¹/₂

Felli's Performance Spectacular; Grantier, Gullo, Former Alfred Man Battle to a Draw; Three Time Decisions

Thrills were frequent Saturday night as the Davis Field House resounded with the applause given the Purple and Gold grapplers as they trounced Mansfield Normal in a meet replete with action.

"Rugged" Rudy D'Elia opened the festivities with a win over Briggs, the 115 pound representative of the Normal School. Felli in a lightning whirl of activity and Sanchez disposed of two more of the future pedagogues with quick falls. These two boys looked very good and should turn in many more stellar performances before the season ends.

Johnny Hambel, the canny Saxon 135 pounder, easily disposed of Gould of Mansfield on time. Grantier and Gullo were so evenly matched that neither could gain the advantage and the bout ended in a draw. Lockwood's lack of experience was responsible for his fall at the hands of Prugh, the Mansfield unlimited entry.

Squires, the star of the opponents, wrestling in two divisions disposes of Snell by a fall and came near trimming Flint in the 175 pound class. He gained the advantage on Flint and had his shoulders within an ace of the mat, but Ted's fine condition enabled him to slowly but surely force his way up from the floor to a standing position and then to victory by a time advantage of 1 minute and 24 seconds.

ATHLETIC BOARD SIGNS SCHEDULE

In addition to ratifying the 1930 Wrestling Schedule, members of the Athletic Governing Board, at the last meeting January 7, carried on other business of pertinent interest. The long felt need of a skating pond may be answered in the near future provided the town puts up one hundred dollars to match and augment the amount voted by the Board for the purchase of a pumping system by means of which to flood the Athletic field.

The Board voted to limit the 1930 football schedule to 8 games, the last to be with Yale, and awarded letters to be given out at the athletic assembly Thursday.

Managerships were voted as follows:

Football Manager—Edward Cauger
Assistant—Francis McCourt Bloomquist.

Freshman Football Manager—George Hill

A committee was appointed to investigate the possibility of purchasing floodlights for Merrill Field.

The Wrestling Schedule follows:
Jan. 11, Mansfield at Alfred
Jan. 18, Mechanics Institute at Alfred

Feb. 8, Pending
Feb. 14, Mansfield at Mansfield
Feb. 20, Franklin and Marshall at Lancaster.

Feb. 21, Brooklyn Polytech. at Bro
Feb. 21, Brooklyn Polytech. at Brooklyn

Feb. 22, Pennsylvania at Philadelphia

Feb. 28 Mechanics at Rochester
Mar. 8, C. C. N. Y. at Alfred.

Assembly Film Pictures The Romance of Rubber

Despite the inconveniences suffered at last Thursday's assembly, the educational program offering the film "The Romance of Rubber" was a decided improvement over many of the recent assembly presentations. Dr. Saunders of the Chemistry Department showed this film on the growing and tapping of the rubber trees on the estates of the American Rubber Co. in Sumatra, and its consequent manufacture and shipping for final consumption. Unfortunately, the film sent was smaller than was expected and therefore had to be used on the small machine designed for class room usage, making visibility and comprehension of the story difficult for those in the rear of the hall.

PI GAMMA MU ANNUAL CONVENTION IS HELD

The fifth anniversary celebration of the organization of Pi Gamma Mu was held December 27-30, at Mayflower Hotel in Washington, D. C. The New York Gamma Chapter at Alfred was officially represented by Professor Drake. Professor Rusby in attendance at the meeting of the American Economics Association and Nathan Ferris a member of the local chapter and now in attendance at George Washington University, also attended some of the sessions.

Pi Gamma Mu was organized in 1924, at Southwestern College, Winfield, Kansas, by Dean Leroy Allen and a few of his students in Economics. It was originally intended to make of it a local society and one confined to the department of Economics. It was shortly decided, however, to make of it a national organization including students in all the social sciences and locate chapters in the small colleges. This policy was at first carried out but the society has grown so rapidly in size and influence been placed in the larger colleges that many chapters have recently been placed in the larger colleges and universities.

From humble beginnings the society has grown until now in number of chapters it is the largest college honor society in the world. There are now 111 chapters either organized or organizing. The society became international in scope last year when a chapter was placed at the University of Hawaii in Honolulu, and various Canadian and European Universities. It is also planned to organize Alumni chapters all over the country making it possible for every alumni member to continue his contact with the society after leaving college.

During the meetings a number of addresses were given by prominent men, perhaps the outstanding one being that given by Professor Ellwood, the eminent sociologist of the University of Kansas. At the same meeting at which he spoke he was made the first honorary member of the society in the United States.

