

## ALFRED LOSES TWO AND WINS ONE ON NORTHERN TRIP; LOCALS DROP TO THIRD IN CONFERENCE RATING

### Second Team Plays In Clarkson Game

The single win of the trip occurred in the first game, when Coach Galloway's charges came from behind in the second half and topped Hamilton by a 36-26 score. Webster starred for the local team and garnered eleven points to take high-scoring honors. The score at half-time was 15-14 in favor of Hamilton.

The next night Coach Galloway started his reserves. The second team played Clarkson fairly even, the score standing 9-8 in favor of Clarkson at half-time. In the second half, the home team played inspired ball and could not even be stopped by the insertion of the Purple and Gold first team.

Saturday night saw a tired team competing against a St. Lawrence squad that could hold their own against practically any Conference team. At half-time the Larries gained a lead of eight points, with the score 20-12 against the Saxons. The St. Lawrence attack centered around Kunz, who netted the ball for a total of twelve points, and helped send the Alfred quintet down to a 33-21 defeat. Obourne was high scorer for the locals with nine points.

### McLane's Frosh Will Play R. B. I. Here

Coach McLane's Frosh take up the gauntlet again this Wednesday evening on the home floor against the strong Rochester Business Institute five. Although the visitors present an impressive record, the yearlings hold some hopes of keeping their own record clean.

R. B. I. defeated Cook Academy last week and at the same time accomplished what no other team had been able to do in the past two years. Rochester daily papers all ready proclaim the Institute cagers as the state champions of the 1930-31 season.

At the Flower City last winter the Saxon Frosh took a late season defeat from R. B. I. Coach McLane hopes to erase this setback in the uphill battle tomorrow night.

### BRICK PROM CHAIRMAN

Margaret B. Skinner  
Chairman of Prom Committee

### Brick Prom Pronounced Huge Success

Last Saturday night was the occasion for much merry-making at the Brick. The Brick Prom this year was truly a gala affair. The committee had for chairman, Margaret Skinner. Pauline Martin was in charge of decorations; Alice Niedbal, refreshments and Alice Thornton, music.

The guests were Mrs. Middaugh, Mrs. Ellis, Mr. and Mrs. Orvis, and Mr. and Mrs. McLeod.

The halls and dining room of the Brick were most attractively decorated, to represent a cherry garden. The supporting pillars were trimmed to resemble large cherry trees supporting limbs covered with multi-colored foliage. A latticed retreat was provided for the guests and chaperones. The side walls were decorated to represent long hilly vistas giving thereby a truly out-of-doors atmosphere to the ball-room.

The peppy and stimulating strains of Ted Van Order's Music helped to accentuate the air of glamor and good cheer which permeated the dance. Dame Rumor has it that the affair was the best Brick Prom in years. Every where gaiety, laughter and good cheer were to be found—even in the punch, which was enjoyed by most of the one hundred and ten attending the function.

## Delta Sig Protests Intramural Contest With Theta Kappa Nu

Delta Sigma Phi filed a protest with the Intramural Association last Friday, after its basketball contest with Theta Kappa Nu in the Field and Track House. The protest concerned the eligibility of two Theta Nu players, who aided materially in winning a 22-16 victory for the State Street aggregation.

The two men in question, Holden and Tobin, are involved in regard to their eligibility as Theta Nu players in intramural standing. Holden was a member of the Alfred Varsity squad who supposedly left Coach Galloway's team to play on his fraternity quintet. Whether or not such an act was permissible and in keeping with the rules of the association, is the ground for the protest which was filed.

The Intramural Association will render its decision within the next few days, at which time it hopes to give a definite interpretation to all intramural playing rules.

## Beta Pi Kappa Has Important Meeting

The local chapter of the Beta Pi Kappa held a business meeting at the Delta Sigma Phi house Wednesday night. Several amendments to the constitution were passed upon and the replies of the many brick companies to which the chapter has written regarding their proposed survey of the resources and manufacture of New York State heavy clay products were discussed. It was decided that in April the members of the chapter would make a trip through the brick plants of the Hudson river district for the purpose of acquiring notes and material for the survey.

This latest activity of the Beta Pi Kappa has come as the result of the need for some reliable source of information as to the brick and heavy clay products plants of eastern New York of which, up to the present time, there has been nothing published.

After this discussion the matter of honorary members to be initiated at the American Ceramic Society Convention in Cleveland was taken up. After a discussion of several names Robert MacMahon and Robert Sherwood were elected. These two men have been outstanding in the ceramic world for the past several years since they graduated from Alfred.

