

VARSIITY NOSES OUT IN FRONT OF ISPE TEAM IN LAST MINUTE RALLY

Second Team Nearly Loses Contest

The thrilling ending to last Saturday night's contest with Ithaca School of Physical Education climaxed a full evening of sport events at the local gym when the Ithaca basketball team came from behind in the last few minutes of the final period to almost nose out the Varsity. The final tally showed a 38-37 victory for the Saxon quintet. Scoring honors were divided between Obourne of Alfred and Morris of Ithaca, who garnered thirteen points each.

Before the game was many minutes old the Purple and Gold aggregation had a lead of seventeen points. However, the Ithaca five finally found itself and made good a number of long steves. The half ended with the score 24-18 in favor of the local team.

During the early part of the second period the Varsity again gained a substantial lead when McFadden tallied with three baskets. At this point the insertion of the second team almost spelled disaster for the Saxons. The Ithaca team went on a scoring spree and caged thirteen points against the second-string men, and went into the lead with but a few minutes to play. Coach Galloway then sent in his first team. Obourne tallied a basket to tie the score and then gave the Varsity the one-point margin for victory when he made a foul shot.

Alfred Basketeers Chalk Up Perfect Record Of 13 Wins

Alfred University's star basketball teams of the past three seasons have hung up a record which bids fair to stand for many years to come. The Saxons have now kept an undefeated record on the home court in the past three years and during that interim have netted thirteen consecutive victories on the home court. To top this achievement, the Purple has recorded a perfect set of wins since the Field and Track House was dedicated during the 1928-29 season. In short, the locals have been undefeated in intercollegiate battles on the home floor.

Only one black mark appears on this record and that occurred when the Alumni took the Varsity's measure last year in the 1929-30 campaign. As this defeat does not smack of an intercollegiate contest, it may well be dropped in regard to the record itself. Another argument in favor of this fact is proven when one recalls that the Saxons had one of its best court teams last year.

Due to construction work on the gym Coach Heers staged two home games in 1928, at the Armory in Hornell. In February, 1929, the gym was dedicated and opened for home games. Two games were won at home later in the season to start the new record.

Theta Nu Gives Pledges A Party

Theta Kappa Nu's annual pledge party was held at the chapter house last Saturday night in honor of this year's pledges. Fitzgerald and his Bachelors from Olean furnished the music for the dancing as well as offering several entertaining novelty numbers. Chaperones for the evening were, Professor and Mrs. Paul Orvis, Chaplain and Mrs. McLeod, Coach and Mrs. John Galloway and Coach McLane and Miss Starr.

Paul Maroney, Paul Hill and William Bottum were the committee in charge of the party.

Galloway's Cagers Leave For Tour

Coach Galloway's Varsity basketballers left this afternoon on the longest and most arduous trip in recent years. In the extensive tour the Purple meets four teams on foreign courts, in an equal number of days, covering three different states on its journey.

Tomorrow evening, the Purple faces Long Island at Long Island City in the metropolitan area for the first battle of the week. Long Island rates an up-and-down record, showing up strong against its more powerful opponents and falling miserably before the attacks of supposedly inferior teams. At the present writing the Saxons should stand a good chance to win against the Long Island five, but a hard battle is expected.

For the following evening's engagement the Saxons jump down to East Orange, New Jersey, to meet Upsala in a set-to, which Galloway's team stand an easy chance to win. In past years Upsala's court stock has dropped several points, although a new style of play may puzzle the invaders. Coach Galloway may have some opportunity of using his reserve strength in this fray.

Friday evening will find the Purple in close proximity to the Yale Bowl again when it stacks up against Arnold College in New Haven. While biased reports conflict as to the opposing outfit's ability, the visitors also should have things their own way. Brooklyn Poly concludes the tour on Saturday.

Pirate Party Is Held At Kappa Psi

Kappa Psi Upsilon held a Pirate party, Saturday evening. The house was decorated to resemble a ship. The hull of a craft was built into the fireplace and extended until it almost reached the ceiling. Red lanterns and candles in bottles gave a finished touch to the decorations.

The music was furnished by "Pres" White's Orchestra of Hornell. A picture of the pirate ship and its crew was taken by Roger Thomas.

During intermission light refreshments were served in line with the best officers' mess style. The promimity of St. Valentine's Day was noted in the luncheon arrangement.

The faculty guests present were, Prof. and Mrs. Campbell and Prof. and Mrs. Burditt.