As is well known, Pi Gamma Mu is a society, membership in which is restricted to those who have by interest and high scholarship distinguished themselves in the field of the social sciences. It aims however to be far more than just another honor society. It aims to have a real working program of the scientific study of social problems, of social idealism and of social service.

WEBSTER ELECTED FIAT ASSISTANT

Following upon the resignation of Wilfred Rauber as Associate Editor in charge of Athletics, an election to fill the vacancy was held at the meeting last Wednesday night. Paul J. Webster '31, a member of the Sports Department, who has been active since the fall of his Freshman year and has proven himself capable and responsible as reporter was chosen by the staff to take the position.

At the same meeting three competitors who have contributed reliable work were moved up to reportorial rank as follows: Eudora Perry, Margaret Skinner, and Claire Persing.

FOOTLIGHT CLUB PLAY A SUCCESS

The Footlight Club opened its season with "The Brat", an amusing and bright comedy in three acts.

The play was cast as follows:
Mrs. Forrester Annette Clifford
MacMillan, her son, an author Stockton Bassett
Stephen, her younger son

Bishop Ware Francis McCourt
Mrs. Ware, his wife Ruth Kenyon
Dorothy, his daughter Helen Lawson
Jane Depew, a spinster

Mildred Kneerim
Angela Smythe, a debutante

Ella Corson
Timson, the butler Irwin Cohon
Margot, the housekeeper Janet Reamer
The Brat Phlabia Sheheen

The parts with few exceptions were well taken. One came away with the distinct impression that the play was well done. There were those who quite covered by the excellence and strength of their interpretation, certain weak and awkward moments created by those who were not quite so convincing.

The "Brat",—and we wonder where a better amateur than Phlabia Sheheen could have been found, deserves high praise for a natural and very understanding rendering of the part.

Stephen was realistically portrayed by Francis McCourt, in fact his interpretation was among the best.

Ella Corson was charming and very much at ease as the debutante.

Some of us looked forward with pleasure to the acting of Annette Clifford, Stockton Bassett and Irwin Cohon, and on the whole they did not disappoint us. Irwin Cohon, always

Chapel Talks of Week Stress Personal Traits

Peace, Love, Selfishness and Progressiveness were the key notes of the Chapel talks last week given by Chaplain McLeod on "Happy New Year", "Less Tubes", "The World's Greatest Wreckers", "Toeing the Line of Discovery." The Chaplain's first talk showed how perfect happiness is impossible and even undesirable; how peace brings the greatest contentment to humanity. He continued the second day by pointing out how a radio, less tubes, as commercially advertised, is as useless as religion without love. The third talk dealt with human selfishness as the world's greatest wrecker and the seat of all forms of crime and sin. The last talk of the week illustrated how one might grow old and still be alive by always planning for the future and by being progressive in thought and action.

VARSITY DEFEATED ON VACATION TRIP

The Alfred basketball team fared poorly on the Western trip during Christmas vacation. Losing the three games played with Allegheny at Meadville, Duquesne at Pittsburgh, and John Carroll at Cleveland.

At Meadville, the Varsity ran up against a smart, fast-passing, well-balanced team. The Allegheny quintet outclassed the Varsity all the way and won easily with a 45-20 score.

On the second night, Stevens of Duquesne was poison to the Alfred quintet. Coach Heers started the second team in this game and in a few minutes Stevens, with his uncanny eye put the Pittsburgh team in the lead. Alfred's first team then went in but could not do much better and Duquesne gradually piled up a 41-19 score with the aid of a few raw decisions on the part of the referee.

The effects of the trip and lack of practice became apparent in the John Carroll game. Alfred went into the lead in the early part of the game and at half time was trailing by only two points. However, in the last half, the Varsity attack lost its drive and the Cleveland team forged ahead to win 41-22.

EXHIBITION OF POTTERY TO GO TO NEW YORK

On Friday afternoon, January 10th, in the drawing room of the Art Department (on the top floor of the Agricultural School) there was held an exhibit of pottery by Charles M. Harder. This consisted of work recently finished by Mr. Harder for a one-man exhibition to be held this month at the Potters' Shop in New York.

This pottery has a variety of technical interest. White ware, either patterned ingeniously in gay colors under the glaze or modeled into small imaginative animals, has been perfected by Mr. Harder this year. Vases and lamps carved in low relief in excellent modern design show one of his recent developments of which there are several.

Wins Made By Large Margin; Even Competition Provides Thrills at St. Lawrence as Extra Time is Required to Upset a Tie Score

Coach "Dutch" Heers and the Purple basketball team returned to Alfred Sunday following one of the most successful conference road trips in recent years. The locals bumped off Hamilton and Clarkson on Thursday and Friday respectively, only to drop an overtime game to St. Lawrence Saturday night in a hotly contested game.