### FIAT LUX CALENDAR

#### Tonight:

Betas vs. Gym team at 5:00 P. M.  
University Chorus in Kenyon Hall at 7:00 P. M.  
Campus Court meeting in Kenyon Hall at 9:00 P. M.

#### Wednesday:

Sabbath choir meeting at the church at 7:00 P. M.  
Sunday choir meeting at the Community House at 7:00 P. M.  
Fiat Lux Staff meeting at the Gothic at 7:15 P. M.

#### Thursday:

Pine Knots vs. Delta Sig at 5:00 P. M.

#### Friday:

Semester Examinations begin  
Varsity Wrestling, Alfred at Rochester Mechanics  
Klan Alpine vs. Burdick Hall 7:30  
Smith Club vs. Theta Theta Nu, 8:30 P. M.

#### Saturday:

S. D. B. services in the church at 11:00 A. M.  
Varsity Wrestling, Alfred at Colgate

#### Sunday:

Union church services in church 11:00 A. M.

## MCLANE'S MATMEN DOWN MANSFIELD FOR BIGGEST SCORE IN WRESTLING ANNALS OF ALFRED WITH FOUR FALLS

### GIVES PIANO RECITAL

Mrs. Joseph Seidlin  
Professor of Pianoforte

### Mrs. Seidlin Presents Recital In Assembly

At the regular assembly last Thursday, Mrs. Seidlin presented her long awaited piano recital. After being introduced by Dean Norwood, she opened the program with a few preliminary comments.

The theme of the recital was a presentation of dance tunes down through the ages. Mrs. Seidlin said she expected everyone present was well acquainted with the modern dance rhythm, and she was going to try to picture musically the various steps practised during the last two hundred years.

The first number was a "Scotch Folk Dance" written about two hundred years ago. Then Mrs. Seidlin branched into a "Gavotte" by Gluck. In commenting on this piece, she remarked the fact that present day music is reverting to the slower rhythm of former times.

Following this came a "Minuet" by Paderewsky, the time of which corresponds to the present day waltz. Then a "Polish Dance", a "Waltz" by Brahms, and a "Negro Dance" by Cyril Scott was played. This latter piece being notable for its fast time. The two concluding pieces were "The Galloway's Cakewalk" by DeBussey, and "POLLONAISE" by Chopin, which is a very slow and dignified step.

### Captain Gullo Stars For Mansfield

Alfred's wrestling team took off to a flying start by crushing Mansfield by the biggest score in local wrestling annals. In hammering the Teachers to the tune of 30½-1½, the Saxons kept their individual records undefeated, Captain Gullo, former Alfred student, being the only visitor to score and that meager point-and-a-half being credited by holding "Johnny" Grantier to a draw.

Mansfield produced a smarter team than last year, but McLane's well-balanced outfit proved too strong for the Pennsy school. The visitors failed to gain any advantage in scoring through weak spots in Alfred's line-up as they did in last season's combination. Prugh, veteran unlimited grappler, failed to dump Lockwood as he did before, and the Purple husky settled old scores with a punishing and decisive six minute and twenty-five second time advantage.

Although the Saxon team made a strong showing, the 1931 outfit lacked the experience and finesse of former years. Nevertheless the present team appears to be in the proper morale and spirit to make a stubborn fight against Rochester Mechanics and Colgate this week-end.

## Theta Theta Chi Has Tenth Anniversary

On Saturday night, January 17, Theta Theta Chi held a formal banquet in honor of its tenth birthday. Miss Hewitt acted as toastmistress and Ruth Potter, Gladys Heard, Mary Brown Allen and Ruth Whitford were the speakers. After the dinner the history of the organization was read by Mildred Kneerim. The banquet ended with the singing of the Theta Chi song.

Several alumnae were present for the banquet, Ruth Whitford, Ruth Greene, Frances Green, Dorothy Hall, Margaret Behm, Mary Alma Lanphere. Among the honorary guests were, Marion Galloway, Mrs. Belle Bassett, Mrs. Place, Miss Nelson and Mrs. Boraas.

## EIGHTEEN OPINIONS RECEIVED BY FIAT LUX IN DENUNCIATION OF EXISTING HONOR SYSTEM; HOPE FOR NEW PLAN

During the past three weeks nearly a score of opinions were received by the Fiat Lux in regard to the Honor System as it exists in Alfred. These 18 opinions, if printed would fill two Fiat editions from cover to cover, so it is due to lack of space that these opinions will not take printed form. It would be unjust and unfair to the contributors to print two or three of these and to discard the remaining fifteen.

