

SEVEN NEW PROFESSORS ADDED TO UNIVERSITY TEACHING DIRECTORY

Chemistry, History and Language Departments Benefit By New Personnel Changes; Two Coaches

The seven appointments to fill the vacancies on the faculty were completed last week when the successors to Professor Fraser, Schroeder and Miss Shepard. Charles Buchanan, who succeeds Professor Schroeder, received his A. B. degree from the University of Michigan in June, 1925. In June 1927, he was awarded an M. A. degree in Ceramics from the same university, while he was an instructor in German there at the same time. From October, 1928, to June, 1930, he has been studying in Germany in quest of a Doctor's degree. Professor Buchanan now lacks but a few hours credit for his Ph. D., but this work can easily be completed in American universities.

Professor G. Frederick Nease has been selected to teach both Greek and Latin due to the resignation of Dr. A. D. Fraser. Nease was awarded a Bachelor of Arts Degree at Otterbein College, Ohio, in June, 1926, with Latin as his major subject. In 1927, he gained a Bachelor of Music Degree from Otterbein Conservatory, and earned a Master of Arts Degree from Ohio State University during the following year. During the past year he has been a Professor of Greek and Latin at Otterbein Normal College.

Burton B. Crandall, M. S., a graduate of the University of California and a former instructor in the Harvard School of Business Administration, succeeds Professor Paul Rusby as head of the Economics Department.

Miss Margaret Myers also received an appointment as an Instructor of Physical Education for Freshman and Sophomore girls. She came to Alfred, after having spent two years at the Boston School of Physical Education.

Besides the addition of Doctor R. J. Bennett, M. A., Ph. D., to take the place of Professor Ellis Drake in the History department, David W. Weaver S. M., has been supplemented to the Chemistry department in the position formerly held by Norman Stolte '28. Instructor Weaver has recently completed two years of graduate study in the University of Delaware.

The seventh addition to the faculty is none other than Coach John E. Galloway. His arrival this fall brought an eighth new-comer in the person of Joseph T. Schiff, Galloway's assistant and line coach in football. Coaches Galloway and Schiff hail from Colgate and St. Lawrence respectively.

PROCLAMATION WEEK NOW UNDER WAY; '33 FAVORED BY FIAT LUX TO WIN CONTEST BUT FROSH PLAN TO WIN FIGHT

Proc season which began yesterday morning may be ended by the time that this edition has left the press. However, in the event that the Sophomores have decided to save the Frosh, coaches, football players, Fiat reporters, amateur photographers and themselves several dreams of sleep, the Fiat Lux uphappily asserts that the "scoop line" for the annual story of the contest can not possibly be set previous to a week from today!

But the Fiat Lux can never let it be said that it never covered a story either wholly or in part. Thus a "futurity" is in order. From all appearances, statistics and rumors the balances of impartial judgment favors No. 34 to go back the home stretch as the winner of the fight. The still slightly verdant Sophomores come into their share of the glory by virtue of a predicted victory in the technical terms of the proc contest.

In past years the Sophomore have generally taken the honors both

EDITH G. SICKINGER WRITES NEW SONG

School Spirit, that rather intangible quality so essential to the success of a football team, has at last established itself on the Alfred Campus. An expression of this increased enthusiasm, prompted by the fighting spirit of the team and the intensity of purpose of the new coach, has been offered in the form of a new football song. This offering is a parody on "I'm Needing You" and was written by Edith Sickinger.

We're Backin' You"

Our foot-ball team is on the level
Our foot-ball men are fighters too
And 'cause we think so darn much of you
We're backin' you!
We can't express quite all we're feelin'
In words of four or twenty-two
But please express our little tribute
We're backin' you!
Every grid affair needs a nifty team
Plunging through a line of toughs
We can't help but smile, for our team
Has all the style.
Our foot-ball team is in the makin'
We're sure they'll bring us home the bacon.
And 'cause we think so darn much of you—
We're backin' you!

Bureau of Publicty Gets News Service

From the Bureau of Publicity, comes the news that it has contracted eighteen papers in this part of the state to send out school items every day in the week, in return for which the school is to receive full telegraph and telephone privileges, that these papers have to offer.