NOTICE

Friday, February 13, is the last day it will be possible for students to drop a course without getting a "W".

INJURY PROVES FATAL

On Friday, January 30th, John Spicer Horton '34, suffered a hunting accident near his home at Whitesville, which resulted in a shotgun wound that later proved to be fatal. The Alfred Freshman was hurried to the Jones Memorial hospital in Wellsville, where he died on the following afternoon.

The deceased was a pledge member of Theta Kappa Nu Fraternity and was also a member of the Freshman basketball squad. News of the tragedy, which was the more appalling for its suddenness, came as a severe shock to his many friends.

Five Local Students Injured In Crash

Five Alfredians on a Freshman basketball trip to Geneseo Normal last Friday evening met the noticeably prevalent jins just a few miles south riding serenely toward their destination, when suddenly the car in which they were riding tangled with a car that had swung into its path, careering dangerously from a previous collision.

The Alfred car dropped into a ditch at the right shoulder of the road and instantly tipped over on its side. The gasoline tank of the vehicle which was located in the cowl soon ignited and blazed its way into the interior of the car. The five occupants were unable to extricate themselves very readily, due to the sudden jar and the upturned position of the car with the result that Anthony Perrone '31, manager of the team, sustained a severe burn on his right leg.

Both Harry and Gerard Jacquiss were severely shaken but escaped with slight injuries. Perrone was rushed to the Sonyea Hospital in a serious condition, while David Hanigan and Richard Lawrence were sent to Dansville. The latter trio will be moved to the Infirmary some time this week.

Hanigan, Lawrence and Perrone all received cuts on their heads, while the former also is suffering from a slight, but not serious, concussion.

University Chorus To Give Oratorio

The University Chorus, under the direction of Professor Ray W. Wingate, has been preparing "The Holy City" for presentation about the second week in March. This noted oratorio of Alfred R. Gaul has been selected to be staged in the church with the organ accompaniment.

Director Wingate wishes to announce that from now on rehearsals will be held in the church on Tuesday evenings at 7:00 P. M. Practices have been held in Kenyon Hall for the past several weeks.

He also wishes to announce that Frank Bloomquist '32, will conduct an organ recital at the church this Friday evening from 7:30 P. M. until 8 o'clock. This program will mark the fourth organ recital of the school year and the first one to be rendered by a member of the student body. Professor Wingate would like to have volunteer students for such programs who have some aptitude at the organ.

Best Game of Year For Ithaca Court

A hard-fighting Alfred basketball team threw a scare into the Cornell quintet last Wednesday night, when the Red and White courtmen barely nosed out the local team by a 36-34 score. The Saxon aggregation played an uphill game all the way and came dangerously close to winning in the final half. It was probably the best game seen on the Cornell Drill floor this year.

Individual honors were divided between Furman and Lipinski of Cornell, who garnered twelve points apiece, with Steele a close second with eleven.

In the first few minutes, Cornell jumped into a 7-0 lead. However, the Saxons retaliated when Webster sank two baskets, McFadden a single one, and a foul by Steele, to put the score at a tie. Cornell then attained a slight lead which they held until the end of the period. The score at half time stood 22-17 in favor of the Red and White five.

The second half saw the Purple and Gold quintet pressing the Cornell team to its utmost. Steele dropped two counters to even the score. From then on the game see-sawed with Alfred gaining a one point margin near the end of the game. However, Murphy again put the Red and White team in the lead. Another by Zahn and a free toss by Steele ended the scoring.

New Registration Reaches Highest Point In History

Seventeen new students enrolled at the Registrar's office during the past two weeks to bring the total registration to the highest point in the history of the school. The new total, 514, exceeds the 1928-29 enrollment by five students.

The following is the list of new students: Harold W. Cryer, Little Valley; Stanley Ruzow, Brooklyn; Edward E. Blodgett, Wellsville; Samuel F. Horowitz, Spring Valley; Chauncey W. Young, Lindley; Henry Roth, Brooklyn; Frances L. Henshaw, Alfred; Wilbur F. Greene, Horseheads; D. Dan Newton, Homer; Lillian S. Cohn, New York City; Harry A. Carlson, Brooklyn; Edward W. Haines, Forked River; William L. Ludrigan, Hornell; Archibald C. Reed, Jr., Jersey City, New Jersey; Roger M. Salsbury, Blasdell; Peter Maximuk, Waterford; and Leona Hicks, Hicksville.