Hamilton, due to the fact that the up-state quintet had defeated St. Lawrence, was favored to beat Alfred on their home court. Led by Captain McGraw, who scored fourteen points, the Purple five completely outplayed their opponents to win by the decisive score of 34-22. The score at half time was knotted at fourteen points a piece, but the Alfred offense began functioning in the second half and after the first ten minutes there was no doubt as to the outcome. Steele, besides playing a good defensive game dropped four field goals and a free toss through the net to count nine points. Crowley, Hamilton forward, led his teammates with three baskets and a free throw.

Thursday afternoon at Potsdam the Alfred quintet ran up the overwhelming score of 49-14 against a weak Clarkson team. The local aggregation counted ten points before their opponents scored on a free throw and led at half time, 23-8. Latronica and Steele ran wild scoring 8 and 9 points respectively.

FROSH LOSE TO GENESEO 22-17

Two games in as many days were evidently too much for the Alfred Freshmen to handle. After journeying to Richburg, Friday night to win 44-17 from the High School team there they lost Saturday night to Geneseo Normal, 17-22.

The game Saturday night was fast throughout with the score at 10 all at half-time. Shortly after the half, Geneseo went into the lead and was never headed. At one time Geneseo was leading by 8 points but the Frosh cut it down to 5 points. Here they became over-anxious and their last efforts were cut short by the final shot. The team was handicapped by injuries, Chous having a bad knee and Cass being out of the game completely with a weak ankle. This defeat was the first one suffered by the Frosh who really have a very good aggregation. They will have a chance to redeem themselves later on as a return game

PROFESSOR HARRIS BACK TO RESUME CLASSES

With the opening of college after Christmas vacation, Prof. Ildra Harris resumed a portion of her work in the Romance language department as professor of Spanish. Miss Harris was incapacitated for work by an automobile accident in September, and has since been regaining her health. She will for the time being undertake the duty of only one of her former classes until she is again normally strong.

Resurrection!

"Mine eyes have seen the terror of the coming of exams!" Down the long sweep of Pine Hill, into the valley to mingle its dirge with the Kanakadea, comes the cry of the Five Hundred! A brief battle with the forces of nature—inertia, procrastination, fatigue; a short relief from New Year's resolutions in concentration on Bacon's Essays; a supreme example of two hours' guesswork slightly flavored with information—and the resurrection day has come—for some of us!

Those who considered their task complete with the fulfillment of entrance requirements; who have basked idly along the stream of reputation; whose mental exercise has been carefully limited to a weekly constitutional may find themselves lifted up from the dust of their ambitions and deposited firmly on the horsehair sofa before the family jury. Some will slip through the jaws of justice to laugh when the new term is safely on its way; and others will have a report which confines itself to the first article—but each will find himself past another turn on the stairs, and whether the next flight leads down or up he alone decides.

The time is too short for anything but work and the just returns which honesty will insure. What then? Let us profit by failure or continue in success—let resurrection from a lazy ebb and flow give us more than a slippery foothold on the rock—let it give us the courage to begin anew, face to the wind!

HUMOR

New Year's Resolution

"Yea, Eddie, I'm through with girls. I gotta study this semester. Can't let such trivial things as women interfere with my college education. That's my New Year's resolution—to leave the fair sex alone. They're all alike; when you meet one you have met them all.

Sa-ay, Eddie, who's that "Miss America" over there in front of the post-office? Does she go to college here? Wow! She's my weak moment! Where's she been all my life? Boy, I'm going to get acquainted right now. It's a "date or die" for me. S'long Eddie, see you again!"

And then there's the woman in the street car, who, as a last appeal to the best in man, started whistling the Star Spangled Banner.

What's Wrong With This?

Resolved; to get up before breakfast every morning, to be on time for all 8:00 classes, to study hard this next semester, to be an "A" student from now on, to listen carefully to lectures, to attend chapel every day, to stay in nights, and so on, into the New Year.

AGGIES TRIM FROSH SQUAD

The Aggies seemed to have it all over the Frosh in the 1st, 2nd and 4th quarters. The Frosh rallied in the 2nd quarter but could not break through the powerful defense of "Pat" Orvis' men. Edwards and Baker were high scorers for the Aggies. For the Frosh, Bond was the high scorer, scoring nearly all the field goals. Breeman made a brilliant shot from the middle of the court in the third quarter.