Arrangments are being made by the Bureau to have write-ups of all the games in the Associated Press papers. Privileges have already been granted by the New York Times, and The Herald Tribune, to send in news items concerning the school, and its athletic activities.

At this time the Bureau is concentrating its efforts to place the school more and more before the eyes of the public, due to the fact that complaints have been received from Alumni of Alfred that the school has not had sufficient publicity in the past.

CERAMIC SOCIETY

The Ceramic Society of Alfred University will hold the first meeting of the year on Tuesday evening, September 30. Plans will be discussed for the coming year. It is hoped that there will be a good attendance.

SUSAN P. HOWELL SOCIAL HALL NOW OPEN FOR SERVICE

All Students Required To Register Upon Being Admitted To Use of Hall; 140 Listed First Week

The new Susan Howell Social Hall has been opened and is running on a regular schedule for the year. Mrs. Galloway makes a charming hostess and will be there every day except Sunday. The Hall is open daily from four to five-thirty in the afternoon and from seven to eight at night. On Friday and Saturday it open from seven to ten at night and during Saturday afternoon from three to five-thirty.

This week a record of the guests has been kept and over one hundred and forty people have visited the hall to play cards, chess, to study and dance, or to enjoy the new radio which has recently been installed. Everyone who goes to the Hall is requested to register every-time in order that a record may be kept of the people and of the classes who support the hall.

It has been suggested that contributions of records, magazines, books and flowers be made by the students whenever it is possible. Another suggestion has been made that a box for money be placed in the vestibule so that the students may contribute a few cents a week for purchasing a daily newspaper and other incidentals which would make the hall more home-like.

FIAT LUX SECURES (IP) PRESS SERVICE

For the past few years the Fiat Lux has been attempting to associate itself with the Intercollegiate Press and finally it has achieved success. From now until the end of the school year the sign (IP) will grace the different pages of this paper.

Through the agency of the Intercollegiate Press, Fiat readers will be kept in touch with all of the latest happenings in the collegiate world. News of the Alfred Campus will no longer monopolize the Fiat and subscribers will view at last a wider scope of interest than the usual activities of local organizations.

The Fiat hopes to gain new ideas and to establish a new precedent in joining the largest universities in the country as an associate in the New York link of this press service. Whether or not it will be met with favor by local readers only remains to be seen but past experience promises hearty approval to the Fiat's most recent addition.

ALFRED AND HAMILTON BATTLE TO 0-0 TIE IN HARD-FOUGHT CONTEST

MASS MEETING HELD FOR SCHOOL SPIRIT

Last Thursday evening a sad treat was in store for the student body as Coach Galloway announced at the mass meeting that a fighting football team prevailed but that it lacked the spirit, enthusiasm and co-operation of the student body.

Line Coach "Joe" Schiff in an intimate manner made it distinctly clear that there should be "plenty of action and a whole lot of life" in the cheering sections at the next home game. The mass of students gathered in the hall showed its approval by an outburst of applause which lasted for fully five minutes and threatened to raise the roof from old Alumni Hall.

Among the members of the football squad who commented on the Hamilton game were Captain Staiman, McFadden, DeLaney, Servatius, Murray, Phillips, Bryant, Perrone, Monks, Kickham and Muller.

The pep meeting had a fairly good turnout but there were several vacant seats in the Alumni Auditorium. The individual talks from the coaches and football men enthused the gathering to such an extent that prospects are bright for a more co-operative and zealous student body.

FROSH FOOTBALLERS SHOW UP STRONG

A squad of thirty-five freshmen reported to Coach McLane last week and to say that it is the hardest fighting frosh squad the school has seen, is putting it mildly. In one short week this squad has already turned out men who bid fair to be shining luminaries on the Saxon gridiron. As a team, they will probably be one of the smoothest-working Frosh outfits seen here in a long time.

Raeder, at end, shows great possibilities, while Wagner and DiCandia are also showing up well. In the tackle positions, Scindler seems to be the outstanding player, with Noe and Coveney coming along in good shape. The guard positions are being filled by Ackerman and Simpson, while Gregory seems to be holding down center position with scarcely any trouble. The backfield men who look to be showing up the best are Horowitz, Tobin, Torello and Van Horn.

Besides these men, Coach McLane has a number of other prospects who will no doubt break into the line-up sometime during the season.