Fourteen students, however, failed to make the required grades for bona fide student status as the result of the recent exam period. Fully a dozen additional delinquents failed to survive the exams, but all were reinstated after make-up work, re-exams and details of overcut courses had been cared for. The Alfred faculty showed leniency where cases of sickness and unavoidable absences were concerned.

EDUCATION TAKES TURN FOR BETTER

How President Robert Maynard Hutchins has modernized education by his latest innovation at the University of Chicago is the subject of the editorial by Patricia Reilly Foster in the March issue of College Humor. Mrs. Foster calls attention to the fact that:

"The playgrounds of America—the colleges and universities reserved for the pleasures of youth in this country, wherein they may dwell in luxury for four years, become expert drinkers and dancers and dilettantes in the grand manner—these country clubs of the educational world are about to be done over so that any fellow with the strange hallucination that he would like to go to school to learn something may now be permitted to do so.

"One of the most forward steps in education in this country has just been taken....the studious person who wishes to apply himself to research or a perusal of the arts will now be permitted to go ahead as fast as possible and even be given a degree at the end of a year if he can do the four year's work in that time. "President Hutchins has brought freedom to education and if your little learning game has been spoiled you can blame him."

"The Old Order Changeth — — —"

The new regulations on absences has descended upon the campus with breath-taking suddenness. The reactions have been varied and sundry.

Taken as a whole the new regulations are commendable. This is Student opinion and not our own—(certain professors please take note). The old system was very liberal and notoriously abused by a certain element of the student body. This element is now in the position of the proverbial cliques which killed the goose that laid the golden eggs. The new system shall certainly prove obnoxious as a whole only to this group. It certainly has very little of the objectionable to those of us who regularly and conscientiously attend classes as a privilege for which we are paying.

We do believe, however, that even the conscientious will object to that part of Section I which reads "Excused absences shall count as one-half of an absence." We trust that time and experience will modify such parts and portions as deserve to be changed.

We hereby heartily endorse the new system as one that is designed to reward the regular and faithful, to prod the laggards into attendance, and to earnestly endeavor to make allowances where allowances are rightfully due.

NEW REGULATIONS ON ABSENCES

TO GO INTO EFFECT FEBRUARY 4, 1931

Section 1

Regular attendance at class exercises is required. Absences per semester from class not to exceed the following numbers may be permitted: in a one hour credit course, two (2) absences; in a two hour credit course, three (3); in a three hour credit course, five (5); in a four hour credit course, six (6); and in a five hour credit course, seven (7). Excused absences shall count as one-half of an absence. Two tardies shall count as one absence.

Section 2

If one more absence occurs than those specified in section one the student's grade, if it be "C" or lower, shall be lowered one letter. If two more absences occur than those specified in section one the student's grade, if it be "B" or lower shall be lowered two letters. If three absences occur in addition to those specified in section one, the student's grade, if it be "B" or lower, shall be lowered to grade "F".

Section 3

All students who, at the end of the semester shall receive a grade of "A" in any course, shall be exempt from all regulations on absences in that course.

Section 4

All students with an index of 2.2 or higher, as determined by the most recent final semester standings, shall be exempt from sections 1, 2 and 5 of the regulations on absences.

Section 5

All students, except those mentioned in sections 3 and 4, absent without excuse on the day next preceding or immediately following the Thanksgiving or Christmas or Easter recess, shall have their semester credit for that semester reduced one hour for each course in which the absence occurs.

Section 6

Students representing the University in athletics, debates, glee clubs, etc., and students suffering protracted illness or other serious disability, shall receive special and fair consideration.

Section 7

A Committee on Absences appointed by the President shall be the body of final appeal in all cases, where for any cause the number of absences exceeds the number specified in section one. This committee shall meet each semester during the final examination week to consider excess absences. At other times the absence system shall be administered by the Dean.

Section 8

Students should notify the Committee on Absences or the Dean, of any serious or prolonged illness. Such notices shall be accompanied by a statement from the attending physician. All applications for excuses must be filed in the Registrar's Office. The Dean has power to excuse absences in advance or when the Committee on Absences is not in session. No excuses are granted for absences from assembly. All excuses must be filed not later than one week after the end of the absence period.

Section 9

The coaches, or other officials, shall supply the Registrar's Office with the names of students composing athletic teams or other groups which go away from town on athletic trips or other University business, together with a statement of the time of the necessary absence from the campus.

Section 10

Absences from all classes on the first day of the second semester are interpreted as late registration for which a fee of \$5.00 is charged. All such absences also are considered as coming under the provisions of section one.