Each opinion, whether contributed by a student or faculty member, deplored the fact that the present Honor System has grown to be a disgrace to the school and local student government. Each one hoped for a change to an entirely different method and code; three of them maintaining that such was the opinion of the majority of the student body as well.

Four contributors stated that most

professors on the campus now insist on "proctoring" their exams, discarding the Honor System as a worthless and non-workable plan. This quartet unanimously agreed that an unscrupulous element became enjoined with the student body five or six years ago and spread its influence among the students in a more or less permanent form.

The remainder stoutly maintained that the Proctor System now exists and suggested that it might as well gain official recognition in the College Handbook. These opinions declared that the Honor System had been given a fair trial on more occasions than one, and that the student body should contrast and compare the efficiency and desirability of both systems during the coming exam period.

The Fiat Lux staff wishes to thank these contributors and hopes that more views can be expressed on the question.

## WORLD ECONOMICS CONFERENCE TO MAKE STUDY OF INTERNATIONAL ASPECTS OF TARIFF IN HOPE OF SOLVING AFFAIR

The tariff! from how many different angles it is hitting the people! There is the unlooked for and unprecedented drought, killing grasses, grass seed, calling for use of imported seeds—just when the duty has been raised 50% and in some cases 150%. The best way in which stricken farmers could be helped would be by Congress doing something to change this schedule immediately. But what could be done at once? What does the flexible tariff provide? Months of study of every point of related schedule. And grass seeds have to be planted from January to April. It has occurred to many who realize the impossibilities of the present tariff bill, and of others, that tariff-makers hide behind these schedules. Even nomenclature, differing in different countries, has caused confusion and endless trouble. To study this matter of nomenclature a committee is now meeting in Geneva. This committee

traces its origin to the World Economic Conference of 1927. It was then decided that a necessary preliminary to a solution of the tariff difficulties in Europe is a simplification of nomenclature. Nor is this necessary to Europe alone, it is needed by the world at large. The appointed committee of experts now meeting in Geneva is working to produce a draft framed for this simplification—that is a real classification of all conceivable commodities in which business can be done. This, of course, must be truly international in character and applicable to all countries.

The League of Nations Assembly is being told by its own leaders that tariff and custom barriers, the growth of the protectionist spirit, have become a serious menace. Many remedies are being proposed, but a clear cut program is lacking. International co-operation is declared to be the vital need of the moment for both world peace and world prosperity.

### "Holier Than Thou"

Last week there was distributed pamphlets entitled "Why Boys Should Not Smoke" and "Why Girls Should Not Smoke". These pamphlets were placed in the hallways of fraternity and sorority houses in a most mysterious fashion. They were just found there.

At this time we are not going into the merits or demerits of the admonition to the girls—the one to the boys is sufficiently insipid.

This pamphlet bears the name of D. H. Kress, M. D. Our first warning to our readers is not to be taken in by this title. Simply because a piece of literature or work is signed by an individual flaunting a degree it does not follow that the piece will be scholarly or intelligent. This pamphlet is positive proof of this. And don't forget please that Snook, the Ohio girl-murderer had a doctor's degree!

The reasoning and assertions found in this leaflet are so uninspiring and dogmatic as to be positively nauseating. Dr. Kress simply says things and expects one to believe—there are no authorities of note quoted—the whole thing is done in a most unscientific and unconvincing manner.

We quote—"Their (cigarette smokers) judgment is not reliable." "Cigarette smokers"—claims this astounding leaflet—"disregard the rights of others. He becomes less courteous, less orderly, and less careful in regard to personal cleanliness and dress and—Less Studious."

Don't you just love that last crack?

We have positive proof that the Most Orderly, the Most Careful in regard to personal cleanliness and dress and the Most Studious student Alfred has had in a long while, was a very constant smoker. This individual last year graduated from Alfred—SUMMA CUM LAUDE!—than which there is no higher honor.

Another leader—honors in scholastics—captain of a sport and editor-in-chief of the 19—Kanakadea was an inveterate smoker. We could go on thus endlessly if space permitted.

"What good does smoking do you?" is the cry of these National Temperancers who put out such tripe. Well, what good does eating meat do you?—we might say along with the National American Association of Vegetarians. What good does an ice-cream soda do you—along with the National American Association Against the Drinking of Ice-Cream Sodas. What good does eight hours of sleep a night do you?—along with Thomas Edison and the Association for the Forbiddance of more than Four Hours Sleep a night, etc., ad nauseam.