TWO YOUNG COLLEGIANS GO TO HAMILTON TILT TO SHOW "COLLEGE SPIRIT" ONLY TO ARRIVE AFTER CONTEST ENDS

It seems this Alfred spirit that is developing around here has carried a long way—all the way to Hamilton, in fact. Two resolute Alfredians took their feet in their hands, so to speak, and started out for first-hand knowledge of the way that Alfred plays an out of town game. Prompted by a love of Alfred University, and urged on by pep absorbed from the mass meeting, they set out with zeal and vigor to show folks that they were no "slouches" when it came to attending football games.

Away they went in high spirits. However, the people they met on the way did not enter into the spirit of the expedition as much as they should have. These outsiders did not have the opportunity of hearing Coach Galloway storm at them. Altogether, these other travelers behaved most unworthily. By their behaving as they did, they greatly impeded the progress of the young Alfredians. These,

Both Teams Carry Fray To Opponent's Goal Line; Alfred Makes Two Questionable Touch-downs

Although expecting a hard tussle with the Hamilton gridders at Clinton last Saturday, Alfred's Varsity footballers found a surprise awaiting them when they were held to a 0-0 tie. The Purple outweighed its opponent and scored one more firstdown than Hamilton during the fray, but the Blue's home-field and first-game-of-the-season psychology furnished Alfred with opposition which proved hard to overcome.

The Saxons kicked off against the wind and Hamilton carried the ball into Alfred's territory. Alfred returned the attack but was unable to overcome the force of the wind in attempts to kick out of danger. The Purple finally began to make some headway toward midfield as the first quarter ended.

Both teams then changed sides of the field, and with the wind at her back Alfred began a spirited offensive. Hamilton fought desperately at times only to have repeated assaults flung toward her goal. The Blue began the to look very weak and weary during the closing minutes of the first half.

Alfred opened hostilities in the third quarter by kicking off against the wind again. Galloway's charges held for downs and started pell-mell for Hamilton's goal. Things began to look bright as Staiman gained 45 yards on a forward pass play and placed the ball on the two-yard marker. The Saxons' hopes were short lived however, as the ball was returned to midfield after that play, and the Purple was penalized 15 yards for tripping at the same time. Nevertheless, the play was taken into Hamilton territory again before the quarter ended.

The last period saw the ball rocketing from one end of the field to the other as each team put forth a final spurt in a last-minute effort to score. Alfred marched down to Hamilton's goal and on a fourth down Phillips crashed the line, gaining at first, and was thrown back for no-gain. A discussion then ensued between the Head Linesman and the Referee as to whether Phillips had scored or not. The Referee's decision remained firm and Hamilton took the ball on its one yard line.

Alfred then began to retreat steadily and the up-staters punted out of

nevertheless, forged along never dreaming of forsaking their goal for any obstacles.

Life is full of little ironies, and Fate has a nasty way of neglecting real valor. How bitter to fight against circumstances and then find that when the goal is at last accomplished, it is too late for it to be of any value. That is what happened. They reached the end of their journey, these noble ones! They heard the noise of combat from the foot of the hill. Exerting every effort in the last short stretch, they hurried on. But whoa! when they reached the gates, they were met by the whole crowd of spectators—leaving the stands. The game had ended while the two young collegians had toiled up the hill.

The Fiat Lux wants to recommend the effort put forth and wishes them both better luck next Saturday at Canton. Also it would like to see more people catch this thing called "school spirit". It is contagious.

Alfred vs. College Spirit

All fall we have listened to coaches and faculty members tell about the rousing college spirit in the days of John Doe and his classmates of about nineteen hundred and two (naughty two). It wasn't like this in their day. No sir, the way those fellows used to run around and cheer and have snake dances and mass meetings and show college spirit was a caution! Every time the team entrained for anywhere in particular, the whole school turned out and boy, if those players did not get a whooping send-off nobody ever did! Will they ever forget the time old professor so-and-so caught them taking a buggy apart and putting it up on the roof of Babcock Hall hahaha that was good! Then afterwards they all marched down old College Avenue (now something else) and went into George's (now Charley's) or the Tavern (now demolished). Everybody had an "A" pipe, an "A" watchfob, a big "A" tattooed across his pectoralis, and his initials carved in some conspicuous place about the Campus.