A WARNING

Last Saturday night the contestants of both wrestling teams showed fine sportsmanlike spirit despite a very trying, and occasionally vulgar, audience. Bovine booing, menacing mooring, and rank remarks are not becoming a college audience nor do they aid the spirit of the contestants or the good will of the visiting team.

Certain ideals of behaviour govern a college audience by virtue of its being a college audience. In particular, a college audience is distinguished by the fact that it knows, or feels keenly, where hilariouslyness ends and vulgarity begins. It seems to us that an Alfred audience might want to merit at least that distinctiveness. Also, it is somewhat repugnant to us to be obliged to appeal to an Alfred audience to respect decency on the baser motive of the possibility of forfeiting a match. For Section 8, under Rule XVII of the 1930 Official Intercollegiate Rules, gives the following instructions to the Referee: "If the behaviour of the spectators becomes disrespectful or unsportsmanlike—the Referee may stop the bout and—he may award the bout or meet to the offended team."

(Signed) James A. McLane and Joseph Seidlin.

PRIDE MAY GO AFTER A FALL

Are the students of Alfred losing their grip on things? It might be thought so. Many and many a time have Alfred students leaned or sat on the railing in front of the Post-Office and never have dire results come to pass except, perhaps, a lower index or a higher restaurant bill.

But there must be a first time to everything. Either life, was not sweet to them, love was cruel or it was just a plain case of loss of equilibrium "non compos mentis" or what have you, because two youths, well-known about town descended to the dark depths below in none too gentle a manner. But what or who is able to keep a real good student down? Certainly not a mere few bags of cement, laid out in a more or less precise manner, even when they are trained to jump up and hit one right in the face. All right boys?

ORGANIZATION TO SELECT BASKETBALL OFFICIALS INSTITUTED BY COLGATE

Fourteen Colleges Including Alfred To Participate on Board for Standardizing Rules and Appointing Officials

William A. Reid, graduate manager of athletics at Colgate University, Saturday, sent formal invitations to thirteen other New York State Colleges to join with Colgate in the forming of an association for the selection and appointment of basketball officials. Colleges invited are Syracuse, Cornell, Hamilton, Hobart, St. Lawrence, Rochester, Buffalo, Clarkson, Niagara, R. P. L., Alfred, and St. Bonaventure.

This Association would make up a select list of officials and assign these through a central office presided over by a commissioner. The expense of maintenance would be met by the members. Meetings for coaches and officials would be held at regular intervals to go over the rules and develop a common interpretation. Reports of each game, complaints, etc.,

would be filed with the commissioner who would also work with the association in standardizing fees and providing for instruction of young officials.

The chief purpose of the association is to bring about a uniform interpretation of the basketball code for the territory covered by this group in which, as in many other sections, there are almost as many interpretations as there are teams and officials.

This, however, Mr. Reid said is not the fault of the officials nor the coaches, but due to a lack of a supervisory body where coaches and the officials can work on common ground and develop uniformity.

At present basketball is surrounded by rulings complicated to the nth degree with no central authority in the section to straighten out the resulting confusion.

A meeting to act on Mr. Reid's recommendation will be called for some time in the near future. At that time leading coach officials and directors will be asked to lend a hand in the task of organizing the association.

SPORT LIGHTS

By Jackie

For the first time since the origination of the New York State Conference some years ago, an Alfred basketball team is leading the pack down the stretch toward the championship. Although the Purple basketball team dropped a close game to St. Lawrence they are still in the lead, figuring on a percentage basis. Hobart and Niagara have not played a conference game to date.

Buffalo and Alfred, the only undefeated teams in the conference, were both vanquished by St. Lawrence last week. Hamilton pulled a surprise in the first league tilt of the season when they downed the Larries 24-23. Comparative scores mean little, but Alfred beat Clarkson, 49-14 and Buffalo downed the Tech outfit 33-21. Figure it out for yourself.

Geneseo Normal ended the winning streak of Coach J. A. McLane's yearling hoopsters Saturday night, but from all appearances the Frosh had an off-night.

If early season contests mean anything the Purple matmen are due for a successful season. Coach McLane's proteges looked promising in the meet at the local gym Saturday.

Coach "Dutch" Heers travel-weary court men will enjoy a two weeks' respite before their next conference tussle with Niagara at the local gym Saturday, January 25.

Better luck next time, Frosh.

Theta Theta Chi

We miss having Nippy gone for good and will be glad to have Brownie all recuperated with us once more.

Buck will be crowding us out of the house soon.

FOOTLIGHT CLUB PLAY

Continued from page one sensitive to his part, played this one with spirit.

The few brief but essential words of Dorothy were well placed by Helen Lawson. It should be added that the quality of her voice and her diction were most agreeable.