This rapid sheet also states that, "It is well known that young criminals are practically all cigarette addicts." One long cheer boys—doesn't that last just gripe you—we're in stiches ourselves. Why of course, "It is well known that most young criminals have ears—You have ears—We have ears—that proves it—WE'RE CRIMINALS. Why continue ———? The goblins will get you if you don't watch out.

We regret that lack of space prohibits our going further into this noxious matter but stop—think and consider. If what this "Holier than Thou" leaflet assents is true and it isn't—then Alfred's student body consists of lost souls and Alfred's faculty of high grade morons who after they have reached the age of thirty-five are "has-beens" and on the road to the reformatory or poorhouse. For that's where smokers go, says the National temperancers'.

## STUDENT SENATE REQUIRES READING OF HONOR SYSTEM

### HONOR SYSTEM

Art. I. PREAMBLE—The student body of the College of Liberal Arts and the New York State School of Clay-Working and Ceramics at Alfred University creates an Honor System under which each student by his attendance pledges himself to be just; to be fair; to be honorable in all matters relative to or pertaining to scholarship and conduct at this University.

Art. II. ORGANIZATION—The members of the Student Senate shall be a committee to represent the Student Body and deal with all cases involving violation of the Honor System.

Art. III. VIOLATIONS—Sec. 1. Each student is honor-bound to prevent violations. In case of violation of the Honor System in an examination, evidenced by papers on or about a person or by conspicuous open books, or by actions which would indicate cheating, such violation shall be subject to discipline under the Honor System. For work done in the laboratory or at home, the instructor shall define what constitutes breach of the Honor System. Failure to live up to his decision shall be considered a violation. A person detecting a breach of the Honor System shall at once make his displeasure known by tapping to warn the suspected Honor System violator once, and at his discretion, report the violation to the Senate. Continued violations after the warning, or violation for the second time must be reported to the Senate. The report to the Senate must be made in person or in writing. A report in writing must be signed.

Sec. 2. Persons taking examinations shall neither converse nor communicate with each other, nor shall they have texts, note-books, papers, etc., in their possession.

Sec. 3. The senate shall have the power to summon the accused and witnesses and conduct a formal investigation. Punishment for the first offense shall be determined by the Senate. In case of a second conviction during the remainder of the student's college career, recommendation shall be made to the student by the Senate of his separation from college, and, if such separation is not made, the Senate shall then make the same recommendation to the Faculty with a brief resume of the case.

Art. IV. TRIALS—Sec. 1. The trial of the accused shall be conducted as follows: Witnesses against the accused shall be examined first and their testimony taken in full. The accused shall then be called separately and allowed to make his state-

ment, presenting his defense. All witnesses and the accused may be questioned by members of the committee. A decision shall be made, rendered according to the evidence.

Sec. 2. Six (6) out of eight (8) votes shall be necessary for conviction.

Sec. 3. All evidence possible shall be procured in every case, and in no event shall a man be tried the second time for the same offence except in the light of new and important evidence.

Art. V. ONSERVANCE—Sec. 1. Each student must, in order to make his or her examination or test valid, sign the following pledge: "I pledge my honor that I have neither given nor received aid in this examination," or the declaration: "I do so declare."

Sec. 2. Members of the Faculty shall insist that the above declaration or pledge be attached to every examination paper. Any examination paper lacking this pledge shall be considered void by the instructor in charge. The instructor must notify any student whose paper lacks the pledge, and give the student the opportunity of signing the said pledge.

Sec. 3. Instructors shall distribute all examination blanks.

Sec. 4. All persons taking examinations shall be seated in alternate seats or be provided with alternate examinations.

Art. VI. DECISIONS—The Student Senate shall keep and preserve a record of all cases acted upon. In no case shall a member of the Student Senate make mention publicly or privately of any case brought before the committee through action of the committee as a body.

Art. VII. ENFORCEMENT—Every student is honor-bound to aid in enforcing this Constitution.

Art. VIII. AMENDMENT—This Constitution may be amended by a three-fourths (¾) vote of those present at a student body meeting, or a revision may be authorized by unanimous vote of said student body and the passage of the revised Constitution shall be secured by a three-fourths (¾) vote of those present. Notice of this meeting shall be given at least one week previous to time of action, by its reading before the student body or by its publication in "Fiat Lux."