That was certainly the real old college spirit, and it must have been great. It might be said of those fellows that they needed the leash more than the lash. Perhaps a little of the same spirit would not be out of place even now. Apparently the united efforts are required of every influential student organization to arouse the faintest glimmer of interest in the present student body for any undergraduate activity. Witness the roaring send-off given the football team last Friday for the first out-of-town game this fall. Feeling that the situation is slightly improving and that everything possible should be done for it, a few student organizations should make a noble attempt to whoop things up a bit for the second out-of-town contest. After a great deal of preliminary prodding and urging and browbeating, they probably will present a very respectable showing.

Then there was the "Open House" incident of two years ago. It took every Campus unit except the Biological Society to put that over and even then it failed. Perhaps it is a splendid thing that there is somebody around to keep feeding oxygen to the moribund "spirit". As long as this situation exists, we can at least say we have a "college spirit," (if it really must be admitted). That 1902 model collegiate enthusiasm was all right back in 1902, but we have progressed—we are too modern to claim a college spirit—1930 model campus apathy is the style!

But deep down, each and every one of us knows that he or she claims an insincere attachment to the team and school. The student really feels that the Purple and Gold can and should mean more than mere symbols in the everyday life of his chosen college. Are we intending to allow another "dead letter" season slip by and then spend the rest of our days wondering "what we get out of college?"

NEW BOOKS FOR WHITE HOUSE

Washington—(IP) — Because the President of the United States could not find a popular book in the executive mansion the first night of his occupancy, the nation's booksellers are now reported to be preparing a collection of five hundred volumes as a gift to the White House.

Such books as Don Quixote, Sherlock Holmes, Tom Sawyer and Uncle Remus, as well as many of the best current novels, are to be included in the list.

The idea is said to have originated with Mr. Watson, father-in-law of Herbert Hoover, Jr., who noticed, the evening after Hoover's inauguration and before the Hoover private library was installed, that members of the family wished to turn to books for relaxation and that none was available.

The Pants That Failed
Sir Lancelot, in days of old,
Wore armor made of steel.
And everywhere this knight did go,
Right noble did he feel.
He was invited into court
To dine with Lady Hausers.
He spilled some water on his suit,
And rusted his best trousers.

Diner—Will the spaghetti I ordered be long, waiter?
Waiter—The usual length, sir.

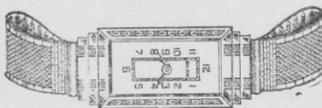

The Collegiate's sandwiches could be improved a lot by a little mark to show which corner the meat is on.

The Red Rebellion
For days the signs were everywhere apparent. The very air seemed to reek with omens of some approaching event. The existing situation was rapidly becoming unendurable. Something extremely drastic and penetrating was in the wind. This, together with the approach of warm weather, indicated an occurrence of marked significance. Shortly it occurred.

Smarting under the uncomfortable and highly distasteful burden which had been endured so long, the deep seated grudge and hatreds at last broke forth—and with a mighty roar, Grandpa ripped off his red flannels.

Stocking's black, the girls wear many;
Course they'd rather not wear any.
If all goes well we're here to stay
If profs give us their A's each day.

ST. LAWRENCE AND PURPLE TO BATTLE IN HARD STRUGGLE

The Varsity football team looks forward optimistically to a strong tussle with the St. Lawrence gridders at Canton on Saturday, October 4th. The Purple and Gold under the regime of Head Coach Galloway and Line Coach Schiff will endeavor to provide a world of opposition for the strong St. Lawrence team.

Last year the Larries handed the Saxons the worst defeat to be recorded in the annals of Merrill Field. Since Coach Sullivan has only 14 lettermen on his squad from his 1929 St. Lawrence aggregation, an overwhelming victory for the Saxons can hardly be expected. The up-state mentor can press two backfields into service and he also has an experienced forward wall which earned quite a reputation for itself last year.

Schumaker, Scarlet line plunger, and Hogan, another husky back who relishes backing up a line, promise to be big factors in the St. Lawrence machine. Perry, Sullivan's shifty and speedy quarterback, is also rated among the conferences best balltoters. While playing his first game of Varsity ball two years ago against Colgate, Perry caught the opening Kick-off and scampered 75 yards for a touchdown.

