

ALFRED SUFFERS DEPRESSION

PURPLE MATMEN DROP TWO MEETS ON EASTERN TRIP

The Saxon mat stars dropped both meets on a two-day trip last weekend when they encountered unexpectedly strong opposition at Brooklyn Poly and C. C. N. Y. The two teams which had never beaten the Purple on the mat before showed superior team balance and experience for the Saxons' first real tests of season.

On Friday evening City College rang up a one-sided 28-8 score. The Gothamites, after trailing in the first three matches, bounced all over the visitors to establish a consecutive string of four falls. Lockwood, Alfred unlimited grappler, nearly broke into the scoring column in the final bout, but lost the match by a close time decision.

At Brooklyn Poly on the following evening Alfred met a team which was rated slightly superior to the C. C. N. Y. outfit. Geto opened the hostilities by placing the Purple in the lead only to see the Gothamites take the next three set-tos in quick succession. Grantier then gained his fourth draw decision of the season and a fall by Captain Flint in the 175 pound event ended Alfred's scoring. The meet was closely battled regardless of the score.

Ceramic Society Holds Meeting For Convention

The Ceramic Society held a business meeting Tuesday evening to discuss the coming Ceramic Convention in Cleveland. A number of the members planned to attend and they considered giving a brief discussion of what is new in the industry at some future meeting of the student branch.

Plans for the smoker are well under way and the committee will have decided the date and the place within the next week. The society plans to have several speakers for the bi-monthly meetings. These speakers will be men who are widely known in the ceramic field and will come under the instigation of the Alumni Association of the local Ceramic Society.

COLLEGE OFFICIALS STRIKE OPTIMISTIC NOTE IN SPEAKING OF FOOTBALL INFLATION AT NEW YORK CITY; DO NOT BLAME GRADS

(IP)—Speaking before an alumni group in New York, Romeyn Berry, Graduate Manager at Cornell, struck an optimistic note in saying that the problem of "inflation" would solve itself within the next two or three years, for athletic incomes would be reduced to a point where conditions would be normal again. Mr. Berry preferred the word "inflation" to overemphasis, and went on to say, "Ever since I can remember, some one has always been warning the colleges that they are drifting toward an undignified end—I have ceased worrying about the situation. We hear 'Give the game back to the boys.' It has been my experience that it is impossible to pin an undergraduate down long enough to give him anything."

Along the same line, Dr. Charles W. Kennedy, president of the National Collegiate Athletic Association, asserted, "There is about as much sense in giving the game back to the boys as there would be in giving horse

FOOTLIGHT CLUB TO GIVE "THE NEW POOR" PLAY IN ALUMNI HALL MONDAY

On March 2, "The New Poor", a farce in three acts will be presented, being sponsored by the members of the Footlight Club. The cast is as follows.

| | |
|---------------------------|--------------------|
| Grand Duke (Johnson) | Paul Hill |
| Court Ivan (Simpkins) | Jay Ryskind |
| Prince Valadmir (Rogers) | |
| | Louis Schiffner |
| Princess Irena (Tompkins) | |
| | Dorothy Ravit |
| Miller Guttridge | Claire Greene |
| Mrs. Wellby | Georgianna Kennedy |
| Alice Wellby | Mary Swan |
| Constance Wellby | Lillian Kohn |
| Betty Wellby | Phlabia Sheheen |
| Mary Maudsley | Anne Whitfield |
| Kirk O'Farrell | John Keane |

The plot concerns the Wellby family, wealthy and rather "useless" who become dismayed at the state of affairs when their staff of servants suddenly walks out on them. Then they hire servants supposedly from the Russian nobility, exiled and poor since their arrival from Russia. They are "the new poor".

How the situation turns out, is cleverly and humorously to be shown, by characters all particularly adapted to their parts.

Frosh Drop Two Games On Recent Trip

The Alfred Frosh, minus the services of Captain DiCandia, Hanigan, Lawrence and Bidwell dropped both contests on a week-end trip to Rochester last Friday and Saturday. The first set-back which was received at the hands of R. B. I. ended in a 41-21 runaway, after the Flower City all-stars found their stride. McLane's Frosh, however, played a steady game, offering stronger opposition than in the first time that the two teams meet earlier in the season.

On the following evening the Rochester Frosh took the visitors measure to the tune of 36-14. Chan Young, local yearling forward, started the scoring with a field goal and a free throw only to see the Yellow creep into a commanding lead. Doerr Wagner, a late comer to the squad, broke into the Saxon line-up in both games.

J. STITT WILSON GIVES SERIES OF TALKS LAST WEEK

The Hon. J. Stitt Wilson, one of the best known assembly speakers to appear here in several years, addressed members of the local student body on four occasions last Thursday and Friday. Mr. Wilson's first lecture, which was of a historical nature was given at the regular assembly period on Thursday morning. At 2:30 P. M. in that afternoon he also addressed a small group in Kenyon Hall.