FROSH TAKE GENESEO INTO CAMP, 29-27

The Frosh journeyed to Geneseo Normal School, Friday evening, February 6, and despite the serious accident which befell part of the team, including manager Perrone, showed fine team work in the entirety of the game and finished with a victorious score of 29-27.

The Frosh took the lead in the first part of the game. However, from then on, the game see-sawed back and forth. The half-time score was a tie, 16-16, which showed the teams to be evenly matched.

Kingsley, not a regular man, showed to good advantage. The five players: Henning, DiCandia, Clark, Kingsley and Kuen played the entire game, which was necessitated on account of the accident.

The good sportmanship showed by the Geneseo team on the personal foul rule was especially noteworthy.

Varsity Grapplers Trim Ithaca Team In Thrilling Meet

Coach McLane's grapplers took their third victory of the season by downing the Ithaca School of Physical Education outfit, 22½-7½ at the Field and Track House last Saturday night. The Saxons held a clean-cut advantage throughout the meet, scoring two falls, a pair of decisions, a forfeit and a draw to make a total score of 91 points for the season.

Geto faced a lanky customer, who caused the local midget plenty of trouble in netting a decisive time advantage. Vezzoli then threw his opponent in five minutes of hair-raising tumbling for the most colorful bout of the evening.

Ispe turned in its first tally in the 135 pound bout when Warde lost to Amsden by a meager margin of some 67 seconds. The Ithacan was too strong for the Purple performer and, when on top in referee's position, he proved to be a hard man to elude. However, Felli made up for the setback with a decisive time advantage over Cole of Ithaca.

Grantier found the Ispe captain too tall to be open for an attack, and after two overtime periods the Saxon took another draw decision. Graham next faced a husky youngster, who knew but little about the mat game. Both matched their strength against the other until the local's superior ability gained a fall, after nearly five minutes of wrestling.

Captain Flint received a forfeit of five points when the Ithacan heavy weight failed to appear. Lockwood then ended the meet by dropping a time decision to Sweeney, a former carnival performer, in a gruelling match. The Ispe husky held a 30 pound weight advantage and his lengthy experience gave him a decisive win.

Summary:

118 lb. class—Geto (A) defeated DeGraw (I) on a time advantage of 4:12.

126 lb. class—Vezzoli (A) threw Foote (I) in 5:25.

135 lb. class—Amsden (I) defeated Warde (A) on a time advantage of 67 seconds.

145 lb. class—Felli (A) defeated Cole (I) on a time advantage of 7:36.

155 lb. class—Grantier (A) drew with Meade (I). Extra period bout.

165 lb. class—Graham (A) threw Fehling (I) in 4:45.

175 lb. class—Flint (A) won on a forfeit.

Unlimited class—Sweeney (I) defeated Lockwood (A) in 4:17.

DEAN NORWOOD GIVES TWO TALKS IN ONE DAY

Dean Norwood, at a joint session of the Alfred women's clubs yesterday afternoon, gave a talk on the "Origins of the Constitution". This topic is an ever recurring subject of interest, and was well-treated and clearly expressed by the Dean.

Last night Dean Norwood journeyed to Belmont, where he lectured before the Belmont Chamber of Commerce on the present-day, important problem of "The Causes of the Business Depression".

ROCHESTER LOSES TO YEARLINGS

Gaining a four point lead early in the first quarter which they never relinquished, the Frosh nosed out the Rochester School of Commerce in a close and hard fought game Saturday night in the local gym by a score of 22-21. The two teams were only once separated by more than four points and at half time the yearlings were in front by a 13-12 count.

Due largely to accurate shooting of DiCandia the locals pulled away from their opponents in the fourth quarter. A belated rally by the Flower City outfit in the closing minutes of the game was cut short by the final whistle.

Watson, left guard and captain of the visitors, annexed individual scoring honors with six baskets for a total of twelve points. Henning, star forward for the yearlings was close behind with eleven points, garnered on five baskets and a free toss. DiCandia, who was moved up from his usual position at guard to center played a steady game besides counting five times from the floor. Clarke and Kuenn at guards forced the Rochester offense to resort to long shots while Jacquiss as the other forward played a good floor game.

Director: CHARLES F. BINNS

NIGHT SCENE

Three words you whispered, softly, sweetly,
While I held you indiscreetly
And the omnipotent mon
Recarved your upturned face. Too soon
You left—so sure were you that I
Had something to recall you by.
Three words—oh, I remember well
The nite you whispered "Go to h—!"