Art. IX. PUBLICATION—Sec. 1. The committee shall make provision for interpreting the Honor System to the members of the Freshmen Class during the first semester of each school year.

Sec. 2. Copies of this Constitution shall be posted in recitation rooms, on College bulletin boards, and in the Library.

**CAMPUS PERSONALS**

**Theta Kappa Nu**

Congratulations, teams! Webster, McFadden, Clarke and Allen made the basketball trip. Young, Greene and Mowers went home this week-end.

**Delta Sigma Phi**

Congratulations to the teams. The boys report that the Brick Prom was a huge success. Dr. Ernest C. Thompson, our District Deputy, paid us a visit over the week-end.

Obourne, Kickham, and Dunbar accompanied the basketball team on the northern trip. It is reported that Gaulrapp's coat also made the trip.

**Theta Theta Chi**

Theta Chi celebrated its tenth anniversary Saturday night at a banquet.

Dinner guests Tuesday night were Lois Vincent and Emma Burditt. Elsie Bonnet, Helen Dietrich and Iva Burdick were over-night guests Sunday.

We're still wondering what Mish's big surprise is.

**Kappa Eta Phi**

Nice going in there teams. Jack Rind just got back from the Hornell hospital—not quite dead, but near it. Roberts is sore, it seems there was a nurse there.

Mike Lefkowitz will soon have a car again, and we won't have to bum to Hornell any more.

We understand that Rothstein is eating meat again—he stopped trying to acquire vitamins.

**Klan Alpine**

Congratulation, wrestlers! Tough luck, Varsity!

Someone left the door open and the house is becoming infested with radios again.

Who blew the whistle? Brothers "Rudy" Eller '30, and John McConnell were week-end visitors. Ostrander has a dog; two dogs in fact—great Danes.

See you next semester!

**Kappa Psi Upsilon**

The house wishes to express its appreciation of the good work of both the wrestling teams and the basketball teams.

During skiing season the brothers had little to contend with but injuries to their dignity. Brother Bauer was not so lucky in the wrestling season and is now suffering from a dislocated elbow. Brother Muller, after the Mansfield meet ate heartily and then started on his reducing diet again.

**Sigma Chi Nu**

Announcement has been received of the engagement of "Jan" Hatchman ex-'32, to John Clair Crouch of Pittsburgh.

Ruth Baker rested up at the Infirmary this week-end.

Mrs. D. J. Ringleka of Eaton was a guest at the house this week.

The knitting fad, that has recently seized the house, was seriously affected by the yarn-shortage.

The mid-night serenade was greatly enjoyed by the girls. Come often!

**NOTICE**

Mr. Harold Gullbergh, Editor  
Fiat Lux—

Some time ago the Calculator Equipment Corporation sent me a Marchant and a Monroe calculator. These machines are rebuilt, high-priced machines, and may be purchased at a comparatively low price. There is no profit coming to me for selling these machines, but if any student is interested in the purchase of one, the machines may be seen and directions and prices obtained by calling at my office.

Very sincerely yours,

Waldo A. Titsworth, Registrar

**FIAT LOOKS**

(NSFA) The statistician of the Metropolitan Life Insurance Company has discovered that college-bred men live longer than any others. Some cigarette company will probably offer an explanation.

Students of Montana State College went on strike for five days because of the regulation that girls had to be in their dormitories by 11 o'clock instead of 2:30.

The Daily Nebraskan finds that women students have higher grades than men. They give every reason for this except superior intelligence.

Students of Colorado University are insured against being called upon to

recite. This certainly puts a premium on either modesty or laziness.

The Machine is joining the leisure class. Students at U. C. L. A. now play chess with a machine for a partner. The only draw-back is that the intelligent thing won't play if three false moves are made—simply folds its hands and goes away mad.

(NSFA) There are more inmates in the insane institutions of the United States than students in all the colleges and Universities.—Oberlin Review.

At Temple University the greatest amount of potential pain has been concentrated into the smallest area possible. They boast one room in the dental school with 75 chairs.—California Daily Bruin.

Haverford Sophomores must pass an examination of 2725 questions, covering nearly every department of college education. This comprehensive quiz requires 12 hours to answer.—Oregon State Barometer.

Yale was built to contract the worldliness of Harvard, both having religious inspiration. Harvard has recently proved again the benefits of worldliness on the gridiron.

Famous Sayings by Famous Men:

The North and the South are still in the throes of the sexual feeling aroused by slavery and the Civil War.