The Bishop, and perhaps some of us are somewhat out of sympathy with the everlastingly trite portrayal of what is not typical of the Episcopal ministry, seemed over drawn.

Incidentally the illusion of a well-to-do home was not adequately represented by the stage setting. Had the walls been darker and the furniture less crowded the actors would have appeared more at ease. As it was one had the thought that the furniture often obscured some important action. The decorative but important details of furnishing seemed meagre—for people of apparent wealth and evident social position. In most cases the costuming was very fine. We look forward to the next production.

DELTA SIGMA PHI HOLDS ANNUAL CHRISTMAS PARTY

Delta Sigma Phi held its annual Winter Formal banquet and Dance on Wednesday, Dec. 19. Mid bright colored balloons the couples frolicked to the music of Ted Zaph's orchestra. During intermission the guests were entertained with novelty dancing by the Smith children. The chaperones were Coach and Mrs. E. A. Heers, Coach James McLane and Professor Elva Starr.

KLAN ALPINE GIVES CHRISTMAS FORMAL

The Klan Christmas party started off with an excellent banquet at Hill's Coffee Shop and with every one in high spirits which even the failure of the orchestra to arrive and miserable weather could not abate. The emergency was efficiently met and bridge tables were produced while the orthophonic served those who desired dancing.

The chaperones were: Prof. and Mrs. Waldo Titsworth, Prof. and Mrs. Joseph Seidlin, Prof. and Mrs. I. A. Conroe, Prof. and Mrs. Paul C. Saunders, Prof. and Mrs. C. R. Amberg, Prof. and Mrs. Charles Harder, Prof. and Mrs. Murray Rice, and Prof. and Mrs. Paul Rusby.

Post-Vacation Season Keeps Infirmary Busy

Fred Greaves was admitted Friday and discharged Sunday afternoon.

Harold Karthauser had an attack of appendicitis and was removed to the Hornell hospital for observation. He was returned to the infirmary Friday and discharged Sunday afternoon.

Owing to a slight concussion of the brain Larry Hopper remained in the infirmary from Wednesday until Friday.

SAXONS TROUNCE CLARKSON

Continued From Page One

With a clean conference slate, Alfred went into the St. Lawrence game at Canton Saturday night with the outcome a tossup. The locals commanded a five point lead throughout the initial frame and lead at half time by the score of 14-9, due largely to the accurate shooting of MacFadden. The Purple managed to maintain their slender lead up until the last two minutes of play when two heaves from the center of the court by Ketchum, St. Lawrence guard, tied the score. At the end of the regulation time the score stood knotted at 21 points apiece. The Alfred quint fell to pieces in the extra five minute period and St. Lawrence rang up three baskets while the locals were garnering one free toss. The game ended with Alfred on the short end of a 27-22 score. MacFadden and Fenner were Alfred's scoring aces with eight and six points respectively while Steele played a spectacular defensive floor game.

REGISTRATION

The following regulations should be noted regarding second semester registration, which begins January 15, and ends January 23.

1. Freshmen, Sophomores and upper-classmen, whose courses continue through the year, need not register for the second semester as the Fall registration was for the entire year.

2. Registration for new courses may be made at the Registrar's office on the days mentioned above, during the afternoon only, as follows:

- Seniors, January 15, 16 and 17.
- Juniors, January 20 and 21.
- Sophomores, January 22.
- Freshmen, January 23.

Registration on other dates except as hereafter mentioned will constitute late registration, for which a fee of five dollars is charged.

3. Registration is not necessary for the following second semester courses when they follow the related courses of the first semester: Biology 6 and 10, Chemistry 3 and 5, General Methods (1 hour), Mineralogy, Principles of Education, and Professional English (Ceramic Engineering Seniors), Physics 3.

4. On Wednesday and Thursday, February 5 and 6, opportunity will be given to all students to register for courses which they are substituting for courses in which they failed and are not permitted, therefore, to continue.

W. A. Titsworth, Registrar.

"TALKS TO STUDENTS"

A book by a former Alfred Professor, Cephas Guillet

Some Comments: A Columbia professor: Admirable in its frankness and in its content. President of a Women's College: Much of it is good but much dangerous. University president: A very vital message to students. A Catholic professor and A Presbyterian minister: Interesting and stimulating. An Illinois professor: I think it took some courage to say these splendid things before a college chapel. A Massachusetts professor: I would that all students might read it. An author (man): I like your last talk—on business it is calm and masterful. An author (woman): The great message to me has been its searching and lovely social vision. A student: I don not know where to begin to tell you how very much your little book has meant to me.

For sale by the Hornell Drug Co., and C. F. Babcock, at 50c each.