A special assembly program was devoted to the speaker in Alumni Hall the following morning. Mr. Wilson then concluded his series of talk in the Howell Social Hall on Friday evening. Mr. Wilson, who advanced theories which coincided somewhat with those of Professor Rusby, former Alfred Economics Professor, conducted open discussion at that time.

Samuel Wenger Drops School For Semester

Samuel Wenger '31, of Paterson, New Jersey, failed to return to college last week following the Varsity Basketball team's eastern trip to New York City. Alfred's star forward stated that his college requirements for a Bachelor of Science degree were fulfilled and that further study previous to Commencement Day was unnecessary.

In response to rumors concerning Wenger's alleged ineligibility to play in the first five games of the new semester, a check-up revealed that he was duly registered in college and that he had received the necessary scholastic rating for bona-fide athletic participation. Wenger, a star of the 1929-30 outfit, was among the high scorers on the Saxon team.

ROBERT RAZEY RUNS TO FIRST PLACE IN 880 YARD INDOOR MEET AT BUFFALO

Robert Razez '33, bearing the Purple and Gold of Alfred, opened the indoor track season last Friday evening by stepping away from a classy field in the half mile event at the 106th Armory in Buffalo. The Purple distance star, who received no handicap in the race, won the event by a decisive margin although the field of entries was so large that fast time and an easy victory became an impossibility.

The special football relay team, composed of Brettschnieder, Robinson, Obourne and Staiman, placed fourth behind teams from Buffalo, Niagara and St. Bonaventure in the feature card of the evening. The relay which was negotiated in football togs was the first of its kind to be held in Western New York.

Both Captain Staiman and Chaplain McLeod, coach of the indoor track team, spoke briefly over the radio. The former Saxon captain credited Coach Galloway with a fine football record during the past season, and optimistically predicted further success for next fall when Alfred's present Freshman prospects and experienced Varsity material get under way.

One-Act Play To Feature Assembly

The Footlight Club will present another one-act play in Assembly this Thursday morning at 11:30. This play was coached jointly by Elizabeth Rogers and Harold W. Gullbergh. The cast is as follows:
Miss Emma Norris . Mildred Kneerim

Mrs. Pierce Avis Stortz
Mrs. Henley Annette Clifford
Norma Pierce Phlabia Sheheen

This play marks the second Footlight Club production to be presented in Assembly this year.

YELLOW DEFEATS VARSITY BY TUNE OF 31-19 VICTORY

Alfred's Varsity basketball team, minus the services of Wenger and Obourne, played a ragged game against the Rochester five at the Rochester gym last Saturday night. The Flower City team took the lead from the start, were never headed, and won by the score of 31-19. Steele and Harrison momentarily caused a little furore in the latter part of the second period when they squared off and began what promised to be another "Battle of the Century", until the umpire stepped in and ordered both battlers out of the game. Harrison was high-scorer of the evening with eleven points, while Wright led his team-mates with six.

Rochester went into the lead in the first few minutes of the play by virtue of a basket and free toss. The Purple five missed a number of shots and at half time lagged behind, 15-8. In the early part of the second period the Varsity staged a rally that brought them to within a few points of the leaders, but this was short-lived and the Rochester quintet increased its margin of safety well beyond the reach of the Saxons.

Drinking Athletes Beat Teetotalers, Says Coach

(London, Feb. 18.)
In all his years as a rowing coach in the United States, Guy Nickalls, famous Oxford oarsman, declared in a letter printed today, drinking athletes showed their superiority every time over teetotalers.

The letter was his contribution to the controversy which began when Nancy, Lady Astor, told the House of Commons that England lost on the cricket field because her players drank.

"In my own experience as an oarsman over twenty-eight years," Mr. Nickalls wrote, "I was never beaten by a teetotaler. I represented my country in my forty-second year and I drank all the alcohol, wine and beer I could buy, beg, borrow or be stood."

LOUIS MALKUS, NEWS SERVICE MANAGING EDITOR, TAKES RAP AT POLICE FOR TAKING PART IN HANDLING COLLEGE OFFENDERS

Once again, through the nation's press, comes a glaring story of an extensive raid by local police conducted on the University of Michigan campus, resulting in the seizure of liquor in several fraternity homes. In meting out swift punishment, the university authorities suspended the five fraternities in question until September next, denying them the use of their respective homes until that time.

Last week, several Harvard students committed vandalism in the town of Groton, being actuated, as stated by one Harvard faculty member, by an "over-indulgence of liquor." Yet the District Attorney refused to take any action against the offenders, saying that the matter would be handled properly by the Harvard officials. The whole story received approximately a one inch space in the newspapers.

Now to our mind, any damage inflicted while under the influence of liquor constitutes a graver offense than mere possession. But the point we are trying to raise is, that the law

authorities at one university town are co-operating with the officials of the school in the minimizing of such occurrences as are evident on every campus. The result is, less publicity, but punishment just the same.