The Saxons will spend the remainder of the week at hard work in preparation for the game. Although expecting the hardest struggle of the season this Saturday, the Varsity hopes to retain its conference leadership with a victory.

MCLEOD'S HARRIERS OPEN SEASON SOON

With the first meet of the season scheduled for October 10th, with Geneva, the harrier squad is gradually rounding into shape. The meet will be the first that they have had with the Beaver Falls aggregation, who remain as a dark horse in so far as their calibre is concerned, and was obtained after correspondence with twenty-one teams in Ohio, Pennsylvania, New York and some of the New England states.

The response of the veteran squad is not what Coach McLeod had expected but with more than a week of practice ahead they will be in trim for their first race. The Varsity squad will be chosen from Hughes, TenBroeck, a Freshman, Cibella, Warde, Razey, Goetchius, Flint, Galizio, Foote, a transfer, Spreen, Barton, Stanton and Reynolds. Vance, veteran of two years running returned late for practice but it is hoped that he will find his old form soon. Captain Galizio has been handicapped by injuries received in the grind of conditioning work and the prospect of his being in the line for the opener is very slight. Hughes, for the first time eligible for all Varsity meets has shown fine form as have Warde, Razey, Goetchius and Cibella.

The response for this year's Freshmen team has been the worst in years at present Coach McLeod is working with a squad of six Freshmen as compared with last years thirty-five.

SPORT LIGHTS

Steeves of Clarkson is remembered yet for his wonderful punting and off-tackle plunges against Alfred in 1929. The Saxons' intrepid football team became decidedly less intrepid when it learned last week that Steeves was not even strong enough to gain a position on Clarkson's 1930, first string lineup.

Several people at the Clarkson contest tried to show their good taste in critically surveying the cheering and cheerleading, but it seems that they showed mighty poor taste in the way they did it. They should have remembered that two of the three cheerleaders had not arrived in town until that very day. Then too, the cheerleaders had been out of practice all summer and the Frosh as well were not fully acquainted with the yells or with a single verse of the Alma Mater!

Believe it or not, but the game was "not" broadcast as announced. Telephone facilities in Alfred which are ordinarily adequate have not been developed to the point of placing the Purple on the air!

About thirty girls went to their homes for the week-end.

Dorothy Ravit accompanied Esther Eberhardt to her home for the week-end. They planned to attend the football game at Clinton.

The Brick girls are eagerly awaiting the outcome of "proc" week.

W. S. G. NOTES

The Freshmen Women are requested to pay more attention to their rules. They are warned especially:

Frosh caps are to be worn—not carried!

Speak to upperclasswomen upon meeting them.

Hold open doors and allow upperclasswomen to precede.

Gunmetal stockings are not black! Study the frosh "bible"!

KAPPA ETA PHI

Brother Greene went to Clinton with the team Friday.

Brother Wisch is sick in bed again. We're all waiting for him to come back again.

"Abie" Bacher is in a bad way, being unable to sit down. He's having piles of fun.

Brother Friedman is through with women for life. He is completely disillusioned. However, our own Lord Byron of Alfred is still going strong.

Y. W. C. A.

The Y. W. C. A. holds its regular meeting each Sunday night at 7:15 in the Association room on the first floor of the Brick. There are no denominational limitations. Each girl

is invited to come and make the Y. W. an important factor in her college life.

According to custom the Frosh girls were in charge of the first meeting. Mary Twain and Theola Kilburn were appointed as a committee for the program.

DELTA SIGMA PHI

Jerry Jaquis blew out the fuse in his father's bicycle pump last Thursday at two o'clock. Tough luck Jerry!

Mike Blowat lost his dog across the Kanacadea, and had a hard time getting him back. 'Cess to you Mike!

George Monks won the algebra game Sunday afternoon, after a heated encounter. Strive and succeed George!

Tommy Servatius was surprized in back of the Delta Sig barn eating persimmons by a group whose names are withheld. When questioned Tom replied, "I don't want some, I had any."

Joe Galizio is laid up with a bad case of housemaids knee, calloused on the gums and pulse and short circuit of the heel cap.