**OPINIONS**  
 "ONLY THROUGH THE OPEN AND UNHAMPERED CLASH OF CONTRARY OPINIONS CAN TRUTH BE FOUND."—Glenn Frank

Editor Fiat Lux—  
 Dear Mr. Editor:

It seems to me that one of Alfred's Mid-Victorian customs ought to be changed. Entering Freshmen had to find it out for themselves whereupon they expressed a none too good opinion of it. It is that custom of ending all dances and social functions at midnight.

It does not live up to Alfred's broad-minded and Student Government policies which I believe it claims as its attributes. This ancient custom just shows how far behind Alfred falls in liberal-mindedness.

It is the cream of the jest that people of college age should be treated as being even younger than high school students. Local high schools would look with derision at this policy.

Is this rule an act of the student-body alone, Mr. Editor, or is it one that was passed with the great influence of Alfred's higher authorities? If the former, it does not correspond with the students views today, and if the latter, where does the Student Council begin to function? An overwhelming majority of the students, now favor an extension of one hour at least. One o'clock should be the time for all fraternity and formal dances. I believe they are well-chaperoned and the morals of the students would not be affected by an extension of only one hour. This rule is not echoing the sentiments of the students, but rather opposing them.

I write this, neither as a protest nor a condemnation, but with the wish for enlightenment. What are Alfred's views in regard to the social welfare of the students?

Yours truly,  
 "A Frosh".

**WRESTLERS WIN!**

118 lb. class—Ghetto (A) won on a time advantage over Bartoo (M) in 2:32.

126 lb. class—Vezzoli (A) threw Kerr (M) in 5:20.

135 lb. class—Muller (A) threw Fisk (M) in 7:54.

145 lb. class—Davison (A) threw Rowe (M) in 3:50.

155 lb. class—Grantier (A) drew with Gullo (M). Extra period match.

165 lb. class—Graham (A) won on a time advantage over Jenkins (M) in 7:25.

175 lb. class—Captain Flint (A) threw Lathrop (M) in 1:25.

Unlimited class—Lockwood (A) won on a time advantage over Prugh (M) in 6:25.

**INTERSORORITY GROUP TO SPONSOR DANCE AT SOCIAL HALL, FEB. 14**

The Women's Interfraternity Council is to sponsor an inter-sorority dance on February 14th, at the Social Hall.

Formal rushing will take place the first three weeks of the second semester. Preference cards will be sent out on March 2nd, and must be returned by 6 P. M. March 6th, to Joseph Seidlin, who is acting as secretary to the Council. Formal bids will be sent out at noon, March 9th.

It is expected that next year sorority bidding will take place before Christmas, with open season the rest of the year. This change will eliminate the usual fall strain caused by a long drawn out rushing program.

**Campus Court Convicts Five Miscreants**

Five more miscreants were called before the stern eye of justice Wednesday evening.

Walter Abbey and Kenneth Leach, who failed to report for campus duty paid fines. Donald Crego plead guilty to smoking in the gym at the "Bums' dance." Everett Curley, charged with the same offense, failed, unfortunately for him, to appear. Edward Cruskie, reported as not tipping his cap to upperclassmen at the post office, plead not guilty and his case was dismissed.

**ALFRED AGGIES DROP SECOND GAME**

The Alfred Aggies dropped their second straight set-to of the new year at Lima Seminary last Wednesday by a 35-21 score. Lima took advantage of every scoring opportunity and put the game on ice with its foul shooting.

The Ag. School quintet forced Lima to score on long shots, which proved to be as simple a task as taking pot shots under the basket. Lewis was the only Alfred man to tally from the foul line. Fry, a former member of Cook Academy's national championship team, starred for Lima.

**ALPHA TAU THETA IS NEW NAME OF ALPA TAU ALPHA**

Because there is a national fraternity which uses the greek letters Alpha Tau Alpha, as its name, the Woman's Honorary Athletic Sorority has changed its name to Alpha Tau Theta.

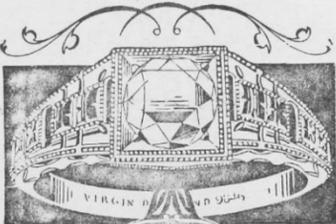

**FACULTY HOLDS INFORMAL DANCE IN SOCIAL HALL**

An informal dance was held at the Social Hall, Thursday, January 15, for the faculty. These social gatherings are much appreciated and enjoyed by everyone who attends them and it is hoped they will continue indefinitely.