The average college student will read of such an episode as the one at Michigan without believing, and rightly, that all fraternities are dens of iniquity or that Michigan University is a hotbed of vice. But there are many people in this fair country of ours, some politically minded, who seize upon such a story as evidence of the corruption of not only all fraternities, but our nation's universities as well. If an intelligent and co-operative understanding be arrived at between the officials of the law and the university authorities, to the end of taking over any legal action from local officers, the ever present threat of political investigation and public censure for something that happens once in a blue moon will be reduced to a minimum.

Intersorority Rushing?

The Sorority rushing season will soon draw to a close within the next few weeks to conclude considerable excitement for some time to come. In our minds the existing plan of rushing is spread over such an extended period of time that the last few weeks of the season always produces an abnormal show of interest and concern, particularly among the male students.

We have noticed during the past four years that Alfred men have taken an all too active part in what is indisputably no affair of their own. Local stalwarts seemed to have assumed a proprietary air over all three sororities as though they should wield an indispensable oar in each organization's ship of destiny.

Our advice to such intruders is to "lay-off!" We hope that each sorority will cooperate in condemning such practices until the crucial period is passed. Four cases of this type of "rushing" have been noted recently, and we feel certain that further attempts will follow.

It is not our contention that the fair, non-smoking co-ed will be influenced by this extraneous form of persuasion. But we do contend that this practice leads to anything except good feeling and sportsmanship on the parts of all concerned. Similar situations have arisen during past fraternity rushing seasons and the guilty co-eds have forceful reasons with which to show their regret.

The Hon. J. Stitt Wilson

The students of Alfred were fortunate last week. To be able to attend the lectures of a man as well traveled and cultured as the Honorable J. Stitt Wilson certainly is a privilege.

Mr. Wilson has studied at Northwestern University, Oxford and on the Continent. He has had a long and varied career as business man, Mayor of Berkeley, California, and Laborite lecturer.

Recently Mr. Wilson has been a speaker for and confere of Ramsay McDonald, Prime Minister of Great Britain. He is editor of "The Christ Spirit in the Animal World" and "The Militant Church and Property." A few of these are available at the library.

Mr. Wilson spoke in Assembly on both Thursday and Friday. Thursday night he conducted an open forum discussion which proved to be rich in thought provoking matter. This forum was held in the Social Hall and the attendance was not as large as it should have been. It was in a sense rather pathetic to see the horde of sport-model play-boy and play-girl students leaving the Hall after the dancing, to go to the restaurants completely ignoring the intellectual food of high quality which was about to be offered in the Social Hall.

In both his formal lectures and his informal socialized discussions Mr. Wilson was superbly thought-provoking. He presented a wealth of material which to all was highly reminiscent of Paul Rusby, formerly Professor of Economics at Alfred. Several students were heard saying—"I thought I was in Rusby's class reviewing the course for a final exam."

In response to a question on Prohibition, put by a student, Mr. Wilson said. "For years I preached on a temperance platform. To be frankly and plainly descriptive, this Prohibition business has put us in a hell of a hole." Isn't that rich? Remember, Mr. Wilson has been an ordained minister and further than that is a scholar and authority in the sociological field.

Too much credit can not be given to the AUCA and Chaplain McLeod for bringing the Hon. Mr. Stitt Wilson to Alfred. Let us have more of similar calibre.

BOXING ELIMINATIONS TO BE HELD THIS WEEK-END

Eliminations for Alfred's first boxing tournament probably will be held this week-end. A field of over a score of entries makes it necessary to cut the list of contenders nearly in half in order to put on the show, March 5th. Matchmaker E. Hassell Cauger has the entrants paired and hopes that by the time of the show no more than ten men will remain for the championship bouts.

The affair which is to be conducted under the auspices of the Scalp and Blade will be held on March 5th, instead of on March 7, due to a previous conflict with the Kanakadea dance schedule.

AGGIES DROP THREE GAMES LAST WEEK

The local athletic depression fell upon the Alfred Aggies last week as well, when the Orvis men fell before Fredonia Normal, Addison and the Ithaca School of Education Frosh. It was reported that Morris, who netted 13 points for Ispe against the Varsity three weeks ago, also played with the Ispe Frosh. Morris, however, tallied only two points against the Ag. team.

Alfred High School likewise shared the general losing streak in dropping its fifth game of the season to Angelica. During the past week Alfred teams engaged in nine wrestling and basketball events to lose all nine of them.

Miss Larkin, Miss Binns, Miss Starr and Miss Harris were guests.

VARSITY CAGERS TAKE HARD TRIP

Coach Galloway's Varsity takes off for Niagara this week-end to meet the strongest teams on its schedule. In the Elmwood Music Hall on Friday evening the Purple faces one of the strongest teams that the University of Buffalo has had in several years. U. B. boasts an undefeated record this year with easy victories over St. Lawrence, Clarkson, Cornell, Rochester, Niagara and Carnegie Tech. During the first five games the Bisons averaged over 40 points to their opponents' 18 per game.

At Niagara the Saxons should find another all-star aggregation which has dropped only to Powell's Buffalo outfit. The Cataract City team is heavy and fast, showing all of the good effects which are achieved by a veteran team.
