The next night Coach Galloway started his reserve. The second team played Clark-town fairly even, the score standing 5-5 in favor of Clark-town by halftime. Congratulation, team! Weber, McFadden, Clarke and Allen made the basketball trip. Verna, Glenn and Bowers won home this weekend.

Delta Sigma Phi
Congratulations to the teams. The boys report that the Brick from Wood filled the arena.

Dr. Ernest C. Thompson, our District 'Buddy,' had a visit over the weekend.

Ms. Kiggel, Simmer, and Dumbar accompanied the basketball team on the northern trip. It is reported that Gaggly's coat also made the trip.

Theta Theta Chi
Theta Chi celebrated their invariable Saturday night visit at a bar.

Dinner guests Tuesday night were Lea and John XZia Round.

Rois, Round, and Dumbak were overnight guests.

We're still wondering what Mike's big surprise is.

Kappa Psi Phi
Miss going in these teams. Jack firms and stand there from the Hornell hospital—not quite dead, but more than that hurt. There was a nurse there.

John Loffredo and you have a car again, and we won't have to borrow any more.

We understand that Kohlstein is eating meat again—he stopped trying to acquire vitamins.

Kappa Alpha
Congratulation, wrestlers! Truth back, Varsity! This is the door open and the house is becoming inhabited with rats and dogs.

Who blew the whistle? Harvard has just made two, Bob 39, and John McConnell were week-end visitors. Olander has a dog; two dogs in fact—great Lokes. See you all semester!

Kappa Phi Epsilon
The home wishes to express its appreciation of the good work of both the wrestling team and the basketball team.

During skilling season the brothers had lunch to combat with but injuries to their dignity, and no luck in the wrestling season but a thorough show. Brother Miller, after the Manifest meet are hourly heard and started on his reducing diet again.

Sigma Chi Nu
Announcement has been received at the engagement of "Jim" Hatcher ex-32 to John Claire Crouch of Pitts.

Burt Baker took up his position in the infantry this week-end.

Mrs. D. J. Blaft of Benton was a guest at the house this week. The knitting fad, that has recently seized the house, was actually affected by the perturbation. The midnight screams was greatly enjoyed by the girls. Come often!

Some time ago the Calculator Equipment Corporation sent me a Marchant and a Monroe calculator. These machines are rebuilt, high-priced machines, and may be purchased at a comparatively low price. There is no yearly coming to me for selling these machines, but if any student is interested in the purchase of one, the machines may be sold and directions and prices obtained by calling at my office.

Very sincerely yours,

(Newsflash) The statistics of the Metropolitan Life Insurance Company has discovered that college-bred men live longer than any others. Some claims company will probably offer an explanation.

Students of Montana State College went on strike for five days because of the regulation that girls had to be in their dormitories by 11 o'clock instead of 2:30.

The Daily Nebraskan finds that women students have higher grade point averages than men. They give every reason for this except superior headquarter.

Students of Colorado University are insured against being called upon to play football. This certainly puts a premium on either modesty or laziness.

The Machine is joining the telephone service. Students at U. C. L. A. now play chess with a machine for a partner. The only drawback is that the machine wants to play if there is free money on the side—and simply folds its hands and goes away mad.

Girls! There are more horses than in the home institutions of the United States than students in all the colleges and Universities—always the life of the party.

At Temple University the greatest amount of potential play has been concentrated into the smallest area possible. They boast one room in the board school with 15 chairs—California Daily Reports.

New Hope Sophomores must pass an examination of 1222 questions, covering nearly every department of college education. This comprehensive quiz requires 12 hours to answer—Oregon State Bacteriometer.

Velo was bent to continuous worldliness of Harvard, both having relatives inspection. Harvard has recently prized against the benefits of worldliness on the privilege.
